Thank you for calling the Dollar Tree business update hotline. This is Eric Coble, Chief Financial Officer.

The information on this call about our future expectations, plans and prospects constitutes forward-looking statements

Edgar Filing: DOLLAR TREE STORES INC - Form 8-K

under the Private Securities Litigation Reform Act of 1995. Our actual results may differ materially from those indicated by these forward-looking statements as a result of various important factors, including national and international events, consumer spending, and others described in our recent Annual Report and Quarterly Report on file with the SEC. This information is current only as of the date presented, and we will not update this information until our official quarterly sales release scheduled for Thursday, February 5<sup>th</sup>, before market open.

Our stated plan for the fiscal fourth quarter, which runs from November 2<sup>nd</sup> through January 31<sup>st</sup>, is for total sales to be in the range of \$880 to \$905 million. This represents a range of comparable-store sales growth of flat to up 3%. Through January 5<sup>th</sup>, the Company's sales can be characterized as on-plan. We now believe sales for the quarter will most likely be in the range of \$885 to \$900 million.

As of December 31<sup>st</sup>, 2003, we operated 2,527 stores in 47 states, compared to 2,263 stores in 41 states at December 31<sup>st</sup>, 2002.

This hotline will next be updated on Tuesday, April 6<sup>th</sup>, 2004.

Thank you and have a nice day.
