- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.01 Entry Into A Material Definitive Agreement

Effective December 10, 2009, MAPCO Express, Inc. (MAPCO), a wholly-owned subsidiary of the registrant, Delek US Holdings, Inc. (Delek), entered into an amendment and restatement of its senior secured credit agreement (the MAPCO Facility) among MAPCO, Fifth Third Bank (Fifth Third) as Administrative Agent and the lenders party thereto (the Restated Agreement).

Pursuant to the terms of the Restated Agreement, the maturity date of individual revolving credit commitments (which were originally \$120 million, but are now effectively \$108 million due to the non-performance of Lehman Commercial Paper, Inc.) may be extended from April 28, 2010 to April 28, 2011 by those lenders who consent to such extension. The Restated Agreement grants revolving lenders until December 22, 2009 to extend their individual revolving credit commitments, with the commitment of any revolving lender not choosing to extend expiring on the original revolver maturity date of April 28, 2010. As of this filing, approximately \$99.05 million in revolving credit commitments had been extended.

The Restated Agreement also includes an accordion feature to the revolving facility that allows MAPCO to add revolving credit commitments up to an overall amount of \$180 million, subject to the identification of such additional lender commitments.

The Restated Agreement also increases the credit spreads for Base Rate Loans and Eurodollar Loans to the following amounts (Eurodollar Loans remain subject to a LIBOR floor of 2.75%):

	Applicable Margin for Base Rate Loans		Applicable Margin for Eurodollar Loans	
	Revolving Credit Facility	Term Facility	Revolving Credit Facility	Term Facility
Consolidated Leverage Ratio				
Tier I > 4.00 to 1.00	3.25%	3.75%	4.25%	4.75%
Tier II ≤ 4.00 to 1.00 and > 3.50 to 1.00	3.00%	3.50%	4.00%	4.50%
Tier III ≤ 3.50 to 1.00 and > 3.00 to 1.00	2.75%	3.25%	3.75%	4.25%
Tier IV ≤ 3.00 to 1.00	2.50%	3.25%	3.50%	4.25%

As of this filing, MAPCO is subject to Tier III pricing.

Finally, the Restated Agreement (A) amends (i) the maximum allowed consolidated leverage ratio (as defined in the Restated Agreement) to 4.30 to 1.00 for the Fourth Quarter of 2009 and to 3.90 to 1.00 for the First, Second and Third Quarters of 2010 and to 3.60 to 1.00 thereafter; (ii) the minimum allowed consolidated adjusted interest coverage ratio (as defined in the Restated Agreement) to 1.75 to 1.00 for the Fourth Quarter of 2009 and to 1.85 to 1.00 for the First, Second and Third Quarters of 2010 and to 2.00 to 1.00 thereafter;; and (iii) the maximum allowed consolidated adjusted leverage ratio (as defined in the Restated Agreement) to 5.85 to 1.00 for the Fourth Quarter of 2009 and to 5.35 to 1.00 for the First, Second and Third Quarters of 2010 and to 4.85 to 1.00 thereafter and (B) affirms the minimum allowed consolidated fixed charge coverage ratio (as defined in the Restated Agreement) at 1.25 to 1.00 for all quarters.

Under the MAPCO Facility, Fifth Third serves as administrative agent and lender, SunTrust Bank serves as syndication agent and Bank Leumi USA (Leumi) serves as co-administrative agent. Fifth Third also serves as administrative agent for, and lender under, the \$75 million revolving credit facility with Delek s wholly-owned subsidiary, Delek Marketing & Supply, LP. SunTrust Bank is an affiliate of SunTrust Capital Markets, Inc., one of the underwriters of the initial public offering of Delek s common stock completed on May 9, 2006. SunTrust Bank is

administrative agent, issuing bank, swing line lender and collateral agent of a senior secured credit facility revolver with Delek's wholly-owned subsidiary, Delek Refining, Ltd. Leumi is the lender under two promissory notes executed by Delek in the principal amounts of \$30 million and \$20 million.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

See Item 1.01 above for a description of the MAPCO Facility.
