PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 28, 2003

The enclosed proxy is being solicited by the Board of Directors (the "Board") of Vornado Operating Company, a Delaware corporation (the "Company"), for use at the Annual Meeting of Stockholders of the Company to be held on Wednesday, May 28, 2003, beginning at 10:00 A.M., local time, at the Marriott Hotel, Interstate 80 and the Garden State Parkway, Saddle Brook, New Jersey 07663 (the "Annual Meeting"). A stockholder may authorize their proxy by executing and returning the enclosed proxy card. A stockholder may revoke their proxy at any time prior to its exercise at the Annual Meeting by executing and delivering to the Company at its principal office a written revocation or later dated proxy or by attending the Annual Meeting and voting in person. Attending the Annual Meeting will not automatically revoke your prior authorization of your proxy. Only the last vote of a stockholder will be counted. The cost of soliciting proxies will be borne by the Company. MacKenzie Partners, Inc. has been engaged by the Company to solicit proxies, at a fee not to exceed \$5,000. In addition to solicitation by mail, arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to their principals and the Company may reimburse them for their expenses in so doing.

Only stockholders of record at the close of business on April 17, 2003, are entitled to notice of and to vote at the Annual Meeting. There were on such date 4,068,924 shares of common stock, par value \$.01 per share ("Common Stock"), of the Company outstanding, each entitled to one vote at the Annual Meeting.

The holders of a majority of the outstanding shares of Common Stock at the close of business on April 17, 2003, present in person or by proxy and entitled to vote, will constitute a quorum for the transaction of business at the Annual Meeting.

The principal executive office of the Company is located at 888 Seventh Avenue, New York, New York 10019. The accompanying Notice of Annual Meeting of Stockholders, this Proxy Statement and the enclosed proxy will be mailed on or about April 30, 2003, to the Company's stockholders of record as of the close of business on April 17, 2003.

ELECTION OF DIRECTORS

DIRECTORS STANDING FOR ELECTION

The Company's Board has six members. The Company's restated certificate of incorporation (the "Charter") provides that the directors of the Company are divided into three classes, as nearly equal in number as reasonably possible, as determined by the Board. The term of office of Class II directors will expire at the Annual Meeting of Stockholders in 2003, the term of office of Class III directors will expire at the Annual Meeting of Stockholders in 2004 and the term of office of Class I directors will expire at the Annual Meeting of Stockholders in 2005, with each class of directors to hold office until their successors have been duly elected and qualified. At each Annual Meeting of Stockholders, directors elected to succeed the directors whose terms expire at such Annual Meeting shall be elected to hold office for a term expiring at the Annual Meeting of Stockholders in the third year following the year of their election and until their successors have been duly elected and qualified.

Unless otherwise directed in the proxy, each of the persons named in the enclosed proxy, or his substitute, will vote such proxy for the election of the two nominees listed below as directors for a three-year term and until their respective successors are duly elected and qualified. If any nominee at the time of election is unavailable to serve, a contingency not presently anticipated, it is intended that each of the persons named in the proxy, or his substitute, will vote for an alternate nominee who will be designated by the Board. Proxies may be voted only for the nominees named or such alternates.

Under the Bylaws, the affirmative vote of a plurality of all the votes cast at the Annual Meeting, assuming a quorum is present, is sufficient to elect a director. Under Delaware law, proxies marked "withhold authority" will be counted for the purpose of determining the presence of a quorum but such proxies will not be counted as votes cast in the election of directors and thus will have no effect on the result of the vote.

If you would like to attend the Annual Meeting, you will need to bring an account statement or other acceptable evidence of ownership of your shares as of the close of business on April 17, 2003, the record date for voting. If you hold shares in "street name" (i.e., through a bank, broker or other nominee), you will receive instructions from your nominee which you must follow in order to have your proxy authorized. If you hold shares in "street name" and wish to vote at the Annual Meeting, you will need to contact your nominee and obtain a proxy from that person and bring it to the Annual Meeting.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" APPROVAL OF THE ELECTION OF THE NOMINEES LISTED BELOW TO SERVE AS DIRECTORS UNTIL THE ANNUAL MEETING IN 2006.

The following table sets forth the nominees (both of whom are presently members of the Board) and the other present members of the Board. With respect to each such person, the table

2

sets forth the age, principal occupation, position presently held with the Company, and the year in which the person first became a director of the Company.

Messrs. Roth and Wight are affiliated with each other as general partners of Interstate and through other businesses.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board has an Executive Committee, an Audit Committee and a Compensation Committee. The Board does not have a Nominating Committee.

The Board held three meetings during 2002. Each director attended at least 75% of the combined total of the meetings of the Board and all committees on which he served during 2002.

Executive Committee

The Executive Committee possesses and may exercise all the authority and powers of the Board in the management of the business and affairs of the Company, except those reserved to the Board by the Delaware General Corporation Law. The Executive Committee consists of three members, Messrs. Roth, Fascitelli and Wight. Mr. Roth is the Chairman of the Executive Committee. The Executive Committee did not meet in 2002.

Audit Committee

The purposes of the Audit Committee are to assist the Board: (i) in its oversight of the Company's accounting and financial reporting principles and policies and internal controls and procedures; (ii) in its oversight of the Company's financial statements and the independent audit thereof; (iii) in selecting, evaluating and, where deemed appropriate, replacing the outside auditors; and (iv) in evaluating the independence of the outside auditors. The function of the Audit Committee is oversight. The management of the Company is responsible for the preparation, presentation and integrity of the Company's consolidated financial statements and for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The outside auditors are responsible for planning and carrying out independent annual audits and reviews, including reviews of the Company's quarterly consolidated financial statements prior to the

4

filing of each Quarterly Report on Form 10-Q, and other procedures. The Board has adopted a written Audit Committee Charter which was attached as Annex A to the Company's Proxy Statement for its 2001 Annual Meeting. The Audit Committee, which held six meetings during 2002, consists of three members, Messrs. Dittrick, Rosen and West. Mr. Dittrick is the Chairman of the Audit Committee.

Compensation Committee

Edgar Filing: VORNADO OPERATING CO - Form DEF 14A

The Compensation Committee is responsible for establishing the terms of the compensation of the executive officers and the granting of awards under the Company's 1998 Omnibus Stock Plan (the "Omnibus Stock Plan"). The Committee consists of two members, Mr. West and Mr. Rosen. Mr. West is the Chairman of the Compensation Committee. The Compensation Committee did not meet in 2002.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board is responsible for establishing the terms of the compensation of the executive officers and the granting of awards under the Company's Omnibus Stock Plan. None of the Company's executive officers received compensation from or on behalf of the Company in 2002.

The factors and criteria which the Compensation Committee utilizes in establishing the compensation of the Company's executive officers include an evaluation of the Company's overall financial and business performance, the officer's overall leadership and management and contributions by the officer to the Company's acquisitions or investments. The Compensation Committee also considers the compensation provided in the prior year and estimates of compensation to be provided by similar companies in the current year. The primary objective of the Compensation Committee in establishing the terms of the executive officers' compensation is to provide strong financial incentives for the executive officers to maximize stockholder value. The Compensation Committee believes that the best way to accomplish this objective is to grant substantial awards on a fixed share basis without adjusting the number of shares granted to offset changes in the Company's stock price.

Section 162(m) of the Internal Revenue Code, which was adopted in 1993, provides that, in general, publicly traded companies may not deduct, in any taxable year, compensation in excess of \$1,000,000 paid to the company's chief executive officer and four other most highly compensated executive officers as of the end of any fiscal year which is not "performance based", as defined in Section 162(m). Options granted under the Omnibus Stock Plan to date satisfy the performance-based requirements under the final regulations issued with respect to Section 162(m).

PERFORMANCE GRAPH

The following graph compares the performance of the Company's Common Stock with the performance of the Russell 2000 Index and NASDAQ Industrial Index (a peer group index) for the period from October 16, 1998 (the initial day of trading of the Common Stock on the American Stock Exchange) through the end of 2002. The graph assumes that \$100 was invested on October 16, 1998 in each of the Company's Common Stock, the Russell 2000 Index and the NASDAQ Industrial Index, and that all dividends were reinvested without the payment of any commission. Based solely on a review of the Forms 3, 4 and 5, and any amendments thereto, furnished to us, and on written representations from certain reporting persons, we believe that the only filing deficiencies under Section 16(a) by our directors, executive officers and 10% stockholders were late filings by Steven Roth (two reports covering one transaction) and Russell B. EXECUTIVE COMPENSATION

The Company's Chief Executive Officer and each of its three other executive

officers who were executive officers in 2002 ("Covered Executives") have not received compensation from or on behalf of the Company since its formation, except for options and stock appreciation rights ("SARs") that were granted in 1998. Although the Company has not paid a salary or other compensation to any Covered Executives (except for options and SARs that were granted in 1998), the Company expects that it would pay salaries and other compensation to all of its executive officers if it begins conducting business operations material enough to warrant such compensation.

The following table summarizes all exercises of options during 2002, and the number and value of options and SARs held at December 31, 2002, by the Covered Executives.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

General

On October 16, 1998 Vornado Realty L.P. (the "Operating Partnership"), a subsidiary of Vornado, made a distribution (the "Distribution") of one share of Common Stock of the Company for each 20 units of limited partnership interest of the Operating Partnership (including the units owned by Vornado) held of record as of the close of business on October 9, 1998, and Vornado in turn made a distribution of the Common Stock it received to the holders of its common shares of beneficial interest.

The Company was incorporated on October 30, 1997, as a wholly owned subsidiary of Vornado. In order to maintain its status as a real estate investment trust ("REIT") for federal income tax purposes, Vornado is required to focus principally on investments in real estate assets. Accordingly, Vornado is prevented from owning certain assets and conducting certain activities that

Edgar Filing: VORNADO OPERATING CO - Form DEF 14A

would be inconsistent with its status as a REIT. The Company was formed to own assets that Vornado could not itself own and conduct activities that Vornado could not itself conduct. The Company functions principally as an operating company, in contrast to Vornado's principal focus on investments in real estate assets. The Company is able to do so because it is taxable as a regular "C" corporation rather than as a REIT.

The Company operates businesses conducted at properties it leases from Vornado or entities partially owned by Vornado, as contemplated by the agreement between the Company and Vornado, as described under "Vornado Agreement" below. The Company expects to rely on Vornado to identify business opportunities for the Company and currently expects that those opportunities will relate in some manner to Vornado and its real estate investments rather than to unrelated businesses.

Capital Contribution and Revolving Credit Agreement

As part of its formation, the Company obtained a \$75,000,000 unsecured five-year revolving credit facility from Vornado ("Revolving Credit Agreement") which expires on December 31, 2004. Borrowings under the Revolving Credit Agreement bear interest at LIBOR plus 3% (4.38% at December 31, 2002). The Company pays Vornado a commitment fee equal to 1% per annum on the average daily unused portion of the facility pursuant thereto; for the year ended December 31, 2002, the Company paid commitment fees of \$432,000. Amounts may be borrowed under the Revolving Credit Agreement, repaid and reborrowed from time to time on a revolving basis (so long as the principal amount outstanding at any time does not exceed \$75,000,000). Principal payments are not required under the Revolving Credit Agreement during its term. The Revolving Credit Agreement prohibits the Company from incurring indebtedness to third parties (other than certain purchase money debt and certain other exceptions) and prohibits the Company from paying any dividends. Debt under the Revolving Credit Agreement is fully recourse against the Company. At December 31, 2002, \$23,834,000 was outstanding under the Revolving Credit Agreement.

Vornado Agreement

The Company and Vornado have entered into an agreement (the "Vornado Agreement") pursuant to which, among other things, (a) Vornado will under certain circumstances offer the

10

Company an opportunity to become the lessee of certain real property owned now or in the future by Vornado (under mutually satisfactory lease terms) and (b) the Company will not make any real estate investment or other REIT-Qualified Investment, as defined below, unless it first offers Vornado the opportunity to make such investment and Vornado has rejected that opportunity.

More specifically, the Vornado Agreement requires, subject to certain terms, that Vornado provide the Company with an opportunity (a "Tenant Opportunity") to become the lessee of any real property owned now or in the future by Vornado if Vornado determines in its sole discretion that, consistent with Vornado's status as a REIT, it is required to enter into a "master" lease arrangement with respect to such property and that the Company is qualified to act as lessee thereof. In general, a master lease arrangement is an arrangement pursuant to which an entire property or project (or a group of related properties or projects) is leased to a single lessee. Under the Vornado Agreement, the Company and Vornado will negotiate with each other on an exclusive basis for 30 days regarding the terms and conditions of the lease in respect of each Tenant Opportunity. If a mutually satisfactory agreement cannot be reached within the 30-day period, Vornado may for a period of one year

Edgar Filing: VORNADO OPERATING CO - Form DEF 14A

thereafter enter into a binding agreement with respect to such Tenant Opportunity with any third party on terms no more favorable to the third party than the terms last offered to the Company. If Vornado does not enter into a binding agreement with respect to such Tenant Opportunity within such one-year period, Vornado must again offer the Tenant Opportunity to the Company in accordance with the procedures specified above prior to offering such Tenant Opportunity to any other party.

In addition, the Vornado Agreement prohibits the Company from making (i) any investment in real estate (including the provision of services related to real estate, real estate mortgages, real estate derivatives or entities that invest in the foregoing) or (ii) any other REIT-Qualified Investment, unless it has provided written notice to Vornado of the material terms and conditions of the investment opportunity and Vornado has determined not to pursue such investment either by providing written notice to the Company rejecting the opportunity within ten days from the date of receipt of notice of the opportunity or by allowing such ten-day period to lapse. As used herein, "REIT-Qualified Investment" means an investment from which at least 95% of the gross income would qualify under the 95% gross income test set forth in Section 856(c)(2) of the Internal Revenue Code of 1986, as amended (the "Code") (or could be structured to so qualify), and the ownership of which would not cause Vornado to violate the asset limitations set forth in Section 856(c)(4) of the Code (or could be structured not to cause Vornado to violate the Section 856(c)(4) limitations); provided, however, that "REIT-Qualified Investment" does not include an investment in government securities, cash or cash items (as defined for purposes of Section 856(c)(4) of the Code), money market funds, certificates of deposit, commercial paper having a maturity of not more than 90 days, bankers' acceptances or the property transferred to the Company by the Operating Partnership. The Vornado Agreement also requires the Company to assist Vornado in structuring and consummating any such investment which Vornado elects to pursue, on terms determined by Vornado. In addition, the Company has agreed to notify Vornado of, and make available to Vornado, investment opportunities developed by the Company or of which the Company becomes aware but is unable or unwilling to pursue.

Under the Vornado Agreement, Vornado provides the Company with certain administrative, corporate, accounting, financial, insurance, legal, tax, data processing, human resources and operational services. Also, Vornado makes available to the Company, at Vornado's offices, space

11

for the Company's principal corporate office. For these services, the Company compensates Vornado in an amount determined in good faith by Vornado as the amount an unaffiliated third party would charge the Company for comparable services and reimburses Vornado for certain costs incurred and paid to third parties on behalf of the Company. For such services, the Company paid \$330,000 for the year ended December 31, 2002.

Vornado and the Company each have the right to terminate the Vornado Agreement if the other party is in material default of the Vornado Agreement or upon 90 days written notice to the other party at any time after December 31, 2003. In addition, Vornado has the right to terminate the Vornado Agreement upon a change in control of the Company.

The Company's Charter specifies that one of its corporate purposes is to perform under the Vornado Agreement and, for so long as the Vornado Agreement remains in effect, prohibits the Company from making any real estate investment or other REIT-Qualified Investment without first offering the opportunity to Vornado in the manner specified in the Vornado Agreement.

Edgar Filing: VORNADO OPERATING CO - Form DEF 14A

The Company's Management

Messrs. Roth, Fascitelli, West and Wight are directors of the Company and trustees of Vornado. Mr. Roth is the Chairman of the Board and Chief Executive Officer of the Company and of Vornado, Mr. Fascitelli is the President of the Company and of Vornado, and certain other members of the Company's senior management hold corresponding positions with Vornado.

Vornado Operating L.P. and the Interstate Exchange

The Company holds its assets and conducts its business through Company L.P. The Company is the sole general partner of and as of December 31, 2002, owned a 90.1% partnership interest in Company L.P. All references to the Company refer to Vornado Operating Company and its subsidiaries including Company L.P.

Interstate and its three partners -- Steven Roth (Chairman of the Board and Chief Executive Officer of Vornado and the Company), David Mandelbaum (a trustee of Vornado) and Russell B. Wight, Jr. (a trustee of Vornado and a director of the Company) -- beneficially owned, in the aggregate, 17.0% of the Company's Common Stock immediately after the Distribution. Under applicable provisions of the Code, Vornado will not continue to be treated as a REIT unless it satisfies, among other things, requirements relating to the sources of its gross income. Rents received or accrued by Vornado from the Company will not be treated as qualifying rent for purposes of these requirements if Vornado owns, either directly or under the applicable attribution rules, 10% or more of the Common Stock of the Company. Thus, in order to enable rents received or accrued by Vornado from the Company to be treated as qualifying rent for purposes of the REIT gross income requirements and to achieve certain other purposes, pursuant to the Exchange Agreement, dated as of October 16, 1998, between the Company and Interstate, (i) Interstate exchanged 447,017 shares of Common Stock for a 9.9% undivided interest in all of the Company's assets and (ii) Interstate and the Company contributed all of their interests in such assets to Company L.P. and in return Interstate received a 9.9% limited partnership interest and the Company received a 90.1% partnership interest therein. Interstate has the right to have its limited partnership interest in Company L.P. redeemed by Company L.P. either for (a) cash in an amount equal to the fair market value, at the time of redemption, of 447,017 shares of Common Stock or (b) 447,017

12

shares of Common Stock, in each case as selected by the Company and subject to customary anti-dilution adjustments. Interstate and its partners owned approximately 12.9% of the common shares of beneficial interest of Vornado and approximately 7.9% of the Company's Common Stock as of December 31, 2002.

AmeriCold Logistics

In October 1997, a partnership (the "Vornado REIT/Crescent REIT Partnership" or the "Landlord") in which Vornado has a 60% interest and Crescent Real Estate Equities Company ("Crescent") has a 40% interest acquired each of AmeriCold Corporation and URS Logistics, Inc. In June and July 1998, the Vornado REIT/Crescent REIT Partnership acquired the assets of Freezer Services, Inc. and the Carmar Group.

On March 11, 1999, the Company and Crescent Operating, Inc. ("COPI") formed the "Vornado Crescent Logistics Operating Partnership" (which does business under the name "AmeriCold Logistics") to purchase all of the non-real estate assets of the Vornado REIT/Crescent REIT Partnership for \$48,723,000, of which the Company's 60% share was \$29,234,000. The purchase price was proposed by the Landlord. The Boards of Directors of both the Company and COPI approved the transaction after concluding that the price was the fair market value at the

Edgar Filing: VORNADO OPERATING CO - Form DEF 14A

time of the transaction. To fund its share of the purchase price, the Company utilized \$4,647,000 of cash and borrowed \$18,587,000 under its Revolving Credit Agreement with Vornado. The Company paid the balance of \$6,000,000 on March 7, 2000.

Subject to confirmation of a plan of reorganization under Chapter 11 of the United States Bankruptcy Code, COPI is expected to transfer its interest in AmeriCold Logistics to an entity to be owned by the shareholders of Crescent. The shareholders of COPI approved the plan of reorganization on March 6, 2003. It is uncertain whether this plan will be confirmed and what effect, if any, this plan and the proposed change in ownership will have on the operation and management of AmeriCold Logistics.

AmeriCold Logistics, headquartered in Atlanta, Georgia, has approximately 6,100 employees and operates 101 temperature controlled warehouse facilities nationwide with an aggregate of approximately 541 million cubic feet of refrigerated, frozen and dry storage space. Of the 101 warehouses, AmeriCold Logistics leases 88 temperature controlled warehouses with an aggregate of approximately 442 million cubic feet of space from the Landlord, and manages 13 additional warehouses containing approximately 99 million cubic feet of space. AmeriCold Logistics provides the food industry with refrigerated warehousing and transportation management services. Refrigerated warehouses are comprised of production, distribution and public facilities. Production facilities typically serve one or a small number of customers, generally food processors which are located nearby. These customers store large quantities of processed or partially processed products in the facilities until they are shipped to the next stage of production or distribution. Distribution facilities primarily warehouse a wide variety of customers' finished products until future shipment to end-users. Each distribution facility generally services the surrounding regional market. Public facilities generally serve the needs of local and regional customers under short-term agreements. Food manufacturers and processors use these facilities to store capacity overflow from their production facilities or warehouses. AmeriCold Logistics' transportation management services include freight routing, dispatching, freight rate negotiation, backhaul coordination, freight bill auditing, network flow management, order consolidation and distribution channel assessment. AmeriCold Logistics'

13

temperature controlled logistics expertise and access to both frozen food warehouses and distribution channels enable its customers to respond quickly and efficiently to time-sensitive orders from distributors and retailers.

AmeriCold Logistics' customers consist primarily of national, regional and local food manufacturers, distributors, retailers and service organizations including H.J. Heinz & Co., ConAgra, Philip Morris Companies, Tyson Foods, Sara Lee Corp., McCain Foods, General Mills, Flowers Industries, J.R. Simplot and Farmland Industries.

On March 11, 1999, AmeriCold Logistics entered into leases with the Landlord covering 88 of the warehouses used in this business. The leases, as amended, generally have 15-year terms with two five-year renewal options and provide for the payment of fixed base rent and percentage rent based on revenue from customers. AmeriCold Logistics is required to pay for all costs arising from the operation, maintenance and repair of the properties, including all real estate taxes and assessments, utility charges, permit fees and insurance premiums, as well as property capital expenditures in excess of \$9,500,000 annually. AmeriCold Logistics has the right to defer the payment of 15% of annual fixed base rent and all percentage rent until December 31, 2003 to the extent that available cash, as defined in the leases, is insufficient to pay such rent. Pursuant thereto, AmeriCold Logistics' deferred rent liability at December 31, 2002 is \$40,583,000 (of which the Company's share is \$24,350,000).

Edgar Filing: VORNADO OPERATING CO - Form DEF 14A

The fixed base rent for each of the two five-year renewal options is equal, generally, to the greater of the fair market rent and the fixed base rent for the immediately preceding lease year plus 5%. On March 7, 2003, AmeriCold Logistics and the Landlord extended the deferred rent period to December 31, 2004 from December 31, 2003.

On December 31, 2002, Vornado and Crescent formed a new joint venture in which Vornado holds a 44% interest and Crescent holds a 56% interest. This new joint venture acquired AmeriCold Logistics' Carthage, Missouri and Kansas City, Kansas limestone quarries for \$20,000,000, the appraised value. The purchase price consisted of \$8,929,000 in cash and the cancellation of \$11,071,000 of notes owed by AmeriCold Logistics to Crescent. AmeriCold Logistics used \$8,800,000 of the cash proceeds to repay a portion of its loans from the Company. Additionally, AmeriCold Logistics entered into a management agreement with the joint venture to manage and operate the quarries for an annual management fee of approximately \$200,000 plus all direct expenses incurred as operator of the quarries. The agreement is for a term of one year and automatically renews for additional one-year periods unless terminated by either party. The Company used the \$8,800,000 repayment from AmeriCold Logistics and \$700,000 of its cash to repay \$7,685,000 of principal and \$1,815,000 of interest and commitment fees under the Revolving Credit Agreement with Vornado.

On December 31, 2002, AmeriCold Logistics sold, without recourse, accounts receivable of \$5,720,000 to Vornado and Crescent's new joint venture for \$5,600,000 in cash. AmeriCold Logistics also agreed to act as agent to collect the accounts receivable. These receivables have been collected. On March 28, 2003, AmeriCold Logistics sold, without recourse, accounts receivable of \$6,640,000 to Vornado and Crescent's new joint venture for \$6,500,000 in cash. AmeriCold Logistics also agreed to act as agent to collect the accounts receivable. Although the terms and conditions of the receivables sales were not negotiated at arm's length, the Company believes that the terms and conditions were fair to AmeriCold Logistics.

14

Management of AmeriCold Logistics

Vornado is the day-to-day liaison to the management of AmeriCold Logistics. AmeriCold Logistics pays Vornado an annual fee of \$487,000, which is based on the temperature controlled logistics operating assets acquired by AmeriCold Logistics on March 11, 1999. The fee increases by an amount equal to 1% of the cost of new acquisitions, including transaction costs. AmeriCold Logistics provides financial statement preparation, tax and similar services to the Vornado REIT/Crescent REIT Partnership for an annual fee of \$273,000 in 2002 increasing 2% each year.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee's purpose is to assist the Board in its oversight of the Company's internal controls and financial statements and the audit process. The Board, in its business judgment, has determined that all members of the Audit Committee are "independent", as required by applicable listing standards of the American Stock Exchange. The Audit Committee operates pursuant to an Audit Committee Charter that was adopted by the Board on May 31, 2000; a copy of the current Audit Committee Charter was attached to the Company's Proxy Statement for its 2001 Annual Meeting of Stockholders.

Management is responsible for the preparation, presentation and integrity

Edgar Filing: VORNADO OPERATING CO - Form DEF 14A

of the Company's consolidated financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors, Deloitte & Touche LLP, are responsible for performing an independent annual audit of the consolidated financial statements in accordance with auditing standards generally accepted in the United States of America.

In performing its oversight role, the Audit Committee has considered and discussed the audited consolidated financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect. The Audit Committee has also considered whether the provision of non-audit services provided by the independent auditors is compatible with maintaining the auditors' independence and has discussed with the independent auditors the auditors' independence.

Based on the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to below and in the Audit Committee Charter, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2002.

Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's consolidated financial statements has been carried out in accordance with auditing standards generally accepted in the United States of America, that the consolidated financial statements are presented in accordance with accounting principles generally accepted in the United States of America or that Deloitte & Touche LLP is in fact "independent".
