-

**Item 8.01 Other Events**

On August 4, 2010, PCTEL, Inc. (the Company) issued a press release announcing that its Board of Directors authorized the repurchase of up to an additional \$5 million of the Company's outstanding common stock in the open market. In November 2008, the Company's Board of Directors had previously authorized the repurchase of up to \$5 million of the Company's outstanding common stock. As of August 4, 2010, there was approximately \$1.0 million remaining that could be used for the repurchase of the Company's stock under the November 2008 authorization. In order to facilitate repurchases of its common stock, on August 6, 2010, the Company established an open market trading plan pursuant to Rule 10b5-1 of the Securities Exchange Act of 1934, as amended. The Rule 10b5-1 plan permits repurchases of the Company's shares at times when the Company would not ordinarily be permitted to do so because of insider trading laws or due to self-imposed trading blackout periods. A broker chosen by the Company will have the authority, under the prices, terms and limitations set forth in the Rule 10b5-1 plan to repurchase shares on the Company's behalf. The first period covered by the Rule 10b5-1 plan will commence September 13, 2010 and the plan will terminate when the \$5 million authorization is exhausted.

Because the repurchases under the Rule 10b5-1 plan are subject to specific trading terms and parameters, there is no guarantee as to the exact number of shares that will be repurchased under the Rule 10b5-1 plan, or that there will be any repurchases at all pursuant to the Rule 10b5-1 plan.

The full text of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
