The role of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. The Audit Committee annually receives the proposal of the independent public accountants for the performance of audit services for the Company and its subsidiaries, reviews the scope of audits to be performed by the independent public accountants and the internal auditing staff of the Company, and reviews annually the program of the internal auditing staff both with respect to audits performed in the prior year and scheduled audits for the ensuing year. The Audit Committee also receives, reviews and takes action which it deems appropriate with respect to reports submitted by the internal auditing staff and the independent public accountants. The Audit Committee held three meetings during 2001.

Under this Plan, all compensation payable to a non-employee director is credited to an account in the name of such director as earned and the Company contributes to the account of such director an amount equal to 25% of the compensation credited to the director's account. As of the last business day of each month, the cash balance is used to purchase from the Company whole shares of common stock of the Company based on the last sale price of the Company's common stock on such date. Each non-employee director of the Company contributes (as adjusted for the 25% contribution by the Company) the annual retainer of \$9,000 (paid on a quarterly basis), fees of \$2,500 for each meeting of the Board of Directors attended, and fees of \$500 for attendance at each meeting of a committee of which the director was a member and attended.

PROPOSAL TWO

AMENDMENT TO THE EXECUTIVE INCENTIVE COMPENSATION PLAN

COMMERCE BANCSHARES, INC. EXECUTIVE INCENTIVE COMPENSATION PLAN

On February 1, 2002, the Board of Directors (the "Board") approved an amendment (the "Amendment") to the Commerce Bancshares, Inc. Executive Incentive Compensation Plan (the "Incentive Plan"). The Incentive Plan was adopted by the Board on December 3, 1993 and approved by the Company's shareholders on April 20, 1994. The Incentive Plan was amended and restated as of July 31, 1998 and was further amended as of December 31, 1999. The Amendment is intended to revise the Incentive Plan to comply with Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") so that awards made to the Company's Chief Executive Officer and the other four most highly compensated executive officers ("Covered Employees") pursuant to the Incentive Plan will qualify as performance-based compensation within the meaning of Code Section 162(m) and the regulations thereunder ("Performance-Based Compensation"). Qualification for an exemption under Section 162(m) will permit the Company to deduct certain amounts related to awards under the Incentive Plan after the date of shareholder approval without regard to the limits imposed by Section 162(m).

Code Section 162(m), which was enacted in 1993, generally disallows a tax deduction to public companies for compensation over \$1 million paid to Covered Employees. Performance-Based Compensation is not subject to the deduction limit. The Company intends for awards provided under the Incentive Plan to Covered Employees to be Performance-Based Compensation. Proposal Two is being presented to shareholders in order for the awards paid pursuant to the Incentive Plan to be Performance-Based Compensation.

The policy of the Company is to compensate its officers based upon performance. The purpose of the Incentive Plan is to provide incentive compensation awards to those individuals whose management efforts reflect a desire to meet commonly agreed upon objectives or to those who by their superior performance directly contribute to the profitability of the Company and to encourage the retention of outstanding contributors. The following discussion summarizes the material features of the Amendment. The full text of the

Edgar Filing: COMMERCE BANCSHARES INC /MO/ - Form DEF 14A

Incentive Plan, as amended, appears as Exhibit A to this Proxy Statement and qualifies this summary in its entirety.

The Incentive Plan is administered by the Compensation and Benefits Committee (the "Committee") of the Board. The Committee shall consist solely of two or more directors who are "non-employee directors" under Rule 16b-3(b)(3) promulgated under the Securities Exchange Act of 1934, as amended, or any successor provision thereto, and "outside directors" within the meaning of Treasury Regulation Section 1.162-27(e)(3)(i).

Participants in the Incentive Plan are all chief executive officers, Chairmen of the Board, Vice Chairmen of the Board, Presidents, and Vice Presidents of the Company or any of its affiliated banks or subsidiary companies, together with such other officers of the Company and its affiliated banks and subsidiary companies as the Committee shall determine. Directors who are not officers or employees of the Company, an affiliated bank, or a subsidiary company, are not eligible to Participate in the Incentive Plan.

The Board approves the amount of aggregate incentive awards based upon the Committee's recommendation. The Committee administers the Plan and approves individual awards for participants, regardless of whether the participant is a Covered Employee or not. Individual awards to Covered Employees are intended to be Performance-Based Compensation. The Committee may set restrictions on such awards based upon the achievement of objective performance goals. Such performance goals may be set for the Company as a whole, for each division or unit, or for individual performance criteria. The performance objectives may vary from participant to participant, but with respect to Covered Employees, the performance goals shall be based on one or more of the following criteria: revenue, earnings, earnings per share, pre-tax earnings and net profits, stock price, market share, costs, return on equity, efficiency ratio (non-interest expense, divided by total revenue) asset management, asset quality, asset growth and budget achievement.

7

The Committee will specifically define the performance goal in advance and shall set the performance goal no later than the end of the period which constitutes the first twenty-five percent (25%) of the period of service to which the performance goal relates, provided that the outcome is substantially uncertain at the time the goal is established. The performance goal will be sufficiently objective such that a third party having knowledge of the relevant facts could determine whether the performance goal has been met. No award to a Covered Employee shall be paid before the Committee certifies that such Covered Employee met the requirements of the applicable performance goal and satisfied any other material terms applicable to the award. The maximum amount that may be paid to any employee (whether or not a Covered Employee) pursuant to the Incentive Plan for any calendar year shall not exceed \$1,500,000.

Awards payable under the Incentive Plan are normally payable in cash. The awards will be paid as soon as practicable after the awards are determined, unless the recipient of the award elects to defer receipt of the award as provided in the Incentive Plan.

A majority of the shares of Common Stock represented and entitled to vote at the Annual Meeting must vote for the Amendment of the Incentive Plan in order for awards to Covered Employees pursuant to the Incentive Plan to become Performance-Based Compensation. In accordance with Missouri law, abstentions will be treated as represented and entitled to vote. Unless marked to the contrary, all proxies received will be voted for the amendment of the Incentive Plan.

Edgar Filing: COMMERCE BANCSHARES INC /MO/ - Form DEF 14A

RETIREMENT BENEFITS:

The Company maintains the Commerce Bancshares Restated Retirement Plan. All employees are eligible to participate on the later of January 1st or July 1st after completion of one year of service and the attainment of age 21. The Plan provides benefits based upon earnings, age and years of participation.

The annual benefit is determined under a cash balance formula effective January 1, 1995. Under the cash balance formula, a retirement account balance is maintained for each participant. At the end of each Plan Year beginning after December 31, 1994, the participant's account will be credited with a cash balance credit equal to a percentage of total pay for the year plus the same percentage of pay in excess of 50% of the Social Security taxable wage base for the year. Pay for this purpose is limited by Section 401(a)(17) of the Internal Revenue Code. The applicable percentage is determined by the sum of the participant's age and years of participation at the beginning of the Plan Year, and ranges from 1% for a sum of less than 30 to 4% for a sum of 75 or more. Interest is credited to the participant's account at the end of each Plan Year beginning after 1995 at a rate not less than 5% of the account balance at the end of the prior Plan Year (for 2001, the rate of interest was 7%). At retirement, the retirement account balance is converted to various annual benefit options based on actuarial factors defined in the Plan.

In addition, the participant shall receive an annual benefit equal to his annual benefit accrued through December 31, 1994 under the Plan's prior formula, adjusted for increases in the cost of living (but not in excess of 4% per year) for each year of participation after December 31, 1994. Certain executive members of the plan will receive a special minimum benefit based on the final five-year average pay and years of service. This provision is subject to IRS approval, which has been requested.

This Plan is fully paid for by the Company and employees covered by the Plan become fully vested after five years of service. The normal retirement age under the Plan is 65. Reduced benefits are available as early as age 55. Messrs. David Kemper, Jonathan Kemper, Sullins, Leadbeater, and Stranghoener have, respectively, 22, 19, 26, 11 and 1 year(s) of service as of December 31, 2001.

Compensation covered by the Plan for 2001 includes salary (as reported in the Summary Compensation Schedule) and was limited by Section 401(a)(17) of the Internal Revenue Code to \$170,000. The compensation for 2001 covered by the Plan was: Mr. David Kemper \$170,000; Mr. Jonathan Kemper \$170,000; Mr. Sullins \$170,000; Mr. Leadbeater \$170,000; and Mr. Stranghoener \$170,000.

The estimated annual benefits payable at normal retirement age for Messrs. David Kemper, Jonathan Kemper, Sullins, Leadbeater and Stranghoener are \$131,802, \$120,008, \$63,303, \$76,529, and \$38,271, respectively. These benefits assume the election of a retirement allowance payable as a straight life annuity to the participant.

The Company also maintains the Commerce Executive Retirement Plan ("CERP"), effective January 1, 1995, to provide nonqualified deferred compensation for a select group of executives. The CERP is unfunded; benefits are payable from the assets of the Company. The Board of Directors may designate the CEO as a participant; other participants are selected by the CEO.

A participant's benefit under the CERP is the amount by which (1) exceeds (2), where (1) is the benefit that would be payable under Commerce Bancshares Retirement Plan if that benefit were calculated using the participant's total

Edgar Filing: COMMERCE BANCSHARES INC /MO/ - Form DEF 14A

pay including any bonus deferred under a nonqualified deferred compensation plan maintained by the Company and without regard to the pay limit of Section 401(a)(17) of the Internal Revenue Code and (2) is the benefit actually payable under the Commerce Bancshares Retirement Plan.

Compensation covered by the CERP for 2001 includes salary and bonuses as reported in the Summary Compensation Schedule. The compensation for 2001 covered by the CERP was: Mr. David Kemper \$1,108,153; Mr. Jonathan Kemper \$502,054; Mr. Sullins \$379,750; Mr. Leadbeater \$373,750; and Mr. Stranghoener \$311,338.

The estimated annual benefits payable under the CERP at normal retirement age for Messrs. David Kemper, Jonathan Kemper, Sullins, Leadbeater and Stranghoener are \$229,110, \$59,563, \$3,784, \$816 and

11

\$0, respectively. These benefits assume the election of a retirement allowance payable as a straight life annuity to the participant.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION:

The Company's executive compensation policy is intended to be competitive with bank holding companies in geographic proximity, comparable asset size and considered as direct competitors with the Company so that total compensation received by the executive officers of the Company is believed to be comparable on a long-term basis. The policy is also intended to offer an incentive for performance for the Company's executive officers and managers, including the chief executive officer and the four other most highly paid executive officers (collectively with the chief executive officer, the "senior executives"). The overall compensation program is designed to retain and reward on both a short and long-term basis. In the case of the Chief Executive Officer, the Committee pays particular attention to the total compensation paid to the chief executive officers of the competing bank holding companies described above but taking into consideration the relative size of the companies and their financial returns. Statistical measurements including earnings per share, return on assets, return on equity, net income, and asset quality are considered over a one to five year time frame but not weighted in regard to base salary considerations.

The three members of the Compensation and Benefits Committee are all non-employee directors. The principal elements of the Company's executive compensation program for the fiscal year ended December 31, 2001, applicable to the Company's executive officers, including the senior executives, were:

(1) Base salary levels are reviewed and determined annually. Consideration is given to the scope of responsibilities and to the similarity of positions with immediate competitors. In this regard, comparison is made with the compensation paid to the top five officers of comparable bank holding companies which, by virtue of their location, are considered immediate competitors. Factors included in the comparison are relative size of companies, the financial results obtained, both currently and over a period of time, and the experience and responsibility of the individuals. While the base salary compensation paid to the senior executives is somewhat below the average of the immediate competitors, the Committee believes such compensation is in line considering the relative size of the companies and also considering the Company's strong emphasis on long-term shareholder alignment through incentives such as stock options. In addition, the Committee reviews individual performance ratings, being the result of reviews conducted by an officer's superior. The Committee also considers responsibility changes, taking into account outstanding or improved performance. The Committee approves salary increases and salary levels after consideration of both internal and external information as set

Edgar Filing: COMMERCE BANCSHARES INC /MO/ - Form DEF 14A

forth above. In establishing base salaries, the Committee does not assign any weight to any particular factor. The Committee reviewed national survey data and competitor data prior to recommending base salary increases during 2001.

(2) Cash Bonus awards are considered annually. In awarding bonus payments, factors considered by the Compensation Committee include: (i) a review of the Company's financial performance as determined by the level of overall net income, as well as statistical measurements, return on assets, return on equity, asset quality and asset growth, as compared to internal trends and selected competitors; (ii) the value created for shareholders in both the most recent year and five year trends as determined by market price of the Company stock compared to the NASDAQ financial indices; and (iii) the performance of individuals to the extent measurable in meeting budget expectations. The Committee has established performance targets that affect the granting of and size of a bonus for the top executives of the Company. Performance of the Company in relation to competitors' performance is considered but not weighted in the granting of a bonus. The Chief Executive Officer is also subject to the previous measurements. Bonuses earned as a percentage of base salary for senior executives for 2001 performance ranged from 56.3% in the case of the chief executive officer to 4.0%.

(3) Stock Options are also awarded annually. They are awarded to provide individuals with long-term incentives for profitable growth and closer align the Company's senior executives with the interest of the Company's shareholders. Retention and long-term reward are both factors considered in granting stock options. With respect to the amount of options to be granted, consideration is given to the scope of

12

responsibility and the degree of its effect on the Company's performance as well as the degree of importance in providing incentive to the individual to stay with the Company over time. The Committee, in determining whether to grant options or in the granting of options, does not take into consideration the amounts of options previously granted or outstanding. However, the Company has implemented targeted guidelines in determining option awards to all participants in the option program including senior executives. Targeted percents range from 25% to 500% of base pay depending on the grade of the individual officer. Targeted percents may be exceeded when individual participants' performance exceed expectations. A new long term incentive component was added during 1999 based on a study reviewed by the Compensation and Benefit Committee. This new component is restricted stock awards based on the overall long-term performance of the Company.

The overall executive compensation policy described above also applies to the compensation of the Chief Executive Officer. The Compensation and Benefits Committee reviews Mr. David Kemper's performance each year and makes recommendations to the board for any increases. Mr. Kemper completes a self-appraisal which the Committee considers before making its final recommendation. Several factors were considered in the review of Mr. Kemper's performance in 2001 with an overall focus on the increase in the franchise value of the company. Besides financial performance the Committee also considered factors such as growth in the human capital of the organization, the continued reinvestment and improvement of the company's product offerings and the overall focus on risk management.

The Compensation and Benefits Committee also reviews annually the total compensation of key executives to determine whether the Company's compensation package is competitive when compared to national survey data as well as a peer

Edgar Filing: COMMERCE BANCSHARES INC /MO/ - Form DEF 14A

group of executives at bank holding companies in geographic proximity, comparable asset size and considered to be direct competitors with the Company.

The Internal Revenue Code ("Code") contains a limitation on the deductibility for tax purposes of certain executive compensation in excess of \$1,000,000. The limitations contained in Section 162(m) of the Code apply to the compensation paid to the executive officers of the Company named in the Summary Compensation Table. In 2001, no executive officer exceeded \$1,000,000 in taxable compensation as defined in Section 162(m).

Non-Qualified Stock Option Plan was amended in 1995 to provide for a formula to determine the maximum number of options which may be granted in any one year to any one person, which means any income recognized on the exercise of a nonqualified stock option will qualify as "performance-based compensation" and will not be included in determining the compensation which is limited to \$1,000,000.

Executives other than senior executives also participate in both the bonus and stock option programs. Other elements of compensation offered to the senior executives and to all other eligible employees include participation in a 401(k) deferred contribution plan.

AUDIT COMMITTEE REPORT: JANUARY 22, 2002

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. The Board of Directors, in its business judgment, has determined that all members of the Audit Committee are "independent" as required by applicable listing standards of the NASDAQ. The Audit Committee operates pursuant to a Charter that was last amended and restated by the Board on February 1, 2001. As set forth in the Charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, the Company's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standard No. 61, Communication with Audit Committees, as currently in effect. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board No. 1, Independence Discussions with Audit Committees, as currently in effect, and written confirmations from management with respect to internal audit services provided by the auditors. The Audit Committee has considered whether internal audit and other non-audit services provided by the independent auditors to the Company is compatible with maintaining the auditor's independence and has discussed with the auditors the auditors' independence.

The members of the Audit Committee are not professionally engaged in the

Edgar Filing: COMMERCE BANCSHARES INC /MO/ - Form DEF 14A

practice of auditing or accounting and are not financial experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee has relied upon the expertise and representations of others to determine that the audit of the Company's financial statements have been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles, and that the Company's auditors are in fact "independent".

Based on the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Charter, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001 to be filed with the Securities and Exchange Commission.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION:

The Compensation and Benefits Committee consists of three members of the Board of Directors of the Company, none of whom are officers of the Company. During 2001, the Committee consisted of Ms. Mary Van Lokeren and Messrs. Giorgio Balzer and Andrew C. Taylor.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE:

Pursuant to Section 16 of the Securities Exchange Act of 1934, the Company's Directors and certain executive officers are required to report, within specified monthly and annual due dates, their initial ownership of the Company's common stocks and all subsequent acquisitions, dispositions or other transfers of interest in such securities, if and to the extent reportable events occur which require reporting by such due dates. The Company is required to identify in its proxy statement whether it has knowledge that any person required to file such a report may have failed to do so in a timely manner. Based on that review, all of the Company's directors and all executive officers subject to the reporting requirements satisfied such requirements in full, except that due to a clerical error reporting on Form 5 of changes in 2000 holdings of non-employee directors in the Non-Employee Director Stock Purchase Plan was filed one day late. In addition, A. Bayard Clark, an executive of the Company, filed a correction to a monthly report on Form 4 relating to one transaction after the due date; and W. Thomas Grant, II, a director of the Company, filed a monthly report on Form 4 relating to one transaction after the due date. The Company's review determined that the late filings were due to inadvertent oversight and had been properly corrected.

EXHIBIT A

COMMERCE BANCSHARES, INC.

EXECUTIVE INCENTIVE COMPENSATION PLAN

AMENDMENT AND RESTATEMENT OF JULY 31, 1998

1. PURPOSE

The policy of Commerce Bancshares, Inc. ("Commerce") is to compensate its officers based on performance. The purpose of this Executive Incentive Compensation Plan ("Plan") is to provide incentive compensation awards to those individuals whose management efforts reflect a desire to meet commonly agreed upon objectives or to those who by their superior performance directly contribute to the profitability of Commerce and to encourage the retention of

outstanding contributors.

This Plan is intended to comply with Section 162(m) of the Internal Revenue Code (the "Code") so that awards made under the Plan to individuals who are covered employees within the meaning of Code Section 162(m)(3) ("Covered Employees") will qualify as performance-based compensation within the meaning of Code Section 162(m) and the regulations thereunder ("Performance-Based Compensation").

2. ADMINISTRATION

The Plan shall be administered by the Compensation and Benefits Committee ("Committee") of the Board of Directors ("Board") of Commerce, which shall consist solely of two or more directors who are "non-employee directors" under Rule 16b-3(b)(3) promulgated under the Securities Exchange Act of 1934, as amended, or any successor provision thereto, and "outside directors" within the meaning of Treasury Regulation Section 1.162-27(e)(3)(i). The Committee shall have authority in its sole discretion to interpret the Plan, establish rules and procedures thereunder, and make all determinations, including the determination of incentive compensation awards eligible to be deferred under the Plan. All determinations made by the Committee shall be final and binding.

3. ELIGIBLE PARTICIPANTS

All chief executive officers, Chairman of the Board, Presidents, and Vice Presidents of Commerce or any of its affiliated banks or subsidiary companies shall be eligible to participate in the Plan, together with such other officers of Commerce and its affiliated banks and subsidiary companies as the Committee shall determine. Directors who are not officers or employees of Commerce, an affiliated bank, or a subsidiary company, are not eligible to participate in the Plan.

4. DETERMINATION OF AWARD

The Board of Commerce in its sole discretion shall approve the amount of the aggregate incentive compensation awards to be granted based on the recommendation of the Committee. Individual incentive compensation awards shall be granted in the following manner:

a. With respect to Covered Employees, individual incentive compensation awards shall qualify as Performance-Based Compensation. In so qualifying awards, the Committee, in its sole discretion, may set restrictions based upon the achievement of objective performance goals within the meaning of Code Section 162(m) and the regulations thereunder ("Performance Goals"). Each award to a Covered Employee shall meet the following requirements:

(i) Performance Goals for the award shall be established by the Committee based on one or more of the following criteria: revenue, earnings, earnings per share, pre-tax earnings and net profits, stock price, market share, costs, return on equity, efficiency ratio (non-interest expense, divided by total revenue) asset management, asset quality, asset growth and budget achievement. Performance

17

Goals need not be the same with respect to all Covered Employees and may be established separately for Commerce as a whole or for its various groups, divisions, subsidiaries and affiliates.

(ii) Each Performance Goal shall be specifically defined in advance

Edgar Filing: COMMERCE BANCSHARES INC /MO/ - Form DEF 14A

by the Committee and may include or exclude specified items of an unusual, non-recurring or extraordinary nature.

(iii) Each Performance Goal must be sufficiently objective that a third party having knowledge of the relevant facts could determine whether the Performance Goal has been met.

(iv) Different awards may be set by the Committee based on achievement of certain Performance Goals or specified levels of achieving the Performance Goals. However, no award shall be paid to any Covered Employee if the applicable minimum Performance Goal(s) are not achieved.

(v) Performance Goals shall be set by the Committee before the end of the period that constitutes the first twenty-five percent (25%) of the period of service to which the Performance Goal relates, provided that the outcome is substantially uncertain at the time the Committee actually establishes the Performance Goal.

(vi) The Committee shall have no discretion to increase the amount of compensation that otherwise would be due upon attainment of a Performance Goal, although the Committee may have discretion to deny an award or to adjust downward the compensation payable pursuant to an award, as, in the Committee's sole judgment, is prudent based upon the Committee's assessment of the Covered Employee's performance and Commerce's performance during the Fiscal Year.

(vii) In granting awards, the Committee shall follow any additional procedures determined by it in its sole discretion from time to time to be necessary, advisable or appropriate to ensure qualification of the awards as Performance-Based Compensation.

b. With respect to individuals who are not Covered Employees, individual incentive compensation awards shall be determined with reference to performance during the preceding year. The incentive compensation awards to be made to the Chairman of the Board or the President (if such persons are not Covered Employees) shall be determined by the Committee. All other awards to be made under this Plan may be determined by the Committee, or should the Committee so direct, by a committee consisting of the Chief Executive Officer, a Vice-Chairman designated by the Chief Executive Officer, and the chief human resource officer.

5. PAYMENT OF INCENTIVE AWARD

Incentive compensation awards are generally determined and made on or before the date of the annual meeting of the shareholders of Commerce. The normal method of payment will be in the form of cash and awards will be paid as soon as practicable after the awards are determined, provided, that the recipient of an award shall not have elected to defer receipt of the incentive compensation award as hereinafter provided.

Notwithstanding the foregoing, no incentive compensation award shall be paid to a Covered Employee before the Committee certifies that such Covered Employee met the requirements of the applicable Performance Goal and satisfied any other material terms applicable to the incentive compensation award.

The maximum bonus that may be paid to any employee pursuant to the plan for any calendar year shall not exceed \$1,500,000.

6. DEFERRAL OPTIONS

a. Eligible employees who are members of a select group of management or

highly compensated employees, as selected by the Commerce Director of Human Resources in his or her discretion, may elect to defer all or a portion of an incentive compensation award until the earlier to occur of retirement, death, or termination. A deferral must be expressed either as "all" or as a specified dollar amount. Any incentive compensation award above the specified amount will be paid in cash, and if the award is less than the amount deferred, the total award will be deferred. The granting of an incentive compensation award is discretionary

18

and neither delivery of deferral election materials nor an election to defer shall affect entitlement to such an award. All deferral elections made under the Plan are irrevocable. It is intended that this arrangement qualify as, and shall be administered to qualify as being unfunded and being primarily for the purpose of providing deferred compensation for a select group of management or highly compensated employees.

b. In order to ensure that elections to defer incentive compensation awards are effective under applicable tax laws, all persons eligible to participate in this Plan will be given the opportunity to defer payment of all or a portion of an incentive compensation award. An election to defer must be made in a written form satisfactory to Commerce and must be received by the Commerce Director of Human Resources on or before the last business day of the year preceding the year for which performance is measured to determine the granting of an incentive compensation award.

c. An eligible employee in electing a deferred payment shall also elect the accounts, from among the accounts that Commerce makes available to the participating employee, to which the relevant portion of the award deferral will be credited. Credits to available accounts for deferral of an incentive compensation award shall be determined from time to time based upon hypothetical measuring investments (the "Measuring Investments") for each account; one of which shall consist of a Company Stock Account and there shall be such other accounts determined from time to time by the Director of Human Resources in his or her discretion. Such accounts are bookkeeping accounts only and are maintained for the sole purpose of determining the amount payable by Commerce to the eligible employee based upon the hypothetical performance of the Measuring Investments for each such account, determined as if the account had assets invested in the Measuring Investments of such account. No assets shall be segregated for the benefit of an eligible employee and the bookkeeping account shall not represent assets set aside for the benefit of an eligible employee.

With the exception of the Commerce Stock Account, an eligible employee may elect to transfer credits between accounts, and the amount credited to all such accounts shall be determined from time to time, all pursuant to non-discriminatory rules, procedures and deadlines set by the Commerce Director of Human Resources, which rules, procedures, and deadlines may be amended from time to time in such officer's discretion (the "Administrative Rules"). Except as set forth in the following paragraph, however, an eligible employee may elect to transfer credits into the Commerce Stock Account, but not out of the Commerce Stock Account. Any election to transfer a credit to the Commerce Stock Account or among the other accounts (a "Transfer Election") must be received by the Commerce Director of Human Resources by the date set by the Commerce Director of Human Resources and must be in a written form satisfactory to such officer, in each case pursuant to the Administrative Rules. Any transfer to the Commerce Stock Account shall be based upon the last sale price of Commerce Stock as reported by the National Association of Security Dealers National Market System on the last trading day determined in accordance with the Administrative Rules. The credit transferred from any other account shall be based upon the amount credited to such account as of the date determined in accordance with the

Administrative Rules.

Notwithstanding the above, an eligible employee may make a one-time election to remove any or all amounts out of the Commerce Stock Account (a "Diversification Election") as of February 17, 2000. Such Diversification Election must be made at the time and in the manner determined pursuant to the Administrative Rules. Any transfer from the Commerce Stock Account shall be based upon the last sale price of Commerce Stock as reported by the National Association of Security Dealers National Market System on the trading day determined in accordance with the Administrative Rules. The amount transferred from the Commerce Stock Account pursuant to the Diversification Election shall be based upon the number of units credited to such account as of the date determined in accordance with the Administrative Rules.

d. The accounts made available for the deferral of incentive compensation awards are bookkeeping accounts. The amount credited to each account, including any hypothetical earnings, gains or losses, will be determined in accordance with the Administrative Rules, based on the investment performance of the Measuring Investments for such Account. The timing and manner of making credits or debits to each account shall be determined in accordance with the Administrative Rules.

e. Commerce shall provide periodically to each participant (but not less frequently than once per calendar year) a statement setting forth the balance to the credit of such participant in each of the accounts.

f. Amounts deferred under the provisions of this Plan will be disbursed to participants in accordance with the following:

(i) An amount equal to the amounts credited to accounts other than the Commerce Stock Account will be paid by Commerce in a single distribution as soon as reasonably practicable after retirement, disability, death or other termination of employment, except that a participant may elect to instead have payment made in up to ten annual equal installments or in such installments after receiving a lump sum payment of a portion of the payment due. Annual installments will be paid in an amount, less applicable withholding taxes, determined by multiplying the balance in such other accounts by a fraction, the numerator of which is one (1) and the denominator of which is a number equal to remaining unpaid annual installments.

(ii) If a participant dies after the commencement of payments from such participant's accounts other than the Commerce Stock Account, the designated beneficiary shall receive the remaining installments over the elected installment period.

(iii) With respect to a participant's Commerce Stock Account, upon such participant's disability, death, retirement, or other termination of employment, Commerce shall transfer to such participant a number of shares of Commerce stock, and cash for any fractional shares, equal to the units credited to the participant's Commerce Stock Account. Alternatively, a participant may elect to have payment with respect to his Commerce Stock Account made in up to ten equal annual installments or in such installments after receiving a lump sum payment of a portion of the payment due, in which case Commerce shall transfer to such electing participant for each installment the number of shares of Commerce stock, and cash for any fractional shares, equal to the units credited to the portion of the participant's Commerce Stock Account to be paid in such installment. No payment, however, shall be made with respect to the Commerce Stock Account

until arrangements satisfactory to Commerce shall have been made to provide for payment to Commerce of federal, state, local, and payroll withholding taxes attributable to such payment.

(iv) Each participant shall have the right at any time to designate any person or persons as beneficiary or beneficiaries (both principal as well as contingent) to whom payment under this Plan shall be made in the event of death prior to complete distribution to the participant of the amounts due under this Plan. Any beneficiary designation may be changed by a participant by the filing of such change in writing on a form prescribed by Commerce. The filing of a new beneficiary designation form will cancel all beneficiary designations previously filed and will apply to all deferrals in the account. If a beneficiary has not been designated or if all designated beneficiaries predecease the participant, then any amounts payable to the beneficiary shall be paid to the participant's estate in one lump sum.

(v) If there is any change in the number or class of shares of Commerce stock through the declaration of stock dividend or other extraordinary dividends or recapitalization resulting in stock splits or combinations or exchanges of such shares or in the event of similar corporate transactions, each participant's Commerce Stock Account shall be equitably adjusted to reflect any such change in the number or class of issued shares of common stock of Commerce or to reflect such similar corporate transaction.

(vi) The Human Resources/Salary Committee of Commerce, upon 30 days written notice, may approve a "hardship" request for distribution of a deferred award. Unless the participant presents proof satisfactory to such committee of financial need, requests for hardship distribution will be denied. Each request will be evaluated on the basis of uniformly applied criteria.

7. AMENDMENT AND TERMINATION OF PLAN

The Board of Directors may at its discretion and at any time amend the Plan in whole or in part. The Committee may terminate the Plan in its entirety at any time, and, upon such termination or such later date or

dates, each participant shall: receive, in a single distribution, the shares and cash for the fractions thereof of Commerce Stock credited to the Commerce Stock Account; and shall be paid, in a single distribution or over such period of time as determined by the Committee, an amount equal to the then remaining amount credited to such participant's accounts other than the Commerce Stock Account.

8. MISCELLANEOUS

a. A participant under this Plan is merely a general unsecured creditor and nothing contained in this Plan shall create a trust of any kind or a fiduciary relationship between Commerce and the participant or the participant's estate. Nothing contained herein shall be construed as conferring upon the participant the right to continued employment with Commerce or its subsidiaries or to an incentive compensation award. Except as otherwise provided by applicable law, benefits payable under this Plan may not be assigned or hypothecated, and no such benefits shall be subject to legal process or attachment for the payment of any claim of any person entitled to receive the same.

b. The amendment of the Plan to allow a Commerce Stock deferral option shall become effective on the date the shareholders of Commerce approve the same. Subject to such approval, an employee having a deferred option may elect

(but prior to June 30, 1994) to transfer his balance in the Treasury Bill account and/or the Treasury Note Account as of April 1, 1994 to the Commerce Stock Account with the number of units credited to his account determined as provided in Section 6d hereof but based on the last sale price as of the last day in March 1994 on which a trade of Commerce Stock is reported. An employee who in 1993 deferred a potential incentive compensation award with respect to performance in 1994 and elected either a Treasury Bill Account or a Treasury Note Account may elect prior to June 30, 1994 to defer such award for 1994 to the Common Stock Account.

c. Notwithstanding any other provision herein, Commerce may establish a trust subject to the claims of the general creditors of Commerce (a "rabbi trust") and deposit amounts into the rabbi trust. Although any payments from the rabbi trust to a participant shall discharge Commerce's obligation to the extent of payment made, this plan is unfunded and no participant shall have an interest in any rabbi trust asset.

d. Notwithstanding any other provision of this Plan to the contrary, incentive compensation awards shall not be paid to Covered Employees unless and until the material terms under which the remuneration is to be paid, including the Performance Goals, are (1) disclosed to shareholders and (2) subsequently approved by a majority of the vote in a separate shareholder vote before the payment of such remuneration.
