**PROPOSAL ONE
ELECTION OF DIRECTOR**

At the Annual Meeting, stockholders will consider and vote on the election of one Director to serve for a term of three years and until his successor is duly elected and qualifies. The initial term of the Class I Director of the Company, Michael Targoff, expires at the Annual Meeting and Mr. Targoff is not standing for reelection. The Board of Directors unanimously nominated Gerald I. Isenberg to stand for election as a Director at the Annual Meeting. Mr. Isenberg has agreed to serve if elected, and the Company has no reason to believe that he will be unavailable to serve.

The persons named as proxies on the accompanying proxy card intend to vote at the Annual Meeting (unless otherwise directed) FOR the election of Mr. Isenberg as a Director of the Company. Currently the Company has five Directors. In accordance with the Company's charter, its Board of Directors is divided into three classes of approximately equal size. The three-year terms of the Directors are staggered. The initial terms of Steven C. Good and Kevin S. McCarthy expire at the 2006 Annual Meeting of stockholders and the terms of Anne K. Costin and Terrence J. Quinn expire at the 2007 Annual Meeting of stockholders and, in each case, when their successors are duly elected and qualify. If Mr. Isenberg is elected at the Annual Meeting, he will serve until the 2008 Annual Meeting of stockholders and until his successor is duly elected and qualifies. If Mr. Isenberg is unable to serve or for good cause will not serve because of an event not now anticipated, the persons named as proxies may vote for another person designated by the Board of Directors.

Table of Contents

Mr. Isenberg, if elected, will be a Class I Director. Pursuant to the terms of the Company's preferred stock, the preferred stockholders have the exclusive right to elect two Directors to the Board. The Board of Directors has designated Steven C. Good and Terrence J. Quinn as the Directors the preferred stockholders shall have the right to elect.

Committees of the Board of Directors

The Company's Board of Directors currently has three standing committees:

Audit Committee. Messrs. Good, Targoff and Quinn serve on the Audit Committee. The Audit Committee operates under a written charter (the Audit Committee Charter) adopted and approved by the Board of Directors and was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The Audit Committee Charter conforms to the applicable listing standards of the New York Stock Exchange. The Audit Committee Charter is attached hereto as Appendix A and will be attached at least every third year going forward. The Audit Committee approves and recommends to the Board of Directors the election, retention or termination of independent auditors; approves services to be rendered by the auditors; monitors the auditors performance; reviews the results of the Company's audit; determines whether to recommend to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report; and responds to other matters as outlined in the Audit Committee Charter. Each audit committee member is independent under the applicable New York Stock Exchange listing standard.

Valuation Committee. Ms. Costin and Messrs. Good, McCarthy and Quinn serve on the Valuation Committee. The Valuation Committee is responsible for the oversight of the Company's pricing procedures and the valuation

of its securities in accordance with such procedures. The Valuation Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Company's website (www.kaynemp.com).

Nominating Committee. Ms. Costin and Messrs. Good, Quinn, and Targoff are members of the Nominating Committee, none of whom are interested persons of the Company as defined in the 1940 Act (other than as previously noted for Ms. Costin). The Nominating Committee is responsible

Table of Contents

for appointing and nominating Independent Directors to the Company's Board of Directors. Each Nominating Committee member is independent under the applicable New York Stock Exchange listing standard. The committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Company's website (www.kaynempl.com). The Nominating Committee has not established specific, minimum qualifications that must be met by an individual for the Committee to recommend that individual for nomination as a Director. The Nominating Committee expects to seek referrals for candidates to consider for nomination from a variety of sources, including current Directors, management of the Company, the investment adviser of the Company and counsel to the Company, and may also engage a search firm to identify or evaluate or assist in identifying or evaluating candidates. As set forth in the Nominating Committee Charter, in evaluating candidates for a position on the Board, the Committee considers a variety of factors, including, as appropriate:

the candidate's knowledge in matters relating to the investment company industry;

any experience possessed by the candidate as a director or senior officer of public companies;

the candidate's educational background;

the candidate's reputation for high ethical standards and personal and professional integrity;

any specific financial, technical or other expertise possessed by the candidate, and the extent to which such expertise would complement the Board's existing mix of skills and qualifications;

the candidate's perceived ability to contribute to the ongoing functions of the Board, including the candidate's ability and commitment to attend meetings regularly and work collaboratively with other members of the Board;

the candidate's ability to qualify as an independent director for purposes of the 1940 Act, the candidate's independence from Company service providers and the existence of any other relationships that might give rise to conflict of interest or the appearance of a conflict of interest; and

such other factors as the Nominating Committee determines to be relevant in light of the existing composition of the Board of Directors and any anticipated vacancies or other transitions (*e.g.*, whether or not a candidate is an audit committee financial expert under the federal securities laws).

Prior to making a final recommendation to the Board, the Nominating Committee may conduct personal interviews with the candidates it concludes are the most qualified. The Nominating Committee met with Mr. Isenberg before recommending to the Board of Directors that he be nominated to stand for election as a Director.

If there is no vacancy on the Board, the Board of Directors will not actively seek recommendations from other parties, including stockholders. When a vacancy on the Board of Directors occurs and nominations are sought to fill such vacancy, the Nominating Committee may seek nominations from those sources it deems appropriate in its discretion, including the Company's stockholders.

To submit a recommendation for nomination as a candidate for a position on the Board, stockholders shall mail such recommendation to the Secretary of the Company, at the Company's address, 1800 Avenue of the Stars, Second Floor, Los Angeles, California 90067. Such recommendation shall include the following information: (a) evidence of stock ownership of the person or entity recommending the candidate (if submitted by one of the Company's stockholders), (b) a full description of the proposed candidate's background, including his or her education, experience, current employment, and date of birth, (c) names and addresses of at least three professional references for the candidate, (d) information as to whether the candidate is an interested person in relation to us, as

such term is defined in the 1940 Act, and such other information that may be considered to impair the candidate's independence and (e) any other information that may be helpful to the Nominating Committee in evaluating the candidate. Any such recommendation must contain sufficient background information concerning the candidate to

Table of Contents

enable the Nominating Committee to make a proper judgment as to the candidate's qualifications. If a recommendation is received with satisfactorily completed information regarding a candidate during a time when a vacancy exists on the Board of Directors or during such other time as the Nominating Committee is accepting recommendations, the recommendation will be forwarded to the Chair of the Nominating Committee and will be evaluated in the same manner as other candidates for nomination. Recommendations received at any other time will be kept on file until such time as the Nominating Committee is accepting recommendations, at which point they may be considered for nomination.

Board of Director and Committee Meetings Held

The following table shows the number of meetings held for the Company during the fiscal year ended November 30, 2004:

Board of Directors	4
Audit Committee	2
Valuation Committee	0
Nominating Committee	0

All of the Directors then serving attended at least 75% of the meetings of the Board of Directors and applicable committees held during the fiscal year.

Audit and Related Fees

Audit Fees. The aggregate fees billed by PricewaterhouseCoopers LLP during the Company's initial fiscal year ended November 30, 2004 to the Company for professional services rendered with respect to the audit of the Company's financial statements was \$85,000. The Company was formed in June 2004, and thus did not pay PricewaterhouseCoopers LLP any fees prior to that date.

Audit-Related Fees. The Company was not billed by PricewaterhouseCoopers LLP for any fees for assurance and related services reasonably related to the performance of the audits of the Company's annual financial statements for its initial fiscal year.

Tax Fees. For professional services for tax compliance, tax advice and tax planning for its last fiscal year, the Company was billed by PricewaterhouseCoopers LLP for fees in the approximate amount of \$23,000.

All Other Fees. The Company was not billed by PricewaterhouseCoopers LLP for any fees for services other than those described above during its initial fiscal year.

Aggregate Non-Audit Fees. The Company was not billed by PricewaterhouseCoopers LLP for any amounts for any non-audit services during the Company's initial fiscal year. In addition, neither Kayne Anderson nor any entity controlling, controlled by, or under common control with Kayne Anderson that provides ongoing services to the Company, was billed by PricewaterhouseCoopers LLP for any non-audit services during the Company's initial fiscal year.

Audit Committee Pre-Approval Policies and Procedures

Before the auditor is (i) engaged by the Company to render audit, audit related or permissible non-audit services to the Company or (ii) with respect to non-audit services to be provided by the auditor to Kayne Anderson or any entity in the investment Company complex, if the nature of the services provided relate directly to the operations or financial reporting of the Company, either: (a) the Audit Committee shall pre-approve such engagement; or (b) such engagement shall be entered into pursuant to pre-approval policies and procedures established by the Audit Committee. Any such policies and procedures must be detailed as to the particular service and not involve any delegation of the Audit Committee's responsibilities to Kayne Anderson. The Audit Committee may delegate to one or more of its members the authority to grant pre-approvals. The pre-approval policies and procedures shall include the requirement that the decisions of any member to whom authority is delegated under this provision shall be presented to the full Audit

Table of Contents

Committee at its next scheduled meeting. Under certain limited circumstances, pre-approvals are not required if certain *de minimis* thresholds are not exceeded, as such thresholds are set forth by the Audit Committee and in accordance with applicable SEC rules and regulations.

For engagements with PricewaterhouseCoopers LLP, the Audit Committee approved in advance all audit services and non-audit services that PricewaterhouseCoopers LLP provided to the Company and to Kayne Anderson (with respect to the operations and financial reporting of the Company). None of the services rendered by PricewaterhouseCoopers LLP to the Company or Kayne Anderson were pre-approved by the Audit Committee pursuant to the pre-approval exception under Rule 2.01(c)(7)(i)(C) or Rule 2.01(c)(7)(ii) of Regulation S-X. The Audit Committee has considered whether the provision of non-audit services rendered by PricewaterhouseCoopers LLP to Kayne Anderson and any entity controlling, controlled by, or under common control with Kayne Anderson that were not required to be pre-approved by the Audit Committee is compatible with maintaining PricewaterhouseCoopers LLP's independence.

Appointment of Independent Auditors

The Board of Directors has appointed PricewaterhouseCoopers LLP, independent registered public accounting firm, as independent auditors to audit the books and records of the Company for its current fiscal year. A representative of PricewaterhouseCoopers LLP will be present at the Annual Meeting to make a statement, if such representative so desires, and to respond to stockholders' questions. PricewaterhouseCoopers LLP has informed the Company that it has no direct or indirect material financial interest in the Company or Kayne Anderson.

Director and Officer Compensation.

The Company does not compensate any of the Directors or officers who are employed by Kayne Anderson. Each of the Company's Independent Directors receives a \$25,000 annual retainer for serving as a Director. In addition, the Company's Independent Directors receive fees for each meeting attended, as follows: \$2,500 per Board meeting; \$1,500 per Audit Committee meeting; and \$500 for other committee meetings. Committee meeting fees are not paid unless the meeting is held on a day when there is not a Board meeting and the meeting is more than 15 minutes in length. The Directors are reimbursed for expenses incurred as a result of attendance at meetings of the Board of Directors and its committees.

The following table sets forth estimated compensation to be paid by the Company during its first full fiscal year to the Independent Directors and the Director nominee. We have no retirement or pension plans.

BOARD RECOMMENDATION

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS OF THE COMPANY VOTE FOR THE ELECTION OF GERALD ISENBERG AS A CLASS I DIRECTOR.

PROPOSAL TWO

**APPROVAL TO SELL SHARES OF
COMMON STOCK BELOW NET ASSET VALUE**

The 1940 Act prohibits the Company from selling shares of its common stock at a price below the current net asset value per share of such stock, except with the consent of a majority of its common stockholders or under certain other circumstances. Pursuant to this provision, the Company is seeking the consent of a majority of its common stockholders so that it may, in one or more public or private offerings of its common stock, sell shares of its common stock at a price below its then-current net asset value per share, subject to certain conditions discussed below. If approved, the authorization would be effective for a period expiring on the date of the Company's 2006 Annual Meeting of Stockholders, which is expected to be held in June 2006.

Generally, equity securities sold in public securities offerings are priced based on market prices, rather than net asset value per share. The Company is seeking the approval of a majority of its common stockholders of record to offer and sell shares of its common stock at prices that may be less than net asset value so as to permit the flexibility in pricing that market conditions generally require.

The Company's common stock has a limited trading history and has traded both at a premium and at a discount in relation to its net asset value. Although the Company's common stock recently has been trading at a premium above net asset value, there can be no assurance that this will continue or that its common stock will not trade at a discount in the future. The continued development of alternatives to the Company as a vehicle for investment in a portfolio of MLPs, including other publicly traded investment companies and private funds, may reduce or eliminate any tendency of the Company's common stock to trade at a premium in the future. Shares of closed-end investment companies frequently trade at a discount from net asset value. Without the approval of a majority of its common stockholders to sell stock at prices below its current net asset value per share, the Company would be precluded from selling shares of its common stock to raise capital during periods where the market price for its common stock is below its current net asset value.

The Company believes that having the ability to issue its common stock below net asset value in certain instances will benefit all of its stockholders. The Company expects that it will be periodically presented with attractive opportunities to acquire securities of midstream energy companies that require the Company to make an investment commitment quickly. Because the Company generally attempts to remain fully invested and it does not intend to maintain cash for the purpose of making these investments, the Company may be unable to capitalize on investment opportunities presented to it unless it quickly raises capital. The market value of the Company's common stock may periodically fall below its net asset value, which is not uncommon for a closed-end investment companies like the Company. If this decline were to occur, absent the approval of this proposal by a majority of common stockholders, the Company will not be able to effectively access capital markets to enable it to take advantage of attractive investment opportunities.

If this proposal is approved, the Company does not anticipate selling its common stock below its net asset value unless it has identified attractive near term investment opportunities that Kayne Anderson reasonably believes will lead to a long-term increase in net asset value. In determining whether or not to sell additional shares of the Company's common stock at a price below the net asset value per share, the Board of Directors will have duties to act in the best interest of the Company and its stockholders. Further, to the extent the

Table of Contents

Company issues shares of its common stock below net asset value in a publicly registered transaction, the Company's market capitalization and the amount of its publicly tradable common stock will increase, thus affording all common stockholders greater liquidity.

The Company will only sell shares of its common stock at a price below net asset value per share if the following conditions are met:

The per share offering price, before deduction of underwriting fees, commissions and offering expenses, will not be less than the net asset value per share of the Company's stock, as determined at any time within 2 business days of pricing of the common stock to be sold in the offering.

Immediately following the offering, after deducting offering expenses and underwriting fees and commissions, the net asset value per share of the Company's common stock, as determined at any time within 2 business days of pricing of the common stock to be sold, would not have been diluted by greater than a total of 1% of such value per share of all outstanding common stock. The Company will not be subject to a maximum number of shares that can be sold or a defined minimum sales price per share in any offering so long as the aggregate number of shares offered and the price at which such shares are sold together would not result in dilution of the net asset value per share of the Company's common stock in excess of the 1% limitation.

A majority of the Company's Independent Directors makes a determination, based on information and a recommendation from Kayne Anderson, that Kayne Anderson reasonably expects that the investment(s) to be made with the net proceeds of such issuance will lead to a long-term increase in net asset value.

Before voting on this proposal or giving proxies with regard to this matter, common stockholders should consider the potentially dilutive effect of the issuance of shares of the Company's common stock at less than net asset value per share on the net asset value per outstanding share of common stock. Any sale of common stock at a price below net asset value would result in an immediate dilution to existing common stockholders and could potentially cause the further erosion on the net asset value per share. The 1940 Act establishes a connection between common share sale price and net asset value because when stock is sold at a sale price below net asset value per share, the resulting increase in the number of outstanding shares is not accompanied by a proportionate increase in the net assets of the issuer. Common stockholders should also consider that holders of the Company's common stock have no subscription, preferential or preemptive rights to additional shares of the common stock proposed to be authorized for issuance, and thus any future issuance of common stock will dilute such stockholders' holdings of common stock as a percentage of shares outstanding.

The issuance of the additional shares of common stock will also have an effect on the gross amount of management fees paid by the Company to Kayne Anderson. The Company's investment advisory agreement with Kayne Anderson provides for a management fee payable to Kayne Anderson as compensation for managing the investment portfolios of the Company computed as a percentage of assets under management. The increase in the Company's asset base that would result from any issuance of shares of common stock proposed to be authorized by common stockholders in this proposal would increase assets of the Company under management, and would cause a corresponding increase in the gross amount of management fees paid to Kayne Anderson, but would not increase or decrease the management fee as a percentage of assets under management. However, by increasing the size of the Company's asset base and number of shares outstanding, the Company may be able to reduce its fixed expenses both as a percentage of total assets and on a per share basis.

Required Vote.

Approval of Proposal Two requires: (1) the affirmative vote of a majority of all common stockholders of record as of the Record Date and (2) the affirmative vote of a majority of the votes cast by the holders of common stock and preferred stock, voting together as a single class.

For the purpose of determining whether a majority of the common stockholders of record approved this proposal, abstentions and broker non-votes, if any, will have the effect of a vote against Proposal Two. For the

Table of Contents

purpose of determining whether a majority of votes cast approved this proposal, abstentions and broker non-votes, if any, will have no effect on the outcome.

BOARD RECOMMENDATION

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS OF THE COMPANY VOTE FOR THE PROPOSAL TO ALLOW THE COMPANY TO SELL SHARES OF ITS COMMON STOCK AT A PRICE BELOW NET ASSET VALUE PER SHARE, SUBJECT TO CERTAIN CONDITIONS.

OTHER MATTERS

The Board of Directors of the Company knows of no other matters that are intended to be brought before the meeting. If other matters are properly presented at the Annual Meeting, the proxies named in the enclosed form of proxy will vote on those matters in their sole discretion.

At April 30, 2005, each Director beneficially owned equity securities of the Company having values within the indicated dollar ranges.

Terrence J. Quinn	\$10,000-\$50,000
Gerald I. Isenberg	\$0

(1) As of May 12, 2005, the Directors and the nominee do not oversee any other investment companies managed by Kayne Anderson.

At April 30, 2005, no Director or officer held shares of preferred stock of the Company.

To the knowledge of the Company's management, as of April 30, 2005: there were no other entities holding beneficially more than 5% of the Company's outstanding common stock; none of the Company's Directors owned 1% or more of its outstanding common stock; and the Company's officers and Directors owned, as a group, less than 1% of its outstanding common stock.

Investment Management Agreement. Pursuant to the terms of an Investment Management Agreement between the Company and Kayne Anderson, the Company has agreed to pay Kayne Anderson a basic management fee at an annual rate of 1.75% of the Company's average total assets, adjusted upward or downward (by up to 1.00% of the Company's average total assets, as defined), depending on to what extent, if any, the Company's investment performance for the relevant performance period exceeds or trails the Company's Benchmark over the same period. The Company's Benchmark is the total return (capital appreciation and reinvested dividends) of the Standard & Poor's 400 Utilities Index plus 600 basis points (6.00%). Each 0.01% of difference of the Company's performance compared to the performance of the Benchmark is multiplied by a performance fee adjustment of 0.002%, up to a maximum adjustment of 1.00% (as an annual rate). The Company calculates the total management fee based on the average total

assets for

Table of Contents

the prior 12 months. For the period beginning with the commencement of the Company's operations through the end of the Company's first 12 months of operations (the Initial Period), on a quarterly fiscal basis the Company pays Kayne Anderson a minimum management fee calculated at an annual rate of 0.75%. After this Initial Period, the basic management fee and the performance fee adjustment will be calculated and paid quarterly beginning with the quarter ending November 30, 2005, using a rolling 12-month performance period. Management fees in excess of those paid will be accrued monthly.

The performance record for the Benchmark is based on the change in value of the Benchmark during the relevant performance period. During the Company's first fiscal year, for purposes of calculating the performance fee adjustment, the Company's initial net asset value is calculated net of the underwriter discount. At November 30, 2004, the Company had recorded accrued management fees at the annual rate of 0.75% based on the Company's investment performance for the period September 28, 2004 through November 30, 2004.

For purposes of calculating the management fee, the Company's total assets are equal to the Company's average monthly gross asset value (which includes assets attributable to or proceeds from the Company's use of preferred stock, commercial paper or notes issuances and other borrowings), minus the sum of the Company's accrued and unpaid dividends on any outstanding common stock and accrued and unpaid dividends on any outstanding preferred stock and accrued liabilities (other than liabilities associated with borrowing or leverage by the Company and any accrued taxes). Liabilities associated with borrowing or leverage by the Company include the principal amount of any borrowings, commercial paper or notes issued by the Company, the liquidation preference of any outstanding preferred stock, and other liabilities from other forms of borrowing or leverage such as short positions and put or call options held or written by the Company.

We know of no other matters to be presented at the Annual Meeting. Expenses and Solicitation of Proxies. The expenses of preparing, printing and mailing the enclosed proxy card, the accompanying notice and this proxy statement and all other costs, in connection with the solicitation of proxies will be borne by the Company. The Company may also reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of shares of the Company. In order to obtain the necessary quorum at the meeting, additional solicitation may be made by mail, telephone, telegraph, facsimile or personal interview by representatives of the Company, Kayne Anderson, the Company's transfer agent, or by brokers or their representatives or by a solicitation firm that may be engaged by the Company to assist in proxy solicitations. present in person or by proxy at the Annual Meeting, the chairman of the Annual Meeting may adjourn the meeting to a date not more than 120 days after the original Record Date without notice other than announcement at the Annual Meeting. Failure of a quorum to be present at the Annual Meeting will necessitate adjournment and will subject the Company to additional expense.

No Appraisal or Dissenter Rights. Stockholders do not have any appraisal or dissenter rights in connection with any of the matters discussed in this proxy statement.

SECTION 16(a) BENEFICIAL INTEREST REPORTING COMPLIANCE

Section 30(h) of Investment Company Act of 1940 and Section 16(a) of the Securities Exchange Act of 1934 require the Company's directors and officers, investment adviser, affiliated persons of the investment advisor and persons who own more than 10% of a registered class of the Company's equity securities to file forms reporting their affiliation with the Company and reports of ownership and changes in ownership of the Company's shares with the SEC and the New York Stock Exchange. Those persons and entities are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based on a review of those forms furnished to the Company, the Company believes that its Directors and officers, Kayne Anderson and affiliated persons of Kayne Anderson have complied with all applicable Section 16(a) filing requirements during the last fiscal year. To the knowledge of management of the Company, no person owns beneficially more than 10% of a class of the Company's equity securities.

APPENDIX A

**KAYNE ANDERSON MLP INVESTMENT COMPANY
AUDIT COMMITTEE CHARTER**

The Board of Directors (the Board) of Kayne Anderson MLP Investment Company (the Company) shall have an Audit Committee (the Audit Committee).

I. Statement of Purpose and Function

The function of the Audit Committee is oversight; it is management's responsibility to maintain appropriate systems for accounting and internal controls, and the Auditor's responsibility to plan and carry out the audit in accordance with auditing standards generally accepted in the United States. The Auditor is ultimately responsible to the Board and the Audit Committee.

The purposes of the Audit Committee are to:

assist the Board in its oversight of (1) the integrity, quality and objectivity of the Company's financial statements and the independent audit thereof, (2) the Company's compliance with legal and regulatory requirements, (3) the independent auditor's qualifications and independence, and (4) the performance of the Company's internal audit function and the Company's independent auditor (the Auditor), (5) the Company's accounting and financial reporting policies and practices by reviewing disclosures made to the Audit Committee by the Company's certifying officers and the Auditor about any significant deficiency in, or material change in the operation of, the Company's internal controls or material weaknesses therein, and any fraud involving Kayne Anderson Capital Advisors, L.P. (the Advisor) or any employees or other persons who have a significant role in the Company's internal controls;

prepare an audit committee report as required by the Securities and Exchange Commission to be included in the Company's annual proxy statement;

select, oversee and approve the compensation of the Auditor and to act as liaison between the Auditor and the Board; and

conduct an annual performance evaluation of the Audit Committee.

The Audit Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain special counsel and other experts or consultants at the expense of the Company.

II. Committee Composition

The Audit Committee shall be comprised of at least three directors, all of whom shall be independent directors (*i.e.*, directors who are not interested persons of the Company as defined in the Investment Company Act of 1940, as amended, and who are free of any other relationship that, in the opinion of the Board, would interfere with their exercise of independent judgment as Audit Committee members). Each member shall be appointed by the Board, and a majority of the independent directors of the Board also shall approve each appointment.

The Board shall designate one member as Audit Committee Chairman.

Members of the Audit Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment, or shall become financially literate within a reasonable period of time after his or her appointment to the Audit Committee. In addition, at least one member of the Audit Committee shall have accounting or related financial management expertise, as the Board interprets such qualification in its business judgment.

Table of Contents

The Audit Committee shall consider whether one or more members of the Audit Committee is an Audit Committee financial expert, (1) as such term is defined by the Securities and Exchange Commission, and whether any such expert is independent. (2) The Audit Committee shall report the results of its deliberations to the Board for further action as appropriate, including, but not limited to, a determination by the Board that the Audit Committee membership includes or does not include one or more Audit Committee financial experts and any related disclosure to be made concerning this matter.

III. Duties and Responsibilities

The Audit Committee shall meet with the finance and other personnel of the Company and the Advisor as necessary and appropriate to fulfill the Committee's oversight role. The Audit Committee shall have unrestricted access to the Auditor and the Company's administrator.

To carry out its purposes, the Audit Committee shall have the following duties and powers (such listing is not intended to limit the authority of the Audit Committee in achieving its purposes):

1. Selection of Auditor and Approval of Fees.

(a) The Audit Committee shall pre-approve the selection of the Auditor and shall recommend the selection, retention or termination of the Auditor to the Board and, in connection therewith, shall evaluate the independence of the Auditor, including an evaluation of the extent to which the Auditor provides any consulting, auditing or non-audit services to the Advisor or its affiliates. The Audit Committee shall review the Auditor's specific representations as to its independence.

(b) The Audit Committee shall review and approve the fees charged by the Auditor for audit and non-audit services to be provided to the Company in accordance with the pre-approval requirements set forth below. The Company shall provide for appropriate funding, as determined by the Audit Committee, to compensate the Auditor for any authorized service provided to the Company.

2. Meetings with Auditor. The Audit Committee shall meet with the Auditor prior to the commencement of substantial work on the audit and following the conclusion of the audit, as well as such other times as the Committee shall deem necessary or appropriate. The Chairman of the Audit Committee shall meet with the Auditor informally as needed. The Audit Committee shall ensure that the Auditor reports directly to the Audit Committee.

3. Reports by Auditor. The Audit Committee shall request the Auditor to report at least annually concerning, and shall engage the Auditor in discussions regarding, the following and other pertinent matters:

(b) all critical accounting policies and practices to be used;

(c) any matters of concern relating to the Company's annual audited financial statements and quarterly financial statements, including: (i) any adjustments to such statements recommended by the Auditor, or other results of said audit(s), and (ii) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with manage-

(1) Notwithstanding any such identification, each member of the Audit Committee is expected to contribute significantly to the work of the Committee. Moreover, identification as an audit committee financial expert will not increase the duties, obligations or liability of the identified person as compared to the duties, obligations and liability imposed on that person as a member of the Audit Committee and of the Board.

(2) For purposes of this finding of independence only, in order to be considered independent, any such expert must not only be independent for purposes of the Investment Company Act but also must satisfy the additional requirement

that he or she may not, other than in his or her capacity as a member of the Audit Committee, the Board, or any other Board committee, accept directly or indirectly any consulting, advisory, or other compensatory fee from the Company.

(f) all non-audit services provided to any entity in the Investment Company Complex (3) that were not pre-approved by the Audit Committee;

(m) confirmation that the Auditor is in compliance with the audit partner rotation requirements applicable to the engagement with the Company;

(n) the Auditor's internal quality-control procedures, including any material issues raised by the most recent internal quality-control review, or peer review, of the Auditor, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the Auditor, and any steps taken to deal with any such issues;

(o) all relationships between the Auditor and the Company, and between the Auditor and the Advisor (to assess the Auditor's independence); and

Table of Contents

In order to ensure that the Audit Committee has had an opportunity to review the Auditor's report and other required communications relating to the annual audit of the Company's financial statements prior to the date the audited financial statements are filed with the Securities and Exchange Commission and released to the public (i.e., within 60 days following the end of the Company's fiscal year), the Audit Committee shall either meet with the Auditor or, in lieu of a meeting, require the Auditor to deliver a written report to the Audit Committee concerning these matters prior to the date the audited financial statements are filed with the Securities and Exchange Commission and released to the public.

4. Meetings with Management and the Advisor. The Audit Committee shall periodically meet with its management and the Advisor to discuss such items as it deems appropriate, including but not limited to the Company's annual audited financial statements, including the Company's disclosures under Management's Discussion of Fund Performance.

5. Discussion of Other Important Items. The Audit Committee shall meet to discuss and give due consideration to the following items:

(a) major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles and their effect on the Company, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies;

(b) analyses prepared by management and/or the Auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements;

(c) the effect of regulatory and accounting initiatives on the financial statements of the Company;

(d) earnings press releases, and financial information and earnings guidance provided to analysts and rating agencies (such discussion may be done generally, i.e., discussion of the types of information to be disclosed and the type of presentation to be made), and the Audit Committee is not required to discuss in advance each earnings release or each instance in which the Company may provide earnings guidance;

(e) policies with respect to risk assessment and risk management; and

(f) hiring policies with respect to employees or former employees of the Auditor.

6. Evaluation of Audit Related Services and Permissible Non-Audit Services.

(a) The Audit Committee shall evaluate all audit related services performed or to be performed by the Auditor for the Company. The Audit Committee shall regularly review with the Auditor any difficulties the Auditor encountered in the course of the audit work, including any restrictions on the scope of the Auditor's activities or on access to requested information, and any significant disagreements with management. Among the items the Audit Committee may want to review with the Auditor are: any accounting adjustments that were noted or proposed by the Auditor but were passed (as immaterial or otherwise); any communications between the audit team and the Auditor's national office respecting auditing or accounting issues presented by the engagement; and any management or internal control letter issued, or proposed to be issued, by the Auditor to the Company. The review should also include discussion of the responsibilities, budget and staffing of the Company's internal audit function.

(b) The Audit Committee shall also evaluate all permissible non-audit services performed or to be performed by the Auditor for the Company or (i) the Advisor and (ii) any entity controlling, controlled by, or under common control with the Advisor that provides ongoing services to the Company, if the nature of the services provided relate directly to the operations or financial reporting of the Company, to ensure that such services do not impair

the independence of the Auditor. Audit related services are assurance and related services that are reasonably related to the performance of the audit or review of the

A-4

Table of Contents

Company's financial statements or that are traditionally performed by the independent auditor that do not impair the independence of the Auditor. Permissible non-audit services include tax compliance, tax planning, tax advice and other routine and recurring services that do not impair the independence of the Auditor.

7. Pre-Approval of Auditor Services.

(a) *Pre-Approval Requirements for Services to Company.* Before the Auditor is engaged by the Company to render audit related or permissible non-audit services, either:

(i) The Audit Committee shall pre-approve such engagement; or

(ii) Such engagement shall be entered into pursuant to pre-approval policies and procedures established by the Audit Committee. Any such policies and procedures must (1) be detailed as to the particular service and (2) not involve any delegation of the Audit Committee's responsibilities to the Advisor. The Audit Committee may delegate to one or more of its members the authority to grant pre-approvals. The pre-approval policies and procedures shall include the requirement that the decisions of any member to whom authority is delegated under this Section shall be presented to the full Audit Committee at its next scheduled meeting.

(iii) *De Minimis Exceptions to Pre-Approval Requirements.* Pre-approval for a service provided to the Company other than audit, review or attest services is not required if: (1) the aggregate amount of all such non-audit services provided to the Company constitutes not more than 5 percent of the total amount of revenues paid by the Company to the Auditor during the fiscal year in which the non-audit services are provided; (2) such services were not recognized by the Company at the time of the engagement to be non-audit services; and (3) such services are promptly brought to the attention of the Audit Committee and are approved by the Audit Committee or by one or more members of the Audit Committee to whom authority to grant such approvals has been delegated by the Audit Committee.

(b) *Pre-Approval of Non-Audit Services Provided to the Advisor and Others.* The Audit Committee shall pre-approve any non-audit services proposed to be provided by the Auditor to (i) the Advisor and (ii) any entity in the investment company complex (see note 3), if the nature of the services provided relate directly to the operations or financial reporting of the Company.

Application of De Minimis Exception: The De Minimis exceptions set forth above under Section 5(a) apply to pre-approvals under this Section (b) as well, except that the total amount of revenues calculation for Section 5(b) services is based on the total amount of revenues paid to the Auditor by the Company and any other entity that has its services approved under this Section (*i.e.*, the Advisor or any control person).

8. *Prohibited Activities of the Auditor.* The Audit Committee shall confirm with the Auditor that the Auditor who is performing the audit for the Company is not performing contemporaneously (during the audit and professional engagement period) any impermissible non-audit services for the Company or the Advisor (see Section III.2(f)).

9. *Establishment of Procedures Regarding Concerns or Complaints.* The Audit Committee shall establish procedures for (i) the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and (ii) the confidential, anonymous submission by employees of the Company, the Advisor, the administrator, the lead underwriters, or any other provider of accounting related services for the Company, of concerns regarding questionable accounting or auditing matters.
