- (1) Assumes conversion of all of the holder's notes at a conversion rate of 27.027 shares of common stock per \$1,000 principal amount of notes. However, this conversion rate will be subject to adjustment as described under "Description of Notes--Conversion Rights." As a result, the amount of common stock issuable upon conversion of the notes may increase or decrease in the future.

## Edgar Filing: PHOTRONICS INC - Form 424B3

- (2) Calculated based on 30,315,494 shares of common stock outstanding as of December 31, 2001. In calculating this amount for each selling security holder, we treated as outstanding that number of shares of common stock issuable upon conversion of all of that holder's notes. However, we did not assume the conversion of any other holder's notes, except in calculating the percentage for all selling security holders as a group
- (3) Information about other selling security holders will be set forth in prospectus supplements, if required.

- (4) Assumes that the holders of notes, or any future transferees, pledgees, donees or successors of or from any such holder of notes, do not beneficially own any common stock other than the common stock issuable upon conversion of the notes at the initial conversion rate.
- (5) Column does not add up correctly because the fractional shares to which the holders would be entitled have been disregarded.
- (6) Pursuant to an Investment Management Agreement, CALAMOS(R) Investments is not acting individually, but solely as an Investment Manager for the selling security holder.
- (7) The entity is either an investment company or a portfolio of an investment company registered under Section 8 of the Investment Company Act of 1940, as amended, or a private investment account advised by Fidelity Management and Research Company ("FMR Co."). FMR Co. is a Massachusetts corporation and an investment advisor registered under Section 203 of the Investment Advisers Act of 1940, as amended, and provides investment advisory services to each of such Fidelity entities identified above, and to other registered investment companies and to certain other funds which are generally offered to a limited group of investors. FMR Co. is a wholly owned subsidiary of FMR Corp. ("FMR"), a Massachusetts corporation. The holdings are as of January 23, 2002.

We prepared this table based on the information supplied to us on or before February 28, 2002 by the selling security holders named in the table. The selling security holders listed in the above table may have sold or transferred, in transactions exempt from the registration requirements of the Securities Act, some or all of their notes since the date they have supplied the information to us. See "Plan of Distribution."
