SARA LEE CORPORATION INVESTMENT PLAN

Purpose Of The Plan

1. What is the purpose of the Plan?

The purpose of the Plan is to promote long-term stock ownership among existing and new investors in Sara Lee by providing a convenient method to purchase shares of Sara Lee common stock and, if desired, reinvest cash dividends paid on such shares.

Administration

2. Who administers the Plan?

The Plan is administered by our Shareholder Services Department, which serves as our stock transfer agent, registrar and dividend disbursing agent. As Administrator, Sara Lee Shareholder Services acts as agent for Plan participants and keeps records, sends statements and performs other duties relating to the Plan. Sara Lee Shareholder Services reserves the right to resign as Plan Administrator at any time, in which event Sara Lee would designate a new administrator.

An independent broker-dealer acting as purchasing agent for Plan participants makes purchases and sales of Sara Lee common stock under the Plan. To the extent required by applicable law in certain jurisdictions, shares offered under the Plan are offered through an independent broker-dealer.

3. How do I contact the Plan Administrator?

Written inquiries and requests for enrollment packages for new investors	Sara Lee Shareholder Services 70 W. Madison Street Chicago, Illinois 60602-4260
Telephone inquiries:	(312) 726-2600
Facsimile inquiries:	(312) 345-5782
E-mail:	shareholders@saralee.com

When communicating with the Administrator, you should always have available your account number and taxpayer identification number.

4. What kind of reports will be sent to participants in the Plan?

The Administrator will send you a cumulative account statement within 10 business days after each cash investment, dividend reinvestment, transfer or termination. The Administrator also will send you a statement promptly after each sale of shares under the Plan. You should retain these statements in order to establish the cost basis of shares purchased under the Plan for income tax and other purposes. The reports will be mailed to you in paper format or, if you have enrolled in our electronic delivery program, in electronic format over the Internet. In addition, each participant will receive all communications sent to all other Sara Lee stockholders, such as annual reports and proxy statements.

Please note that if you are enrolling just for dividend reinvestment, you will not receive a confirmation notice of your enrollment.

Eligibility And Enrollment

Edgar Filing: LEE SARA CORP - Form S-3

5. I'm not currently a Sara Lee stockholder. Can I participate in the Plan?

4

If you do not currently own any shares of Sara Lee common stock, you may enroll in the Plan by completing and returning an enrollment form for new investors and either (i) making an initial cash investment of at least \$500, or (ii) authorizing monthly deductions of at least \$100 from a qualified bank account for the purchase of Sara Lee common stock.

6. I already am a Sara Lee stockholder - am I eligible to participate in the Plan?

If you already hold at least 10 shares of Sara Lee common stock registered directly in your name (that is, if you have one or more certificates for the shares, or you hold shares in book-entry form in our Employee Stock Purchase Plan), you may enroll in the Plan simply by completing and returning the appropriate enrollment form.

If you currently own fewer than 10 shares of Sara Lee common stock, registered in your name, or do not own any shares of Sara Lee, you may enroll by completing and returning the appropriate enrollment form and either (i) making an initial investment of at least \$500, or (ii) authorizing automatic monthly deductions of at least \$100 from your bank account to purchase Sara Lee common stock for your account.

7. I already own shares, but they are held by my bank or broker and registered in "street name." How can I participate in the Plan?

If you currently own shares of Sara Lee common stock that are held on your behalf by a bank or broker (that is, in "street name"), you will need to have at least 10 shares registered directly in your name in order to be eligible to participate. Contact your bank or broker directly to arrange for your shares to be re-registered in your name. Once the shares are registered in your name, you can request the Administrator to send you an enrollment package.

Participants may, if they wish, send their share certificates to the Administrator for safekeeping. This service is provided for your convenience and is not mandatory. In order to sell certificated shares through the Plan, however, it is necessary that the certificates be deposited with the Administrator before the sale. See Questions 21 and 24 below.

8. I own fewer than 10 shares of Sara Lee common stock, but I participate in Sara Lee's Employee Stock Purchase Plan. Does the 10-share minimum for participation in this Plan apply to me?

No. If you are an active participant in our Employee Stock Purchase Plan or International Employee Stock Purchase Plan (i.e., an amount is deducted from your paycheck each pay period to purchase shares of Sara Lee common stock through the Employee Stock Purchase Plan), the requirement to hold a minimum of 10 shares registered in your name in order to enroll and remain in the Sara Lee Corporation Investment Plan will not apply to you, so long as your monthly payroll deductions continue. If you cease to participate in the Employee Stock Purchase Plan (or International Employee Stock Purchase Plan) and you have fewer than 10 shares registered in your name, the Administrator may terminate your participation in the Plan unless you purchase additional shares and achieve the minimum balance within three (3) months after written notice from the Administrator.

Edgar Filing: LEE SARA CORP - Form S-3

9. Do I have to pay a fee to enroll in the Plan?

Yes, but only if you are not currently a registered stockholder. If you do not hold shares of Sara Lee common stock that are registered directly in your name, you will be required to pay a one-time \$10.00 enrollment fee to enroll in the Plan. To pay the enrollment fee, you may either include with your enrollment form a separate check or money order for \$10.00 made payable to "Sara Lee Corporation Investment Plan" or we will deduct the \$10.00 enrollment fee from your initial investment. For each optional cash investment you make (including your initial investment), an investment fee will be deducted from your funds before the funds are invested. The investment fee is

5

\$3.00, if you make additional investments by check or money order, or \$1.50, if the additional investments are automatically deducted from your bank account. See Question 30 below.

10. Are there any restrictions on participation in the Plan by stockholders residing outside the United States?

Regulations in certain countries may limit or prohibit participation in services provided under this type of program. Therefore, persons residing outside the United States should first determine whether they are subject to any governmental regulations prohibiting or limiting their participation before requesting any of the services provided through the Plan.

Optional Cash Investments

11. What are the minimum and maximum amounts for optional cash investments?

Additional investments may be made in amounts of at least \$100, subject to a maximum of \$120,000 during any calendar year, including your initial investment, if any. If you deliver optional cash payments in excess of the \$120,000 maximum plan for any calendar year, or for less than the \$100 minimum optional investment amount, the funds will be returned to you.

12. How do I make an optional cash investment?

You may send a check or money order payable in U.S. dollars to "Sara Lee Corporation Investment Plan." Cash and third-party checks will not be

accepted. Checks or money orders must be accompanied by the appropriate

section of your account statement and should be mailed to Shareholder Services Department, 70 W. Madison Street, Chicago, Illinois 60602-4260. If you do not have the appropriate section of your account statement, you can mail your investment to the Administrator. See the address in Question 3. Make sure you include the account number and/or the full registration on the account. You may combine optional cash payments with automatic monthly bank debits, as long as your total investment in any calendar year does not exceed \$120,000.

Optional cash payments received less than 48 hours prior to an investment date will not be invested until the next subsequent investment date (i.e., in the month after the funds were received). No interest will be paid by Sara Lee, the Administrator or the purchasing agent on any funds held for the Plan participants.

13. Can I have optional cash investments automatically deducted from my bank

Edgar Filing: LEE SARA CORP - Form S-3

account?

Yes. You can authorize monthly automatic deductions from an account at a bank or financial institution that is a member of the National Automated Clearing House Association. The minimum amount for monthly deductions is \$100.

- . To initiate this service, you must send a completed "Automatic Deduction Service" form to the Administrator.
- . To change any aspect of the instruction, you must send a revised "Automatic Deduction Service" form to the Administrator.
- . To terminate the deductions, you must notify the Administrator in writing.

Initial set-up, changes and terminations to the automatic deduction instructions will be made as soon as practicable. Once automatic deductions begin (which may take 2-6 weeks), funds will be deducted

6

from your designated account on the 10th of each month, or the next business day if the 10th is not a business day. The funds will be invested within five (5) business days.

14. Will I be charged fees if I elect to make optional cash investments?

Yes. For each investment made by check or money order, you will be charged a \$3.00 fee. A fee of \$1.50 per investment will be charged for each investment made by automatic monthly deduction. These fees will be deducted from funds you send to the Administrator, before the funds are invested in Sara Lee stock. See Question 30 below.

15. What if I have "insufficient funds" in my bank account to cover my check or monthly deduction?

If the Administrator does not receive credit for a cash payment because of insufficient funds or because the bank draft information is incorrect, the requested purchase will be deemed void. If shares have already been purchased for your account, your Administrator promptly will remove from your account any shares purchased based upon the prior credit of such funds. The Administrator also may place a hold on your Plan account until an "insufficient funds" fee of \$20.00 is received from you, or the Administrator may sell such number of shares necessary to satisfy any uncollected amounts. If the net proceeds from the sale of such shares are insufficient to satisfy the balance of the uncollected amounts, the Administrator may sell additional shares from your account as necessary to satisfy the uncollected balance.

Purchase Of Common Stock

16. What is the source of Sara Lee common stock purchased through the Plan?

The Plan's purchasing agent will purchase shares of Sara Lee common stock in the open market. Share purchases in the open market may be made on the New York Stock Exchange or any other stock exchange where Sara Lee common stock is traded, or by negotiated transactions on such terms as the purchasing agent may reasonably determine. The purchasing agent has discretion over the purchase of Sara Lee shares for the Plan. None of Sara Lee, the Administrator or any participant will have any authority or power

Edgar Filing: LEE SARA CORP - Form S-3

to direct the date, time or price at which, or the manner in which, shares may be purchased by the purchasing agent.

17. When will shares be purchased?

Initial and optional investment purchases will be made once a month on the 15th of each month, or on the next business day if the 15th is not a business day. No interest will be paid by Sara Lee, the Administrator or -----

the purchasing agent with respect to amounts held pending investment. The -----

Administrator may commingle each participant's funds with those of other participants for the purpose of executing purchases.

18. What is the price of shares purchased under the Plan?

Shares purchased in the open market on any investment date will be credited to a participant's account at the weighted average price incurred to purchase all Sara Lee shares acquired on that date for the Plan, including brokerage commissions of \$.05 per share. Participants will bear any risk associated with fluctuations in the market price of Sara Lee common stock while investment funds are held pending investment. In addition, no interest on initial or optional cash investments will be paid.

7

Dividends

19. Must my dividends automatically be reinvested in Sara Lee common stock?

No. You may elect to reinvest the cash dividends paid on all (but not less than all) of your Sara Lee shares, including fractional shares held in your Plan account. Unless you elect in writing to have dividends paid to you in cash, all dividends paid on Sara Lee shares registered in your name automatically will be used to purchase additional shares of Sara Lee common stock for your account. No fees will be charged in connection with dividend reinvestments; however, you will be charged the brokerage commission of \$.05 per share, which is applicable to all purchases of Sara Lee common stock under the Plan.

You also may elect to have Sara Lee deposit your cash dividends directly into your bank account. To elect this option, you should submit to the Administrator a completed and signed Direct Deposit Form.

You may change your election from time to time by notifying the Administrator in writing. To be effective, any written change in dividend election must be received and (if complete) accepted by the Administrator at least 24 hours prior to the record date for the next dividend.

20. When will my dividends be reinvested and at what price?

Dividends will be invested as soon as practicable after the payment date. The reinvestment of your dividends generally will begin on the first business day following the dividend payment date and normally will extend over a two- to-five-day period. The price of shares purchased with the dividend proceeds will be the weighted average price, including brokerage commissions, of all shares purchased with reinvested dividends. Dividends not invested within 30 days of the dividend payment date will be paid out, in cash, to the participants.

Sale Of Shares

Edgar Filing: LEE SARA CORP - Form S-3

21. How do I sell my Plan shares?

You may sell any number of whole shares held in your account by completing the appropriate section of your account statement, or by delivering a written request to the Administrator. All registered stockholders of the shares to be sold must sign the request. The Administrator will forward your request to the Plan's purchasing agent, and the purchasing agent will sell your shares, along with shares to be sold for other accounts, within five (5) business days. Proceeds from the sale, less a sales fee of \$10.00 and a brokerage commission of \$.10 per share, will be sent to you by check within five (5) business days following the sale. All requests to sell

shares held in the Plan must be in writing and signed by the account

holder.

Please note that if you desire to sell shares that you hold in certificate form, you must first deposit those shares into your Plan account (i.e., deliver the stock certificates to the Administrator) before they can be sold. See Question 24 below. Additionally, the Administrator will not wire transfer sale proceeds. All payments will be made by check and mailed to

the participant.

22. Is there a minimum number of shares that I must maintain in my account to keep it active?

Yes. You must have at least 10 whole shares of Sara Lee common stock registered in your name in order to participate in the Plan. If you cease to have at least 10 shares registered in your name, the Administrator may terminate your participation in the Plan unless you purchase additional shares and

8

achieve the minimum balance within three (3) months after written notice from the Administrator. If your participation in the Plan is terminated, your Plan account will be converted into a registered account and the Administrator will continue to hold your shares of Sara Lee common stock in book-entry form in a safekeeping account. Of course, you may request a certificate at any time for any or all of your shares. See Question 28 below.

If you are a new investor who has signed up for monthly deductions, you will be exempt from this requirement during the first six (6) months. If you are an active participant in our Employee Stock Purchase Plan (or International Employee Stock Purchase Plan), the requirement to own a minimum of 10 shares will not apply to you, so long as your monthly payroll deductions continue.

Custodial Service

23. How does the custodial service (book-entry shares) work?

All shares of Sara Lee common stock that are purchased through the Plan will be held by the Administrator in book-entry form (i.e., in electronic format) in a safekeeping account. The Plan's book-entry custodial service eliminates the risk and cost of certificate loss, theft or destruction. You

Edgar Filing: LEE SARA CORP - Form S-3

are the owner of these book-entry shares held in a safekeeping account and enjoy the same benefits as you would with certificated shares. Certificates will not be issued unless you send a written request to the Administrator. A Plan participant who holds certificates for other shares of Sara Lee common stock outside the plan also may, at any time, deposit those certificates for safekeeping with the Administrator, and the shares represented by the deposited certificates will be included in book-entry form in the participant's safekeeping account.

24. How do I deposit my Sara Lee stock certificates with the Administrator?

To deposit certificates into the Plan, you should send your certificates, by registered and insured mail, to the Administrator (see address in Question 3), with written instructions to deposit the shares represented by the certificates in your Plan account. The certificates should not be

endorsed and the assignment section should not be completed.

25. Are there any charges associated with this custodial service?

No. There is no cost to you either for having the Administrator hold the shares purchased for you through the Plan, or for depositing with the Administrator the stock certificates you hold for the purpose of adding the shares to your book-entry share positioning your safekeeping account.

26. Can I pledge my shares that are held in the Plan?

No. Shares held in Plan accounts cannot be pledged. Any shares that you wish to pledge must first be converted into certificated form and sent to you.

Issuance Of Stock Certificates

27. Will stock certificates be issued for shares acquired through the Plan?

No. Stock certificates will not be issued for shares in a Plan account unless you send a specific written request to the Administrator. See the address in Question 3.

28. How do I request a stock certificate?

9

Certificates for full shares held in the Plan may be obtained, without charge, by writing to the Administrator (see address in Question 3) and requesting the issuance of shares in certificate form. Certificates will be issued only in the name(s) in which the account is registered, unless you (i) instruct the Administrator otherwise, in writing, and (ii) your signature on the written instruction is "Medallion Guaranteed" by a bank or broker participating in the Medallion Guarantee Program.

Gifts And Transfers Of Shares

29. Can I transfer shares that I hold in the Plan to someone else?

Yes. You may transfer ownership of some or all of your Plan shares by sending the Administrator written, signed transfer instructions. Signatures of all registered holders must be "Medallion Guaranteed" by a financial institution participating in the Medallion Guarantee program. The Medallion Guarantee program ensures that the individual signing is in fact the owner

Edgar Filing: LEE SARA CORP - Form S-3

as indicated on the participant's account. Medallion stamps can be obtained at most major banks and brokerage firms.

You may transfer shares to new or existing stockholders; however, a new Plan account will not be opened as a result of a transfer of fewer than 10 shares. If you wish to open a new Plan account for the transferee, you must include a \$10.00 enrollment fee for each new account with the gift/transfer instructions.

Gifts To Minors

If you are transferring shares to a minor, you need to provide the name of the adult custodian who will be listed on the account. Once the minor has reached the age of majority the custodian's name can be removed. Additionally, gifts to minors are irrevocable. Shares may not be transferred from a custodial account to other custodial accounts or individuals until the minor has reached the age of majority and provides us with proper transfer instructions and proof of age.

Service Fees And Commissions

30. What are the fees associated with participation in the Plan?

Participation in the Plan is subject to the payment of certain fees as outlined below:

One-Time Enrollment Fee*	\$10.00
Investment Fees**		
via check or money order	\$ 3.00
via automatic investment	\$ 1.50
Sales Fee**	\$10.00
Fee for bounced check or rejected automatic deductions	\$20.00

- * Enrollment Fee applies only if you do not hold shares of Sara Lee common stock that are registered directly in your name.
- ** Plus a \$.05 per share trading fee for purchases, and a \$.10 per share trading fee for sales. Trading fee for sales will not apply to sales of shares in an account that contains less than one share.

Your bank and/or broker also may charge you fees in connection with your enrollment or participation in the Plan. Any charges imposed by your bank in connection with automatic monthly debits, or by your broker for re-registering your shares in your name, are your responsibility.

Termination From The Plan

31. How do I close my Plan account?

You may terminate your participation in the Plan either by giving written notice to the Administrator or by completing the appropriate section of your account statement and returning it to the Administrator. Upon termination, the Administrator will issue to you a certificate for the number of whole shares held in your Plan account (and a check for the value of any fractional share); however, you may request in writing that the Administrator sell all of the shares in your Plan account, as described above in Question 21.

If you elect to have your shares sold, a sales fee of \$10.00 and a

Edgar Filing: LEE SARA CORP - Form S-3

commission of \$.10 per share will be charged. The per-share commission will also apply to the sale of any fractional share. All requests to sell shares

held in the Plan must be in writing and signed by the account holder.

Any certificates issued upon termination will be issued in the name or names in which the account is registered, unless otherwise instructed. If the certificate is to be issued in a name other than the name or names on your Plan account, you must include complete transfer instructions signed by all registered stockholders. The signature(s) on the instruction letter must be "Medallion Guaranteed" by a financial institution participating in the Medallion Guarantee program. See Question 29 above. No certificates will be issued for fractional shares.

The Administrator will process notices of termination and send proceeds to you as soon as practicable, without interest. If a notice of termination is received on or after an ex-dividend date but before the related dividend payment date, the termination will be processed as described above and a separate dividend check will be mailed as soon as practicable following the payment date. Thereafter, cash dividends will be paid out to the stockholder and will not be reinvested in Sara Lee common stock.

Additional Information

32. How would a stock split or stock dividend affect my account?

Any shares resulting from a stock split or stock dividend paid on shares held in for you by the Administrator in a safekeeping account or held by you in certificate form will be credited to your Plan account and held in safekeeping. Of course, you may request a certificate at any time for any or all of your shares. See Question 28 above.

33. Will I be entitled to vote Sara Lee shares held in my Plan account at Sara Lee's annual stockholders' meetings?

Yes. As a Plan participant, you will be sent a proxy statement in connection with each meeting of Sara Lee stockholders, together with a proxy card representing the shares held by the Administrator in your Plan account. This proxy card, when duly signed and returned, will be voted as you indicate. Fractional shares will be aggregated and voted in accordance with the participants' directions. If the proxy card is not returned or if it is returned unsigned, the shares will not be voted.

34. Can the Plan be changed or discontinued?

11

Sara Lee reserves the right to suspend, modify or terminate the Plan, or your interest in the plan, at any time. All participants will receive notice of any such suspension, modification or termination. Sara Lee also reserves the right to change any administrative procedures of the Plan. Upon termination of the Plan or your interest in the Plan by Sara Lee, the Administrator will continue to hold your shares of Sara Lee common stock in book-entry form in a safekeeping account. You may request, however, in writing, that either (i) the Administrator issue to you a certificate for the number of whole shares held in your Plan account (and a check for the value of any fractional share), or (ii) all of the shares in your Plan account be sold for you, as described above in Question 21.

LIMITATION OF LIABILITY

Edgar Filing: LEE SARA CORP - Form S-3

If you choose to participate in the Plan, you should recognize that neither Sara Lee nor the Administrator can assure you of a profit or protect you against a loss on the shares that you purchase under the Plan.

Neither Sara Lee nor the Administrator, in administering the Plan, will be liable for any act done in good faith, or as required by applicable laws, or for any good faith omission to act. This includes, without limitation, any claims of liability:

- . For the prices at which stock purchases or sales are made as reflected in your Plan account, or the dates of the purchases or sales of your Plan shares; or
- . For any fluctuation in the market value of your Sara Lee shares after they are purchased or sold; or
- . For failure to terminate your account upon your death prior to receiving written notice of such death.

This limitation of liability will not constitute a waiver by any participant of his or her rights under the federal securities laws.

Although the Plan provides for the reinvestment of dividends, the declaration and payment of dividends will continue to be determined by the Board of Directors of Sara Lee in its discretion, depending upon future earnings, the financial condition of Sara Lee and other factors. The amount and timing of dividends may be changed, or the payment of dividends terminated, at any time without notice.

CERTAIN U.S. FEDERAL INCOME TAX CONSIDERATIONS

Cash dividends reinvested under the Plan will be taxable for U.S. Federal income tax purposes as having been received by a participant, even though the participant has not actually received them in cash. Each participant will receive an annual statement from the Administrator indicating the amount of reinvested dividends reported to the U.S. Internal Revenue Service as dividend income.

A participant will not realize gain or loss for U.S. Federal income tax purposes upon a transfer of shares to the Plan or the withdrawal of whole shares from the Plan. Participants will, however, generally realize gain or loss upon the receipt of cash for fractional shares held in the Plan. The participant will also realize gain or loss when whole shares are sold, either by the purchasing agent pursuant to the participant's request or by the participant after termination from the Plan. The amount of gain or loss will be the difference between the amount that the participant receives for the shares or fraction of a share sold and the participant's tax basis therefor. In order to determine the tax basis for shares or any fraction of a share credited to a participant's account, each participant should retain all account statements.

Plan participants who are non-resident aliens or non-U.S. corporations, partnerships or other entities generally are subject to a withholding tax on dividends paid on shares held in the Plan. The Administrator is required to withhold from dividends paid the appropriate amount determined in accordance with Internal Revenue Service regulations. Where applicable, this withholding tax is determined by treaty between the United States and the country in which the participant resides. In addition, dividends paid on shares in Plan accounts are subject to the "backup withholding" provisions of the Internal Revenue Code.

Edgar Filing: LEE SARA CORP - Form S-3

Accordingly, the amount of any dividends, net of the applicable withholding tax, will be credited to participant Plan accounts for investment in additional shares of Sara Lee common stock.

The foregoing is not a comprehensive summary of all of the tax considerations that may be relevant to a participant in the Plan and does not constitute tax advice. The summary does not reflect every possible outcome that could result from participation in the Plan, and does not consider any possible tax consequences under various state, local, foreign or other tax laws. Each participant is urged to consult his or her own tax advisor regarding the tax consequences applicable to his or her particular situation before participating in the Plan or disposing of shares purchased under the Plan.

USE OF PROCEEDS

Purchases of Sara Lee common stock under the Plan will be made in the open market and the Company will not receive any proceeds under the Plan.

LEGAL MATTERS

The legality of the common stock covered hereby has been passed upon for us by R. Henry Kleeman, Esq., Vice President, Deputy General Counsel and Assistant Secretary of Sara Lee. Mr. Kleeman owns shares of Sara Lee common stock, both directly and as a participant in various stock and employee benefit plans, and he is eligible to participate in the Plan.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 2-418 of the Maryland General Corporation Law permits a Maryland corporation to include in its charter a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages except for liability resulting from (a) actual receipt of an improper benefit or profit in money, property or services or (b) active and deliberate dishonesty established by a final judgment as material to the cause of action. The Company's charter contains such a provision that eliminates directors' and officers' liability to the maximum extent permitted by Maryland law.

The Company's charter authorizes it and its bylaws obligate it, to the maximum extent permitted by Maryland law, to indemnify any present or former director or officer of the Company or any subsidiary of the Company, or any individual who, while a director or officer of the Company and at the request of the Company, serves or has served another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise as a director,

Edgar Filing: LEE SARA CORP - Form S-3

officer, partner or trustee from and against any claim or liability to which that person may become subject or which that person may incur by reason of his or her service in such capacity and to pay or reimburse their reasonable expenses in advance of final disposition of a proceeding. The charter and bylaws also permit the Company to indemnify and advance expenses to any person who served a predecessor of the Company in any of the capacities described above and any employee or agent of the Company or a predecessor of the Company.

Maryland law requires a corporation (unless its charter provides otherwise, which the Company's charter does not) to indemnify a director or officer who has been successful in the defense of any proceeding to which he is made a party by reason of his service in that capacity. Maryland law permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made a party by reason of their service in those or other capacities unless it is established that (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and (1) was committed in bad faith or (2) was the result of active and deliberate dishonesty, (b) the director or officer actually received an improper personal benefit in money, property or services or (c) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. However, under Maryland law, a Maryland corporation may not indemnify for an adverse judgment in a suit by or in the right of the corporation or for a judgment of liability on the basis that personal benefit was improperly received, unless in either case a court orders indemnification and then only for expenses. In addition, Maryland law permits a corporation to advance reasonable expenses to a director or officer upon the corporation's receipt of (a) a

written affirmation by the director officer of his good faith belief that he has met the standard of conduct necessary for indemnification by the corporation and (b) a written undertaking by him or on his behalf to repay the amount paid or reimbursed by the corporation if it is ultimately determined that the standard of conduct was not met.

In addition to the above, the Company also maintains indemnity insurance pursuant to which officers and directors are indemnified or insured against liability or loss under certain circumstances, which may include liability or related loss under the Securities Act and the Exchange Act.

ITEM 16. EXHIBITS

A list of exhibits included as part of this registration statement is set forth in the Exhibit Index appearing elsewhere herein and is incorporated herein by reference.

ITEM 17. UNDERTAKINGS

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or

Edgar Filing: LEE SARA CORP - Form S-3

in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

I-2

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
