**Item 8.01. Other Events**

On August 12, 2009, RTI International Metals, Inc. (the Company) filed a shelf registration statement on Form S-3 with the Securities and Exchange Commission (the Commission). The shelf registration statement, once the Commission declares it effective, will allow the Company to raise capital from time to time, up to an aggregate of \$200 million, through the sale of the Company's common stock, preferred stock, debt securities, warrants, purchase contracts, units, or depository shares. The specific terms and conditions of any offering and securities will be determined at the time of any offering under a separate prospectus supplement that the Company will be required to file with the Commission at the time of the specific offering. If securities are issued, the Company may use the proceeds for general corporate and working capital purposes, which may include repayment of debt, capital expenditures, repurchase of shares of our common stock, and any other purposes that may be stated in any prospectus supplement.
