2010 ANNUAL MEETING OF STOCKHOLDERS  
SEPTEMBER 14, 2010

GENERAL

This Proxy Statement is being furnished to the stockholders of CINEDIGM DIGITAL CINEMA CORP. (the “Company”) in connection with the solicitation of proxies by the Board of Directors of the Company (the “Board”). The proxies are for use at the 2010 Annual Meeting of Stockholders of the Company to be held on Thursday, September 14, 2010, at 2:00 p.m., local time, or at any adjournment thereof (the “Annual Meeting”). The Annual Meeting will be held at the offices of Kelley Drye & Warren LLP, 101 Park Avenue, 27th Floor, New York, New York 10178. The Company’s telephone number is (973) 290-0080.

The shares represented by your proxy will be voted at the Annual Meeting as therein specified (if the proxy is properly executed and returned, and not revoked). You may revoke your proxy at any time before the proxy is exercised by delivering to the Company’s Secretary, Mr. Gary Loffredo, a written revocation or a duly executed proxy bearing a later date. You may also revoke your proxy by attending the Annual Meeting and voting in person.

The shares represented by your proxy will be voted as indicated on your properly executed proxy. If no directions are given on the proxy, the shares represented by your proxy will be voted:

- FOR the election of the director nominees named herein (Proposal No. 1), unless you specifically withhold authority to vote for one or more of the director nominees.
- FOR amending the Company’s Second Amended and Restated 2000 Equity Incentive Plan to increase the total number of shares of Class A Common Stock available for issuance thereunder and to extend the term thereof (Proposal No. 2).
- FOR ratifying the appointment of Eisner LLP as our independent auditors for the fiscal year ending March 31, 2011 (Proposal No. 3).

The Company knows of no other matters to be submitted to the Annual Meeting. If any other matters properly come before the Annual Meeting, it is the intention of the persons named in the accompanying form of proxy to vote the shares they represent as the Board may recommend.

These proxy solicitation materials are first being mailed to the stockholders on or about July 29, 2010.

## VOTING SECURITIES

Stockholders of record at the close of business on July 19, 2010 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, (a) 29,442,993 shares of the Company's Class A Common Stock, \$0.001 par value ("Class A Common Stock"), were issued and outstanding and (b) 733,811 shares of the Company's Class B Common Stock, \$0.001 par value ("Class B Common Stock," and together with the Class A Common Stock, the "Common Stock"), were issued and outstanding.

Each holder of Class A Common Stock is entitled to one vote for each share of Class A Common Stock held as of the Record Date. Each holder of Class B Common Stock is entitled to ten (10) votes for each share of Class B Common Stock held as of the Record Date. Each share of Class B Common Stock is convertible at any time at the holder's option into one (1) share of Class A Common Stock. Stockholders do not have cumulative voting rights in the election of directors.

## QUORUM; ABSTENTIONS; BROKER NON-VOTES

A majority of the aggregate combined voting power of the outstanding shares of Class A Common Stock and Class B Common Stock as of the Record Date must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business. If the aggregate voting power of the shares of Common Stock present, in person and by proxy, at the Annual Meeting does not constitute the required quorum, the Annual Meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum.

Shares of Common Stock that are voted "FOR," "AGAINST" or "ABSTAIN" are treated as being present at the Annual Meeting for purposes of establishing a quorum. Shares that are voted "FOR," "AGAINST" or "ABSTAIN" with respect to a matter will also be treated as shares entitled to vote at the Annual Meeting (the "Votes Cast") with respect to such matter. Abstentions will be counted for purposes of quorum and will have the same effect as a vote "AGAINST" a proposal.

Broker non-votes (i.e., votes from shares of Common Stock held as of the Record Date by brokers or other custodians as to which the beneficial owners have given no voting instructions) will be counted for purposes of determining the presence or absence of a quorum for the transaction of business, but will not be counted for purposes of determining the number of Votes Cast with respect to a particular proposal on which the broker has expressly not voted. Accordingly, broker non-votes will not affect the outcome of the voting on a proposal.

## DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS TO BE PRESENTED AT NEXT ANNUAL MEETING

The Company currently intends to hold its 2011 Annual Meeting of Stockholders on or about September 13, 2011. In order for any stockholder proposal submitted pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), to be included in the Company's Proxy Statement to be issued in connection with the 2011 Annual Meeting of Stockholders, such stockholder proposal must be received by the Company no later than March 31, 2011. Any such stockholder proposal submitted, including any accompanying supporting statement, may not exceed 500 words, as per Rule 14a-8(d) of the Exchange Act. Any such stockholder proposals submitted outside the processes of Rule 14a-8 promulgated under the Exchange Act, which a stockholder intends to bring forth at the Company's 2011 Annual Meeting of Stockholders, will be untimely for purposes of Rule 14a-4 of the Exchange Act if received by the Company after June 14, 2011. All stockholder proposals must be made in writing addressed to the Company's Secretary, Mr. Loffredo, at 55 Madison Avenue, Suite 300, Morristown, New Jersey 07960.

## REVOCABILITY OF PROXY

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Company's Secretary, Mr. Loffredo, a written notice of revocation, a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Attending the Annual Meeting in and of itself will not constitute a revocation of a proxy.

## DISSENTERS' RIGHT OF APPRAISAL

Under Delaware General Corporation Law and the Company's Certificate of Incorporation, stockholders are not entitled to any appraisal or similar rights of dissenters with respect to any of the proposals to be acted upon at the Annual Meeting.

## SOLICITATION

Proxies may be solicited by certain of the Company's directors, executive officers and regular employees, without additional compensation, in person, or by telephone, e-mail or facsimile. The cost of soliciting proxies will be borne by the Company. The Company expects to reimburse brokerage firms, banks, custodians and other persons representing beneficial owners of shares of Common Stock for their reasonable out-of-pocket expenses in forwarding solicitation material to such beneficial owners.

Some banks, brokers and other record holders have begun the practice of "householding" proxy statements and annual reports. "Householding" is the term used to describe the practice of delivering a single set of proxy statements and annual reports to any household at which two or more stockholders reside if a company reasonably believes the stockholders are members of the same family. This procedure would reduce the volume of duplicate information stockholders receive and would also reduce a company's printing and mailing costs. The Company will promptly deliver an additional copy of either document to any stockholder who writes or calls the Company. Any such written request should be directed to Investor Relations at 55 Madison Avenue, Suite 300, Morristown, New Jersey 07960, (973) 290-0080.

## AVAILABILITY OF PROXY MATERIALS

Our proxy materials are primarily available to stockholders on the Internet, as permitted by the rules of the Securities and Exchange Commission ("SEC"). A Notice of Internet Availability of Proxy Materials will be mailed to shareholders beginning approximately July 29, 2010, and this Proxy Statement and form of proxy, together with our Annual Report on Form 10-K, are first being made available to shareholders beginning approximately July 29, 2010. The Annual Report, which has been posted along with this Proxy Statement, is not a part of the proxy solicitation materials. Upon receipt of a written request, the Company will furnish to any shareholder, without charge, a copy of such Annual Report (without exhibits). Upon request and payment of \$0.10 (ten cents) per page, copies of any exhibit to such Annual Report will also be provided. Any such written request should be directed to the Company's Secretary at 55 Madison Avenue, Suite 300, Morristown, New Jersey 07960 or (973) 290-0080

The Board currently consists of ten (10) directors. Nine of the current members of the Board have been nominated for re-election and A. A "plurality" means that the individuals who receive the largest number of Votes Cast are elected as directors up to the maximum number of directors to be elected at the Annual Meeting. If any nominee is not available for election at the time of the Annual

Meeting (which is not anticipated), the proxy holders named in the proxy, unless specifically instructed otherwise in the proxy, will vote for the election of such other person as the existing Board may recommend, unless the Board decides to reduce the number of directors of the Company.

PROPOSAL TWO

AMENDMENT TO SECOND AMENDED AND RESTATED  
2000 EQUITY INCENTIVE PLAN TO INCREASE NUMBER OF SHARES  
ISSUABLE THEREUNDER AND TO EXTEND THE TERM THEREOF

Our Board adopted the Company's 2000 Equity Incentive Plan (as subsequently amended, "the Plan"), on June 1, 2000 and, in July 2000, our stockholders approved the Plan by written consent. The Plan was amended and restated in January 2003 as the First Amended and Restated 2000 Stock Option Plan; it was further amended in September 2003, October 2004, September 2005 and September 2006; and it was further amended and restated in September 2007 as the Second Amended and Restated 2000 Equity Incentive Plan. The Plan was amended again in May 2008 and September 2008. Under the Plan, we may grant incentive and nonqualified stock options, stock, restricted stock, restricted stock units ("RSUs"), stock appreciation rights ("SARs"), performance awards and other equity-based awards. The Plan is administered by the Compensation Committee.

The Plan currently authorizes up to 5,000,000 shares of the Company's Class A Common Stock for issuance pursuant to awards made under the Plan. The Company believes that the availability of an additional 2,000,000 shares of the Company's Class A Common Stock under the Plan is in the best interests of the Company and its stockholders because the availability of an adequate equity incentive program is an important factor in attracting and retaining qualified officers, directors and employees essential to the success of the Company (whether through acquisitions or otherwise) and in aligning their long-term interests with those of the stockholders. The increase in the number of shares of Class A Common Stock available for issuance under the Plan will permit the Company to continue the operation of the Plan for the benefit of new participants (either new hires to current operations or employees of acquired companies), as well as to allow additional awards to current participants. Participants under the Plan may include officers, directors and employees of the Company, as well as consultants to the Company under certain circumstances.

The Plan currently has an expiration date of June 1, 2010. Unless the term is extended, no additional awards under the Plan can be granted. All outstanding awards remain in effect through their natural expirations regardless of the expiration date of the Plan. If the term of the Plan is not extended, the Company will not have in place a vehicle by which it can compensate employees, directors and consultants, or attract new employees and directors, with equity, and to align their long-term interests with those of the Company's stockholders. The Company believes that extending the term of the Plan until June 1, 2020, and thereby allowing the Company to make appropriate equity grants, is in the best interests of the Company.

Pursuant to this proposal, in the form of the amendment attached hereto as Appendix A, the Board proposes to amend the Plan to increase the number of shares of Class A Common Stock authorized for issuance under the Plan from 5,000,000 to 7,000,000 and to extend the term of the Plan to June 1, 2020.

This proposal requires approval by a majority of the Votes Cast at the Annual Meeting. As of July 19, 2010, stock options outstanding covering 3,255,464 shares of the Company's Class A Common Stock, 10,925 shares of restricted Class A Common Stock and restricted stock units covering 871,731 shares of Class A Common Stock that may be settled in cash or shares of Class A Common Stock or a combination thereof, at the Company's discretion, had been granted under the Plan.

Under the Plan, no participant may be granted incentive stock options with an aggregate fair market value, as of the date on which such options were granted, of more than \$100,000 becoming exercisable for the first time in any given calendar year. Options granted under the Second Amended and Restated Plan expire ten years following the date of grant (or such shorter period of time as may be provided in a stock option agreement or five years in the case of incentive stock options granted to stockholders who own greater than 10% of the total combined voting power of the

Company) and are subject to restrictions on transfer. Options granted under the Plan generally vest over periods up to three years. The Plan is administered by the Compensation Committee, and may be amended or terminated by the Board, although no amendment or termination may adversely affect the right of any individual with respect to any outstanding option without the consent of such individual.

The Plan provides for the granting of incentive stock options with exercise prices of not less than 100% of the fair market value of the Company's Class A Common Stock on the date of grant. Incentive stock options granted to stockholders of more than 10% of the total combined voting power of the Company must have exercise prices of not less than 110% of the fair market value of the Company's Class A Common Stock on the date of grant. Incentive and non-statutory stock options granted under the Second Amended and Restated Plan are subject to vesting provisions, and exercise is subject to the continuous service of the optionee, except for consultants. The exercise prices and vesting periods (if any) for non-statutory options may be set at the discretion of the Board or the Compensation Committee. Upon a change of control of the Company, all options (incentive and non-statutory) that have not previously vested will vest immediately and become fully exercisable. In connection with the grants of options under the Plan, the Company and the participants have executed stock option agreements setting forth the terms of the grants. Options covering no more than 500,000 shares may be granted to one participant during any calendar year unless pursuant to a multi-year award, in which case no more than options covering 500,000 shares per year of the award may be granted, and during which period no additional options may be granted to such participant.

The Plan also provides for the granting of Class A Common Stock, restricted Class A Common Stock, stock appreciation rights, restricted stock units and performance awards. Grants of restricted stock and restricted stock units are subject to vesting requirements, generally vesting over periods up to three years, determined by the Compensation Committee and set forth in notices to the participants. Grants of stock, restricted stock and restricted stock units shall not exceed 40% of the total number of shares available to be issued under the Plan.

Stock appreciation rights ("SARs") consist of the right to the monetary equivalent of the increase in value of a specified number of shares over a specified period of time. Upon exercise, SARs may be paid in cash or shares of Class A Common Stock or a combination thereof. Grants of SARs are subject to vesting requirements, similar to those of stock options, determined by the Compensation Committee and set forth in agreements between the Company and the participants. Restricted stock units ("RSUs") shall be similar to restricted stock except that no Class A Common Stock is actually awarded to the Participant on the grant date of the RSUs and the Compensation Committee shall have the discretion to pay such RSUs upon vesting in cash or shares of Class A Common Stock or a combination thereof.

Performance awards consist of awards of stock and other equity-based awards that are valued in whole or in part by reference to, or are otherwise based on, the market value of the Class A Common Stock, or other securities of the Company, and may be paid in shares of Class A Common Stock, cash or another form of property as the Compensation Committee may determine. Grants of performance awards shall entitle participants to receive an award if the measures of performance established by the Committee are met. Such measures shall be established by the Compensation Committee but the relevant measurement period for any performance award must be at least 12 months. Grants of performance awards shall not cover the issuance of shares that would exceed 20% of the total number of shares available to be issued under the Plan, and no more than 500,000 shares pursuant to any performance awards shall be granted to one participant in a calendar year unless pursuant to a multi-year award. The terms of grants of performance awards would be set forth in agreements between the Company and the participants.

Our Class A Common Stock is listed for trading on the NASDAQ Global Market ("NASDAQ") under the symbol "CIDM". The last reported closing price per share of our Class A Common Stock as reported by NASDAQ on July 26, 2010 was \$1.62 per share.

#### Federal Income Tax Consequences

The federal income tax consequences of the issuance and/or exercise of awards under the Plan are as described below. The following information is not a definitive explanation of the tax consequences of the awards, and recipients should consult with their own tax advisors with respect to the tax consequences inherent in the ownership and/or exercise of the awards, and the ownership and disposition of any underlying securities. Tax consequences will also

vary depending upon the jurisdiction where the recipient of the award may reside.

### Incentive Stock Options

No taxable income is recognized by the optionee at the time of the option grant, and no taxable income is generally recognized at the time the option is exercised, provided that the optionee may incur alternative minimum tax liability upon exercise. The optionee will, however, recognize taxable income in the year in which the purchased shares of Class A Common Stock are sold or otherwise made the subject of a taxable disposition.

For federal tax purposes, dispositions are divided into two categories: (i) qualifying and (ii) disqualifying. A qualifying disposition occurs if the sale or other disposition is made after the optionee has held the shares of Class A Common Stock for more than two (2) years after the option grant date and more than one (1) year after the exercise date. If either of these two holding periods is not satisfied, then a disqualifying disposition will result.

Upon a qualifying disposition, the optionee will recognize long-term capital gain in an amount equal to the excess of (i) the amount realized upon the sale or other disposition of the purchased shares over (ii) the exercise price paid for the shares. If there is a disqualifying disposition of the shares of Class A Common Stock, then the excess of (i) the fair market value of those shares on the exercise date over (ii) the exercise price paid for the shares will be taxable as ordinary income to the optionee.

If the optionee makes a disqualifying disposition of the purchased shares of Class A Common Stock, then the Company will be entitled to an income tax deduction, for the taxable year in which such disposition occurs, equal to the excess of (i) the fair market value of such shares on the option exercise date over (ii) the exercise price paid for the shares. In no other instance will the Company be allowed a deduction with respect to the optionee's disposition of the purchased shares of Class A Common Stock.

### Nonqualified Stock Options

No taxable income is recognized by an optionee upon the grant of a non-statutory option. The optionee will in general recognize ordinary income in the year in which the option is exercised, equal to the excess of the fair market value of the purchased shares of Class A Common Stock on the exercise date over the exercise price paid for the shares, and tax withholding requirements will apply to such income.

The Company will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the optionee with respect to the exercised non-statutory option. The deduction will in general be allowed for the taxable year of the Company in which such ordinary income is recognized by the optionee.

### Restricted Shares

A recipient will not be taxed at the date of an award of restricted shares, provided that the restricted shares are subject to substantial risk of forfeiture, but will be taxed at ordinary income rates on the fair market value of any restricted shares as of the date that the restrictions lapse. However, the recipient of restricted shares may elect, within 30 days after transfer of such shares to the recipient, under Section 83(b) of the Internal Revenue Code to include in income the fair market value of the restricted shares as of the date of such transfer. At the time the shares are included in income, the Company will be entitled to a corresponding deduction. Any disposition of shares after restrictions lapse will be subject to the regular rules governing long-term and short-term capital gains and losses, with the basis for this purpose equal to the fair market value of the shares at the end of the restricted period (or on the date of the transfer of the restricted shares, if the employee elects to be taxed on the fair market value upon such transfer).

### Stock Appreciation Rights

A recipient who is granted a SAR will not recognize any taxable income on the receipt of the SAR. Upon the exercise of an SAR, (a) the recipient will recognize ordinary income equal to the excess of the fair market value of the shares on the exercise date over the exercise price for the SAR and (b) the Company will be entitled to a deduction on the date of exercise in an amount equal to the ordinary income recognized by the recipient.

#### Restricted Stock Units

A recipient who is granted a RSU will not recognize any taxable income on the receipt of the RSU. Upon the vesting of an RSU, (a) the recipient will recognize ordinary income equal to the fair market value of the shares issued at the time the RSUs are paid out and (b) the Company will be entitled to a deduction on the date of vesting in an amount equal to the ordinary income recognized by the recipient.

#### Performance Awards and Stock Awards

A recipient will recognize ordinary income equal to any cash that is paid and the fair market value of the Class A Common Stock (on the date that the shares are first transferable and not subject to a substantial risk of forfeiture) that is received in settlement of an award of performance units or as a stock award.

#### Effects on the Company

The Company generally will be entitled to claim a federal income tax deduction on account of the exercise of a nonqualified stock option or SAR or upon the taxability to the recipient of restricted stock, restricted stock units, or the settlement of a performance award (subject to tax limitations on the Company's deductions in any year that certain remuneration paid to certain executives exceeds \$1 million). The amount of the deduction is equal to the ordinary income recognized by the recipient. The Company will not be entitled to a federal income tax deduction on account of the grant or the exercise of an incentive stock option unless the recipient has made a "disqualifying disposition" of the shares acquired on exercise of the incentive stock option, in which case the Company will be entitled to a deduction at the same time and in the same amount as the recipient's recognition of ordinary income.

## MATTERS RELATING TO OUR GOVERNANCE

### Board of Directors

Until Mr. Mayo's retirement in June 2010, he served as Chief Executive Officer and President as well as Chairman of the Board of Directors. A part of the Company's search (led by the Nominating Committee) for a new Chief Executive Officer and President, the Board is considering whether such person should also serve as Chairman of the Board, or whether different individuals should serve in such positions.

The Board oversees the Company's risk management including understanding the risks the Company faces and what steps management is taking to manage those risks, as well as understanding what level of risk is appropriate for the Company. The Board's role in the Company's risk oversight process includes receiving regular updates from members of senior management on areas of material risk to the Company, including operational, financial, legal and regulatory, human resources, employment, and strategic risks.

The Board intends to meet at least quarterly and the independent directors serving on the Board intend to meet in executive session (i.e., without the presence of any non-independent directors and management) at least twice a year. During the fiscal year ended March 31, 2010 (the "Last Fiscal Year"), the Board held four meetings and the Board members acted 12 times by unanimous written consent in lieu of holding a meeting. Each current member of the Board, who was then serving, attended at least 75% of the total number of meetings of the Board and of the committees of the Board on which they served in the Last Fiscal Year. Messrs. Clevenger, Crotty, Davidoff, Finlay and O'Connor and Ms. Sims are considered "independent" under the rules of the SEC and the NASDAQ.

One director, Robert E. Mulholland, resigned for personal reasons, and no director declined to stand for reelection to the Board for any reason, during the Last Fiscal Year. After such resignation and in accordance with the Company's By-laws, a new director, Martin B. O'Connor II, was elected to the Board. The Board currently does not provide a process for stockholders to send communications to the Board. In the opinion of the Board, it is appropriate for the Company not to have such a process in place because the Board believes there is currently not a need for a formal policy due to, among other things, the limited number of stockholders of the Company. While the Board will, from time to time, review the need for a formal policy, at the present time, stockholders who wish to contact the Board may do so by submitting any communications to the Company's Secretary, Mr. Loffredo, at 55 Madison Avenue, Suite 300, Morristown, New Jersey 07960, with an instruction to forward the communication to a particular director or the Board as a whole. Mr. Loffredo will receive the correspondence and forward it to any individual director or directors to whom the communication is directed.

The Company does not currently have a policy in place regarding attendance by Board members at the Company's annual meetings. However, each of the current directors, who were then serving, attended the 2009 Annual Meeting of Stockholders, and each currently intends to attend this Annual Meeting.

The Board has three standing committees, consisting of an Audit Committee, a Compensation Committee and a Nominating Committee.

### Audit Committee

The Audit Committee consists of Messrs. Clevenger, Davidoff and Finlay. Mr. Finlay is the Chairman of the Audit Committee. The Audit Committee held four meetings in the Last Fiscal Year. The Audit Committee has met with the Company's management and the Company's independent registered public accounting firm to review and help ensure the adequacy of its internal controls and to review the results and scope of the auditors' engagement and other financial reporting and control matters. Both Messrs. Clevenger and Davidoff are financially literate, and Mr. Davidoff is

financially sophisticated, as those terms are defined under the rules of the NASDAQ. Mr. Davidoff is also a financial expert, as such term is defined under the Sarbanes-Oxley Act of 2002. Messrs. Clevenger, Davidoff and Finlay are considered “independent” under the rules of the SEC and the NASDAQ.

The Audit Committee has adopted a formal written charter which is attached as Appendix B hereto (the “Audit Charter”). The Audit Charter is available on the Company’s Internet website at [www.cinedigmcorp.com](http://www.cinedigmcorp.com). The

Audit Committee is responsible for ensuring that the Company has adequate internal controls and is required to meet with the Company's auditors to review these internal controls and to discuss other financial reporting matters. The Audit Committee is also responsible for the appointment, compensation and oversight of the auditors. Additionally, the Audit Committee is responsible for the review and oversight of all related party transactions and other potential conflict of interest situations between the Company and its officers, directors, employees and principal stockholders.

#### Compensation Committee

The Compensation Committee consists of Messrs. Davidoff, Clevenger and Crotty and Ms. Sims. Mr. Clevenger is the Chairman of the Compensation Committee. The Compensation Committee met nine times during the Last Fiscal Year. The Compensation Committee, based on recommendation by the Company's CEO, approves the compensation package of the Company's CEO and the levels of compensation and benefits payable to the Company's other executive officers, reviews general policy matters relating to employee compensation and benefits and recommends to the entire Board, for its approval, stock option and other equity-based award grants to its executive officers, employees and consultants and discretionary bonuses to its executive officers and employees. The Compensation Committee approves the compensation package of the Company's directors. The Compensation Committee has the authority to appoint and delegate to a sub-committee the authority to make grants and administer bonus and compensation plans and programs. Messrs. Clevenger, Crotty and Davidoff and Ms. Sims are considered "independent" under the rules of the SEC and the NASDAQ.

The Compensation Committee adopted a formal written charter (the "Compensation Charter") which was attached as Appendix C to the Company's proxy statement for its annual meeting of stockholders held on September 4, 2008. The Compensation Charter sets forth the duties, authorities and responsibilities of the Compensation Committee. The Compensation Charter is available on the Company's Internet website at [www.cinedigmcorp.com](http://www.cinedigmcorp.com).

The Compensation Committee, when determining executive compensation (including under the executive compensation program, as discussed below under the heading Compensation Discussion and Analysis), evaluates the potential risks associated with the compensation policies and practices. The Compensation Committee believes that the Company's compensation programs are designed with an appropriate balance of risk and reward in relation to the Company's overall compensation philosophy and do not encourage excessive or unnecessary risk-taking behavior. In general, the Company compensates its executives in a combination of cash, stock options and restricted stock units (that are payable in cash or stock at the Company's discretion). Both the stock options and the restricted stock units contain vesting provisions, typically of proportional annual vesting over a three-year period, which encourages the executives, on a long-term basis, to strive to enhance the value of such compensation as measured by the trading price of the Class A Common Stock. The Compensation Committee does not believe that this type of compensation encourages excessive or unnecessary risk-taking behavior. As a result, we do not believe that risks relating to our compensation policies and practices for our employees are reasonably likely to have a material adverse effect on the Company. The Company intends to recapture compensation as required under the Sarbanes-Oxley Act. However, there have been no instances where it needed to recapture any compensation.

During the Last Fiscal Year, the Compensation Committee engaged HR & Survey Solutions, LLC, a compensation consulting firm. The consultant met with the Compensation Committee multiple times during the Last Fiscal Year and provided guidance for cash and equity bonus compensation to executive officers and directors, which the Compensation Committee considered in reaching its determinations of such compensation. In addition, the consultant was available to respond to specific inquiries throughout the process.

#### Nominating Committee

The Nominating Committee consists of Messrs. Clevenger, Davidoff and O'Connor and Ms. Sims. Mr. Davidoff is the Chairman of the Nominating Committee. The Nominating Committee held two meetings during the Last Fiscal Year. The Nominating Committee evaluates and approves nominations for annual election to, and to fill any vacancies in, the Board and recommends to the Board the directors to serve on committees of the Board. Messrs. Clevenger, Davidoff and O'Connor and Ms. Simms are considered "independent" under the rules of the SEC and the NASDAQ.

The Nominating Committee adopted a formal written charter (the “Nominating Charter”) which was attached as Appendix D to the Company’s proxy statement for its annual meeting of stockholders held on September 4, 2008. The Nominating Charter sets forth the duties and responsibilities of the Nominating Committee and the general skills and characteristics that the Nominating Committee employs to determine the individuals to nominate for election to the Board. The Nominating Charter is available on the Company’s Internet website at [www.cinedigmcorp.com](http://www.cinedigmcorp.com).

The Nominating Committee will consider any candidates recommended by stockholders. In considering a candidate submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board and the qualification of the candidate. Nevertheless, the Board may choose not to consider an unsolicited recommendation if no vacancy exists on the Board and/or the Board does not perceive a need to increase the size of the Board. Stockholders should submit any recommendations of director candidates for the Company’s 2011 Annual Meeting of Stockholders to the Company’s Secretary, Mr. Loffredo, at 55 Madison Avenue, Suite 300, Morristown, New Jersey 07960 in accordance with the procedures set forth above under the heading “Deadline for Receipt of Stockholder Proposals to be Presented at Next Annual Meeting.”

There are no specific minimum qualifications that the Nominating Committee believes must be met by a Nominating Committee-recommended director nominee. However, the Nominating Committee believes that director candidates should, among other things, possess high degrees of integrity and honesty; have literacy in financial and business matters; have no material affiliations with direct competitors, suppliers or vendors of the Company; and preferably have experience in the Company’s business and other relevant business fields (for example, finance, accounting, law and banking). The Nominating Committee considers diversity together with the other factors considered when evaluating candidates but does not have a specific policy in place with respect to diversity.

Members of the Nominating Committee meet in advance of each of the Company’s annual meetings of stockholders to identify and evaluate the skills and characteristics of each director candidate for nomination for election as a director of the Company. The Nominating Committee reviews the candidates in accordance with the skills and qualifications set forth in the Nominating Charter and the rules of the NASDAQ. There are no differences in the manner in which the Nominating Committee evaluates director nominees based on whether or not the nominee is recommended by a stockholder.

#### Code of Business Conduct and Ethics

We have adopted a code of ethics applicable to all members of the Board, executive officers and employees. Such code of ethics is available on our Internet website, [www.cinedigmcorp.com](http://www.cinedigmcorp.com). We intend to disclose any amendment to, or waiver of, a provision of our code of ethics by filing a Current Report on Form 8-K with the SEC.

## SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

## COMPENSATION DISCUSSION AND ANALYSIS

### Compensation Philosophy and Objectives

Cinedigm's executive compensation philosophy is focused on enabling the Company to hire and retain qualified and motivated executives, while meeting its business needs and objectives. To be consistent with this philosophy, the executive compensation program (the "Compensation Program") has been designed around the following objectives:

- Provide competitive compensation levels to enable the recruitment and retention of highly qualified executives.
- Design incentive programs that strengthen the link between pay and corporate performance to encourage and reward excellence and contributions that further Cinedigm's success.
- Align the interests of executives with those of shareholders through grants of equity-based compensation that also provide opportunities for ongoing executive ownership.

An overriding principle in delivering on these objectives is to ensure that compensation decisions are made in the Company's best financial interests such that incentive awards are both affordable and reasonable, taking into account Company performance and considering the interests of all stakeholders.

Cinedigm became a public company in 2003 under the name Access Integrated Technologies, Inc. The Company adopted the name Cinedigm Digital Cinema Corp. in 2008 to better represent its position in the new paradigm in cinema entertainment. Following several years of significant growth, revenue growth slowed during the last two years. Going forward, the Company faces the challenges of continuing to grow in a new and evolving market against the backdrop of continued challenging economic conditions.

As the Company has evolved, so too has the Compensation Program. Going forward, the Company is focused on improving both shareholder returns and its cash position. To help achieve this goal, the Compensation Program was restructured in 2008 to reward the Chief Executive Officer (“CEO”) for achieving strategic goals and increasing shareholder value. Prior to that, the primary focus of the incentive plan was to reward for revenue growth. Prior to 2009, decisions about the compensation for the other (other than the CEO) Named Executive Officers (“NEOs”) have been discretionary in nature. In the fiscal year just ended, the Company created a formal performance-based Management Annual Incentive Plan (MAIP) to establish specific target award levels and performance metrics. The plan is predicated on attaining goals that are critical to Cinedigm’s future success and is designed to reward the level of collaboration across divisions and segments that results in achieving corporate results. As performance fell short of threshold in 2009, no awards were paid. The Company intends to continue to strengthen the pay-for-performance linkage and will expand the use of the MAIP and initiate regular annual grants of long-term equity starting in the 2010/2011 fiscal year.

The Compensation Program consists of base salary, annual incentives, and long-term equity compensation. In addition, all NEOs receive some modest personal benefits and perquisites. The Company does not, however, provide supplemental retirement benefits for NEOs; retirement benefits are accumulated through the Company’s 401(k) Plan which is open to all employees. Among the NEOs, only the CEO and CFO have an employment agreement.

The Compensation Committee annually reviews the executive compensation elements and assesses the integrity of the Compensation Program as a whole to ensure that it continues to be aligned with the Company’s compensation objectives and supports the attainment of Company goals. Periodically, the Company reviews competitive compensation levels, mix, and practices to ensure all Compensation Program features continue to be in line with the market, while still reflecting the unique needs of our business model. Additionally, in response to business and talent needs, executive management brings compensation proposals to the Compensation Committee, which then reviews the proposal and either approves or denies the proposed changes.

#### Competitive Positioning and Mix of Pay

##### Benchmarking

The primary source of peer data for executives is a customized peer group developed to reflect competitors for business and talent. The peer group was established as part of a comprehensive benchmarking assessment undertaken by the Compensation Committee (working with an outside consulting firm, HR+Survey Solutions, LLC) at the end of 2007. At the time, only a limited number of public companies were comparable to Cinedigm in terms of size and business. In addition, as the Company was (and continues to be) in a growth mode, the comparator companies’ revenue levels were in some cases aspirational, and in others, closer in range to Cinedigm’s size. The peer companies were selected based on the following considerations:

- Company size: Peer company revenues range from \$101 million to \$790 million; median revenue for the peer group is \$290 million.
- Industry: Selected companies occupy a similar space in the market and are working toward achieving “breakthroughs” in the technological process.
- Company maturity: Selected companies are in a growth mode.

The peer group included the following six companies: Akamai Technologies, DG FastChannel, Inc., IMAX Corporation, Macrovision Corp., National CineMedia, Inc., and TIVO Inc.

The Compensation Committee has not defined a target pay positioning for the CEO or other NEOs, nor does it commit to providing a specific percentile or pay range. In the most recent competitive assessment analysis (conducted

at the end of 2007), the CEO's base salary and total cash compensation (base plus annual incentives) relative to the peer group was found to be positioned at 107 percent of the 75th percentile, while total direct compensation (total cash compensation plus long-term incentives and equity awards) was 84 percent of the median. The Compensation Committee viewed such prominent positioning as appropriate because the CEO has significant influence over the direction of the business. Since the 2007 compensation review, the Compensation Committee has taken steps to shift a larger portion of pay into variable vehicles (see Mr. Mayo's Compensation Arrangements below).

The other NEOs' compensation was assessed at the beginning of 2008 and they were found to be paid at the median of the peer group for base salary and below median for total cash compensation and total direct compensation. While it is the belief of the Compensation Committee that the available talent pool to fill these positions is broader than the pool for the CEO and therefore, that their pay levels, and potential opportunity for wealth creation through stock grants, are robust enough to retain and motivate them, the Compensation Committee has taken steps to shift a larger portion of their pay into variable compensation.

The Compensation Committee elected not to conduct a competitive analysis of executive compensation elements in 2009 because the market data would represent company information reported prior to the economic downturn, which could make the information less useful for decision-making. The Compensation Committee believed that the resources required to conduct the analysis could be better spent elsewhere in the Company.

For the new 2010/2011 fiscal year, the Company will introduce a new peer group for compensation comparison. Given the changes in the market, the Compensation Committee determined that the time was appropriate to update its peer group. The new peer group was expanded to include more companies, particularly those of comparable scale to Cinedigm, and similar, but smaller media businesses. Deleted were companies that had grown to be too large to be relevant. The revisions increase the number of peers from six to 18, as shown in the chart below.

Pay Mix

The Company's pay philosophy has been evolving from an emphasis on fixed pay to one that believes a substantial portion of each executive's compensation should be at risk and dependent upon performance. Starting this year, the Company began to deliver a greater proportion of total compensation through variable elements for the other NEOs. While the Compensation Committee has not adopted a targeted mix of either long-term to short-term, fixed to variable, or equity and non-equity compensation, they have taken steps to increase the portion of variable compensation. Steps in this direction include the introduction of the Management Annual Incentive Plan and plans to initiate annual long-term awards for the 2010/2011 fiscal year. In addition, salaries for Mr. Mayo and NEOs has not increased since January 2006 and May 2008 respectively.

Elements of Compensation

Base Salary

Base salaries are fixed compensation with the primary function of aiding in attraction and retention. These salaries are reviewed annually, as well as at the time of a promotion or other change in responsibilities. Any increases are based on an evaluation of the previous year's performance of the Company and the executive, the relative strategic importance of the position, market conditions, and competitive pay levels (though, as noted earlier, the Compensation Committee does not target a specific percentile or range). None of the NEOs received a salary increase during fiscal year 2010.

NEO salaries will remain at current levels throughout the new fiscal year, with no salary increases planned. The decision to maintain salaries at current levels and forgo salary increases reflects the Compensation Committee's plan to deliver a greater proportion of compensation through variable components over time.

### Annual Incentive Awards

For the 2009/2010 fiscal year, the Compensation Committee implemented a formal annual incentive plan for thirteen Cinedigm executives including the NEOs. The plan established threshold, maximum, and target levels of incentive awards defined as a percentage of a participant's salary. Payouts were determined by two sets of measures and goals, with the first set triggering plan funding and the second set used to determine the size of the awards. The second set of goals represented a combination of corporate, segment, and division metrics, including targets for revenue, EBITDA, and cash flow.

For the 2010 fiscal year, although the trigger measures that determined plan funding were met (refinancing of the senior notes and Financing and signing of master license agreements for the installation of 1,000 Phase II screens), the threshold financial goals were not achieved; therefore, no annual incentives were paid to NEOs or other plan participants. These payouts are tied to segment and divisional measures in order to maximize motivation where executive impact is greatest. We do not disclose segment and division targets as we believe that such disclosure would result in competitive harm. Based on our experience in the segments and divisions, we believe these targets were set sufficiently high to provide incentive to achieve a high level of performance.

### Restricted Unit Awards

In shifting Mr. Mayo's compensation toward more variable pay and strengthening the tie to long-term performance, Mr. Mayo received a grant of 94,340 RSUs in April 2009. The other NEOs also received a grant of RSUs in April 2009. These grants were recommended by Mr. Mayo and authorized by the Compensation Committee after the end of fiscal year ended March 31, 2009. These RSU grants were designed to provide a discretionary reward for the previous year's performance as well as aid in retention, increase executive ownership, and focus NEOs on improving share price. Grant levels were as follows: 50,000 RSUs to Mr. Goldwater; 35,000 RSUs to Mr. Loffredo; 25,000 RSUs to Mr. Pflug. The grant featured accelerated vesting based on stock price appreciation. The RSUs will fully vest at the end of year one if the stock price achieves \$12.00 per share for 10 consecutive trading days (a "10-day period") during such year. If stock price reaches \$9.50 per share for a 10-day period during year one, two-thirds of the shares vest; a stock price of \$7.00 per share for a 10-day period during year one triggers one-third of the shares to vest. No vesting occurs if the stock price does not achieve at least \$7.00 per share for a 10-day period during that year. The same schedule applies in year two of the grant. At the end of year three, all remaining unvested shares vest regardless of price. The RSUs may be settled in stock or cash or a combination thereof at the Company's discretion. The stock price goals for April 2010 were not achieved so the shares have not yet vested.

### Long-Term Incentive Awards

The Compensation Committee annually considers long-term incentive awards, for which it has the authority to grant a variety of equity-based awards. The primary objective of such awards is to align the interests of executives with those of shareholders by increasing executive ownership and fostering a long-term focus. In recent years, such awards have been made after fiscal year end in order to permit consideration of year-end performance.

Long-term incentive awards for the NEOs have historically consisted of stock options. To incorporate an additional equity vehicle into the Compensation Plan, NEOs became eligible for grants of RSUs starting in 2008. These grants were designed to aid in retention, provide a discretionary reward for performance, increase executive ownership, and focus NEOs on improving share price.

Upon joining Cinedigm, Mr. Adam Mizel, Cinedigm's Chief Financial Officer, received a grant of stock options with a three-year vesting cycle. The grant was intended to serve as both an attraction and retention vehicle. The occasion of Mr. Mizel joining the Company coupled with the repercussions of the economic downturn on the equity holdings of

the NEOs prompted a review of NEO long-term compensation to examine issues related to internal

equity. The review confirmed that a large percentage of prior stock option grants to the NEOs were underwater. Most of the underwater shares (slightly over 70 percent of the shares) were granted in 2005 – 2007 so it would be several years before these expire. The potential opportunity from stock gains for the executive team projected out to 2013 showed a clear imbalance in equity among the potential future value of past equity grants along with the potential value equity currently owned by the NEOs vis-à-vis Mr. Mizel. The Compensation Committee viewed such an imbalance as detrimental to the level of executive team cohesiveness necessary to drive results. Accordingly, the Committee wanted to realign the internal relationship of the NEOs' long-term opportunity. The Committee decided against repricing the options. Instead, the Committee elected to provide a one-time recalibration grant to all NEOs except Mr. Mizel. Shares were granted as follows: 300,000 stock options to Mr. Mayo; 200,000 stock options to Mr. Goldwater; 90,000 stock options to Mr. Loffredo; 75,000 stock options to Mr. Pflug.

#### Mr. Mayo's Compensation Arrangements

Mr. Mayo is also the founder of the Company. Historically, his compensation has been determined pursuant to the terms of his employment agreement. As the Company has evolved, the Compensation Committee has taken actions to shift the Mr. Mayo's pay such that base salary becomes less prominent, and performance-based variable compensation opportunity comprises a larger portion of overall pay. These steps align Mr. Mayo's compensation with those of CEOs in peer companies by holding his base salary at its 2005 level and revising his variable compensation arrangements to include performance-based annual and long-term incentives.

In keeping with the Compensation Committee's objective to emphasize the movement towards more variable compensation and greater linkage of pay for performance, a larger portion of Mr. Mayo's total compensation is based on stock price performance. Specifically, the Compensation Committee has:

- Reduced the fixed portion of his pay package:
  - Maintained Mr. Mayo's base salary at the 2006 level with no increases.
  - Eliminated a provision in Mr. Mayo's contract that guaranteed a portion of the annual bonus.
    - Shifted pay to a more long-term focus:
      - Approved a recalibration grant of stock options in 2009 (as described above).
  - Authorized that half of Mr. Mayo's bonus above the threshold amount be paid in restricted stock.
  - Approved a one-time three-year grant of stock options (granted in 2008).
  - Approved grants of RSUs as a reward for achieving strategic goals in fiscal year ending 2009.

As a result of these actions, Mr. Mayo's total cash compensation has decreased, and a greater proportion of compensation is (1) dependent on the achievement of performance in strategic areas and (2) equity-based. The following is a summary of the recent compensation awards:

**Base Salary:** In the last fiscal year, Mr. Mayo received a base salary of \$600,000 (maintained at January 1, 2006 level).

**Annual Incentive:** The performance cash award is designed such that Mr. Mayo may receive a target award equal to 75 percent of salary. Incentive awards begin to pay out at a threshold level of performance. Achieving threshold performance can result in an award equal to 50 percent of the target award. Payments are capped at 175 percent of the target award. Performance between the specified levels results in pro-rated payments. Mr. Mayo did not earn an incentive for performance in 2009 because the Company did not achieve the financial performance targets (as described above).

**Total Cash Compensation:** Mr. Mayo's total cash compensation has decreased over the last three years, as the Compensation Committee has shifted his opportunity towards long-term incentives and stock awards.

Long-Term and Stock Awards: The equity components reflect the Compensation Committee's decision (made at the end of the fiscal year ending March 31, 2008) to shift Mr. Mayo's compensation towards variable components with a greater long-term focus and to strengthen the alignment between his compensation and shareholder interests.

As discussed above, Mr. Mayo received a grant of 94,340 RSUs in April 2009 and a recalibration grant of 300,000 stock options October of 2009. As with the RSUs (see discussion of Restricted Stock Units above), the stock option grant vests at the end of three years, but has an accelerated vesting based on stock price appreciation. This performance acceleration feature heightens the emphasis on the linkage between executive compensation and shareholder returns.

**Employment and Separation Agreements:** Mr. Mayo's employment agreement, dated as of March 31, 2008, was entered into as a means of retention during periods of uncertainty and operational challenge. On June 22, 2010, the Company and Mr. Mayo entered into a separation agreement pursuant to which Mr. Mayo notified the Company of his resignation as Chief Executive Officer and President. Mr. Mayo will continue to serve as non-executive Chairman of the Board until the 2010 annual stockholders meeting. Pursuant to the separation agreement, Mr. Mayo will be entitled to receive his base salary and target bonus through March 31, 2011, as contemplated by his employment agreement, and continued payment of his automobile allowance through the 2010 stockholders meeting, medical insurance through March 31, 2011 and his long-term care policy currently in force through March 31, 2014. In addition, 300,000 stock options having an exercise price of \$1.37 per share (granted in 2009), 19,920 shares of restricted stock (granted in 2008 as part of his annual incentive award) and 94,340 restricted stock units (granted in 2009 as part of his annual incentive award), became vested upon the date of the separation agreement. See page -- for a description of the material terms of Mr. Mayo's employment agreement and separation agreement, including their non-compete and non-solicitation provisions.

#### Personal Benefits and Perquisites

In addition to the benefits provided to all employees and grandfathered benefits (provided to all employees hired before January 1, 2005), NEOs are eligible for an annual physical; an allowance of \$4,000 to cover any unreimbursed healthcare costs; and supplemental life insurance coverage of \$200,000. The CEO only is eligible for a long-term care policy and a \$5 million key-man life insurance policy, the proceeds of which shall be used to repurchase, after reimbursement of all premiums paid by the company, the CEO's stock from his estate in the event of his death.

It is the Company's policy to provide minimal and modest perquisites to the NEOs, including an annual automobile allowance.

#### Employment Agreements for other NEOs

The Company provides an employment agreement to Mr. Mizel, the CFO, as a means of inducing him to join the company as well as for retention during periods of uncertainty and operational challenge. Additionally, the employment agreement includes non-compete and non-solicitation provisions. The provisions for severance benefits are at typical competitive levels. See page 23 for a description of the material terms of Mr. Mizel's employment agreement.

#### Stock Ownership Guidelines

The Company does not maintain formal stock ownership guidelines.

#### Policy on Deductibility of Compensation

Section 162(m) of the Internal Revenue Code limits the deductibility of compensation in excess of \$1 million paid to certain executive officers named in this proxy statement, unless certain requirements are met. No element of the Company's compensation, including the annual incentive awards and restricted stock, meets these requirements. Given the Company's net operating losses, Section 162(m) is not currently a material factor in designing compensation.

Recapture Policy

The Company intends to recapture compensation as required under the Sarbanes-Oxley Act. However, there have been no instances where it needed to recapture any compensation.

#### Employment agreements and arrangements between the Company and Named Executives

A. Dale Mayo. In March 2008, the Company entered into an amended and restated employment agreement (the “Agreement”) with A. Dale Mayo. The Agreement with Mr. Mayo supersedes the terms and conditions of his existing amended and restated employment agreement (the “Previous Agreement”) and extends the term of his employment to March 31, 2011; upon such expiration, either the Board or Mr. Mayo may exercise the option to have Mr. Mayo serve only as Chairman and Chief Executive Officer of the Company for a term of three years, with both his time commitment and Base Salary (as defined therein) reduced by 50% from their levels immediately before such change in roles. Under the Previous Agreement, Mr. Mayo received an annual base salary of \$600,000 and a guaranteed bonus of \$240,000 per year. Under the Employment Agreement, Mr. Mayo will receive a base salary of \$600,000, subject to increase for subsequent years in the sole discretion of the Compensation Committee of the Board (the “Committee”), and an annual bonus based on the satisfaction of certain performance targets to be set annually by the

Committee, which bonus shall not exceed 131.25% of Mr. Mayo's then-Base Salary and is payable in cash, as to the portion of any bonus earned for an initial target, and then 50% in cash and 50% in restricted stock for any additional bonus amount earned for higher targets. Under the Agreement, Mr. Mayo has agreed to not disclose or use any confidential information of the Company and, for a period of one year after the termination or expiration of his agreement, not to compete with the Company. The Company may terminate Mr. Mayo's employment if Mr. Mayo is convicted of theft or embezzlement, fraud, unauthorized appropriation of any assets or

property or any felony involving dishonesty or moral turpitude. In the event of such termination, the Company will pay only any earned but unpaid salary up to the date of termination. If the Company terminates Mr. Mayo for any other reason, Mr. Mayo will be entitled to receive his salary, including bonuses, until the scheduled expiration of the Agreement, during which time Mr. Mayo will be obligated to seek other employment. In addition, on June 15, 2006, Mr. Mayo entered into an employment agreement with Phase 1 DC, an indirectly wholly-owned subsidiary of the Company, pursuant to which he serves as CEO of Phase 1 DC but for which he receives no compensation in addition to that which he receives from the Company.

On June 22, 2010, the Company and Mr. Mayo entered into a Separation Agreement (the "Separation Agreement") pursuant to which Mr. Mayo notified the Company of his resignation as Chief Executive Officer and President effective upon the date of the Separation Agreement. Mr. Mayo will continue to serve as non-executive Chairman of the Board until the Annual Meeting. Pursuant to the Separation Agreement, Mr. Mayo will be entitled to receive his base salary and target bonus through March 31, 2011, as contemplated by the Agreement, and continued payment of his automobile allowance through the date of the Annual Meeting, medical insurance through March 31, 2011 and his long-term care policy currently in force through March 31, 2014. In addition, 300,000 stock options having an exercise price of \$1.37 per share, 19,920 shares of restricted stock and 94,340 restricted stock units, each previously awarded to Mr. Mayo, became vested upon the date of the Separation Agreement.

Adam M. Mizel. On August 11, 2009, the Company entered into an employment agreement with Adam M. Mizel, a director of the Company (the "Mizel Employment Agreement"), pursuant to which Mr. Mizel, age 39, will serve as the Chief Financial Officer and Chief Strategy Officer of the Company. The term of the Mizel Employment Agreement commenced on August 11, 2009 and will end on August 31, 2012. Pursuant to the Mizel Employment Agreement, Mr. Mizel will receive an annual base salary of \$375,000 and will be eligible for a bonus based on overall Company performance with goals to be established by the Compensation Committee. Also pursuant to the Mizel Employment Agreement, Mr. Mizel received a grant of options to purchase 450,000 shares of Class A Common Stock. The options have an exercise price of \$1.37 and vest on the third anniversary of the date of grant or earlier if certain Class A Common Stock price targets are achieved, and have a term of six (6) years. The Mizel Employment Agreement further provides that Mr. Mizel is entitled to participate in all benefit plans provided to senior executives of the Company. If the Company terminates Mr. Mizel's employment without cause or he resigns with good reason, the Mizel Employment Agreement provides that he is entitled to continued payment of his base salary (and earned bonus) through August 31, 2012 as well as the accelerated vesting of any unvested options granted to him under the Mizel Employment Agreement. However, if the Company terminates Mr. Mizel's employment without cause or he resigns with good reason following a change in control of the Company, the Mizel Employment Agreement provides that he is entitled to a lump sum payment equal to his base salary (and earned bonus) times the greater of (i) two or (ii) the number of months remaining under his employment term divided by 12, as well as the accelerated vesting of any unvested options granted to him under the Mizel Employment Agreement.

The following table sets forth certain information concerning grants of stock options and restricted stock made under the Company's Second Amended and Restated 2000 Equity Incentive Plan to the Company's Named Executives during the Last Fiscal Year.

Under the Plan, we may grant both incentive and non-statutory stock options to our employees, non-employee directors and consultants. The primary purpose of the Plan is to enable us to attract, retain and motivate our employees, non-employee directors and consultants. On June 9, 2005, the Board approved the expansion of the Plan from 850,000 to 1,100,000 options, which was approved by the shareholders at the Company's 2005 Annual Meeting held on September 15, 2005. On July 6, 2006, the Board approved the expansion of the Plan from 1,100,000 to 2,200,000 options, which was approved by the shareholders at the Company's 2006 Annual Meeting held on September 14, 2006. On September 18, 2007, upon the approval of shareholders at the Company's 2007 Annual Meeting, the Plan was amended to allow stock, restricted stock, stock appreciation rights, performance awards and other equity-based awards to be granted, in addition to stock options. On May 9, 2008, the Board approved an amendment to the Plan allowing for the grant of restricted stock units ("RSUs") in addition to stock options, Class A Common Stock, restricted Class A Common Stock, stock appreciation rights, performance awards and other equity-based awards, which amendment did not require shareholder approval. The expansion of the Plan from 2,200,000 to 3,700,000 options was approved by the shareholders at the Company's 2008 Annual Meeting held on September 4, 2008. The expansion of the Plan from 3,700,000 to 5,000,000 options was approved by the shareholders at the Company's 2009 Annual Meeting held on September 30, 2009. As of March 31, 2010, there were 3,910,372 options outstanding to purchase shares of Class A Common Stock, and there were 865,079 shares of Class A Common Stock available for issuance under the Plan. Subsequent to March 31, 2010, 153,843 RSUs were granted. Such RSUs may be settled in cash or shares of Class A Common Stock or a combination thereof, at the Company's discretion.

More information about the Plan is provided in connection with Proposal Two above.

Based on the Company's review of the copies of such forms received by it, or written representations the Company's Common Stock failed to comply with Section 16(a) reporting requirements in the Company's Last Fiscal Year, except for Mr. Davidoff, who failed to timely file two Form 4s regarding one transaction each; Messrs.

Clevenger, Crotty and Finlay, each of whom failed to timely file a Form 4 regarding one transaction; and Mr. O'Connor, who failed to timely file a Form 3.

#### REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements in the Form 10-K, including a discussion of the acceptability of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee reviewed and discussed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with the standards of the Public Company Accounting Oversight Board, the matters required to be discussed by Statements on Auditing Standards (SAS 61), as may be modified or supplemented, and their judgments as to the acceptability of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under the standards of the Public Company Accounting Oversight Board.

In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company, including receiving the written disclosures and letter from the independent auditors as required by the Independence Standards Board Standard No. 1, as may be modified or supplemented, and has considered the compatibility of any non-audit services with the auditors' independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board approved, that the audited financial statements be included in the Form 10-K for the year ended March 31, 2010 for filing with the SEC.

Respectfully submitted,

The Audit Committee of the Board of Directors

Matthew W. Finlay, Chairman  
Wayne L. Clevenger  
Robert Davidoff

THE FOREGOING AUDIT COMMITTEE REPORT SHALL NOT BE "SOLICITING MATERIAL" OR BE DEEMED "FILED" WITH THE SEC, NOR SHALL SUCH INFORMATION BE INCORPORATED BY REFERENCE INTO ANY FILING UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE EXCHANGE ACT, EXCEPT TO THE EXTENT THE COMPANY SPECIFICALLY INCORPORATES IT BY REFERENCE INTO SUCH FILING.

#### INDEPENDENT AUDITORS

Eisner served as the independent registered public accounting firm to audit the Company's consolidated financial statements since the fiscal year ended March 31, 2005 and the Board has appointed Eisner to do so again for the fiscal year ending March 31, 2011.

The Company's Audit Committee has adopted policies and procedures for pre-approving all non-audit work performed by Eisner for the fiscal years ended March 31, 2009 and 2010. In determining whether to approve a particular audit or permitted non-audit service, the Audit Committee will consider, among other things, whether the service is consistent with maintaining the independence of the independent registered public accounting firm. The Audit Committee will also consider whether the independent registered public accounting firm is best positioned to provide the most effective and efficient service to our Company and whether the service might be expected to

enhance our ability to manage or control risk or improve audit quality. Specifically, the Audit Committee has pre-approved the use of Eisner for detailed, specific types of services within the following categories of non-audit services: acquisition due diligence and audit services; tax services; and reviews and procedures that the Company requests Eisner to undertake on matters not required by laws or regulations. In each case, the Audit Committee has required management to obtain specific pre-approval from the Audit Committee for any engagements.

The aggregate fees billed for professional services by Eisner for these various services were:

Type of Fees	For the fiscal years ended March 31,	
	2009	2010
(1) Audit Fees	\$510,500	\$436,469
(2) Audit-Related Fees	15,000	-
(3) Tax Fees	-	-
(4) All Other Fees	-	-
	\$525,500	\$436,469

In the above table, in accordance with the SEC's definitions and rules, "audit fees" are fees the Company paid Eisner for professional services for the audit of the Company's consolidated financial statements for the fiscal years ended March 31, 2008 and 2009 included in Form S-3 and Form 10-K and review of consolidated financial statements incorporated by reference into Form S-3 and Form S-8 and included in Form 10-Qs and for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements; "audit-related fees" are fees for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements; "tax fees" are fees for tax compliance, tax advice and tax planning; and "all other fees" are fees for any services not included in the first three categories. All of the services set forth in sections (1) through (4) above were approved by the Audit Committee in accordance with the Audit Committee Charter.

For the fiscal year ended March 31, 2010, the Company retained a firm other than Eisner for tax compliance, tax advice and tax planning.
