Semi-Annual Report
June 30, 2003

TO OUR SHAREHOLDERS,

We are changing the way we provide portfolio managers' commentary to shareholders of our Funds. Our shareholder reports have typically contained commentary on each portfolio manager's assessment of the stock market, individual stocks and how economic events affect their thinking in managing a specific Fund. We have always provided details about performance and presented returns, both good and bad, hopefully in a clear and concise fashion. These comments have been included as part of each Fund's quarterly, semi-annual, and annual financial statements.

The Sarbanes-Oxley Act's new corporate governance regulations now require a Fund's principal executive and financial officers to certify the entire contents of shareholder reports in a filing with the Securities and Exchange Commission on form N-CSR. This certification covers the portfolio manager's commentary and subjective opinions if they are attached to or a part of the financial statements.

Rather than ask our portfolio managers to eliminate their opinions and/or restrict their commentary to historical facts only, we are removing their commentary from the financial statements and sending it to you separately. As a result, this commentary will no longer be considered part of a Fund's financial report and therefore will not be subject to the officers' certifications.

We trust that you understand that our approach is an unintended consequence of the ever-increasing regulatory requirements affecting public companies generally. We hope the specific certification requirements of these new regulations will be modified as they relate to mutual funds, since investment companies have different corporate structures and objectives than other public companies.

Sincerely yours,

/S/ BRUCE N. ALPERT

THE GABELLI GLOBAL MULTIMEDIA TRUST INC. NOTES TO FINANCIAL STATEMENTS (UNAUDITED)

1. ORGANIZATION. The Gabelli Global Multimedia Trust Inc. ("Multimedia Trust") is a closed-end, non-diversified management investment company organized as a Maryland corporation on March 31, 1994 and registered under the Investment Company Act of 1940, as amended (the "1940 Act"), whose primary objective is long-term growth of capital with income as a secondary objective. The Multimedia Trust had no operations prior to November 15, 1994, other than the sale of 10,000 shares of common stock for \$100,000 to The Gabelli Equity Trust Inc. (the "Equity Trust"). Investment operations commenced on November 15, 1994.

Effective August 1, 2002, the Multimedia Trust modified its non-fundamental investment policy to increase, from 65% to 80%, the portion of its assets that it will invest, under normal market conditions, in common stock and other securities, including convertible securities, preferred stock, options and warrants of companies in the telecommunications, media, publishing and entertainment industries (the "80% Policy").

The 80% Policy may be changed without shareholder approval. However, the Multimedia Trust has adopted a policy to provide shareholders with at least 60 days' notice of the implementation of any change in the 80% Policy.

2. SIGNIFICANT ACCOUNTING POLICIES. The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of significant accounting policies followed by the Multimedia Trust in the preparation of its financial statements.

SECURITY VALUATION. Portfolio securities listed or traded on a nationally recognized securities exchange or traded in the U.S. over-the-counter market for which market quotations are readily available are valued at the last quoted sale price or a market's official closing price as of the close of business on the day the securities are being valued. If there were no sales that day, the security is valued at the average of the closing bid and asked prices or, if there were no asked prices quoted on that day, then the security is valued at the closing bid price on that day. If no bid or asked prices are quoted on such day, the security is valued at the most recently available price or, if the Board of Directors so determines, by such other method as the Board of Directors shall determine in good faith, to reflect its fair market value. Portfolio securities traded on more than one national securities exchange or market are valued according to the broadest and most representative market, as determined by Gabelli Funds, LLC (the "Adviser"). Portfolio securities primarily traded in foreign markets are generally valued at the preceding closing values of such securities on their respective exchanges or markets. Securities and assets for which market quotations are not readily available are valued at their fair value as determined in good faith under procedures established by and under the

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form N-CSRS

general supervision of the Board of Directors. Short term debt securities with remaining maturities of 60 days or less are valued at amortized cost, unless the Board of Directors determines such does not reflect the securities fair value, in which case these securities will be valued at their fair value as determined by the Board of Directors. Debt instruments having a maturity greater than 60 days for which market quotations are readily available are valued at the latest average of the bid and asked prices. If there were no asked prices quoted on such day, the security is valued using the closing bid price on that day. Options are valued at the last sale price on the exchange on which they are listed. If no sales of such options have taken place that day, they will be valued at the mean between their closing bid and asked prices.

REPURCHASE AGREEMENTS. The Multimedia Trust may enter into repurchase agreements with primary government securities dealers recognized by the Federal Reserve Bank of New York, with member banks of the Federal Reserve System or with other brokers or dealers that meet credit guidelines established by the Adviser and reviewed by the Board of Directors. Under the terms of a typical repurchase agreement, the Multimedia Trust takes possession of an underlying debt obligation subject to an obligation of the seller to repurchase, and the Multimedia Trust to resell, the obligation at an agreed-upon price and time, thereby determining the yield during the Multimedia Trust's holding period. The Multimedia Trust will

10

THE GABELLI GLOBAL MULTIMEDIA TRUST INC. NOTES TO FINANCIAL STATEMENTS (CONTINUED) (UNAUDITED)

always receive and maintain securities as collateral whose market value, including accrued interest, will be at least equal to 102% of the dollar amount invested by the Multimedia Trust in each agreement. The Multimedia Trust will make payment for such securities only upon physical delivery or upon evidence of book entry transfer of the collateral to the account of the custodian. To the extent that any repurchase transaction exceeds one business day, the value of the collateral is marked-to-market on a daily basis to maintain the adequacy of the collateral. If the seller defaults and the value of the collateral declines or if bankruptcy proceedings are commenced with respect to the seller of the security, realization of the collateral by the Multimedia Trust may be delayed or limited.

SWAP AGREEMENTS. The Multimedia Trust may enter into interest rate swap or cap transactions. The use of interest rate swaps and caps is a highly specialized activity that involves investment techniques and risks different from those associated with ordinary portfolio security transactions. In an interest rate swap, the Multimedia Trust would agree to pay to the other party to the interest rate swap (which is known as the "counterparty") periodically a fixed rate payment in exchange for the counterparty agreeing to pay to the Multimedia Trust periodically a variable rate payment that is intended to approximate the Multimedia Trust's variable rate payment obligation on the Series C Preferred Stock. In an interest rate cap, the Multimedia Trust would pay a premium to the interest rate cap to the counterparty and, to the extent that a specified variable rate index exceeds a predetermined fixed rate, would receive from the counterparty payments of the difference based on the notional amount of such cap. Interest rate swap and cap transactions introduce additional risk because the Multimedia Trust would remain obligated to pay preferred stock dividends when due in accordance with the Articles Supplementary even if the counterparty defaulted. Depending on the general state of short-term interest rates and the returns on the Multimedia Trust's portfolio securities at that point in time, such a default could negatively affect the Multimedia Trust's ability to make dividend payments for the Series C Preferred Stock. In addition, at the time an interest rate swap or cap transaction reaches its scheduled termination date, there is a risk that the Multimedia Trust will not be able to

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form N-CSRS

obtain a replacement transaction or that the terms of the replacement will not be as favorable as on the expiring transaction. If this occurs, it could have a negative impact on the Multimedia Trust's ability to make dividend payments on the Series C Preferred Stock.

The Trust has entered into two interest rate swap agreements with Citibank N.A. Under the agreement the Trust receives a floating rate of interest and pays a respective fixed rate of interest on the nominal value of the swap. Details of the swap at June 30, 2003 are as follows:

| NOTIONAL AMOUNT | FIXED RATE | FLOATING RATE* (RATE RESET MONTHLY) | TERMINATION DATE | UNREALIZED DEPRECIATION |
|--------------------|------------|--|---------------------|----------------------------|
| \$10,000,000 | 4.32% | 1.32% | April 4, 2013 | \$(489,413) |
| \$15,000,000 | 3.27% | 1.32% | April 4, 2008 | \$(450,924) |

*Based on Libor (London Interbank Offered Rate).

SECURITIES SOLD SHORT. A short sale involves selling a security which the Multimedia Trust does not own. The proceeds received for short sales are recorded as liabilities and the Multimedia Trust records an unrealized gain or loss to the extent of the difference between the proceeds received and the value of the open short position on the day of determination. The Multimedia Trust records a realized gain or loss when the short position is closed out. By entering into a short sale, the Multimedia Trust bears the market risk of an unfavorable change in the price of the security sold short. Dividends on short sales are recorded as an expense by the Multimedia Trust on the ex-dividend date and interest expense is recorded on the accrual basis.

FORWARD FOREIGN EXCHANGE CONTRACTS. The Multimedia Trust may engage in forward foreign exchange contracts for hedging a specific transaction with respect to either the currency in which the transaction is denominated or another currency as deemed appropriate by the Adviser. Forward foreign exchange contracts are valued at the forward rate and are

11

THE GABELLI GLOBAL MULTIMEDIA TRUST INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED) (UNAUDITED)

marked-to-market daily. The change in market value is included in unrealized appreciation/depreciation on investments and foreign currency transactions. When the contract is closed, the Multimedia Trust records a realized gain or loss equal to the difference between the value of the contract at the time it was opened and the value at the time it was closed.

The use of forward foreign exchange contracts does not eliminate fluctuations in the underlying prices of the Multimedia Trust's portfolio securities, but it does establish a rate of exchange that can be achieved in the future. Although forward foreign exchange contracts limit the risk of loss due to a decline in the value of the hedged currency, they also limit any potential gain/(loss) that might result should the value of the currency increase. In addition, the Multimedia Trust could be exposed to risks if the counterparties to the contracts are unable to meet the terms of their contracts.

FOREIGN CURRENCY TRANSLATION. The books and records of the Multimedia Trust are maintained in United States (U.S.) dollars. Foreign currencies, investments and other assets and liabilities are translated into U.S. dollars at the exchange rates prevailing at the end of the period, and purchases and sales of investment securities, income and expenses are translated at the exchange rate prevailing on the respective dates of such transactions. Unrealized gains and

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form N-CSRS

losses, which result from changes in foreign exchange rates and/or changes in market prices of securities, have been included in unrealized appreciation/depreciation on investments and foreign currency transactions. Net realized foreign currency gains and losses resulting from changes in exchange rates include foreign currency gains and losses between trade date and settlement date on investment securities transactions, foreign currency transactions and the difference between the amounts of interest and dividends recorded on the books of the Multimedia Trust and the amounts actually received. The portion of foreign currency gains and losses related to fluctuation in exchange rates between the initial trade date and subsequent sale trade date is included in realized gain/(loss) on investments.

SECURITIES TRANSACTIONS AND INVESTMENT INCOME. Securities transactions are accounted for as of the trade date with realized gain or loss on investments determined by using the identified cost method. Interest income (including amortization of premium and accretion of discount) is recorded as earned. Dividend income is recorded on the ex-dividend date.

DIVIDENDS AND DISTRIBUTIONS TO SHAREHOLDERS. Distributions to shareholders are recorded on the ex-dividend date. Distributions to shareholders of the Multimedia Trust's 6.00% Series B Cumulative Preferred Stock and Series C Auction Rate Cumulative Preferred Stock ("Cumulative Preferred Stock") are accrued on a daily basis and are determined as described in Note 5. Income distributions and capital gain distributions are determined in accordance with Federal income tax regulations which may differ from accounting principles generally accepted in the United States.

PROVISION FOR INCOME TAXES. The Multimedia Trust intends to continue to qualify as a regulated investment company under Subchapter M of the Internal Revenue Code of 1986, as amended. As a result, a Federal income tax provision is not required.

3. AGREEMENTS AND TRANSACTIONS WITH AFFILIATES. The Multimedia Trust has entered into an investment advisory agreement (the "Advisory Agreement") with the Adviser which provides that the Multimedia Trust will pay the Adviser on the first business day of each month a fee for the previous month equal on an annual basis to 1.00% of the value of the Multimedia Trust's average weekly net assets including the liquidation value of preferred stock. In accordance with the Advisory Agreement, the Adviser provides a continuous investment program for the Multimedia Trust's portfolio and oversees the administration of all aspects of the Multimedia Trust's business and affairs. The Adviser has agreed to reduce the management fee on the incremental assets attributable to the Cumulative Preferred Stock if the total return of the net asset value of the common shares of the Multimedia Trust, including distributions and advisory fee subject to reduction, does not exceed the stated dividend rate of the Cumulative Preferred Stock. On April 2, 2003, the Multimedia Trust redeemed the remaining 75% (926,025 shares) of its outstanding 7.92% Cumulative Preferred Stock. For the period January 1, 2003 through April 2, 2003, the Multimedia Trust's total return on the NAV of the common stock did not exceed

12

THE GABELLI GLOBAL MULTIMEDIA TRUST INC. NOTES TO FINANCIAL STATEMENTS (CONTINUED) (UNAUDITED)

the stated dividend rate of the Cumulative Preferred Shares for this period. Thus, management fees were not earned on these assets. On April 2, 2003, the Multimedia Trust issued Preferred Stock. For the period April 2, 2003 through June 30, 2003, the Multimedia Trust's total return on the net asset value of the common shares exceeded the stated dividend rate of the Preferred Stock for the period.

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form N-CSRS

During the six months ended June 30, 2003, Gabelli & Company, Inc. received \$5,496 in brokerage commissions as a result of executing agency transactions in portfolio securities on behalf of the Multimedia Trust.

The cost of calculating the Trust's net asset value per share is a Trust expense pursuant to the Investment Advisory Agreement between the Trust and the Adviser. During the six months ended June 30, 2003, the Multimedia Trust reimbursed the Adviser \$17,400 in connection with the cost of computing the Trust's net asset value.

4. PORTFOLIO SECURITIES. Cost of purchases and proceeds from sales of securities, other than short-term securities, for the six months ended June 30, 2003 aggregated \$8,762,557 and \$1,124,020, respectively.

5. CAPITAL. The Articles of Incorporation, dated March 31, 1994, permit the Multimedia Trust to issue 198,999,000 shares of common stock (par value \$0.001). The Board of Directors of the Multimedia Trust has authorized the repurchase of up to 1,000,000 shares of the Multimedia Trust's outstanding common stock. During the six months ended June 30, 2003, the Multimedia Trust repurchased 25,000 shares of its common stock in the open market at a cost of \$180,514 and an average discount of approximately 14.48% from its net asset value. During the year ended December 31, 2002, the Multimedia Trust repurchased 30,700 shares of its common stock in the open market at a cost of \$253,454 and an average discount of approximately 10.53% from its net asset value. All shares of common stock repurchased have been retired.

Transactions in capital stock were as follows:

The Multimedia Trust's Articles of Incorporation authorize the issuance of up to 2,000,000 shares of \$0.001 par value Cumulative Preferred Stock. The Cumulative Preferred Stock is senior to the common stock and results in the financial leveraging of the common stock. Such leveraging tends to magnify both the risks and opportunities to Common Shareholders. Dividends on shares of the Cumulative Preferred Stock are cumulative. The Multimedia Trust is required to meet certain asset coverage tests as required by the 1940 Act and by the shares' Articles Supplementary with respect to the Cumulative Preferred Stock. If the Multimedia Trust fails to meet these requirements and does not correct such failure, the Multimedia Trust may be required to redeem, in part or in full, the 7.20% Series B and Series C Auction Rate Cumulative Preferred Stock at a redemption price of \$25.00 and \$25,000, respectively, per share plus an amount equal to the accumulated and unpaid dividends whether or not declared on such shares in order to meet these requirements. Additionally, failure to meet the foregoing asset requirements could restrict the Multimedia Trust's ability to pay dividends to Common Shareholders and could lead to sales of portfolio securities at inopportune times.

The Multimedia Trust, as authorized by the Board of Directors, redeemed the remaining 75% (926,025 shares) of its outstanding 7.92% Cumulative Preferred Stock. The redemption date was April 2, 2003 and the redemption price was

THE GABELLI GLOBAL MULTIMEDIA TRUST INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED) (UNAUDITED)

\$25.033 per Preferred Share, which consisted of \$25.00 per share of Preferred Stock (the liquidation value), plus accumulated and unpaid dividends through the redemption date of \$0.033 per Preferred Share. The Preferred Shares were callable at any time at the liquidation value of \$25.00 per share plus accrued dividends following the expiration of the five-year call protection on June 1, 2002.

On March 31, 2003, the Multimedia Trust received net proceeds of \$23,981,250 (after underwriting discounts of \$787,500 and estimated offering expenses of \$231,250) from the public offering of 1,000,000 shares of 6.00% Series B Cumulative Preferred Stock. Commencing April 2, 2003 and thereafter, the Multimedia Trust, at its option, may redeem the 6.00% Series B Cumulative Preferred Stock in whole or in part at the redemption price. The Board of Directors has authorized the repurchase in the open market at prices less than the \$25 liquidation value of the Cumulative Preferred Stock. During the six months ended June 30, 2003, the Multimedia Trust did not repurchase any shares of 6.00% Series B Cumulative Preferred Stock. At June 30, 2003, 1,000,000 shares of the 6.00% Series B Cumulative Preferred Stock were outstanding at the fixed rate of 6.00% per share and accrued dividends amounted to \$20,833.

On March 31, 2003, the Multimedia Trust received net proceeds of \$24,518,750 (after underwriting discounts of \$250,000 and estimated offering expenses of \$231,250) from the public offering of 1,000 shares of Series C Auction Rate Cumulative Preferred Stock. The dividend rate, as set by the auction process, which is generally held every 7 days, is expected to vary with short-term interest rates. Existing shareholders may submit an order to hold, bid or sell such shares on each auction date. Series C Auction Rate Cumulative Preferred Stock shareholders may also trade shares in the secondary market. The Multimedia Trust, at its option, may redeem the Series C Auction Rate Cumulative Preferred Stock in whole or in part at the redemption price at any time. During the six months ended June 30, 2003, the Multimedia Trust did not repurchase any shares of Series C Auction Rate Cumulative Preferred Stock. At June 30, 2003, 1,000 shares of the Series C Auction Rate Cumulative Preferred Stock were outstanding at the annual rate of 1.20% per share and accrued dividends amounted to \$5,000.

The holders of Cumulative Preferred Stock have voting rights equivalent to those of the holders of common stock (one vote per share) and will vote together with holders of shares of common stock as a single class. In addition, the 1940 Act requires that along with approval of a majority of the holders of common stock, approval of a majority of the holders of any outstanding shares of Cumulative Preferred Stock, voting separately as a class, would be required to (a) adopt any plan of reorganization that would adversely affect the Cumulative Preferred Stock, and (b) take any action requiring a vote of security holders, including, among other things, changes in the Multimedia Trust's subclassification as a closed-end investment company or changes in its fundamental investment restrictions. The income received on the Multimedia Trust's assets may vary in a manner unrelated to the fixed rate, which could have either a beneficial or detrimental impact on net investment income and gains available to Common Shareholders.

Under Emerging Issues Task Force (EITF) promulgating Topic D-98, Classification and Measurement of Redeemable Securities, which was issued on July 19, 2001, preferred securities that are redeemable for cash or other assets are to be classified outside of permanent equity to the extent that the redemption is at a fixed or determinable price and at the option of the holder or upon the occurrence of an event that is not solely within the control of the

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form N-CSRS

issuer. Subject to the guidance of the EITF, the Fund's Cumulative Preferred Stock has been reclassified outside of permanent equity (net assets attributable to common stock shareholders) in the accompanying financial statements.

6. INDUSTRY CONCENTRATION. Because the Multimedia Trust primarily invests in common stocks and other securities of foreign and domestic companies in the telecommunications, media, publishing and entertainment industries, its portfolio may be subject to greater risk and market fluctuations than a portfolio of securities representing a broad range of investments.

ENROLLMENT IN THE PLAN

It is the policy of The Gabelli Global Multimedia Trust Inc. ("Multimedia Trust") to automatically reinvest dividends. As a "registered" shareholder you automatically become a participant in the Multimedia Trust's Automatic Dividend Reinvestment Plan (the "Plan"). The Plan authorizes the Multimedia Trust to issue shares to participants upon an income dividend or a capital gains distribution regardless of whether the shares are trading at a discount or a premium to net asset value. All distributions to shareholders whose shares are registered in their own names will be automatically reinvested pursuant to the Plan in additional shares of the Multimedia Trust. Plan participants may send their stock certificates to EquiServe Trust Company ("EquiServe") to be held in their dividend reinvestment account. Registered shareholders wishing to receive their distribution in cash must submit this request in writing to:

The Gabelli Global Multimedia Trust Inc.
c/o EquiServe
P.O. Box 43011
Providence, RI 02940-3011

Shareholders requesting this cash election must include the shareholder's name and address as they appear on the share certificate. Shareholders with additional questions regarding the Plan may contact EquiServe at 1 (800) 336-6983.

SHAREHOLDERS WISHING TO LIQUIDATE REINVESTED SHARES held at EquiServe must do so in writing or by telephone. Please submit your request to the above mentioned address or telephone number. Include in your request your name, address and account number. The cost to liquidate shares is \$2.50 per transaction as well as the brokerage commission incurred. Brokerage charges are expected to be less than the usual brokerage charge for such transactions.

If your shares are held in the name of a broker, bank or nominee, you should contact such institution. If such institution is not participating in the Plan, your account will be credited with a cash dividend. In order to participate in the Plan through such institution, it may be necessary for you to have your shares taken out of "street name" and re-registered in your own name. Once registered in your own name your dividends will be automatically reinvested. Certain brokers participate in the Plan. Shareholders holding shares in "street name" at such participating institutions will have dividends automatically reinvested. Shareholders wishing a cash dividend at such institution must contact their broker to make this change.

The number of shares of Common Stock distributed to participants in the Plan in lieu of cash dividends is determined in the following manner. Under the Plan, whenever the market price of the Multimedia Trust's Common Stock is equal to or exceeds net asset value at the time shares are valued for purposes of determining the number of shares equivalent to the cash dividends or capital gains distribution, participants are issued shares of Common Stock valued at the greater of (i) the net asset value as most recently determined or (ii) 95% of the then current market price of the Multimedia Trust's Common Stock. The valuation date is the dividend or distribution payment date or, if that date is not a NYSE trading day, the next trading day. If the net asset value of the Common Stock at the time of valuation exceeds the market price of the Common Stock, participants will receive shares from the Multimedia Trust valued at market price. If the Multimedia Trust should declare a dividend or capital gains distribution payable only in cash, EquiServe will buy Common Stock in the open market, or on the NYSE or elsewhere, for the participants' accounts, except that EquiServe will endeavor to terminate purchases in the open market and cause the Multimedia Trust to issue shares at net asset value if, following the commencement of such purchases, the market value of the Common Stock exceeds the then current net asset value.

The automatic reinvestment of dividends and capital gains distributions will not relieve participants of any income tax which may be payable on such distributions. A participant in the Plan will be treated for Federal income tax purposes as having received, on a dividend payment date, a dividend or distribution in an amount equal to the cash the participant could have received instead of shares.

The Multimedia Trust reserves the right to amend or terminate the Plan as applied to any voluntary cash payments made and any dividend or distribution paid subsequent to written notice of the change sent to the members of the Plan at least 90 days before the record date for such dividend or distribution. The Plan also may be amended or terminated by EquiServe on at least 90 days' written notice to participants in the Plan.

VOLUNTARY CASH PURCHASE PLAN

The Voluntary Cash Purchase Plan is yet another vehicle for our shareholders to increase their investment in the Multimedia Trust. In order to participate in the Voluntary Cash Purchase Plan, shareholders must have their shares registered in their own name and participate in the Dividend Reinvestment Plan.

Participants in the Voluntary Cash Purchase Plan have the option of making additional cash payments to EquiServe for investments in the Multimedia Trust's shares at the then current market price. Shareholders may send an amount from \$250 to \$10,000. EquiServe will use these funds to purchase shares in the open market on or about the 1st and 15th of each month. EquiServe will charge each shareholder who participates \$0.75, plus a pro rata share of the brokerage commissions. Brokerage charges for such purchases are expected to be less than the usual brokerage charge for such transactions. It is suggested that any voluntary cash payments be sent to EquiServe, P.O. Box 43011, Providence, RI

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form N-CSRS

02940-3011 such that EquiServe receives such payments approximately 10 days before the investment date. Funds not received at least five days before the investment date shall be held for investment until the next purchase date. A payment may be withdrawn without charge if notice is received by EquiServe at least 48 hours before such payment is to be invested.

For more information regarding the Dividend Reinvestment Plan and Voluntary Cash Purchase Plan, brochures are available by calling (914) 921-5070 or by writing directly to the Multimedia Trust.
