Item 7.01 Regulation FD Disclosure.

On February 23, 2011, the Torch Energy Royalty Trust (Trust) issued a press release, which is attached hereto as Exhibit 99.1 and furnished as an exhibit to this Current Report on Form 8-K. In the press release, the Trust announced that it and the derivative unitholder plaintiff reached an agreement in principle with Constellation Energy Partners LLC (CEP) to settle certain claims in the litigation, captioned Trust Venture Company, LLC v. Constellation Energy Partners LLC (CV-2008-900751), filed by the derivative plaintiff on the Trust's behalf in the Circuit Court of Tuscaloosa County, Alabama (the Settlement).

As stated in the press release and the Notice of Pendency of Derivative Action, Proposed Settlement of Derivative Action, Settlement Hearing, and Right to Appear, in the form approved by the Court and attached hereto as Exhibit 99.2, subject to the approval of the Court, the derivative plaintiff and the Trust have agreed to settle the claims against CEP in the derivative action, and to enter into mutual, general releases with CEP in return for (i) a payment of one million two hundred thousand United States dollars (\$1,200,000) to the derivative plaintiff by Robinson's Bend Production II (RBP II), which is a Delaware limited liability company and an affiliate of CEP, to reimburse the derivative plaintiff for the legal fees and expenses it incurred in prosecuting the derivative action, (ii) an irrevocable bid by RBP II of not less than one million United States dollars (\$1,000,000) for its purchase from the Trust of the net overriding royalty interest (Alabama NORRI), when such Alabama NORRI is separately offered for sale by the Trust at public auction within 180 days of the effective date of the Settlement, with such bid amount to be deposited by RBP II in a third-party escrow account pending the public auction, and (iii) a third amendment to that certain Water Gathering and Disposal Agreement providing that, for a period of ten years commencing on the first day of the month following the effective date of the settlement, the charges for the gathering, separation, and disposal of water from oil and gas wells located in Tuscaloosa County, Alabama that are owned and operated by RBP II (Wells) shall be fifty-three cents (\$0.53) per barrel of water. (RBP II currently charges one United States dollar (\$1.00) per barrel of water for the gathering, separation, and disposal of such water from the Wells.)

The Court has set a hearing in the Alabama Circuit Court, Tuscaloosa County, 714 Greensboro Avenue, Tuscaloosa, Alabama 35401, on April 11, 2011, at 2:00 p.m. CDT (the Settlement Hearing). At the Settlement Hearing, the Court will determine whether or not (i) to approve the Settlement as memorialized in the proposed Settlement and Release Agreement with CEP, and (ii) to approve an Order ending this derivative action. On February 23, 2011, the Trust sent the Notice of Pendency of Derivative Action, Proposed Settlement of Derivative Action, Settlement Hearing, and Right to Appear to the Trust's unitholders of record as of February 11, 2011, as required by the Settlement.
