Item 8.01 Other Events.

On November 28, 2005, Rex Radio and Television, Inc., a wholly-owned subsidiary of the Company, entered into an agreement to purchase a convertible secured promissory note. The proceeds of the note will be used to capitalize a limited liability company that intends to construct and, subsequently, operate an ethanol producing facility. The purchase of the note is expected to occur before June 1, 2006, subject to the limited liability company obtaining additional financing and certain other conditions. The note purchase agreement will require the Company to obtain an irrevocable letter of credit of \$5 million, the principal amount of the convertible secured promissory note, to secure the Company's obligation to purchase the note.

The note will allow the Company, at its sole discretion, to convert the note into an equity interest in the limited liability company.
