ITEM 5. OTHER EVENTS

On June 27, 2002, the Registrant raised approximately \$4 million in net proceeds from an offering of "trust preferred" securities in a private placement conducted as a part of a pooled offering pursuant to an agreement with SAMCO Capital Markets, a division of Service Asset Management Company (the "Placement Agent"). The proceeds are to be used for general corporate purposes.

The Registrant formed a wholly-owned Delaware business trust subsidiary, United Bancorp Capital Trust I (the "Trust"), for the specific purpose of: (1) investing in the Registrant's Floating Rate Junior Subordinated Deferrable Interest Debentures (the "Debt"), due June 30, 2032; (2) selling Trust Preferred Securities (the "Preferred Securities") to certain institutional

investors; and (3) issuing Common Securities (the "Common Securities") to the Registrant.

Effective as of June 27, 2002, the Registrant and the Trust entered into a Placement Agreement with the Placement Agent. On June 27, 2002, the Registrant issued \$4,125,000 in Debt to the Trust. Concurrently, the Trust issued \$4 million of the Preferred Securities to the Placement Agent and \$125,000 of the Common Securities to the Registrant. The Debt was purchased by the Trust concurrently with the Trust's issuance of the Preferred Securities and the Common Securities. The proceeds to the Registrant, net of the Placement Agent's fees and other offering expenses, was approximately \$4 million, which will be treated as Tier I capital for regulatory purposes.

The interest on the Notes will be deductible and paid by the Registrant and represents the sole source of the Trust's revenues available for distributions to the holders of the Preferred Securities. The undertakings of the Registrant with regard to the issuance are the Registrant's guarantee of the Trust's obligations pursuant to the Amended and Restated Trust Agreement filed herewith as Exhibit 4.2 and the Trust Preferred Securities Guarantee Agreement filed herewith as Exhibit 4.3.

The Registrant has the right, assuming that no default has occurred regarding the Debt, to defer interest payments on the Debt, at any time and for a period of up to twenty consecutive calendar quarters.

The Preferred Securities will mature concurrently with the Debt on June 30, 2032; but can be called after June 30, 2007 or earlier upon the occurrence of a "Special Event," as defined in Exhibit 4.1 attached hereto.
