PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS

To Be Held on June 17, 2010

We are furnishing this Proxy Statement to our stockholders in connection with the solicitation by our Board of Directors (the Board) of proxies (Proxy or Proxies) to be used at our 2010 Annual Meeting of Stockholders to be held at the Comfort Inn, 20 Saw Mill River Road, Hawthorne, New York 10532, on Thursday, June 17, 2010, at 11:00 A.M. Eastern Time, and at any adjournments thereof (the Annual Meeting). The approximate date on which this Proxy Statement and the accompanying Proxy will be mailed to stockholders is May 1, 2010.

THE VOTING & VOTE REQUIRED

Record Date and Quorum

Only stockholders of record at the close of business on April 19, 2010 (the Record Date), are entitled to notice of and vote at the Annual Meeting. On the Record Date, there were 4,926,305 outstanding shares of our common stock, par value \$.0001 per share, (Common Shares). Each Common Share is entitled to one vote. Common Shares represented by each properly executed, unrevoked Proxy received in time for the meeting will be voted as specified. Common Shares were our only voting securities outstanding on the Record Date. A quorum will be present at the Annual Meeting if stockholders owning a majority of the Common Shares outstanding on the Record Date are present at the meeting in person or by Proxy.

Voting of Proxies

The persons acting as proxies (the Proxyholders) pursuant to the enclosed Proxy will vote the shares represented as directed in the signed Proxy. Unless otherwise directed in the Proxy, the Proxyholders will vote the shares represented by the Proxy: (i) for the election of the two Class III director nominees named in this Proxy Statement; (ii) for the appointment of the independent auditors for the year ending December 31, 2010, on an advisory basis; and (iii) in their discretion, on any other business that may come before the meeting and any adjournments of the meeting.

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Under our bylaws and Delaware law: (1) shares represented by Proxies that reflect abstentions or broker non-votes (i.e., shares held by a broker or nominee that are represented at the meeting but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum; (2) there is no cumulative voting, and the director nominees receiving the highest number of votes, up to the number of directors to be elected, are elected and, accordingly, abstentions, broker non-votes and withholding of authority to vote will not affect the election of directors; and (3) Proxies that reflect abstentions or non-votes will be treated as unvoted for purposes of determining approval of that proposal and will not be counted as votes for or against that proposal.

Voting Requirements

Election of Director. The election of the two Class III director nominees will require a plurality of the votes cast for his election at the Annual Meeting. Votes may be cast in favor of or withheld with respect to the nominees. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

Please note that this year the rules regarding how brokers may vote your shares have changed. Brokers may no longer vote your shares in the election of directors unless you provide specific instructions as to how to vote. We encourage you to provide instructions to your broker regarding the voting of your shares.

Advisory Approval of the Appointment of Independent Auditors. The affirmative vote of a majority of the votes cast on the matter by stockholders entitled to vote at the Annual Meeting is required to approve the appointment of our independent auditors for the fiscal year ending December 31, 2010 on an advisory basis. An abstention from voting on this matter will be treated as present for quorum purposes. However, since an abstention is not treated as a vote for or against the matter, it will have no effect on the outcome of the vote.

**PROPOSAL 1
ELECTION OF DIRECTORS AND MANAGEMENT INFORMATION**

The Board currently consists of five members and is divided into three classes, with two Class I directors, one Class II director and two Class III directors. Directors serve for three-year terms with one class of directors elected by our stockholders at each annual meeting.

At the Annual Meeting, two Class III directors will be elected to serve until the annual meeting of stockholders in 2013 and until their successors are elected and qualified. The Board has nominated Allen S. Greene and Leonard J. Stanley for re-election as Class III directors. Messrs. Greene and Stanley are currently Class III directors. The accompanying form of Proxy will be voted for the re-election of Messrs. Greene and Stanley as Class III directors, unless the Proxy contains contrary instructions. We have no reason to believe that either of Messrs. Greene or Stanley will not be a candidate or will be unable to serve. However, in the event that either of them is unable or unwilling to serve as a director, the Proxy will be voted for the election of such person or persons as shall be designated by the Board.

The Board Unanimously Recommends a Vote FOR the Election of Allen S. Greene and Leonard J. Stanley and Proxies that are Signed and Returned Will Be So Voted Unless Otherwise Instructed.

Audit Committee Financial Expert

The Board has determined that the Chairman of the Audit Committee, Mr. Lager, is an audit committee financial expert, as that term is defined in Item 407(d)(5) of Regulation S-K, and independent for purposes of the listing standards of the NASDAQ Capital Market (NASDAQ), and Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the Exchange Act).

Committees of the Board of Directors

The Board established an Audit Committee and a Compensation and Nominating Committee. The members of both committees are independent for purposes of the NASDAQ listing standards.

The Chairman of our Audit Committee is Mr. Lager and the other members of the committee are Messrs. Stanley and Gorman. All of the members qualify as independent in accordance with the applicable rules under the U.S. Securities and Exchange Commission (SEC) and NASDAQ. The Audit

Committee meets with management and our independent public accountants to determine the adequacy of internal controls and other financial reporting matters and review related party transactions for potential conflict-of-interest situations. A copy of the Audit Committee charter has been posted on our Web site at www.smartpros.com. The Audit Committee met four times in 2009.

In determining director independence, the Board considered the compensation paid to Messrs. Lager, Stanley and Gorman for the year ended December 31, 2009, disclosed in Director Compensation below, and determined that such compensation was for services rendered to the Board and therefore did not impact their ability to continue to serve as independent directors.

Audit Committee Report

The Audit Committee was established to meet with management and our independent accountants to determine the adequacy of internal controls and other financial reporting matters. The Board has adopted a written charter for the Audit Committee. The Audit Committee reviewed our audited financial statements for the year ended December 31, 2009, and met with management to discuss such audited financial statements. The Audit Committee has discussed with our independent accountants, Holtz Rubenstein Reminick LLP, the matters required to be discussed pursuant to Statement on Accounting Standards No. 61, as may be modified or supplemented. The Audit Committee has received the written disclosures and the letter from Holtz Rubenstein Reminick LLP required by the Independence Standards Board Standard No. 1, as may be modified or supplemented. The Audit Committee has discussed with Holtz Rubenstein Reminick LLP its independence from SmartPros and its management. Holtz Rubenstein Reminick LLP had full and free access to the Audit Committee. Based on its review and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the SmartPros Annual Report on Form 10-K.

AUDIT COMMITTEE:

Martin H. Lager, Chairman

Leonard J. Stanley

John J. Gorman

The Chairman of the Compensation and Nominating Committee is Mr. Gorman and the other members of the committee are Messrs. Stanley and Lager. The committee reviews and recommends the compensation and benefits payable to our officers, reviews general policy matters relating to employee compensation and benefits, and administers our various stock option plans and other incentive compensation arrangements. The committee also identifies individuals qualified to become members of the Board and makes recommendations to the Board of new nominees to be elected by stockholders or to be appointed to fill vacancies on the Board. The Compensation and Nominating Committee met one time in 2009. A copy of the Compensation and Nominating Committee charter has been posted on our Web site at www.smartpros.com.

The Compensation and Nominating Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the committee will take into consideration the needs of the Board and the qualifications of the candidate. Under our bylaws, to have a candidate considered by the committee, a stockholder must timely notify our Secretary, Karen Stolzar, by written notice delivered to, or mailed to and received at, our principal executive offices not less than thirty (30) days and not more than sixty (60) days prior to the scheduled annual meeting date, regardless of any postponements, deferrals or adjournments of that meeting to a later date; PROVIDED, HOWEVER, that if less than forty (40) days notice or prior public disclosure of the date of the scheduled annual meeting is given or made, notice by the stockholder, to be timely, must be so delivered or received not later than the close of business on the tenth (10th) day following the earlier of the day on which such notice of the date of the scheduled annual meeting was mailed or the day on which such public disclosure

was made. A stockholder's notice to the Secretary shall set forth the following information: (i) as to each person whom the stockholder proposes to nominate for election to the Board, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to the Exchange Act, including, without limitation, such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; (ii) the name and address of the stockholder making the nomination and any other stockholders known by such stockholder to be supporting such nomination; (iii) the class and number of shares of stock owned by the stockholder on the date of such stockholder's notice and by any other stockholders known by such stockholder to be supporting such nomination on the date of such stockholder's notice; and (iv) any financial interest of the stockholder in such nomination.

Disclosure of Director Qualifications

The Board, acting through the Compensation and Nominating Committee, is responsible for assembling for stockholder consideration a group of nominees that, taken together, have the experience, qualifications, attributes, and skills appropriate for functioning effectively as a Board. The Compensation and Nominating Committee regularly reviews the composition of the Board in light of the Company's changing requirements, its assessment of the Board's performance, and the inputs of stockholders and other key constituencies.

In identifying and recommending nominees for positions on the Board, the Compensation and Nominating Committee places primary emphasis on the following: (i) a candidate's judgment, character, expertise, skills and knowledge useful to the oversight of our business; (ii) a candidate's business or other relevant experience; and (iii) the extent to which the interplay of the candidate's expertise, skills, knowledge and experience with that of other members of the Board will build a board of directors that is effective, collegial and responsive to our needs.

In addition, the Compensation and Nominating Committee seeks to include on the Board a complementary mix of individuals with diverse backgrounds and skills reflecting the broad set of challenges that the Board confronts. These individual qualities can include matters like experience in our industry, technical experience (for example, financial or technological expertise), experience gained in situations comparable to ours (e.g., financial service companies, growth companies, and companies that grow through acquisitions), leadership experience, and relevant geographical experience.

The Compensation and Nominating Committee believes that the minimum qualifications for service as a director are that a nominee possess an ability, as demonstrated by recognized success in his or her field, to make meaningful contributions to the Board's oversight of our business and affairs and an impeccable reputation of integrity and competence in his or her personal or professional activities. The committee's evaluation of potential candidates shall be consistent with the Board's criteria for selecting new directors. Such criteria include an understanding of our business environment and the possession of such knowledge, skills, expertise and diversity of experience so as to enhance the Board's ability to manage and direct our affairs and business, including when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or satisfy any independence requirements imposed by law, regulation or listing requirements. The committee may also receive suggestions from current members of the Board, executive officers or other sources, which may be either unsolicited or in response to requests from the committee for such candidates. In addition, the committee may also, from time to time, engage firms that specialize in identifying director candidates.

Once a person has been identified by the committee as a potential candidate, the committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the committee determines that the candidate warrants further consideration, the chairman or another member of the committee may contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the committee may request

information from the candidate, review the person's accomplishments and qualifications and may conduct one or more interviews with the candidate. The committee will consider all such information in light of information regarding any other candidates that the committee might be evaluating for membership on the Board. In certain instances, the committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder.

It is our policy to invite and encourage all of the directors to attend the Annual Meeting. All of the directors attended our 2009 Annual Meeting.

Principal Accountant Fees and Services

The aggregate fees billed by our principal accounting firm, Holtz Rubenstein Reminick LLP, for the fiscal years ended December 31, 2009 and 2008, are as follows:

	<u>2009</u>	<u>2008</u>

Total audit and audit-related fees	<u>99,500</u>	<u>86,200</u>
Tax fees		
All other fees		56,600(2)
Total fees	<u>\$ 99,500</u>	<u>\$ 142,800</u>

(1) Includes \$16,500 and \$10,200 of fees billed for services rendered in connection with their review of our quarterly reports on Form 10-Q for the fiscal years ended December 31, 2009 and 2008, respectively.

(2) Fees for audit, research and consulting in connection with acquisitions made in the fiscal year ended December 31, 2008.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee charter provides that the Audit Committee will pre-approve audit services and non-audit services to be provided by our independent auditors before they are engaged to render these services. The Audit Committee may consult with management in the decision-making process but may not delegate this authority to management. The Audit Committee may delegate its authority to pre-approve services to one or more committee members, provided that the designees present the pre-approvals to the full committee at the next committee meeting.

Communications with Directors

The Board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the Board, or the non-management directors as a group, any Board committee or any chair of any such committee by mail or electronically. To communicate with the Board, any individual director or any group or committee of directors, correspondence should be addressed to the Board or any such individual directors or group or committee of directors by either name or title, care of the Secretary. All such correspondence should be sent to our principal executive offices or by e-mail to the Secretary at secretary@smartpros.com. All communications received as set forth in the preceding sentence will be opened by the Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the Board will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope or e-mail is addressed.

PROPOSAL 2
ADVISORY APPROVAL OF THE APPOINTMENT OF INDEPENDENT AUDITORS

Holtz Rubenstein Reminick LLP has been our independent auditor since November 2004. Their audit report appears in our annual report for the fiscal year ended December 31, 2009. A representative of Holtz Rubenstein Reminick LLP will be at the Annual Meeting and will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

Selection of the independent accountants is not required to be submitted to a vote of our stockholders for ratification. In addition, the Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation and oversight of the audit work of the independent auditors. The Audit Committee expects to appoint Holtz Rubenstein Reminick LLP to serve as independent auditors to conduct an audit of SmartPros accounts for the 2010 fiscal year. However, the Board is submitting this matter to SmartPros stockholders as a matter of good corporate practice. If the stockholders fail to vote on an advisory basis in favor of the selection, the Audit Committee will take that into consideration when deciding whether to retain Holtz Rubenstein Reminick LLP, and may retain that firm or another without re-submitting the matter to the stockholders. Even if stockholders vote on an advisory basis in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of SmartPros and the stockholders.

We maintain a 401(k) plan for our employees to whom we did not make any matching contributions in 2008 or 2009. We do not provide for any other retirement benefit for any of our employees, including executive officers.

Compensation of Directors

Each non-employee director receives an annual fee of \$8,000, payable in equal quarterly installments, and \$500 plus reimbursement for actual out-of-pocket expenses in connection with each Board meeting attended in person and \$200 for each board meeting attended telephonically. The head of the Audit Committee receives an annual fee of \$1,000, payable in equal quarterly installments. Each member of the audit, compensation and nominating committees receives \$500 for each committee meeting he attends in person and \$200 for each audit committee meeting attended telephonically unless the meeting immediately precedes or follows a meeting of the Board, in which case he will receive \$200 for attending in person or \$100 if he attends by telephone. At the discretion of the Board, newly elected independent directors may be granted stock options pursuant to the terms of our Stock Option Plan.

To align the interests of our non-employee directors with those of our stockholders, non-employee directors are each awarded stock options exercisable for 9,000 Common Shares upon joining the Board or 10,000 Common Shares, if at such time the director is also appointed a chairman of a committee of the Board. After three-years of service on the Board, non-employee directors are entitled to an annual award of stock options exercisable for 1,000 Common Shares. All such awards are subject to adjustment at the sole discretion of the Board.

Limitation of Directors Liability and Indemnification

Our certificate of incorporation limits the liability of individual directors for specified breaches of their fiduciary duty. The effect of this provision is to eliminate the liability of directors for monetary damages arising out of their failure, through negligent or grossly negligent conduct, to satisfy their duty of care, which requires them to exercise informed business judgment. The liability of directors under the federal securities laws is not affected. A director may be liable for monetary damages only if a claimant can show receipt of financial benefit to which the director is not entitled, intentional infliction of harm on us or on our stockholders, a violation of Section 174 of the Delaware General Corporation Law (dealing with unlawful distributions to stockholders effected by vote of directors), and any amended or successor provision thereto, or an intentional violation of criminal law.

Our certificate of incorporation also provides that we will indemnify each of our directors or officers, and their heirs, administrators, successors and assigns against any and all expenses, including amounts paid upon judgments, counsel fees, and amounts paid or to be paid in settlement before or after suit is commenced, actually and necessarily incurred by such persons in connection with the defense or settlement of any claim, action, suit or proceeding, in which they, or any of them are made parties, or

Edgar Filing: SmartPros Ltd. - Form DEF 14A

which may be asserted against them or any of them by reason of being, or having been, directors or officers of the corporation, except in relation to such matters in which such director or officer shall be adjudged to be liable for his own negligence or misconduct in the performance of his duty.

There is no pending litigation or proceeding involving any of our directors, officers, employees or agents in which we are required or permitted to provide indemnification, except as set forth under Certain Relationships and Related Party Transactions. We are also not aware of any threatened litigation or proceedings that may result in a claim for indemnification.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended (Securities Act), may be permitted to directors, officers or controlling persons under our certificate of incorporation, we have been informed that, in the opinion of the SEC, indemnification is against public policy as expressed in the Securities Act and is unenforceable.

Securities Authorized for Issuance Under Equity Compensation Plans

To attract and retain the personnel necessary for our success, we adopted our 2009 Incentive Compensation Plan (the 2009 Plan) which was approved by stockholders at the 2009 annual meeting of stockholders and replaced the 1999 Stock Option Plan.

800,000 Common Shares are authorized and available for issuance under the 2009 Plan upon adoption of which a maximum of 200,000 Common Shares can be issued pursuant to awards in the form of restricted stock and restricted stock units; *provided, however*, the number of Common Shares available for new awards under the 2009 Plan are reduced by the number of shares issued on or after January 1, 2009 upon the exercise of outstanding stock options, covered by outstanding stock options and restricted stock awards granted under the 1999 Plan. Any outstanding stock options granted under the 1999 Plan that are cancelled or expire unexercised and any restricted stock awards granted under the 1999 Plan that are forfeited will increase the number of Common Shares available for new awards under the 2009 Plan up to a maximum of 800,000 Common Shares. The number of Common Shares authorized and available for issuance under the 2009 Plan is subject to adjustment in the event of a stock split, stock dividend, recapitalization, spin-off or similar action.

Awards under the 2009 Plan may take the form of stock options (either incentive stock options or non-qualified options), restricted stock, or restricted stock units. The 2009 Plan is administered by the compensation committee of the Board and provides for equity awards to our employees and others who perform services for us, which would include directors and consultants. Stock options granted under this plan must be exercised within a maximum of 10 years from the date of grant at an exercise price that is not less than the fair market value of the Common Shares on the date of the grant. Options granted to stockholders owning more than 10% of our outstanding Common Shares must be exercised within five years from the date of grant and the exercise price must be at least 110% of the fair market value of the Common Shares on the date of the grant.

The following table sets forth the information about our 2009 Plan as of December 31, 2009:

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires SmartPros' officers and directors, and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

To the best of our knowledge, based solely on review of the copies of such forms furnished to us, or written representations that no other forms were required, we believe that all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% stockholders were complied with during 2009. With respect to any former directors, officers, and 10% stockholders, we do not have any knowledge of any known failures to comply with the filing requirements of Section 16(a).

MISCELLANEOUS

Other Matters

We know of no business that will be presented for consideration at the Annual Meeting other than that stated in the notice of meeting.

Stockholder Proposals

Stockholders interested in presenting a proposal for consideration at the annual meeting of stockholders in 2011 must follow the procedures found in Rule 14a-8 under the Exchange Act and our bylaws. To be eligible for inclusion in our 2011 proxy materials, all qualified proposals must be received by our Secretary no later than December 28, 2010. Stockholder proposals submitted thirty (30) or more, but less than sixty (60), days before the scheduled date for the 2011 annual meeting may be presented at the annual meeting if such proposal complies with our bylaws, but will not be included in our proxy materials; PROVIDED, HOWEVER, that if less than forty (40) days' notice or prior public disclosure of the date of the scheduled annual meeting is given or made, notice by the stockholder, to be timely, must be so delivered or received not later than the close of business on the tenth (10th) day following the earlier of the day on which such notice of the date of the scheduled annual meeting was mailed or the day on which such public disclosure was made. A stockholder's notice to the Secretary shall set forth the following: (i) as to each person whom the stockholder proposes to nominate for election to the Board, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to the Exchange Act including, without limitation, such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; (ii) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting and, if such business includes a proposal or nomination to amend our bylaws, the language of the proposed amendment; (iii) the name and address of the stockholder making the proposal or nomination and any other stockholders known by such stockholder to be supporting such proposal; (iv) the class and number of shares of stock owned by the stockholder on the date of such stockholder's notice and by any other stockholders known by such stockholder to be supporting such proposal or nomination on the date of such stockholder's notice; and (v) any financial interest of the stockholder in such proposal or nomination.

Solicitation of Proxies

We will bear the cost of this Proxy solicitation and any additional material relating to the meeting which may be furnished to the stockholders. In addition, solicitation by telephone, telegraph or

other means may be made personally, without additional compensation, by our officers, directors and regular employees. We also will request brokers, dealers, banks and voting trustees and their nominees holding shares of record but not beneficially to forward Proxy soliciting material to beneficial owners of such shares, and upon request, will reimburse them for their expenses in so doing.

Householding

The SEC's rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. Some brokers household proxy materials and annual reports, delivering a single proxy statement and annual report to multiple stockholders sharing an address, although each stockholder will receive a separate proxy card. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker. If you would like to receive a separate copy of this year's Proxy Statement or Annual Report from us directly, please contact us by writing to our Secretary, Karen Stolzar, at our principal executive offices or calling her at 914-345-2620.

Availability of Proxy Materials

We will provide without charge to each person being solicited by this Proxy Statement, on the written request of any such person, a copy of our Annual Report on Form 10-K for the year ended December 31, 2009 (the "Annual Report"), including the financial statements and financial statement schedules included therein. All such requests should be directed to our Secretary, Karen Stolzar, at our principal executive offices.

Important Notice Regarding Internet Availability of Proxy Materials for the Annual Meeting to Be Held on June 17, 2010:
