The Board of Directors has fixed the close of business on April 20, 2006 as the record date for the determination of the stockholders entitled to notice of and to vote at this meeting and at any adjournment or postponements thereof.

BY ORDER OF THE BOARD OF DIRECTORS

Allen S. Greene, Chairman

Dated: Hawthorne, New York
April 25, 2006

IMPORTANT: Whether or not you expect to attend in person, please complete, sign, date and return the enclosed Proxy at your earliest convenience. This will ensure the presence of a quorum at the meeting. PROMPTLY SIGNING, DATING AND RETURNING THE PROXY WILL SAVE SMARTPROS THE EXPENSE AND EXTRA WORK OF ADDITIONAL SOLICITATION. An addressed envelope for which no postage is required has been enclosed for that purpose. Sending in your Proxy will not prevent you from voting your stock at the meeting if you desire to do so, as your Proxy is revocable at your option. If your stock is held through a broker, bank or a nominee and you wish to vote at the meeting you will need to obtain a proxy form from your broker, bank or a nominee and present it at the meeting.

SMARTPROS LTD.

PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON THURSDAY, JUNE 15, 2006

This Proxy Statement is furnished to the stockholders of SmartPros Ltd., a Delaware corporation ("SmartPros"), in connection with the solicitation by the Board of Directors (our "Board") of proxies to be used at the 2006 Annual Meeting of Stockholders of SmartPros to be held at the Comfort Inn, 20 Saw Mill River Road, Hawthorne, New York 10532, on Thursday, June 15, 2006 at 10:00 A.M., Eastern Time, and at any adjournments thereof (the "Annual Meeting"). The approximate date on which this Statement and the accompanying proxy will be mailed to stockholders is April 30, 2006.

THE VOTING & VOTE REQUIRED

RECORD DATE AND QUORUM

Only stockholders of record at the close of business on April 20, 2006 (the "Record Date"), are entitled to notice of and vote at the Annual Meeting. On the Record Date, there were 5,060,274 outstanding shares of common stock, par value \$.0001 per share, ("Common Stock"). Each share of Common Stock is entitled to one vote. Shares represented by each properly executed, unrevoked proxy received in time for the meeting will be voted as specified. Shares of Common Stock were the only voting securities of SmartPros outstanding on the Record Date. A quorum will be present at the Annual Meeting if a majority of the shares of Common Stock outstanding on the Record Date are present at the meeting in person or by proxy.

VOTING OF PROXIES

The persons acting as proxies (the "Proxyholders") pursuant to the enclosed proxy will vote the shares represented as directed in the signed proxy. Unless otherwise directed in the proxy, the Proxyholders will vote the shares represented by the proxy: (i) for the election of the two Class II director nominees named in this Proxy Statement; (ii) for the amendment of the SmartPros 1999 Stock Option Plan to provide for restricted stock grants; (iii) for the appointment of the independent auditors for the year ending December 31, 2006 on an advisory basis; and (iv) in their discretion, on any other business that may come before the meeting and any adjournments of the meeting.

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Under the SmartPros bylaws and Delaware law: (1) shares represented by proxies that reflect abstentions or "broker non-votes" (i.e., shares held by a broker or nominee that are represented at the meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum; (2) there is no cumulative voting, and the director nominees receiving the highest number of votes, up to the number of directors to be elected, are elected and, accordingly, abstentions, broker non-votes and withholding of authority to vote will not affect the election of directors; and (3) proxies that reflect abstentions or non-votes will be treated as unvoted for purposes of determining approval of that proposal and will not be counted as votes for or against that proposal.

VOTING REQUIREMENTS

ELECTION OF DIRECTORS. The election of directors requires a plurality of the votes cast for the election of directors. Accordingly, the directorships to be filled at the Annual Meeting will be filled by the nominees receiving the highest number of votes. In the election of directors, votes may be cast in favor of or withheld with respect to any or all nominees. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

APPROVAL OF AMENDMENT TO THE SMARTPROS 1999 STOCK OPTION PLAN AND ADVISORY APPROVAL OF THE APPOINTMENT OF INDEPENDENT AUDITORS. The affirmative vote of a majority of the votes cast for or against the matter by stockholders entitled to vote at the Annual Meeting is required to approve (i) the amendment to the SmartPros 1999 Stock Option Plan; and (ii) the appointment of our independent auditors for the fiscal year ending December 31, 2006. An abstention from voting on this matter will be treated as "present" for quorum purposes. However, since an abstention is not treated as a "vote" for or against the matter, it will have no effect on the outcome of the vote.

PROPOSAL 1
ELECTION OF DIRECTORS AND MANAGEMENT INFORMATION

Our Board currently consists of six members and is divided into three classes, with two Class I directors, two Class II directors and two Class III directors. Directors serve for three-year terms with one class of directors being elected by our stockholders at each annual meeting.

At the Annual Meeting, two Class II directors will be elected to serve until the annual meeting of stockholders in 2009 and until each director's successor is elected and qualified. Our Board has nominated Joshua A. Weinreich and Jack Fingerhut for reelection as the Class II directors. The accompanying form of proxy will be voted for the election of Messrs. Weinreich and Fingerhut as directors, unless the proxy contains contrary instructions. Management has no reason to believe that any of Messrs. Weinreich and Fingerhut will not be a candidate or will be unable to serve. However, in the event that either one of them is unable or unwilling to serve as a director, the proxy will be voted for the election of such person or persons as shall be designated by our Board.

OUR BOARD RECOMMENDS A VOTE FOR THE ELECTION OF THE FOREGOING NOMINEES
AND PROXIES THAT ARE SIGNED AND RETURNED WILL BE SO VOTED
UNLESS OTHERWISE INSTRUCTED.

AUDIT COMMITTEE:

Martin H. Lager

Joshua A.Weinreich

John J. Gorman

The chairman of the Compensation and Nominating Committee is Mr. Weinreich and the other members of the committee are Messrs. Gorman and Judson. The committee reviews and recommends the compensation and benefits payable to our officers, reviews general policy matters relating to employee compensation and benefits, and administers our various stock option plans and other incentive compensation arrangements. The committee also identifies individuals qualified to become members of our Board and makes recommendations to our Board of new nominees to be elected by stockholders or to be appointed to fill vacancies on our Board. The Compensation and Nominating Committee met 1 time in 2005. Prior to its official formation, members of the committee met on an unofficial basis to discuss committee matters. A copy of the Compensation and Nominating Committee Charter has been posted on our Web site at www.smartpros.com.

In identifying and recommending nominees for positions on our Board, the Compensation and Nominating Committee places primary emphasis on (i) a candidate's judgment, character, expertise, skills and knowledge useful to the oversight of our business; (ii) a candidate's business or other relevant experience; and (iii) the extent to which the interplay of the candidate's expertise, skills, knowledge and experience with that of other members of our Board will build a board of directors that is effective, collegial and responsive to our needs.

The Compensation and Nominating Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the committee will take into consideration the needs of our Board and the qualifications of the candidate. Under our bylaws to have a candidate considered by the committee, a stockholder must timely notify our Secretary, Karen Stolzar, by written notice delivered to, or mailed to and received at, our principal executive offices not less than thirty (30) days and not more than sixty (60) days prior to the scheduled annual meeting date, regardless of any postponements, deferrals or adjournments of that meeting to a later date; PROVIDED, HOWEVER, that if less than forty (40) days' notice or prior public disclosure of the date of the scheduled annual meeting is given or made, notice by the stockholder, to be timely, must be so delivered or received not later than the close of business on the tenth (10th) day following the earlier of the day on which such

notice of the date of the scheduled annual meeting was mailed or the day on

Edgar Filing: SmartPros Ltd. - Form DEF 14A

which such public disclosure was made. A stockholder's notice to the Secretary shall set forth (i) as to each person whom the stockholder proposes to nominate for election to our Board, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to the Exchange Act, including, without limitation, such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; (ii) the name and address of the stockholder making the nomination and any other stockholders known by such stockholder to be supporting such nomination; (iii) the class and number of shares of stock owned by the stockholder on the date of such stockholder's notice and by any other stockholders known by such stockholder to be supporting such nomination on the date of such stockholder's notice and (iv) any financial interest of the stockholder in such nomination.

The Compensation and Nominating Committee believes that the minimum qualifications for service as a director of SmartPros are that a nominee possess an ability, as demonstrated by recognized success in his or her field, to make meaningful contributions to our Board's oversight of our business and affairs and an impeccable reputation of integrity and competence in his or her personal or professional activities. The committee's evaluation of potential candidates shall be consistent with our Board's criteria for selecting new directors. Such criteria include an understanding of our business environment and the possession of such knowledge, skills, expertise and diversity of experience so as to enhance our Board's ability to manage and direct our affairs and business, including when applicable, to enhance the ability of committees of our Board to fulfill their duties and/or satisfy any independence requirements imposed by law, regulation or listing requirements. The committee may also receive suggestions from current members of our Board, executive officers or other sources, which may be either unsolicited or in response to requests from the committee for such candidates. In addition, the committee may also, from time to time, engage firms that specialize in identifying director candidates.

Once a person has been identified by the committee as a potential candidate, the committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the committee determines that the candidate warrants further consideration, the chairman or another member of the committee may contact the person. Generally, if the person expresses a willingness to be considered and to serve on our Board, the committee may request information from the candidate, review the person's accomplishments and qualifications and may conduct one or more interviews with the candidate. The committee will consider all such information in light of information regarding any other candidates that the committee might be evaluating for membership on our Board. In certain instances, the committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder.

COMMUNICATIONS WITH DIRECTORS

Our Board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of our Board, or the non-management directors as a group, any Board committee or any chair of any such committee by mail or electronically. To communicate with our Board, any individual director or any group or committee of directors, correspondence should be addressed to our Board or any such individual directors or group or committee of directors by either name or title, care of the Secretary. All such correspondence should be sent to our principal executive offices or by e-mail to the Secretary at info@smartpros.com. All communications received as set forth in the preceding paragraph will be opened

Edgar Filing: SmartPros Ltd. - Form DEF 14A

by the Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or

7

matters deemed inappropriate for our Board will be forwarded promptly to the addressee. In the case of communications to our Board or any group or committee of directors, the Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope or e-mail is addressed.

It is our policy that directors are invited and encouraged to attend the Annual Meeting.

ENGAGEMENT OF NEW INDEPENDENT ACCOUNTANTS

On November 22, 2004 (the "Engagement Date"), we engaged Holtz Rubenstein Reminick LLP as our new independent public accountants and dismissed McGladrey & Pullen, LLP. The decision to change accountants was recommended and approved by our Audit Committee.

The audit reports of McGladrey & Pullen, LLP on our financial statements for the years ended December 31, 2002 and 2003 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle. In connection with their audits of the years ended December 31, 2002 and 2003 and reviews of our financial statements for year 2004 through November 22, 2004, there were no disagreements with them on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to their satisfaction would have caused them to make reference thereto in their report on the financial statements for such years.

For the years ended December 31, 2002 and 2003 and through the Engagement Date in year 2004, we have not consulted with Holtz Rubenstein Reminick LLP on any matter that (i) involved the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, in each case where a written report was provided or oral advice was provided that Holtz Rubenstein Reminick LLP concluded was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-B and the related instructions to Item 304 of Regulation S-B, or a reportable event, as that term is defined in Item 304(a)(1)(v) of Regulation S-B.

AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES

The Audit Committee charter provides that the Audit Committee will pre-approve audit services and non-audit services to be provided by our independent auditors before the accountant is engaged to render these services. The Audit Committee may consult with management in the decision-making process, but may not delegate this authority to management. PROPOSAL 2 APPROVAL OF AN AMENDMENT TO THE 1999 STOCK OPTION PLAN TO PROVIDE FOR AWARDS OF RESTRICTED STOCK

On March 7, 2005, our Board adopted resolutions approving an amendment to our 1999 Stock Option Plan (the "Plan") to include grants of up to 200,000 shares of SmartPros restricted common stock ("Restricted Stock") from the number of shares available for issuance thereunder and directing that the proposed amendment be submitted to a vote of the stockholders at the Annual Meeting. Our Board determined that the amendment is in our best interest and the best interest of our stockholders, and unanimously recommends approval by the stockholders.

BACKGROUND AND REASONS FOR THE PROPOSAL

Our Board believes that ability to grant shares of Restricted Stock as well as options will enhance our ability to provide incentives to employees, directors and consultants whose performance contribute to our long-term success and growth, to strengthen our ability to attract and retain employees, directors and consultants of high competence, to increase the identity of interests of such people with those of stockholders and to help build loyalty to SmartPros through recognition and the opportunity for stock ownership.

In 1999, our Board adopted the Plan which was subsequently approved by our stockholders. We registered under the Securities Act of 1933, as amended (the "Securities Act"), the shares issuable upon the exercise of options granted

Edgar Filing: SmartPros Ltd. - Form DEF 14A

or to be granted pursuant to the Plan in a Registration Statement on Form S-8, File No. 333-123943, filed on April 8, 2005. As a result of this registration under the Securities Act, an optionee who is not an "affiliate" may resell the shares of the Common Stock received upon exercise immediately and an optionee who is an "affiliate" (I.E., a director or an executive officer) may resell pursuant to the exemption of Rule 144 under the Securities Act without compliance with any holding period under paragraph (d) of Rule 144. The Plan originally provided for the grant of options to purchase shares of Common Stock to directors, officers, employees and consultants of SmartPros. Non-qualified stock options may be granted to directors, officers, employees and consultants. Incentive stock options, as such form is defined in Section 422 of the Internal Revenue Code (the "Code"), may be granted only to employees. The term of the Plan is for ten years and it provides for the grants of options to purchase an aggregate of 882,319 shares of Common Stock. The Plan is administered by our Board (and not the Compensation Committee).

TERMS OF GRANTS

RESTRICTED STOCK AWARDS

As amended, Restricted Stock may be granted under the Plan to employees, directors and consultants in addition to incentive stock options, which may be granted only to employees, and to non-qualified stock options, which may be granted to employees, directors and consultants. Restricted Stock awards are subject to forfeiture unless certain time and/or performance requirements are satisfied.

9

OPTIONS AWARDS

The Plan, consistent with the provisions of the Code, provides that the exercise price of an incentive stock option shall not be less than the fair market value of Common Stock on the date of grant, except that, if the employee owns stock possessing more than 10% of the total combined voting power of all classes of stock, the exercise price of the option must be at least 110% of the fair market value of Common Stock on the date of grant and the incentive stock option cannot be exercised after five years from the date of grant. No stock option granted has, and no option to be granted under the Plan may have, a term in excess of ten years. The exercise price of a non-statutory or non-qualified option may be less than the fair market value on the date of grant.

The number of shares subject to an outstanding option and the exercise price thereof are subject to adjustment in the event of a stock dividend, stock split, reorganization, recapitalization, combination of shares, change in corporate structure or similar events. No fractional shares will be issued upon exercise and we have no obligation to pay for such fractional share.

The provisions described in this paragraph are applicable to future options: If the optionee's employment terminates for any reason other than his or her death or disability, he or she may, for a period of up to three months, may exercise the option to the extent exercisable upon the date of termination. If the optionee's employment terminates because of his or her total and permanent disability (as defined in the Internal Revenue Code), the optionee will have 12 months within which he or she can exercise the stock option to the extent it was exercisable on the date of termination. In the event of other disability causing termination, the optionee may have six months (three months in the event the optionee wants continuous treatment of the stock option as an incentive stock option) to exercise the stock option to the extent exercisable upon the date of termination. If the optionee dies, his estate may exercise the stock option to the extent exercisable upon the date of death of the optionee,

Edgar Filing: SmartPros Ltd. - Form DEF 14A

whether it occurred during the initial term or during the three, six or 12-month periods described in the three preceding sentences. In no event may a stock option be exercised beyond its original expiration date. Similar provisions are applicable to optionees who are not employees.

For a consultant to be eligible to receive a grant of a stock option under the Plan, the optionee must be a natural person and the services rendered to us must be of a bona fide nature and not in connection with the offer or sale of our securities in a capital raising transaction and do not directly or indirectly promote or maintain a market for our securities.

FEDERAL INCOME TAX CONSEQUENCES

NON-QUALIFIED STOCK OPTIONS. The grant of non-qualified stock options will have no immediate tax consequences to us or the optionee. The exercise of a non-qualified stock option will require the optionee to include in his gross income the amount by which the fair market value of the acquired shares on the exercise date (or the date on which any substantial risk of forfeiture lapses) exceeds the option price. Upon a subsequent sale or taxable exchange of the shares acquired upon exercise of a non-qualified stock option, the optionee will recognize long or short-term capital gain or loss equal to the difference between the amount realized on the sale and the tax basis of such shares.

We will be entitled (provided applicable withholding requirements are met) to a deduction for Federal income tax purposes at the same time and in the same amount as the optionee is in receipt of income in connection with the exercise of a non-qualified stock option.

INCENTIVE STOCK OPTIONS. The grant of an incentive stock option will have no immediate tax consequences to the employee. Beginning in 2006, companies will be required to recognize an immediate expense from the grant of incentive stock options. If the employee exercises an incentive

10

stock option and does not dispose of the acquired shares within two years after the grant of the incentive stock option nor within one year after the date of the transfer of such shares to him (a "disqualifying disposition"), he will realize no compensation income and any gain or loss that he realizes on a subsequent disposition of such shares will be treated as a long-term capital gain or loss. For purposes of calculating the employee's alternative minimum taxable income, however, the option will be taxed as if it were a non-qualified stock option.

RESTRICTED COMMON STOCK. Generally, unless the participant elects, pursuant to Section 83(b) of the Code to recognize income in the taxable year which the Restricted Stock had been awarded, the participant is required to recognize income for federal income tax purposes in the first taxable year during which the participant's rights over the Restricted stock are transferable or are not subject to a substantial risk of forfeiture, whichever occurs earlier. At such time, we will be entitled (provided applicable withholding requirements are met) to a deduction for Federal income tax purposes.

Immediately following approval, the approximate number of employees who will be eligible to participate in the Plan is 75, the approximate number of non-employee board members who will be eligible to participate in the Plan is four and we do not currently have any consultants that we are considering for participation in the Plan. At April 1, 2006, options covering a total of 371,496 shares of the Common Stock were outstanding under the Plan at a weighted average exercise price of \$4.72 per share, leaving a balance of 481,363 shares eligible

Edgar Filing: SmartPros Ltd. - Form DEF 14A

for future grants.

PROPOSAL 3
ADVISORY APPROVAL OF THE APPOINTMENT OF INDEPENDENT AUDITORS

Holtz Rubenstein Reminick LLP has been our independent auditors since November of 2004. Their audit report appears in our annual report for the fiscal year ended December 31, 2005. A representative of Holtz Rubenstein Reminick LLP will be at the Annual Meeting and will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

Selection of the independent accountants is not required to be submitted to a vote of our stockholders for ratification. In addition, the Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation and oversight of the audit work of the independent auditors. The Audit Committee expects to appoint Holtz Rubenstein Reminick LLP to serve as independent auditors to conduct an audit of SmartPros' accounts for the 2006 fiscal year. However, our Board is submitting this matter to SmartPros stockholders as a matter of good corporate practice. If the stockholders fail to vote on an advisory basis in favor of the selection, the Audit Committee will take that into consideration when deciding whether to retain Holtz Rubenstein Reminick LLP, and may retain that firm or another without re-submitting the matter to the stockholders. Even if stockholders vote on an advisory basis in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of SmartPros and the stockholders.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THIS PROPOSAL AND PROXIES THAT ARE SIGNED AND RETURNED WILL BE SO VOTED UNLESS OTHERWISE INSTRUCTED

OPTION GRANTS IN 2005

The following tables show certain information with respect to incentive and non-qualified stock options granted in 2005 to the Named Executives under SmartPros' 1999 Stock Option Plan who received options and the aggregate value at December 31, 2005 of such options. The per share exercise price of all options is equal to the fair market value of a share of Common Stock on the date of grant. No options granted to any Named Executives have been exercised.

INDIVIDUAL GRANTS OF OPTIONS

2005 YEAR-END OPTION VALUES

The table below provides information with respect to the number and aggregate value of unexercised options held by those executives as of December 31, 2005. The per share exercise price of all options was equal to, or above, the estimated fair market value of a share of common stock on the date of grant.

EMPLOYMENT AGREEMENTS

Edgar Filing: SmartPros Ltd. - Form DEF 14A

We have employment agreements with each of the Named Executives and our Chief Financial Officer.

13

The employment agreement with (i) Allen S. Greene, dated as of May 1, 2004, is for a term of three years but renews automatically for a new three-year term at the end of the first year of each three-year term unless either party gives notice before the end of the first year of each three year term of its intention not to renew the agreement. Mr. Greene's annual base salary for 2006 is \$262,500; (ii) William K. Grollman, dated as of April 1, 2003, was for a term of three years with an annual base salary of \$210,000. On March 1, 2006, Mr. Grollman resigned from the positions he held with us but remained our employee through March 31, 2006; (iii) David M. Gebler, upon renewal in 2006, was extended by us through March 31, 2008. Mr. Gebler's annual base salary is \$180,000; (iv) Jack Fingerhut, dated as of October 1, 2005, is for a term of three years with an annual base salary of \$185,000; (v) Joseph Fish, dated as of October 1, 2005, is for a term of two years with an annual base salary of \$162,500; and (vi) Stanley Wirtheim, our Chief Financial Officer, dated as of July 1, 2005, is for a term of three years starting with an annual base salary of \$117,000 which automatically increases annually as he devotes more time to us during the term of his agreement up to a maximum of \$147,000. Generally, the base salary of each of the aforementioned executives are reviewed annually by our Board and will be subject to increase based on their review.

Generally, each employment agreement provides, among other things, for additional compensation and benefits including bonuses at times and amounts determined in the discretion of our Board, for fringe benefits commensurate with the executive's duties and responsibilities and for participation in all employee benefit programs or plans maintained by SmartPros on the same basis as other similarly situated executive employees. In addition to the foregoing, Mr. Gebler was entitled to a non-discretionary bonus equal to 23.335% of the net profits of Working Values in excess of \$10,000 in each of the two years beginning April 1, 2003, but in no event more than \$175,000 in the aggregate. Upon the expiration of the two year period no amount has been earned or paid to Mr. Gebler.

Under each agreement, we, for cause or without cause, may terminate employment immediately and without notice. Termination by us without cause or in the case of Mr. Gebler, by him for good reason, would subject us to liability for liquidated damages. Generally, liquidated damages include payment of an amount equal to the base salary at the then current rate for the remaining term of their respective employment agreements, a bonus equal to the highest annual bonus received in the last five years multiplied by the number of years or fraction thereof and, for the remaining term of the employment agreement, the right to the same benefits at the same levels. In addition to the foregoing, Mr. Gebler will be entitled to receive a non-discretionary bonus, if any, and all of his stock options will immediately become exercisable. Finally, the employment agreements for Mr. Greene and Mr. Grollman provide that if we do not extend the employment term for at least one three-year term after the expiration of the initial term at a fixed minimum base salary defined in the agreement, the executive is entitled to a lump sum payment equal to 50% of his then base salary. Upon Mr. Grollman's resignation from the positions he held with us on March 1, 2006, he agreed to waive his rights to an extension under his employment agreement.

In addition to the foregoing, in the case of Messrs. Greene, Wirtheim and Fish, upon the occurrence of a change in control (as defined in their respective employment agreements) we would also be subject to liability for liquidated damages of varying amounts if any of their positions change and or

Edgar Filing: SmartPros Ltd. - Form DEF 14A

salaries reduced.

LIMITATION OF DIRECTORS' LIABILITY AND INDEMNIFICATION

Our certificate of incorporation limits the liability of individual directors for specified breaches of their fiduciary duty. The effect of this provision is to eliminate the liability of directors for monetary damages arising out of their failure, through negligent or grossly negligent conduct, to satisfy their duty of care, which requires them to exercise informed business judgment. The liability of directors under the federal securities laws is not affected. A director may be liable for monetary damages only if a claimant can show receipt of financial benefit to which the director is not entitled, intentional infliction of harm on

14

us or on our shareholders, a violation of section 174 of the Delaware General Corporation Law (dealing with unlawful distributions to shareholders effected by vote of directors), and any amended or successor provision thereto, or an intentional violation of criminal law.

Our certificate of incorporation also provides that we will indemnify each of our directors or officers, and their heirs, administrators, successors and assigns against any and all expenses, including amounts paid upon judgments, counsel fees, and amounts paid or to be paid in settlement before or after suit is commenced, actually and necessarily incurred by such persons in connection with the defense or settlement of any claim, action, suit or proceeding, in which they, or any of them are made parties, or which may be asserted against them or any of them by reason of being, or having been, directors or officers of the corporation, except in relation to such matters in which such director or officer shall be adjudged to be liable for his own negligence or misconduct in the performance of his duty.

There is no pending litigation or proceeding involving any of our directors, officers, employees or agents in which we are required or permitted to provide indemnification, except as set forth under Certain Relationships and Related Party Transactions. We are also not aware of any threatened litigation or proceedings that may result in a claim for indemnification.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or controlling persons under our certificate of incorporation, we have been informed that, in the opinion of the SEC, indemnification is against public policy as expressed in the Securities Act and is unenforceable.

COMPENSATION OF DIRECTORS

Our directors receive an annual fee of \$5,000, payable in equal quarterly installments, and \$500 plus reimbursement for actual out-of-pocket expenses in connection with each board meeting attended in person and \$200 for each board meeting attended telephonically. The head of the Audit Committee receives an annual fee of \$1,000, payable in equal quarterly installments. Each member of the audit, compensation and nominating committees receives \$500 for each committee meeting he attends in person and \$200 for each audit committee meeting attended telephonically unless the meeting immediately precedes or follows a board meeting, in which case he will receive \$200 for attending in person or \$100 if he attends by telephone.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

To attract and retain the personnel necessary for our success, our Board and our stockholders adopted our 1999 Stock Option Plan. A total of 882,319 shares of common stock have been reserved for issuance upon exercise of options granted under the plan. As of April 1, 2006 options covering 371,496 shares are issued and outstanding. The compensation committee of our Board administers the plan. The plan covers employees and others who perform services for us, which would include directors and consultants. The administrator of the plan, whether our Board or the compensation committee, determines who is eligible to receive these incentive stock options, how many options they will receive, the term of the options, the exercise price and other conditions relating to the exercise of the options. Stock options granted under the plan must be exercised within a maximum of 10 years from the date of grant at an exercise price that is not less than the fair market value of the common shares on the date of the grant. Options granted to stockholders owning more than 10% of our outstanding common shares must be exercised within five years from the date of grant and the exercise price must be at least 110% of the fair market value of the common shares on the date of the grant.

The following table sets forth information as of December 31, 2005 relating to all of our equity compensation arrangements.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In February 2002, we sold 2,000 shares of our Series A Convertible Preferred Stock to our President, William K. Grollman. The purchase price for these shares, \$200,000, was reflected in a secured promissory note in the original principal amount of \$200,000. The note accrues interest at the rate of 5.5% per annum and the entire principal amount and all accrued interest is due and payable on February 14, 2007. As security for the repayment of this note, Mr. Grollman pledged 41,359 shares of common stock that he owns and 2,000 shares of Series A Convertible Preferred Stock, which has since been converted into 82,719 shares of common stock.

In April 2003, we acquired assets from Working Values Group, Ltd. David Gebler, Senior Vice President and the President of our Working Values subsidiary, was the principal stockholder of Working Values Group. As part of the purchase price, we agreed to pay Mr. Gebler a non-discretionary bonus equal

Edgar Filing: SmartPros Ltd. - Form DEF 14A

to 26.665% of the net profits (as defined) of Working Values in excess of \$10,000 in each of the two years beginning April 1, 2003, but in no event more than \$200,000 in the aggregate. This is in addition to any amount payable to Mr. Gebler under his employment agreement. Upon the expiration of the two year period no amount has been earned or paid to Mr. Gebler.

17

Before joining us in 2004 as our Chief Accounting and Financial Officer and Treasurer, Stanley P. Wirthheim provided us with accounting services. We paid him at the rate of \$5,000 per month, or \$60,000 per year.

On August 3, 2004, our Board authorized the issuance of 40,000 shares of common stock to Allen S. Greene, our chief executive officer for services rendered. The shares were issued to Mr. Greene on October 19, 2004. Of the 40,000 shares issued, 10,000 shares vested immediately and 10,000 shares will vest on each of October 19, 2005, 2006 and 2007. Mr. Greene is deemed the owner of these shares as of the date of grant and, as such, will be entitled to vote them on all matters presented to stockholders for a vote and will be entitled to dividends, if any, payable on our common stock. If Mr. Greene terminates his employment with us voluntarily or we terminate him for "cause," as defined in his employment agreement, any unvested shares will be forfeited and will revert back to us. If Mr. Greene's employment with us is terminated without "cause," or if his employment is terminated as a result of his death or disability (as defined in his employment agreement), or if we experience a change in control (as defined in his employment agreement) any unvested shares will immediately vest. The issuance was exempt from registration under Sections 4(2) and 4(6) of the Act.

Our Board approved the issuance of shares to Mr. Greene on the basis of its belief that the stock grant is appropriate and meets four important business needs. First, the grant recognizes Mr. Greene's outstanding performance by achieving positive cash flows, profitability in the second quarter of 2004 and positioning the company for an initial public offering. Second, it provides a meaningful retention tool. Third, it ties his personal financial benefit to that of the company. Fourth, it is a positive factor for future investors who want to see top management having a substantial personal financial interest in the future of the company.

LEGAL PROCEEDINGS

SmartPros is not aware of any legal proceedings in which any director, officer or affiliate of SmartPros, any beneficial owner of record of more than five percent of any class of voting securities of SmartPros, or any associate of any such director, officer, affiliate, or security holder is a party adverse to SmartPros or has a material interest adverse to SmartPros.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires SmartPros' officers and directors, and persons who own more than ten percent (10%) of a registered class of the SmartPros' equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"). Officers, directors and greater than ten percent (10%) stockholders are required by SEC regulations to furnish SmartPros with copies of all Section 16(a) forms they file.

To the best of our knowledge, based solely on review of the copies of such forms furnished to us, or written representations that no other forms were required, we believe that all Section 16(a) filing requirements applicable to our officers, directors and greater than ten percent (10%) stockholders were

Edgar Filing: SmartPros Ltd. - Form DEF 14A

complied with during 2005. With respect to any former directors, officers, and ten percent (10%) stockholders, we do not have any knowledge of any known failures to comply with the filing requirements of Section 16(a).

APPENDIX I (FORM OF PROXY)

SMARTPROS LTD.
P R O X Y
FOR ANNUAL MEETING OF THE STOCKHOLDERS
JUNE 15, 2006

THIS PROXY IS SOLICITED ON BEHALF OF THE BOARD OF DIRECTORS

The undersigned hereby appoints Allen S. Greene and Jack Fingerhut, and each of them, with full power of substitution, as proxies to vote the shares which the undersigned is entitled to vote at the Annual Meeting of the Stockholders of SmartPros Ltd.
