ITEM 1.01. Entry Into Material Definitive Agreement

On May 13, 2005, StarTek, Inc. and Steven D. Butler entered into an Employment Agreement in connection with the appointment of Mr. Butler as President and Chief Executive Officer of StarTek. The agreement is effective for an initial five-year term, which will be automatically extended for successive one-year periods thereafter unless a party gives written notice to the other party, at least 90 days prior to the expiration of any such term, that the notifying party elects not to extend the term of the agreement.

The agreement provides for an annual salary of \$450,000, subject to review at least once per year by the compensation committee of StarTek's board of directors based on performance and a comparison to market conditions. Mr. Butler will be eligible for an annual incentive bonus for each fiscal year of up to 50% of his annual base salary, subject to achievement of performance criteria established by the compensation committee. The agreement also provides for a grant of 225,000 options (New Options) to purchase shares of StarTek common stock, and amends the terms of 75,000 options (Existing Options) previously granted to Mr. Butler.

A total of 20% of the options are subject to monthly vesting in equal amounts on the 16th day of each month from and after February 16, 2005, (the Vesting Commencement Date), until the first anniversary of the Vesting Commencement Date. As a result, 15,000 options were vested and exercisable immediately upon execution of the option agreement for the New Options and the amended and restated option agreement for the Existing Options. The remaining options vest, in equal amounts of 20% of the total options, on each of the second, third, fourth and fifth anniversary dates of the Vesting Commencement Date, subject to accelerated vesting of up to 40% of the options upon termination of employment in certain circumstances as discussed below, and accelerated vesting of all options upon certain change of control transactions as provided in the plan.

If Mr. Butler's employment is terminated without cause, or if Mr. Butler resigns with good reason, in any such case prior to February 16, 2007, any unvested options that were to have vested prior to that date in accordance with the vesting provisions described above (or a total of 40% of the options granted) shall immediately vest upon the date of such termination. In addition, as provided in the plan, all options vest in the event of a liquidation, dissolution, or certain types of change of control transactions as defined in the plan.

All vested options will expire on the earliest of 10 years from the option date (January 3, 2015, for the Existing Options and February 16, 2015, for the New Options), or 180 days after termination of Mr. Butler's employment.

The exercise price of the New Options is \$11.97 per share, the fair market value of StarTek's common stock on the date of Mr. Butler's appointment as President and Chief Executive Officer, and the exercise price of the Existing Options remains \$27.80 per share.

The Employment Agreement provides that Mr. Butler will be entitled to receive 12 months salary, plus a pro-rated bonus and continuation of his health care coverage for 12 months if he so elects, in the event his employment is terminated by StarTek for reasons other than for cause, or if Mr. Butler resigns with good reason, in each case as defined in the agreement. Notwithstanding the foregoing, if Mr. Butler's employment is terminated in connection with a change in control of StarTek, or if his employment is terminated other than for cause or if he resigns for good reason, in either case within 12 months following a change in control, Mr. Butler will be entitled to 24 months salary, a pro-rated bonus for the year of his termination or resignation, and continuation of his health care coverage for 24 months if he so elects. In the event Mr. Butler resigns without good reason, or his employment is terminated for

cause or by reason of his death or disability, or in connection with the expiration of the agreement, Mr. Butler will be paid only through the date of termination of his employment.

The agreement also provides for non-disclosure by Mr. Butler of our confidential or proprietary information, and includes covenants by Mr. Butler not to compete with StarTek or hire or solicit its employees, suppliers and customers, in each case for a restricted period equal to the period for which Mr. Butler is entitled to severance payments. Mr. Butler also assigned to the company any rights he may have to intellectual property conceived in the scope of his employment.

ITEM 1.02. Termination of Material Definitive Agreement

The Employment Agreement described above expressly provides that the agreement supersedes the Executive Confidentiality and Non-Competition Agreement by and between Mr. Butler and StarTek, dated January 3, 2005.

ITEM 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers

Mr. Butler has also been appointed to the board of directors of StarTek effective immediately.
