PROXY STATEMENT

General

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Allied Capital Corporation (the Company or Allied Capital) for use at the Company's 2003 Annual Meeting of Stockholders (the Meeting) to be held on May 13, 2003 at 10:00 a.m. (Eastern Time) at the St. Regis Hotel, 923 Sixteenth Street, NW, Washington, DC and at any adjournments thereof. This Proxy Statement, the accompanying proxy card and the Company's Annual Report to Stockholders for the year ended December 31, 2002 are first being sent to stockholders on or about April 2, 2003.

We encourage you to vote your shares, either by voting in person at the Meeting or by granting a proxy (*i.e.*, authorizing someone to vote your shares). If you properly sign and date the accompanying proxy card or otherwise provide voting instructions, either via the Internet or the telephone, and the Company receives it in time for the Meeting, the persons named as proxies will vote the shares registered directly in your name in the manner that you specified. **If you give no instructions on the proxy card, the shares covered by the proxy card will be voted FOR the election of the nominees as directors and FOR the ratification of KPMG LLP to serve as independent public accountants for the Company for the year ending December 31, 2003.**

If you are a stockholder of record (*i.e.*, you hold shares directly in your name), you may revoke a proxy at any time before it is exercised by notifying the proxy tabulator, Automatic Data Processing, Inc., in writing, by submitting a properly executed, later-dated proxy or by voting in person at the Meeting. Any stockholder of record attending the Meeting may vote in person whether or not he or she has previously voted his or her shares. If your shares are held for your account by a broker, bank or other institution or nominee (Broker Shares), you may vote such shares at the Meeting only if you obtain proper written authority from your institution or nominee and present it at the Meeting.

Stockholders of record may vote either via the Internet or by telephone. Specific instructions to be followed by stockholders of record interested in voting via the Internet or the telephone are shown on the enclosed proxy card. The Internet and telephone voting procedures are designed to authenticate the stockholder's identity and to allow stockholders to vote their shares and confirm that their instructions have been properly recorded.

Annual Meeting Admission

If you plan to attend the Meeting, an admission ticket will be required for admission to the Meeting. Your ticket is attached to your proxy card. If your shares are held in the name of a broker or other nominee and you do not have an admission ticket, please bring with you a proxy or letter from the broker, trustee, bank or nominee confirming your beneficial ownership of the shares as of the record date, February 28, 2003.

Purpose of Meeting

At the Meeting, you will be asked to vote on the following proposals:

1. To elect four directors of the Company who will serve for three years, or until their successors are elected and qualified;
2. To ratify the selection of KPMG LLP to serve as independent public accountants for the Company for the year ending December 31, 2003; and
3. To transact such other business as may properly come before the Meeting.

Voting Securities

You may vote your shares at the Meeting only if you were a stockholder of record at the close of business on February 28, 2003 (the Record Date). On February 28, 2003, there were 108,725,158 shares of the Company s common stock outstanding. Each share of common stock is entitled to one vote.

If a majority of the shares entitled to vote are present at the Meeting, then a quorum has been reached and the Meeting can commence. A share is present for quorum purposes if it is represented in person or by proxy for any purpose at the Meeting. Abstentions and Broker Shares that are voted on any matter at the Meeting are included in determining the presence of a quorum for the transaction of business at the commencement of the Meeting and on those matters for which the broker, nominee or fiduciary has authority to vote. If a quorum is not present at the Meeting, or if a quorum is present but there are not enough votes to approve any of the proposals, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of the shares represented at the Meeting in person or by proxy. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit further solicitation of proxies. A stockholder vote may be taken on one or more of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval on such proposal(s).

The Company s 401(k) plan owns a total of 242,512 shares, representing less than 1% of the Company s total outstanding shares. Participants in the 401(k) Plan may direct the voting of these shares; however, if a participant does not direct the voting, the co-trustees of the 401(k) Plan, who are executive officers of the Company, will vote the shares on behalf of that participant.

Each of the four nominees for election as directors who receives a majority of the affirmative votes cast at the Meeting in person or by proxy in the election of directors will be elected as directors. In addition, the affirmative vote of a majority of the votes cast at the Meeting in person or by proxy is required for the ratification of the appointment of KPMG LLP to serve as the Company s independent public accountants. Stockholders may not cumulate their votes. Votes that are withheld, abstentions and Broker Shares that are not voted in the election of directors or the ratification of the accountants will not be included in determining the number of votes cast, and will have no effect on these matters.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Meeting, including the cost of preparing, printing and mailing this Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders, and proxy card. The

Company has requested that brokers, nominees, fiduciaries, and other persons holding shares in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners. The Company will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by the use of the mails, proxies may be solicited in person and by telephone, facsimile transmission or telegram by directors, officers or regular employees of the Company (without special compensation therefor). The Company has also retained Georgeson Shareholder Communications, Inc. to assist in the solicitation of proxies for a fee of approximately \$7,000, plus out-of-pocket expenses. Any proxy given pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. Any such notice of revocation should be provided in writing signed by the shareholder in the same manner as the proxy being revoked and delivered to the Company's proxy tabulator.

Members of each committee other than the Executive Committee received \$1,000 for each committee meeting attended during the year. In addition, the chairpersons of the Audit and Compensation Committees each received a \$3,000 annual retainer for their additional services in these capacities. The Company's Chairman and CEO, William L. Walton, did not receive directors' fees.

For 2003, each non-officer director will receive an annual retainer of \$40,000. In addition, committee chairs will receive an annual retainer of \$5,000. For each meeting attended during 2003, Executive Committee members will receive \$1,000 per meeting; Audit Committee members will receive \$2,500 per meeting; and members of the Compensation and Nominating/Corporate Governance Committees will receive \$1,500 per meeting.

Non-officer directors are eligible for stock option awards under the Company's Stock Option Plan pursuant to an exemptive order from the SEC. The terms of the order, which was granted in September 1999, provided for a one-time grant of 10,000 options to each non-officer director on the date that the order was issued, or on the date that any new director is elected by stockholders to the Board of Directors. Thereafter, each non-officer director will receive 5,000 options each year on the date of the annual meeting of shareholders at the fair market value on the date of grant. See Stock Option Plan.

The following table sets forth the details relating to option grants in 2002 to Compensated Persons under the Company's Stock Option Plan, and the potential realizable value of each grant, as prescribed to be calculated by the Commission. See Stock Option Plan.

The potential realizable value will not necessarily be realized.

The following table sets forth the details of option exercises by Compensated Persons during 2002 and the values of those unexercised options at December 31, 2002.

- (1) Value realized is calculated as the closing market price on the date of exercise, net of option exercise price, but before any tax liabilities or transaction costs. This is the deemed market value, which may actually be realized only if the shares are sold at that price.
- (2) Value of unexercised options is calculated as the closing market price on December 31, 2002 (\$21.83), net of the option exercise price, but before any tax liabilities or transaction costs. In-the-Money Options are options with an exercise price that is less than the market price as of December 31, 2002.

Stock Option Plan

The Company's Stock Option Plan is intended to encourage stock ownership in the Company by officers and directors, thus giving them a proprietary interest in the Company's performance. The Stock Option Plan was most recently approved by stockholders on May 7, 2002.

The Compensation Committee's principal objective in awarding stock options to the eligible officers of the Company is to align each optionee's interests with the success of the Company and the financial interests of its stockholders by linking a portion of such optionee's compensation with the performance of the Company's stock and the value delivered to stockholders.

Stock options are granted under the Stock Option Plan at a price not less than the prevailing market value and will have value only if the Company's stock price increases. The Compensation Committee determines the amount and features of the stock options, if any, to be awarded to optionees. The Compensation Committee evaluates a number of criteria, including the past service of each such optionee to the Company, the present and potential contributions of such optionee to the success of the Company and such other factors as the Compensation Committee shall deem relevant in connection with accomplishing the purposes of the Stock Option Plan, including the recipient's current stock holdings, years of service, position with the Company and other factors. The Compensation Committee does not apply a formula assigning specific weights to any of these factors when making its determination. The Compensation Committee awards stock options on a subjective basis and such awards depend in each case on the performance of the officer under consideration, and in the case of new hires, their potential performance.

On September 8, 1999, the Company received approval from the Commission to grant options under the Stock Option Plan to non-officer directors. On that date, each incumbent non-officer director received options to purchase 10,000 shares, and pursuant to the Commission order, each will receive options to purchase 5,000 shares each year thereafter on the date of the annual meeting of stockholders. New directors will receive options to purchase 10,000 shares upon election by stockholders to the Board of Directors, and options to purchase 5,000 shares each year thereafter on the date of the annual meeting.

The Stock Option Plan is designed to satisfy the conditions of Section 422 of the Code so that options granted under the Stock Option Plan may qualify as incentive stock options. To qualify as incentive stock options, options may not become exercisable for the first time in any year if the number of incentive options first exercisable in that year multiplied by the exercise price exceeds \$100,000.

401(k) Plan

The Company maintains a 401(k) plan (the 401(k) Plan). All full-time employees who are at least 21 years of age have the opportunity to contribute pre-tax salary deferrals into the 401(k) Plan up to \$12,000 annually for the 2003 plan year, and to direct the investment of these contributions. Plan participants who reach the age of 50 during the 2003 plan year will be eligible to defer an additional \$2,000 during 2003. The 401(k) Plan allows eligible participants to invest in shares of the Company's common stock among other investment options. In addition, the Company expects to contribute to each participant, up to 5% of each participant's

eligible compensation for the year, up to a maximum compensation of \$200,000, to each participant's plan account on the participant's behalf, which fully vests at the time of the contribution. The contribution with respect to compensation in excess of \$200,000 is made to the Deferred Compensation Plan. On February 28, 2003, the 401(k) Plan held less than 1% of the outstanding shares of the Company. See Voting Securities.

Deferred Compensation Plan

The Company maintains a deferred compensation plan (the Deferred Compensation Plan). The Deferred Compensation Plan is an unfunded plan, as defined by the Internal Revenue Code of 1986, as amended (the Code), that provides for the deferral of compensation by employees and consultants of the Company. Any employee or consultant of the Company is eligible to participate in the Plan at such time and for such period as designated by the Board of Directors. The Deferred Compensation Plan is administered through a trust, and the Company funds this plan through cash contributions.

Employment Agreements

The Company has entered into employment agreements with six senior executives of the Company, including William L. Walton, the Company's Chairman and CEO, Joan M. Sweeney, Chief Operating Officer, and Thomas H. Westbrook, Managing Director. Each of the agreements provides for a three-year term, expiring on June 15, 2003, with annual renewals thereafter, and specifies each executive's compensation during the term of the agreement, in accordance with the achievement of certain performance standards.

The Board of Directors has the right to increase the base salary during the term of the employment agreement. In addition, each employment agreement states that the Board of Directors may provide, at their sole discretion, an annual cash bonus. This bonus is to be determined with reference to each executive's performance in accordance with performance criteria to be determined by the Board in its sole discretion. Under each agreement, each executive also is entitled to participate in the Company's Stock Option Plan, and to receive all other awards and benefits previously granted to each executive including life insurance premiums.

In addition, each employment agreement provides for a long-term cash retention award for the performance period from 2001 through 2003. The long-term cash retention award vests and is payable in six installments on June 30th and December 31st of each year from 2001 through 2003. For 2003, Mr. Walton will be eligible for a long-term cash retention award of \$1,125,000; Ms. Sweeney will be eligible for \$850,000; Mr. Westbrook will be eligible for \$1,105,000.

Employment will terminate if the term of the agreement expires without written agreement of both parties. The executive has the right to voluntarily terminate employment at any time with 30 days' notice, and in such case, the employee will not receive any severance pay. Among other things, the employment agreements prohibit the solicitation of employees from the Company in the event of an executive's departure for a period of two years.

If employment is terminated with cause, the employee will not receive any severance pay. If employment is terminated without cause during the term of the agreement, the executive shall be entitled to severance pay for a period not to exceed

36 months for Mr. Walton; 30 months for Ms. Sweeney; and 24 months for Mr. Westbrook. Severance pay shall include the continuation of the employee's base salary, and the greater of (a) the average of the annual bonuses paid during the preceding three years, or (b) the amount of the last annual bonus paid to the employee. In addition, the executive shall be entitled to receive any payments under the long-term cash retention award that would have vested and been payable during the severance period. However, stock options would cease to vest during the severance period.

If, within 12 months after a change of control (as defined in the employment agreements) termination of employment occurs either by the executive officer or the Company, the executive officer shall not be entitled to severance pay, but will instead be entitled to lump sum compensation as well as certain other benefits. For Mr. Walton, this lump sum is equal to three years of base salary and bonus (as calculated for severance pay), plus an amount equal to \$5,565,000. For Ms. Sweeney, this lump sum is equal to two and a half years of base salary and bonus, plus an amount equal to \$2,600,000. For Mr. Westbrook, this lump sum is equal to two years of base salary and bonus, plus an amount equal to \$2,350,000. Under the terms of the agreement, the Company would also provide compensation to offset any applicable excise tax penalties imposed on the executive under Section 4999 of the Internal Revenue Code.

Certain other executive officers have employment agreements that carry terms substantially similar to those of Mr. Westbrook's agreement, as described herein.

Certain Relationships and Related Party Transactions

The following table sets forth certain information, as of February 28, 2003, regarding indebtedness to the Company in excess of \$60,000 of any person serving as a director or executive officer of the Company and of any nominee for election as a director at any time since January 1, 2002. All of such indebtedness results from loans made by the Company to enable the exercise of stock options. The loans are required to be fully collateralized as full recourse against the borrower and have varying terms not exceeding ten years. The interest rates charged generally reflect the applicable federal rate on the date of the loan.

As a business development company under the Investment Company Act of 1940, the Company is entitled to provide loans to employees in connection with the exercise of options. However, as a result of provisions of the Sarbanes-Oxley Act

of 2002, the Company is prohibited from making new loans to, or materially modifying existing loans with, its executive officers in the future.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Securities Exchange Act of 1934, the Company's directors and executive officers, and any persons holding 10% or more of its common stock, are required to report their beneficial ownership and any changes therein to the Commission and the Company. Specific due dates for those reports have been established, and the Company is required to report herein any failure to file such reports by those due dates. Based on the Company's review of Forms 3, 4 and 5 filed by such persons, the Company believes that during 2002 all Section 16(a) filing requirements applicable to such persons were met in a timely manner, except with respect to a late Form 4 filed for one transaction by each of Messrs. Walton and R.E. Long and Mmes. Sweeney, Roll, and Sparrow.

Audit Committee Report

As part of its oversight of the Company's financial statements, the Audit Committee reviewed and discussed with both management and the Company's independent accountants all of the Company's financial statements filed with the Commission for each quarter during 2002 and as of and for the year ended December 31, 2002. Management advised the Audit Committee that all financial statements were prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), and reviewed significant accounting issues with the Audit Committee. The Audit Committee also discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended, by

the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Audit Committee received and reviewed the written disclosures from the independent accountants required by Independence Standard No. 1, *Independence Discussions with Audit Committees*, as amended, by the Independence Standards Board, and have discussed with the accountants the accountants' independence. The Committee has reviewed the audit fees of the independent accountants. It has also reviewed non-audit services and fees to assure compliance with the Company's and the Audit Committee's policies restricting the independent accountants from performing services that might impair their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommends to the Board of Directors that the financial statements as of and for the year ended December 31, 2002, be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002, for filing with the Commission. The Audit Committee also recommends the selection of KPMG LLP to serve as independent accountants for the year ending December 31, 2003.

Tax Services. The aggregate fees billed for tax services rendered by KPMG LLP for 2002 were \$110,830.

RATIFICATION OF SELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee and the disinterested members of the Board of Directors have selected KPMG LLP as independent public accountants for the Company for the year ending December 31, 2003. If the stockholders ratify the selection of KPMG LLP as the Company's accountants, KPMG LLP also will be the independent public accountants for the consolidated subsidiaries of the Company.

KPMG LLP has advised the Company that neither the firm nor any present member or associate of it has any material financial interest, direct or indirect, in the Company or its subsidiaries.

It is expected that a representative of KPMG LLP will be present at the Meeting and will have an opportunity to make a statement if he or she so chooses and will be available to answer questions.

On March 29, 2002, we selected KPMG LLP to serve as the Company's independent public accountants for the fiscal year ending December 31, 2002. The Company dismissed Arthur Andersen LLP as its independent accountants effective upon completion of the December 31, 2001 audit. The decision to change accountants was approved by the Company's Audit Committee and Board of Directors and was ratified by the Company's stockholders on May 7, 2002.

In connection with the audits for the 2001 and 2000 fiscal years and through April 3, 2002, (1) there were no disagreements with Arthur Andersen LLP on any matter of accounting principle or practice, financial statement disclosure, auditing scope or procedure, whereby such disagreements, if not resolved to the satisfaction of Arthur Andersen LLP, would have caused them to make reference thereto in their report on the financial statements for such years; and (2) there have been no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K).

The reports of Arthur Andersen LLP on the Company's financial statements for fiscal years ended December 31, 2001 and 2000 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle, except for the emphasis of the matter related to the inherent uncertainty of determining the value of investments whose values have been determined by the Company's Board of Directors in good faith in the absence of readily ascertainable market values.

The Company had not consulted with KPMG LLP during 2001 or 2000 or the period from January 1, 2002 through March 29, 2002, on either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion KPMG LLP might issue on the Company's financial statements.

Unless marked to the contrary, the shares represented by the enclosed proxy card will be voted for ratification of the appointment of KPMG LLP as the independent public accountants of the Company.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE TO RATIFY THE SELECTION OF KPMG LLP AS INDEPENDENT PUBLIC ACCOUNTANTS FOR THE COMPANY.

OTHER BUSINESS

The Board of Directors knows of no other business to be presented for action at the Meeting. If any matters do come before the Meeting on which action can properly be taken, it is intended that the proxies shall vote in accordance with the judgment of the person or persons exercising the authority conferred by the proxy at the Meeting. The submission of a proposal does not guarantee its inclusion in the Company's proxy statement or presentation at the Meeting unless certain securities law requirements are met.

2004 ANNUAL MEETING OF STOCKHOLDERS

The Company expects that the 2004 Annual Meeting of Stockholders will be held in May 2004, but the exact date, time, and location of such meeting have yet to be determined. A stockholder who intends to present a proposal at that annual meeting must submit the proposal in writing to the Company at its address in Washington, DC, and the Company must receive the proposal no later than December 3, 2003, in order for the proposal to be considered for inclusion in the Company's proxy statement for that meeting. The submission of a proposal does not guarantee its inclusion in the Company's proxy statement or presentation at the meeting.

Rule 14a-4 of the Commission's proxy rules allows a company to use discretionary voting authority to vote on matters coming before an annual meeting of stockholders, if the company does not have notice of the matter at least 45 days before the date corresponding to the date on which the company first mailed its proxy materials for the prior year's annual meeting of stockholders or the date specified by an overriding advance notice provision in the company's bylaws. The Company's bylaws do not contain such an advance notice provision. Accordingly, for the Company's 2004 Annual Meeting of Stockholders, stockholders must submit written notice to the Secretary on or before February 17, 2004.

Recommendations received after December 31, 2003, will be considered for nomination at the 2005 Annual Meeting of Stockholders.

CHARTER OF THE AUDIT COMMITTEE

**(Adopted by the Board of Directors on May 30, 2000,
as amended on February 1, 2001 and March 11, 2003)**

The Board of Directors (Board) of Allied Capital Corporation (Company) has determined that the Audit Committee of the Board shall assist the Board in fulfilling certain of the Board s oversight responsibilities. The Board hereby adopts this charter to establish the governing principles of the Audit Committee (Committee).

I. PURPOSE

The primary function of the Committee is to serve as an independent and objective party to assist the Board in fulfilling its oversight responsibilities, except those that are specifically related to the responsibilities of another committee of the Board, by overseeing and monitoring:

1. The quality and objectivity of financial reports and other financial information provided by the Company to any governmental body or the public and the independent audit thereof.
2. The Company s system of internal controls regarding finance, accounting and regulatory compliance.
3. The material aspects of the Company s accounting and financial reporting process generally.
4. The independence and performance of the Company s independent accountants.
5. The compliance by the Company with legal and regulatory requirements.

The Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section III of this Charter.

II. SCOPE

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company s financial statements are complete and accurate or are in accordance with accounting principles generally accepted in the United States of America (GAAP). The responsibility to plan and conduct audits is that of the Company s independent accountants. In fulfilling this responsibility, the independent accountants are ultimately accountable to the Board of Directors of the Company and its Committee. The Company s management has the responsibility to determine that the Company s financial statements are complete and accurate and in accordance with GAAP. It is also not the duty of the Committee to assure the Company s compliance with laws and regulations or compliance with the Company s codes of ethics. The primary responsibility for these matters also rests with the Company s management.

In order to fulfill its oversight responsibility to shareholders and the investment community, the Committee must be capable of conducting free and open discussions with management, independent accountants, employees and others regarding the quality of the financial statements and the system of internal controls.

III. RESPONSIBILITIES AND DUTIES

A. General Responsibilities

To carry out its purposes, the responsibilities of the Committee shall be as follows:

1. Maintain open communications with the independent accountants, executive management and the Board.
2. Review the financial results presented in all reports filed with the Securities and Exchange Commission (SEC).
3. Review all reports issued by regulatory examinations and consider the results of those reviews to determine if any findings could have a material effect on the Company's financial statements, operations, compliance policies and programs.
4. Review and reassess the adequacy of the Committee's Charter at least annually and recommend any changes to the full Board of Directors.
5. Take any other actions required of the Committee by law, applicable regulations, or as requested by the Board.

In discharging its duties hereunder, the Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent accountants for the purpose of rendering or issuing an audit report and to any advisors employed by the Committee.

B. Responsibilities Regarding the Engagement of the Independent Accountants

1. The Committee shall have the sole authority to appoint or replace the independent auditor (subject, if applicable, to shareholder ratification). The Committee shall be directly responsible for the compensation and oversight of the work of the independent accountants (including resolution of disagreements between management and the independent accountants regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The independent accountants shall report directly to the Committee.
2. Ensure the independence of the independent accountants by:
 - a. Having the independent accountants deliver to the Committee annually a formal written statement delineating all relationships between the independent accountants and the Company and addressing at least the matters set forth in Independence Standards Board Standard No. 1; actively engaging in dialogue with the independent accountants about any relationships or services disclosed in such statement that may impact the objectivity and independence of the Company's independent accountants.

- b. Pre-approving all auditing services and permitted non-audit services (including fees and terms thereof) to be performed for the Company by its independent accountants, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(B) of the Securities Exchange Act of 1934 (the Exchange Act). The Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Committee at its next scheduled meeting.
- c. Ensuring the rotation of the lead (or coordinating) audit partner (or, if required by the rules and regulations of the SEC, other employees of the independent accountants) having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law.
- d. Overseeing compliance with the guidelines relating to the Company's hiring of employees or former employees of the independent accountants who participated in any capacity in the audit of the Company.

C. Responsibilities for Reviewing the Annual External Audit and the Financial Statements

The Committee will:

- 1. Request the independent accountants to confirm that they are accountable to the Committee and that they will provide the Committee with timely analyses of significant financial reporting and internal control issues.
- 2. Review with management significant risks and exposures identified by management and management's steps to minimize them.
- 3. Review the scope of the external audit with the independent accountants.
- 4. Review with management and the independent accountants, as appropriate:
 - a. The Company's internal controls, including computerized information system controls and security.
 - b. The Company's significant accounting policies.
 - c. The audited annual financial results and the Company's quarterly financial statements before they are made public.
 - d. All alternative treatments of financial information within accounting principles generally accepted in the United States of America that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent accountants.
 - e. Material written communications between the independent accountants and management, such as any management letter or schedule of unadjusted differences.

5. After the completion of the annual audit examination, or as needed throughout the year, discuss with management and the independent accountants:
 - a. The Company's annual financial statements and related footnotes, including any adjustments to such statements recommended by the independent accountants.
 - b. Any significant findings and recommendations made by the independent accountants with respect to the Company's financial policies, procedures and internal accounting controls together with management's responses thereto.
 - c. The qualitative judgments about the appropriateness and acceptability of accounting principles, financial disclosures and underlying estimates.
 - d. Any significant difficulties or disputes with management encountered during the course of the audit.
 - e. Any other matters about the audit procedures or findings that Generally Accepted Auditing Standards (GAAS) require the auditors to discuss with the Committee.
 - f. The form of opinion the independent accountants propose to render to the Board and the Committee and shareholders.
6. Review disclosures made to the Committee by the Company's CEO and CFO during their certification process for the Form 10-K and Form 10-Q about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.
7. Recommend to the Board of Directors whether to include the audited financial statements in the Company's Form 10-K.
8. Issue for public disclosure by the Company the report required by the rules of the SEC.

D. Compliance Oversight Responsibilities

1. Obtain from the independent accountants assurance that Section 10A(b) of the Exchange Act has not been implicated.
2. Administer the procedures relating to the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

IV. COMMITTEE MEMBERSHIP

The Committee shall be comprised of three or more directors as determined by the Board, each of whom:

1. Shall be independent directors, and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee.

2. Shall be or shall become (within a reasonable period of time after his or her appointment) financially literate, as such qualification is interpreted by the Board.
3. Shall have a basic understanding of finance and accounting practices and shall be able to read and understand financial statements. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or an outside consultant.

The members of the Committee shall meet the requirements of the rules of the principal market or transaction reporting system on which the Company's securities are traded or quoted (i.e., the New York Stock Exchange), Section 10A(m)(3) of the Exchange Act and the rules of the SEC. In addition, at least one member of the Committee shall have accounting or related financial management experience.

The members of the Committee shall be elected by the Board annually or until their successors shall be duly elected and qualified. Unless a Chairman is elected by the full Board, the members of the Committee may designate a Chairman by majority vote of the full Committee membership.

V. MEETINGS

The Committee shall meet at least four times each year, or more frequently as circumstances require. The Chairman of the Committee may call a Committee meeting whenever deemed necessary and shall be responsible for meeting with the independent accountants at their request to discuss any matters. The Committee may request any officer or employee of the Company or the Company's outside counsel or independent accountants to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.
