Part II

OVERVIEW

Nature of Business. telcoBlue, Inc. ("telcoBlue") formerly Better Call Home, Inc. ("BCH"), a development stage company, was formed in Nevada on August 2, 2002 to operate an Internet-based long distance telephony network using state-of-the-art Voice over Internet Protocol (VoIP). Its long distance services will be marketed mainly by third parties to end users in the form of pre-paid

phone cards or other media, including direct personal computer (PC) access and Internet-based long distance telephony network using state-of-the-art Voice over Internet Protocol. The name was changed to telcoBlue, Inc. on August 29, 2002.

The Company is in its development stage and to date its activities have been limited to capital formation and the development of its Voice over Internet Protocol (VoIP) long distance business.

telcoBlue products and services will enable customers to make low-cost, high quality phone calls over the Internet using their personal computers or traditional telephones. telcoBlue's PC to Phone pre-paid long distance service is targeted at specific markets throughout North America and offers amongst the lowest long distance rates available today.

The following discussion should be read in conjunction with the condensed consolidated financial statements and segment data and in conjunction with the Company's 10KSB/A filed March 19, 2003 and the Company's 10QSB filed March 21, 2003. Results for interim periods may not be indicative of the results for the full year.

8

RESULTS OF OPERATIONS

General and Administrative expenses for the three months consist primarily of Management Fees of \$75,125. General and Administrative expenses for the three months ended March 31, 2003 were \$80,360. General and Administrative expenses for the six months ended March 31, 2003 were \$\$293,580.

Interest for the three months ended March 31, 2003 was \$196 consisting of accrued interest on the Company's convertible notes. Interest expenses for the six months ended March 31, 2003 were \$617.

Total Operating Expenses for the three months ended March 31, 2003 were \$80,556 resulting in a total Comprehensive Loss of \$87,209. Total Operating Expenses for the six months ended March 31, 2003 were \$294,197 resulting in a total Comprehensive Loss of \$308,307. Basic Net Loss per Share amounted to \$.01 for the six months ended March 31, 2003.

LIQUIDITY AND CAPITAL RESOURCES

In three months ended March 31, 2003, the Company has financed operations principally through notes payable to related parties totaling \$19,750. For the six months ended March 31, 2003 cash generated by the sale of stock and notes payable to related parties totaled \$81,251.

Net cash used in operating activities was \$12,132 for the three months ended March 31, 2003 and consisted primarily of accounts payable and fees due to related third parties. Net cash used in operating activities was \$\$65,999 for

The Company anticipates that its current cash and cash equivalents and cash generated from operations, if any, will not be sufficient to satisfy its liquidity requirements for at least the next 12 months. The Company will require additional funds prior to such time and will seek to sell additional equity or debt securities or seek alternative sources of financing. If the Company is unable to obtain this additional financing, it may be required to reduce the scope of its planned sales and marketing and product development efforts, which

9

could harm its business, financial condition and operating results. In addition, the Company may require additional funds in order to fund more rapid expansion, to develop new or enhanced services or products or to invest in complementary businesses, technologies, services or products. Additional funding may not be available on favorable terms, if at all.
