**Dr. Reddy s Q3 FY04 revenue at Rs.5138 million; Net income at Rs.592 million**

Hyderabad, India, January 30 2004: Dr. Reddy s Laboratories Ltd. today announced its unaudited financial results for the quarter ended December 31, 2003.

**Notes**

1. In line with global disclosure standards, the company commenced reporting its financials on a consolidated basis since Q1 FY03.
2. Current quarter financial discussions below are on a consolidated basis as per the US GAAP.
3. Detailed analysis of the financials is available on the Company s website at [www.drreddys.com](http://www.drreddys.com).

**Key Highlights**

Revenues at Rs 5.1 billion as against Rs 4.3 billion in Q3 FY03; YoY growth of 18%

Revenues outside India at Rs 3.5 billion as against Rs 2.8 billion in Q3 FY03; YoY growth of 25%; Contributes 68% to total revenues as against 64% in Q3 FY03.

In the Branded Formulations segment, revenues outside India increase by 34% to Rs 912 million as against Rs 679 million in Q3 FY03; contribute a record 47% to the segment revenues driven primarily by the growth in Russia by 39% to Rs 615 million.

Revenues in Europe at Rs 779 million as against Rs 323 million in Q3 FY03; YoY growth of 142%. The growth has been driven primarily by the sales of Ramipril in Europe API segment, which recorded sales of Rs 465 million.

R&D investments increase by 59% to Rs 516 million as against Rs 325 million in Q3 FY03. As a % of revenues, R&D expenditure is at 10% as against 7.5% in Q3 FY03.

Company filed 6 Drug Master Files (DMFs) during the quarter, the highest from India. This takes the cumulative DMF filings to 50.

---

Edgar Filing: DR REDDYS LABORATORIES LTD - Form 6-K

Company submitted 4 ANDAs with Para IV certifications, taking the total ANDAs pending at the USFDA to 31. Of these, 23 include patent challenges.

Selling, General & Administration (SG&A) expenses at Rs 1.5 billion as against Rs 1.3 billion in Q3 FY03. As a %, SG&A expenses remain unchanged at 30% of total revenues. As in the earlier quarters, the Company's investments in patent challenge projects and human resources remain a significant factor for the increase in SG&A.

As a result of the above, net income is at Rs 592 million (12% of total revenues) as against Rs 661 million (15% of total revenues) in Q3 FY03. This translates to a diluted EPS of Rs 7.72 as against Rs 8.63 in Q3 FY03.

**Unaudited US GAAP Financials for the quarter ended December 31, 2003**

All figures in millions, except EPS

All dollar figures based on convenience translation rate of 1USD = Rs 45.55

### Key Revenue Highlights

#### Active Pharmaceutical Ingredients (APIs)

Revenues at Rs 1.9 billion as against Rs 1.5 billion in Q3 FY03, a YoY increase of 32%; Growth driven by Europe and India.

Revenues outside India at Rs 1.4 billion as against Rs 1 billion in Q3 FY03, a YoY increase of 31%.

North America and Europe together contribute a record 53% to the total revenues of the APIs segment.

Revenues from Europe increased to Rs 534 million as against Rs 59 million in Q3 FY03. This increase was driven by the sales of Ramipril, which contributed Rs 465 million in revenues.

Revenues in India increased by 34% to Rs 538 million driven by volume growth in our key products.

Revenues from North America declined to Rs 491 million as against Rs 589 million in Q3 FY03. This decline was primarily on account of decline in revenues from Nizatidine.

The Company filed 6 US DMF during the quarter, taking the total filings to 50.

#### Generics

Revenues in this segment at Rs 1 billion as against Rs 998 million in Q3 FY03; YoY growth of 6%, driven primarily by the growth in North America.

Revenues from North America recorded a growth of 16% to Rs 856 million; Contributed 81% to the segment revenues.

Revenues from fluoxetine capsules 40mg in North America increased by Rs 63 million to Rs 420 million as against Rs 357 million in Q3 FY03.

Revenues from tizanidine tablets 2 & 4 mg in North America declined by Rs 89 million to Rs 134 million as against Rs 223 million in Q3 FY03. Tizanidine was launched in Q3 FY03.

New products launched in North America in the last 12 months including Ibuprofen and Nefazodone contributed Rs 102 million to the segment revenues.

Revenues from Europe declined to Rs 198 million from Rs 247 million in Q3 FY03. The decrease was largely on account of the decline in revenues from Omeprazole due to increased competition. Omeprazole was launched in UK in Q3 FY03.

During the quarter, the Company submitted 4 ANDAs with Para IV certifications, taking the total ANDAs pending at the USFDA to 31.

#### Branded Formulations International

Revenues increased by 34% to Rs 912 million over Q3 FY03; Growth driven primarily by Russia; International revenues contribute a record 47% to Branded Formulations segment

---

## Edgar Filing: DR REDDYS LABORATORIES LTD - Form 6-K

Revenues from Russia increased by 40% to Rs 615 million as against Rs 438 million in Q3 FY03.

### **Branded Formulations India**

Revenues remain flat at about Rs 1 billion compared to Q3 FY03.

Growth in key brands of Omez, Stamlo Beta and Gaity was offset by the decline in revenues from other key brands such as Ciprolet. In addition, year on year growth comparisons are also impacted due to the product rationalization program carried out earlier this fiscal.

### **Other Businesses**

Revenues from the oncology & biotechnology segment increased to Rs 150 million from Rs 126 million in Q3 FY03. This increase was driven primarily by the sales in Brazil, which contributed Rs 60 million in revenues. This was however, offset by the discontinuance of trading operations in diagnostics business effective April 1, 2003, which contributed Rs 34 million in revenues in Q3 FY03.

Revenues from the Custom Chemical Services segment remain unchanged at Rs 9 million.

### **General information**

The following items were considered and adopted by the Board of Directors of Dr. Reddy's Laboratories today:

Unaudited financial results for the quarter ended December 31, 2003 as required under Clause 41 of the listing agreement.

#### **About Dr. Reddy's**

Established in 1984, Dr. Reddy's Laboratories (NYSE: RDY) is an emerging global pharmaceutical company with proven research capabilities. The Company is vertically integrated with a presence across the pharmaceutical value chain. It produces finished dosage forms, active pharmaceutical ingredients and biotechnology products and markets them globally, with focus on India, US, Europe and Russia. The Company conducts research in the areas of cancer, diabetes, cardiovascular, inflammation and bacterial infection.

**Dr. Reddy s appoints Dr. Dennis Langer President, North America**

Hyderabad, India, January 20, 2004: Dr. Reddy s Laboratories (NYSE: RDY) today announced that Dr. Dennis Langer has joined the Company as President, North America. Dr. Langer will be responsible for the management of the Company s North American operations and will be based at the Company s offices in New Jersey.

Commenting on today s announcement, GV Prasad, Chief Executive Officer, Dr. Reddy s Laboratories, said, I am excited about the appointment of Dennis as the President of our North American operations. He brings to the organization a unique combination of experience in areas of innovation R&D, commercial operations and strategy & business development, which will further enhance our ability to consolidate on our success in the US and transition into a specialty based pharmaceutical Company.

Cameron Reid, who currently heads the Company s North American operations has expressed his desire to pursue personal goals and accordingly will step down from his current position on the completion of his contract on March 31, 2004. Over the last decade, Cameron has played a significant role in building the Company s US businesses and shaping the Company s regulated market strategy.

Commenting on Cameron s desire to step down, GV Prasad, Chief Executive Officer, Dr. Reddy s Laboratories, said, I have worked closely with Cameron for thirteen years and I admire his outstanding entrepreneurship. On behalf of the Company, I would like to personally thank Cameron for his significant contribution to Dr. Reddy s success and wish him well for the future.

Dr. Langer joins Dr. Reddy s from GlaxoSmithkline, where he held various management positions since 1994. Most recently, he served as Senior Vice President, Project and Portfolio Management, Research and Development. In this position, he was responsible for Worldwide Project and Portfolio Management activities for all Research and Development assets, for all therapeutic areas. In addition, he was also leading the Alliance and Joint Venture Management function. Prior to that, Dr. Langer held a variety of management positions involving increasingly responsibility in the areas of global

---

product development strategy, healthcare services and business strategy with GlaxoSmithkline. He has also served as the CEO of Neose Pharmaceuticals and held various positions at GD Searle, Abbott and Eli Lilly. Dr. Langer was also Chief Resident in psychiatry at Yale University School of Medicine and held clinical fellowships in psychiatry at Harvard Medical School and George Washington University School of Medicine.

A native of New York, Dr. Langer has a J.D. (cum laude) from Harvard Law School, an M.D. from Georgetown University School of Medicine, and a B.A. in Biology from Columbia University. He has to his credit several publications in peer reviewed medical journals. He currently serves on the board of Biotechnology Industry Organization, Transkaryotic Therapies, Inc, Alliance for Aging Research and Boards of Visitors at Columbia University and Georgetown University School of Medicine. Dr. Langer is a Clinical Professor, Department of Psychiatry, Georgetown University School of Medicine, Washington, DC.

**Dr. Reddy s organizes international symposium on drug discovery to commemorate ten years of Dr. Reddy s drug discovery research**

Hyderabad, India, January 16, 2004: Dr. R. A. Mashelkar, Director General, CSIR and Secretary, Department of Scientific and Industrial Research, Government of India, today inaugurated Pharmacophore 2004, an International Symposium on the theme Innovating Drugs: Emerging Perspectives, which is being held at Hyderabad, on January 16th and 17th, 2004.

Pharmacophore 2004 is being organized by Dr. Reddy s Research Foundation (DRF) and sponsored by Dr. Reddy s Laboratories. Over two hundred eminent scientists from across the scientific community of India are attending this symposium to share ideas of mutual interest and to inspire young scientists and others in the Indian pharmaceutical industry to take to pharmaceutical drug discovery and research.

Pharmacophore 2004 is the first ever-international symposium organized on this scale by the pharmaceutical industry in India. The symposium focuses on drug discovery research and covers a wide spectrum of topics in drug discovery and development and brings together distinguished thought leaders and eminent researchers from across the globe, both from the academia and industry, to share their experiences and views on drug discovery.

Dr. R. A Mashelkar delivered the inaugural address and Dr Bruce Carter, President and CEO, Zymogenetics, Inc., inaugurated the sessions on poster presentations. Eighty-two technical posters were presented at the symposium, which were researched by scientists of Dr. Reddy s.

Leading scientists from across the globe will speak at the symposium. Keynote speakers are: Dr. Victor Hartmann, Head of Global Business Development, Novartis Pharma, Switzerland, Dr. Charles L Bisgaier, Vice-President, Pharmacology, Esperion Therapeutics, Inc, USA, and Prof. K C Nicolaou, Chairman, Department of Chemistry, Aline W. and L.S. Skaggs Professor of Chemical Biology and Darlene Shiley Chair in
