Item 2. Acquisition of Assets

IRS Long Island Buildings

On September 16, 2002, Wells REIT-Holtsville, NY, LLC (REIT-Holtsville), a Georgia limited liability company wholly-owned by Wells Operating Partnership, L.P. (Wells OP), a Delaware limited partnership formed to acquire, own, lease and operate real properties on behalf of Wells Real Estate Investment Trust, Inc. (the Registrant), purchased a two-story office building (the IRS Office Building) and a one-story daycare facility (the IRS Daycare Facility) containing an aggregate 259,700 rentable square feet located in Holtsville, New York for a purchase price of \$50,975,000, plus closing costs (the IRS Long Island Buildings) from HIRS Associates LLC (HIRS). HIRS is not in any way affiliated with the Registrant, Wells OP, REIT-Holtsville, or our advisor, Wells Capital, Inc.

The IRS Office Building was built in 2000 and is located at 5000 Corporate Court in Holtsville, New York on a 36.25-acre tract of land. The IRS Daycare Facility was built in 1999 and is located on a 1.87-acre tract of land located at 2 Corporate Drive in Holtsville, New York. The IRS Office Building is located in central Long Island in a campus setting. The property was developed as a flagship campus for the Internal Revenue Service (IRS) and is one of only eight processing and collection facilities in the country.

Approximately 191,050 of the aggregate rentable square feet of the IRS Long Island Buildings (74%) is currently leased to the United States of America through the U.S. General Services Administration (U.S.A.) for occupancy by the IRS under three separate lease agreements for the processing & collection division of the IRS (IRS Collection), the compliance division of the IRS (IRS Compliance), and the IRS Daycare Facility. REIT-Holtsville is negotiating for the remaining 26% of the IRS Long Island Buildings to be leased by the U.S.A. on behalf of the IRS or to another suitable tenant. If REIT-Holtsville should lease this space to the U.S.A. or another suitable tenant within 18 months, REIT-Holtsville would owe HIRS an additional amount of up to \$14,500,000 as additional purchase price for the IRS Long Island Buildings pursuant to the terms of an earnout agreement entered into between REIT-Holtsville and HIRS at the closing.

All three of the IRS leases include provisions that require the landlord and the property manager to comply with various employment related practices and other various laws typically required by government entities. Although the Registrant believes that the Registrant, Wells OP and REIT-Holtsville are exempt from these requirements, if a determination were made that these or other affiliated entities violated these lease provisions, the U.S.A. has the right under each of the IRS leases to terminate the lease or to require compliance by the appropriate entities.

The IRS Collection lease, which encompasses 128,000 rentable square feet of the IRS Office Building, commenced in August 2000 and expires in August 2005. The current annual base rent payable under the IRS Collection lease is \$5,029,380. The annual base rent payable under the IRS Collection lease for the remaining two years of the initial lease term will be \$2,814,900. The U.S.A., at its option, has the right to extend the initial term of its lease for two additional five-year periods at annual rental rates of \$4,209,869 and \$4,999,219, respectively.

The IRS Compliance lease, which encompasses 50,949 rentable square feet of the IRS Office Building, commenced in December 2001 and expires in December 2011. The annual base rent payable under the IRS Compliance lease for the initial term of the lease is \$1,663,200. The U.S.A., at its option, has the right to extend the initial term of its lease for one additional ten-year period at an annual rental rate of \$2,217,600.

The IRS Daycare Facility lease, which encompasses the entire 12,100 rentable square feet of the IRS Daycare Facility, commenced in October 1999 and expires in September 2004. The annual base rent payable under the IRS Daycare Facility lease for the initial term of the lease is \$486,799. The U.S.A., at its option, has the right to extend the initial term of its lease for two additional five-year periods at an

annual rental rate of \$435,600.

AmCap Management Corporation, an affiliate of HIRS, will serve as the initial property manager of the IRS Long Island Buildings for a period of up to 18 months. AmCap Management Corporation is not in any way affiliated with the Registrant, Wells OP, REIT-Holtsville or our advisor. Prior to the expiration of the 18-month term of the property management agreement, REIT-Holtsville will be required to locate and hire a new property manager for the IRS Long Island Buildings.

The AmeriCredit Phoenix Property

Purchase of the AmeriCredit Phoenix Property. On September 12, 2002, Wells OP purchased a 14.74 acre tract of land located in Chandler, Maricopa County, Arizona (AmeriCredit Phoenix Property) for \$2,632,298, plus closing costs. Wells OP purchased the AmeriCredit Phoenix Property from Price & Germann Roads, L.L.C., an Arizona limited liability company (Price). Price is not in any way affiliated with the Registrant, Wells OP or our advisor.

Wells OP has entered into a development agreement and an owner-contractor agreement to construct a three-story office building containing 153,494 rentable square feet (AmeriCredit Phoenix Project) on the AmeriCredit Phoenix Property. Wells OP anticipates that the aggregate of all costs and expenses to be incurred with respect to the acquisition of the AmeriCredit Phoenix Property, and the planning, design, development, construction and completion of the AmeriCredit Phoenix Project will total approximately \$24,700,000.

Development Agreement. Wells OP entered into a Development Agreement (Development Agreement) with ADEVCO Corporation, a Georgia corporation (Developer), as the exclusive development manager to supervise, manage and coordinate the planning, design, construction and completion of the AmeriCredit Phoenix Project. The Developer is not affiliated with Wells OP or our advisor.

As compensation for the services to be rendered by the Developer under the Development Agreement, Wells OP will pay a development fee payable ratably (on the basis of the percentage of construction completed) as the construction and development of the AmeriCredit Phoenix Project is completed.

Owner-Contractor Agreement. Wells OP entered into an Owner-Contractor Agreement (Construction Agreement) with Bovis Lend Lease, Inc. (Contractor) for the construction of the AmeriCredit Phoenix Project. The Contractor is a worldwide construction company with U.S. headquarters in New York. The Contractor provides services in a variety of sectors in the construction industry, including commercial, residential, industrial, pharmaceutical, sports and leisure, and retail and entertainment. The Contractor is not affiliated with Wells OP or our advisor.

The Contractor began construction of the AmeriCredit Phoenix Project in September, 2002. The AmeriCredit Phoenix Project will consist of the construction of a three-story office building containing approximately 153,494 rentable square feet (AmeriCredit Phoenix Building).

The Construction Agreement provides that Wells OP will pay the Contractor a maximum of \$10,398,274 for the construction of the AmeriCredit Phoenix Project which includes all estimated fees and costs, including the architect fees. The Contractor will be responsible for all costs of labor, materials, construction equipment and machinery necessary for completion of the AmeriCredit Phoenix Project. In addition, the Contractor will be required to secure and pay for any additional business licenses, tap fees and building permits which may be necessary for construction of the AmeriCredit Phoenix Project.

AmeriCredit Phoenix Lease. AmeriCredit is wholly-owned by, and serves as the primary operating subsidiary for, AmeriCredit Corp., a Texas corporation whose common stock is publicly traded on the NYSE. AmeriCredit Corp. is the guarantor of the lease. AmeriCredit is the world's largest independent

middle-market automobile finance company. AmeriCredit purchases loans made by franchised and select independent dealers to consumers buying late model used and, to a lesser extent, new automobiles. AmeriCredit Corp. reported a net worth, as of December 31, 2001, of approximately \$1.2 billion.

The AmeriCredit Phoenix lease will commence shortly after completion of construction of the AmeriCredit Phoenix Building, which we expect to occur in approximately March 2003. The AmeriCredit Phoenix lease expires 10 years and four months after lease commencement. AmeriCredit has the right to extend the initial term of this lease for two additional five-year terms at 95% of the then-current market rental rate. In addition, AmeriCredit may terminate the AmeriCredit Phoenix lease at the end of the 88th month by paying a \$2,512,697 termination fee.

As an inducement for Wells OP to enter into the AmeriCredit Phoenix lease, AmeriCredit has prepaid to Wells OP the first three years of base rent on the AmeriCredit Phoenix Building at a discounted amount equal to \$4,827,945 rather than the amount of base rent that would otherwise have been payable ratably over the first three years of the lease term. Wells OP will be required to repay this prepaid rent or some portion thereof under certain circumstances described in the AmeriCredit Phoenix lease such as failure of Wells OP to substantially complete construction of the building in accordance with specifications by August 1, 2003, damage or destruction of the building, eminent domain taking of the property and failure of Wells OP to make required repairs to the building. Wells OP has obtained and delivered an irrevocable stand-by letter of credit from Bank of America, N.A. to AmeriCredit in the amount of the prepaid rent to secure Wells OP's obligation to repay the prepaid rent under these conditions.

Wells Management Company, Inc. (Wells Management), an affiliate of the Registrant and our advisor, will be paid management and leasing fees in the amount of 4.5% of gross revenues from the AmeriCredit Phoenix Building, subject to certain limitations. In addition, Wells Management will receive a one-time initial lease-up fee relating to the leasing of the AmeriCredit Phoenix Building equal to one month's rent estimated to be approximately \$207,000.

1. Organization and Significant Accounting Policies

Description of Real Estate Property Acquired

On September 13, 2002, Wells REIT Holtsville, NY, LLC (the Company) acquired the IRS Long Island Buildings (the Buildings) from HIRS Associates, LLC (HIRS). The Company, a Georgia limited liability company, was created on September 10, 2002 by the Wells Operating Partnership, L.P. (Wells OP) as the sole member of the Company. Wells OP is a Delaware limited partnership formed to acquire, own, lease, operate, and manage real properties on behalf of Wells Real Estate Investment Trust, Inc., a Maryland corporation. As the sole general partner of Wells OP, Wells Real Estate Investment Trust, Inc. possesses full legal control and authority over the operations of Wells OP.

The United States of America, through the U.S. General Services Administration (GSA), currently leases 191,049 of the total 259,700 rentable square feet on behalf of the Internal Revenue Service under three leases (the IRS Collection Lease, the IRS Compliance Lease and the IRS Daycare Facility Lease, collectively, the IRS Leases). The GSA is a centralized federal procurement and property management agency created by Congress to improve government efficiency and effectiveness. GSA acquires on the government's behalf, the office space, equipment, telecommunications, information technology, supplies and services they need to achieve their agency's mission of services to the public. HIRS's interests in the GSA Leases were assigned to Wells OP upon acquisition of the Buildings. The IRS Collection Lease commenced in August 2000 and expires in August 2005. The IRS Compliance Lease commenced in December 2001 and expires in December 2011. The IRS Daycare Facility Lease commenced in October 1999 and expires in September 2004. Under the IRS Leases, beginning in the second lease year and each year after, the tenant will pay, as adjusted rent, changes in costs from the first lease year for cleaning services, supplies, materials, maintenance, trash removal, landscaping, sewer charges and certain administrative expenses attributable to occupancy. The amount of the adjustment will be computed using the Cost of Living Index. Wells OP will be responsible for maintaining and repairing the Buildings' roof, structural elements and mechanical systems.

If the Company secures an additional lease with the IRS or another suitable tenant for the remaining 68,651 square feet of vacant space in the Buildings within 18 months, the Company would owe an additional amount of up to \$14,500,000 as additional purchase price for the Buildings pursuant to the terms of an earnout agreement entered into between the Company and HIRS at closing.

Rental Revenues

Rental income is recognized on a straight-line basis over the term of the lease.

2. Basis of Accounting

The accompanying statements of revenues over certain operating expenses are presented in conformity with accounting principles generally accepted in the United States and in accordance with the applicable rules and regulations of the Securities and Exchange
