The Registrant, in preparing the Forms 5500 for its plans as well as for the newly acquired plan, realized that due to a transaction that took place on December 14, 2001, the Registrant acquired a plan that required the Registrant's plan administrator to file a Form 11-K for the 2002 Plan Year. The Registrant did not realize the Form 11-K filing requirement until recently and consequently the audited financial statements will not be completed and ready for timely filing without unreasonable effort and expense.
