UNAUDITED PRO FORMA CONSOLIDATED FINANCIAL DATA

The following tables present Century's unaudited pro forma consolidated balance sheet as of March 31, 2004 and unaudited pro forma consolidated statement of operations for the year ended December 31, 2003 and the three months ended March 31, 2004. The unaudited pro forma consolidated financial data for the year ended December 31, 2003 has been derived from: (1) Century's audited consolidated financial statements and accompanying notes included in its Annual Report on Form 10-K for the year ended December 31, 2003; and (2) the separate audited financial statements and accompanying notes of Nordural hf for the year ended December 31, 2003, which are included herein. The unaudited pro forma consolidated financial data for the three months ended March 31, 2004 has been derived from: (1) Century's unaudited consolidated financial statements and accompanying notes included in its Quarterly Report on Form 10-Q for the quarter ended March 31, 2004; and (2) the unaudited financial statements of Nordural hf for the quarter ended March 31, 2004. The unaudited pro forma consolidated financial data has been prepared for illustrative purposes only and does not purport to represent what Century's results of operations or financial condition would actually have been had the transactions described below in fact occurred as of the dates specified. In addition, the unaudited pro forma consolidated financial data does not purport to project Century's results of operations or financial condition as of any date or for any future period. Among other things, the unaudited pro forma consolidated financial data does not reflect the effects of Century's acquisition of the remaining 20% interest in its Hawesville primary aluminum reduction facility prior to the closing of that acquisition in April 2003.

The unaudited pro forma consolidated balance sheet as of March 31, 2004 gives effect to the following events as if they were consummated on March 31, 2004:

- Century's acquisition of all of the outstanding equity shares of Nordural;
- Century's issuance and sale of approximately \$221 million in common

Edgar Filing: CENTURY ALUMINUM CO - Form 8-K/A

stock in a registered public offering;

- Century's payment of the remaining \$12.0 million of principal under an outstanding promissory note payable to Glencore;
- Century's payment of \$3.0 million of dividends on its convertible preferred stock; and
- other adjustments that management believes are directly related to the Nordural acquisition.

The unaudited pro forma consolidated statement of operations for the year ended December 31, 2003 and the three months ended March 31, 2004 gives pro forma effect to these events as if they were consummated on January 1, 2003.

The Nordural acquisition will be accounted for using the purchase method of accounting. Under the purchase method of accounting, the cash payment of the estimated aggregate purchase price for Nordural (including transaction fees and expenses) will be allocated to the tangible assets, identifiable intangible assets and liabilities of Nordural, based upon their respective fair values. The allocation of the purchase price, useful lives assigned to assets and other adjustments made to the unaudited pro forma consolidated financial data are based upon available information and certain preliminary assumptions that Century believes are reasonable under the circumstances. Century has not yet completed the fair market value allocation to the specific assets and liabilities of Nordural. Consequently, the final amounts allocated and the related useful lives could differ from those reflected in the unaudited pro forma consolidated financial data and the effects could be material.

The unaudited pro forma consolidated financial data should be read in conjunction with (1) Century's audited and unaudited consolidated financial statements and accompanying notes and "Management's Discussion and Analysis of Financial Condition and Results of Operations," which are included in its Annual Report on Form 10-K for the year ended December 31, 2003 and Quarterly Report on Form 10-Q for the three months ended March 31, 2004, respectively; and (2) the separate audited financial statements and accompanying notes of Nordural hf for the year ended December 31, 2003 which are included elsewhere in this Form 8-K.
