**Item 1.01. Entry into a Material Definitive Agreement.**

On December 6, 2005, the Board of Directors, upon the recommendation of its Compensation & Benefits Committee and the recommendations made by an independent third party consulting organization reviewed the compensation of our non-employee directors and took the following actions:

- (i) Approved a recommendation that no change be made to the ongoing level of annual compensation for non-employee directors as established for 2005. A schedule of such compensation is attached hereto as Exhibit 10.1 and incorporated herein by reference; and
- (ii) Approved a recommendation to replace the ability of non-employee directors to convert their annual cash compensation into restricted stock units at a ten percent premium with an opportunity to convert all such cash amounts into the Dun & Bradstreet Corporation Directors Compensation Plan (the Plan ), with a ten percent premium on any cash directed into the Dun & Bradstreet common stock fund under the Plan for a period of three years.

To implement this recommendation, specific Board action in amending and restating the Plan was taken to: (i) eliminate the limit on the portion of each non-employee director's account under the Plan that the non-employee director can elect to be treated as if invested in the Dun & Bradstreet common stock fund (previously limited to 50% of account value), as described in the Plan; (ii) provide for a ten-percent (10%) premium on any cash compensation deferred after December 31, 2005 that a non-employee director elects to be treated as if invested in the Dun & Bradstreet common stock fund, as described in the Plan, immediately upon the making of such election; and (iii) restrict the reallocation of amounts deferred after December 31, 2005, premium credits and any interest or investment return thereon, that are deemed to be invested in the Dun & Bradstreet common stock fund under the Plan, for a period of three years after the initial deferral of such amount.

The Plan, as so amended and restated, has been renamed The Dun & Bradstreet Corporation Non-employee Directors Deferred Compensation Plan, and is attached hereto as Exhibit 10.2 and incorporated herein by reference.

In February 2006, restrictions on shares of our common stock previously awarded to certain of our executive officers are scheduled to lapse according to the schedule set forth below. On the applicable vesting date, each executive officer will realize taxable income equal to the fair market value of the shares on the vesting date, at which time we are required to withhold or receive from the executive related taxes at statutorily defined rates. In order to facilitate the withholding, each of the executive officers named below has made an irrevocable election prior to the date of this filing to satisfy the applicable withholding through the deduction of that number of shares from the vested amount having an aggregate fair market value equal to the amount required to be so withheld. The withholding of shares to satisfy withholding will be reported on a Form 4 within 2 business days of each vesting date.
