Item 1.01. Entry into a Material Definitive Agreement.

On May 17, 2007, CapitalSource Inc., a Delaware corporation (**CapitalSource**), CapitalSource TRS Inc., a Delaware corporation and a wholly owned subsidiary of CapitalSource (**CapitalSource TRS**), and TierOne Corporation, a Wisconsin corporation (**TierOne**), entered into an Agreement and Plan of Merger (the **Merger Agreement**). The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, TierOne will merge with and into CapitalSource TRS (the **Merger**), with CapitalSource TRS continuing as the surviving corporation.

Subject to the terms and conditions of the Merger Agreement, at the effective time and as a result of the Merger, each issued and outstanding share of TierOne common stock (other than certain shares owned by TierOne), par value \$0.01 per share (**TierOne Common Stock**), will be converted into the right to receive the following (collectively, the **Merger Consideration**):

\$6.80, plus

0.675 shares of CapitalSource common stock, par value \$0.01 per share (**CapitalSource Common Stock**), plus

if the ten day average price of CapitalSource Common Stock prior to the closing of the Merger is (i) less than or equal to \$25.1852, then 0.405 shares of CapitalSource Common Stock; or (ii) greater than \$25.1852, then TierOne shareholders can elect to receive \$10.20 or the equivalent value in CapitalSource Common Stock.

Upon consummation of the Merger, each outstanding option to acquire TierOne Common Stock will be canceled in exchange for the right to receive, on the terms and conditions set forth in the Merger Agreement, the cash equivalent of the Merger Consideration, less the exercise price of the option, as more fully described in Section 1.4 of the Merger Agreement. Immediately before the closing of the Merger, each share of TierOne Common Stock subject to a plan share award under TierOne's Amended and Restated 2003 Recognition and Retention Plan and Trust Agreement will vest and be settled with TierOne Common Stock and convert into the right to receive the Merger Consideration, and each TierOne deferred stock unit will be settled with TierOne Common Stock and convert into the right to receive the Merger Consideration.

Following the effective time of the Merger, Gilbert G. Lundstrom, the Chief Executive Officer of TierOne, will become a member of CapitalSource's board of directors. The current directors of TierOne's bank subsidiary will continue to serve in that capacity for six months following the closing of the Merger.

CapitalSource and TierOne have made customary representations, warranties and covenants in the Merger Agreement, including, among others, covenants regarding the conduct of their businesses and other activities between the execution of the Merger Agreement and consummation of the Merger, and to use their reasonable best efforts to consummate the Merger. In addition, TierOne has made certain additional covenants, including covenants to cause a TierOne stockholder meeting to be held to consider approval of the Merger; for TierOne's board of directors to, subject to certain exceptions, recommend adoption by its stockholders of the Merger Agreement; and for TierOne not to solicit or facilitate proposals relating to alternative business combination transactions, or, subject to certain exceptions, enter into discussions concerning alternative business combination transactions.

Consummation of the Merger is subject to customary conditions, including approval of the Merger Agreement by the holders of TierOne Common Stock, absence of any legal prohibition on consummation of the Merger, obtaining required governmental approvals, the accuracy of the representations and warranties (subject generally to a material adverse effect standard), material performance of all covenants and the delivery of customary legal opinions as to the federal tax treatment of the merger and a REIT qualification opinion.

The Merger Agreement contains certain termination rights for both CapitalSource and TierOne. Upon termination of the Merger Agreement under specified circumstances, TierOne may be required to pay CapitalSource a termination fee of up to \$24,000,000 and under other specified circumstances, CapitalSource may be required to pay TierOne a termination fee of up to \$40,000,000. The Merger Agreement also calls for a limited reimbursement of the other party's expenses under certain circumstances.

The foregoing description of the Merger and the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached as Exhibit 2.1 hereto, and is incorporated into this report by reference.

The Merger Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about CapitalSource and TierOne or their respective subsidiaries and affiliates. The Merger Agreement contains representations and warranties of TierOne, on the one hand, and CapitalSource, on the other hand, made solely for the benefit of the other. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules that the parties have exchanged in connection with signing the Merger Agreement. The disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk between CapitalSource and TierOne. Accordingly, investors should not rely on the representations and warranties in the Merger Agreement as characterizations of the actual state of facts about CapitalSource or TierOne.
