PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS TO BE HELD AUGUST 28, 2002

GENERAL INFORMATION

This Proxy Statement is being furnished to shareholders of Sorrento Networks Corporation, a New Jersey corporation, in connection with the solicitation of proxies by our Board of Directors for use at our Annual Meeting of Shareholders (the 'Annual Meeting') to be held at the San Diego Marriott Del Mar, 11966 El Camino Real, San Diego, California, on August 28, 2002 at 10:00 a.m., and any adjournments or postponements thereof, pursuant to the Notice of Meeting. The approximate date on which this Proxy Statement is first being sent to shareholders is July 29, 2002.

WHO CAN VOTE

Only holders of record of our common stock, par value \$0.30 per share, at the close of business on July 1, 2002, are entitled to vote at the Annual Meeting. As of July 1, 2002, we had outstanding and entitled to vote 15,370,394 shares of common stock. The 8,888 shares of common stock in our treasury on that date will not be voted.

HOW YOU CAN VOTE BY PROXY

If you are a registered stockholder (you hold your stock in your own name), you may vote by one of the following methods:

PROXY CARD, by completing and mailing the enclosed proxy card;

TELEPHONE VOTING, by dialing 1-800-PROXIES and following the enclosed instructions for telephone voting;

VIA THE INTERNET, by going to the web address [HTTP://WWW.AMSTOCK.COM](http://WWW.AMSTOCK.COM) and following the enclosed instructions for Internet voting.

Edgar Filing: SORRENTO NETWORKS CORP - Form DEF 14A

If you are a registered voter, you can simplify your voting and save the company expense by voting via the Internet or calling the toll-free number listed on the proxy card. A control number, located on the proxy card, is designated to verify a stockholder's identity and allow the stockholder to vote the shares and confirm that the voting instructions have been recorded properly. If you vote via the Internet or by telephone, please do not return a signed proxy card.

If you return your signed proxy card or use the telephone or Internet voting before the Annual Meeting, we will vote your shares as you direct. You have three choices on each matter to be voted upon. For the election of directors, you may vote for (1) all of the nominees, (2) none of the nominees, or (3) all of the nominees except those you designate. See 'Proposal 1 -- Election of Directors.' For each of the other items, you may vote 'FOR', 'AGAINST,' or 'ABSTAIN' from voting.

If you do not specify on your proxy card or through internet or telephone prompts how you want to vote your shares, we will vote them 'for' the election of director nominees and 'for' ratification of the independent auditors.

If your shares are held in 'street name' (through a broker or other nominee), you must provide instructions on voting to your nominee holder. If you wish to vote in person at the meeting, you must obtain from the record holder a legal proxy issued in your name. You will need to contact your broker or other nominee to determine whether you will be able to vote electronically via the Internet or by telephone.

HOW YOU MAY REVOKE OR CHANGE YOUR VOTE

You can revoke your proxy at any time before it is voted at the Annual Meeting by:

- (1) Sending written notice of revocation to the Secretary; or
- (2) Submitting another proper proxy with a more recent date than that of the proxy first given by (i) following the Internet voting instructions, or (ii) following the telephone voting instructions, or (iii) by signing and returning a proxy card to the Company; or
- (3) Attending the Annual Meeting and voting in person.

Another person at the meeting may also represent you if you execute a proper proxy designating that person.

Any notice of revocation that is delivered at the Annual Meeting should be hand delivered to the Inspector of Election at or before the taking of the vote. A shareholder may be requested to present such documents as shall be reasonably requested for the purpose of establishing such shareholder's identity.

QUORUM, VOTING REQUIREMENTS AND EFFECT OF ABSTENTIONS AND NON-VOTES

At the Annual Meeting, an Inspector of Election will determine the presence of a quorum and tabulate the results of the voting by the shareholders. The holders of one-third of the outstanding shares of common stock that are entitled

Edgar Filing: SORRENTO NETWORKS CORP - Form DEF 14A

to vote at the Meeting must be present in person or by proxy in order to have the quorum that is necessary for the transaction of business at the Annual Meeting. The Inspectors will treat properly executed proxies marked 'abstain' or required to be treated as 'non-votes' as present for purposes of determining whether there is a quorum at the Annual Meeting. Broker 'non-votes' occur when a broker or nominee holding shares for a beneficial owner returns a proxy but does not have the authority to vote on a particular proposal.

The five nominees for director who receive the highest number of affirmative votes will be elected to serve as directors until the next annual meeting of the shareholders of the Company or until their successors are duly elected and qualified. All other matters will require the approval of a majority of the votes cast by the holders of common stock in person or by proxy at the Annual Meeting. Abstentions and non-votes will have the same effect as a vote against any proposal other than the election of directors.

COSTS OF SOLICITATION

We will bear the cost of preparing, printing, and mailing material in connection with this solicitation of proxies. In addition to mailing material, certain of our employees may make solicitations personally, by telephone, and by fax. We are required to reimburse brokerage firms, banks, and others for their reasonable out-of-pocket expenses, including clerical expenses, related to forwarding proxy material to beneficial owners of stock or otherwise in connection with this solicitation of proxies.

ANNUAL REPORT

The Company's Annual Report on Form 10-K for the fiscal year ended January 31, 2002, containing audited financial statements for such year, and the Quarterly Report on Form 10-Q for April 30, 2002 are enclosed with this Proxy Statement. This Proxy Statement and the enclosed Proxy are being sent to our shareholders on or about July 29, 2002.

IN ORDER THAT YOUR SHARES MAY BE REPRESENTED AT THIS MEETING, YOU ARE REQUESTED TO PLEASE SIGN, DATE AND MAIL THE PROXY PROMPTLY.

2

PROPOSAL 1 ELECTION OF DIRECTORS

At the Annual Meeting, five directors will be elected to serve for one-year terms expiring on the date of the Annual Meeting of Shareholders the following year. Each director elected will continue in office until a successor has been elected or until resignation or removal in the manner provided by our By-Laws. The names of the nominees for the Board of Directors are listed below. Shares represented by a properly executed proxy in the accompanying form will be voted for such nominees. However, discretionary authority is reserved to vote such shares in the best judgment of the persons named in the event that any person or persons other than the nominees listed below are to be voted on at the meeting due to the unavailability of any nominee so listed.

The report by the Audit Committee for the year ended January 31, 2002, as submitted by the then members of the Audit Committee, follows:

Edgar Filing: SORRENTO NETWORKS CORP - Form DEF 14A

AUDIT COMMITTEE REPORT

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the company specifically incorporates this Report by reference therein.

The Audit Committee met and consulted with the Company's independent accountants in person and by telephone regarding the following:

the plan for, and the independent accountants' report on, each audit of the Company's financial statements;

the Company's financial disclosure documents, including all financial statements and reports filed with the SEC and sent to shareholders;

reviewing the Company's accounting practices, principles, controls and methodologies;

significant developments in accounting and SEC rules;

the adequacy of the Company's internal controls and the performance of its' accounting personnel.

The Audit Committee is responsible for overseeing and monitoring the quality of the Company's accounting and auditing practices as well as recommending to the Board that the Company's financial statements be included in the annual report. Management is responsible for planning and conducting audits and ensuring that the Company's financial statements are prepared in accordance with accounting principals generally accepted in the United States of America.

In this context, the Audit Committee has met and held discussions with management and BDO Seidman, LLP, the Company's independent accountants for fiscal 2002. Management has represented to the Committee that the Company's financial statements were prepared in accordance with accounting principals generally accepted in the United States of America, and the Committee has reviewed and discussed the consolidated financial statements and other such matters deemed relevant and appropriate with management and the independent accountants. In addition, the Committee has met with the independent accountants and discussed the scope and results of the audit for fiscal 2002 and the matters required to be discussed by Statement on Auditing Standards No. 61, 'Communication with Audit Committees'.

Further, the Audit Committee has received the written disclosures from BDO Seidman, as required by Independence Standards Board No. 1 'Independence Discussions with Audit Committees', and has discussed with BDO Seidman their independence from management. The Committee has also reviewed the fees received by the independent accountants for services related to fiscal 2002 and determined that no material amounts were paid for non-audit related services and such amounts were compatible with the maintenance of BDO Seidman's independence in the conduct of its auditing function.

Based on the reviews and discussions described above, the Audit Committee recommended to the Board, and the Board has approved that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended January 31, 2002, for filing with the Securities and Exchange Commission. The Committee also has recommended, subject to stockholder ratification, the selection of BDO Seidman, LLP as the Company's independent accountants for the fiscal year ending January 31, 2003.

Edgar Filing: SORRENTO NETWORKS CORP - Form DEF 14A

The Committee has also confirmed there have been no new circumstances or developments since their respective appointments to the Audit Committee that would impair any member's ability to act independently.

The purchasers of more than \$60,000 of these securities, include, among others, the following present and former officers and directors and entities affiliated with them:

PURCHASER -----	NUMBER OF SHARES -----	TOTAL CONSIDERATION -----

Renn Zaphiropolous.....	45,872	250,000

The purchase of shares by Anderson Weinroth & Co. LP and Sorrento Holdings, LLC was pursuant to a previously contracted right of participation. Rohit Phansalkar, who was a director at the time and later became Osicom's Chairman and Chief Executive Officer, was a partner or a member of these purchasers. In addition, Mr. Phansalkar was a partner of AW and one of Osicom's directors when AW received the 357,799 shares in payment of the placement fee.

Belmarken Holding B.V. ('Belmarken') is an indirect subsidiary of United GlobalCom, Inc. ('UGC'). Donne F. Fisher, one of our current directors, is a director of Liberty Media Corporation which owns an 72% economic interest representing a 94% voting interest in UGC and holds convertible debt of a subsidiary of United Pan-Europe Communications, N.V. ('UPC'), a subsidiary of UGC, which it has agreed to exchange for additional shares in UPC. Mr. Fisher is the President and beneficial owner of Fisher Capital Partners. Mr. Fisher was not one of our directors nor a director of Liberty Media when this stock placement occurred.

Two of our customers are subsidiaries of UPC, which is the parent of Belmarken, a holder of our Sorrento subsidiary's Series A shares, and indirect subsidiaries of UGC. During fiscal 2002 we made sales of \$2,076,000, including deferred revenue, to these customers and these customers had outstanding receivables of \$1,632,000 at January 31, 2002. During the three months ended April 30, 2002 we had sales of \$74,000, to these customers. These customers had

During July 2000 Osicom agreed to loan \$300,000 for three years at the applicable federal rate provided for in Internal Revenue Code Section 1274 to Mr. Jacobson in connection with accepting employment as our Senior Vice President, Legal. This is a full recourse loan and Mr. Jacobson has pledged his options to acquire our common stock and any options he may receive from any of our subsidiaries as collateral. During the year ended January 31, 2001 we advanced the \$300,000 for which the interest rate is 6.6%. Accrued and unpaid interest on this loan at January 31, 2002 was \$16,450.

During June 2000, the Osicom Board of Directors entered into various agreements with Par Chadha, our former CEO and Chairman, which, among other matters, provides for payments of \$250,000 per year for three years of consulting services and loans by us for the exercise of previously granted options to acquire 1,178,500 options at prices varying from \$7.03 to \$49.25 per share. Mr. Chadha contends that as the members of Osicom's Board of Directors at the time of his resignation ceased to represent more than 50% of the Board in October 2000, all payments for consulting services were accelerated and no future consulting services are required. During October 2000, Mr. Chadha exercised 71,112 options, applying the \$500,000 accelerated payment to the exercise. In addition, he exercised 507,388 options for which we are contractually obligated to loan the \$5,034,000 due on the exercise. During September 2001, Mr. Chadha notified us that he does not have any obligations under the agreements. We have notified him that we do not agree with his interpretation of his repayment obligations under the terms of the agreements.

During December 2001, the Company entered into an agreement with Mr. Chadha whereby the 507,388 option exercise was rescinded. Mr. Chadha returned the 507,388 shares to us for cancellation and we cancelled the receivable due from him and restored the original option agreements. In June 2002, the Company filed with the Superior Court of California, County of Los Angeles a Complaint for Declaratory Relief regarding the interpretation of the agreement. Also in June Mr. Chadha filed a lawsuit against the Company in the Superior Court of California, County of Los Angeles, seeking declaratory relief with respect to the interpretation of his separation agreement and in addition, alleging breach of contract with respect to his option exercise rights and fraud in connection with his rescission agreement. Should Mr. Chadha prevail in Court, in addition to any other relief that may be granted, the Company may be required to issue him 1,178,500 shares of the Company's stock for no consideration. The Company plans to vigorously protect its rights in this matter and disputes the allegations made by Mr. Chadha in his complaint.

In April 2002, our former Chairman and CEO, Dr. Xin Cheng, filed a claim in arbitration seeking, among other things, payment of \$500,000 and acceleration of the vesting of options pursuant to alleged contractual obligations of our Sorrento subsidiary. The Company is vigorously disputing these claims.

COMPENSATION COMMITTEE REPORT

The following report shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Compensation Committee is presently comprised of Donne F. Fisher, Robert L. Hibbard and Phillip W. Arneson . The Compensation Committee reviews, recommends and approves changes to our compensation and benefits policies and programs, makes recommendations to the Board for options granted under our plans and is responsible for reviewing and approving the compensation for executive officers and certain senior management of the Company. A majority of the Committee are neither employees nor former employees of the Company nor are they eligible to participate in any of the Company's executive compensation programs. Mr. Arneson does not participate in meetings of the Committee concerning his compensation package.

We have developed and are developing compensation programs designed to reflect our performance and to be competitive in the marketplace. In designing compensation programs, we attempt to reflect both value created for shareholders while supporting our strategic goals. The goals of our short-term and long-term compensation programs are to:

Attract, retain and motivate a high caliber executive leadership team and employee group;

Edgar Filing: SORRENTO NETWORKS CORP - Form DEF 14A

Competitive base salaries in keeping with a philosophy of career continuity;

Align executive compensation with shareholder interests;

Support our short-term and long-term strategic goal and objectives;

Promote our value and reward individuals for outstanding contributions to our success.

The nature of our business requires a technologically innovative personnel team to make a long-term commitment to our Company's growth. Accordingly, we grant incentive awards primarily in the form of stock options with view towards long-term corporate performance. These awards may not fluctuate as much as year-to-year financial results. Under our programs, a substantial portion of senior executives' potential compensation depends on increases in shareholder value.

We pay for performance on the basis of an individual's level of responsibility. For this purpose, performance means both individual and corporate performance. Individual performance includes the ability to put our business plans into effect and to react to unanticipated events. We base compensation decisions for all employees, including the executive officers on this criteria.

Our executive compensation is based upon three components, base salary, short-term incentive awards and long-term incentives, which are intended to meet our compensation program goals.

BASE SALARY

In keeping with the long-term and highly technical nature of our business, we take a long-term approach to management development. This career-oriented philosophy requires a competitive base salary. We base our salary structure on competitive positioning (comparing our salary structure with salaries paid by comparable companies), our own business performance, and general economic factors, and increases in the individual's responsibilities, whether through promotions or otherwise. Specific weights are not given to these factors, but competitive positioning is the most important factor. Within the comparable salary ranges, we determine individual senior management salaries based on individual performance, level of responsibility, and experience.

SHORT-TERM INCENTIVE AWARDS

Our short-term incentive awards are discretionary. When deemed appropriate, they are designed to reflect the officer's contribution to the overall success of the organization and also consider the long-range impact of near-term decisions and contributions. Any award an executive receives depends on his/her individual performance and level of responsibility. Both objective and subjective measures are

considered. These include, but are not limited to: sales, profit margins, operating expense, net income, working capital, individual initiative, business

Edgar Filing: SORRENTO NETWORKS CORP - Form DEF 14A

judgment, technical expertise and operational excellence.

In consideration of the company's financial position, no bonuses were paid during fiscal 2002. We are currently reviewing our short-term rewards programming with the intent to formalize an annual process under the leadership of the Compensation Committee.

LONG-TERM INCENTIVE AWARDS

Long-term incentive awards are intended to develop and retain strong management through share ownership and incentive awards that recognize future performance. At present, stock options are the only long term incentive granted to executive officers and all our employees. The Committee believes that a significant portion of senior management's compensation should depend on value created for the shareholders. Options are an excellent way to accomplish this because they tie management's interests directly to the shareholders' interests.

The number of options granted to senior management is based on individual performance and level of responsibility. For this purpose, the Committee measures performance the same way as described above for short-term awards. Option grants must be sufficient in size to provide a strong incentive for executives to work for long-term business interests and become significant owners of the Company.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE RATIFICATION OF BDO SEIDMAN, LLP AS OUR INDEPENDENT AUDITORS.
