Item 1.01. Entry into a Material Definitive Agreement.

On October 11, 2007, Lamar Advertising Company (the Company) completed an institutional private placement of \$275,000,000 aggregate principal amount (\$260,887,000 gross proceeds) of 6 5/8% Senior Subordinated Notes due 2015 Series C (the Notes) of Lamar Media Corp., its wholly owned subsidiary (Lamar Media). The institutional private placement resulted in net proceeds to Lamar Media of approximately \$256.7 million. The Notes were sold within the United States only to qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the Securities Act), and outside the United States only to non-U.S. persons in reliance on Regulation S under the Securities Act.

A portion of the net proceeds from the offering of the Notes was used to repay a portion of the amounts outstanding under Lamar Media s revolving bank credit facility.

On October 11, 2007, Lamar Media and its subsidiary guarantors entered into an Indenture (the Indenture) with The Bank of New York Trust Company, N.A., as trustee, relating to the Notes. A copy of the Indenture (including the Form of Note) is filed as Exhibit 4.1 to this current report on Form 8-K and is incorporated by reference into this Item 1.01.

The Notes mature on August 15, 2015 and bear interest at a rate of 6 5/8% per annum, which is payable semi-annually on February 15 and August 15 of each year, beginning February 15, 2008. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months. The terms of the Indenture will, among other things, limit Lamar Media s and its restricted subsidiaries ability to (i) incur additional debt and issue preferred stock; (ii) make certain distributions, investments and other restricted payments; (iii) create certain liens; (iv) enter into transactions with affiliates; (v) have the restricted subsidiaries make payments to Lamar Media; (vi) merge, consolidate or sell substantially all of Lamar Media s or the restricted subsidiaries assets; and (vii) sell assets. These covenants are subject to a number of exceptions and qualifications.

Lamar Media may redeem up to 35% of the aggregate principal amount of the Notes, at any time and from time to time, at a price equal to 106.625% of the aggregate principal amount so redeemed, plus accrued and unpaid interest thereon (including additional interest, if any), with the net cash proceeds of certain public equity offerings completed before August 15, 2008. On or after August 15, 2010, Lamar Media may redeem the Notes, in whole or in part, in cash at redemption prices specified in the Indenture. In addition, if the Company or Lamar Media undergoes a change of control, Lamar Media may be required to make an offer to purchase each holder s Notes at a price equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest (including additional interest, if any), up to but not including the repurchase date.

The Indenture provides that each of the following is an event of default (Event of Default): (a) default in payment of any principal of, or premium, if any, on the Notes; (b) default for 30 days in payment of any interest on the Notes; (c) default by Lamar Media or any Guarantor (as defined in the Indenture) in the observance or performance of any other covenant in the Notes or the Indenture for 45 days after written notice from the Trustee (as defined in the Indenture) or the holders of not less than 25% in aggregate principal amount of the Notes then outstanding; (d) default or defaults under one or more agreements, instruments, mortgages, bonds, debentures or other evidences of Indebtedness

under which Lamar Media or any Restricted Subsidiary (as defined in the Indenture) of Lamar Media then has outstanding Indebtedness (as defined in the Indenture) in excess of \$20 million, individually or in the aggregate, and either (i) such Indebtedness is already due and payable in full or (ii) such default or defaults have resulted in the acceleration of the maturity of such Indebtedness; (e) any final judgment or judgments which can no longer be appealed for the payment of money in excess of \$20 million (not covered by insurance) shall be rendered against Lamar Media or any Restricted Subsidiary and shall not be discharged for any period of 60 consecutive days during which a stay of enforcement shall not be in effect; and (f) certain events involving bankruptcy, insolvency or reorganization of Lamar Media or any Restricted Subsidiary.

If any Event of Default arising under a clause other than clause (f) above occurs, then the Trustee or the holders of 25% in aggregate principal amount of the Notes may declare to be immediately due and payable the entire principal amount of all the Notes then outstanding plus accrued interest to the date of acceleration, and such amounts shall become immediately due and payable.

On October 11, 2007, in connection with the issuance of the Notes, Lamar Media and its subsidiary guarantors entered into a Registration Rights Agreement (the "Registration Rights Agreement") with J.P. Morgan Securities Inc. for itself and as representative for Wachovia Capital Markets, LLC, BNP Paribas Securities Corp., Calyon Securities (USA) Inc., BNY Capital Markets, Inc. and Greenwich Capital Markets, Inc. (each individually, an "Initial Purchaser" and collectively, the "Initial Purchasers"). Pursuant to the terms of the Registration Rights Agreement, Lamar Media and its subsidiary guarantors agreed to file and cause to become effective a registration statement covering an offer to exchange the Notes for a new issue of identical exchange notes registered under the Securities Act and to complete the exchange offer on or prior to the date 190 days following October 11, 2007 (the "Target Registration Date"). Under certain circumstances, the Company may be required to provide a shelf registration statement to cover resales of the Notes. If the exchange offer is not completed (or, if required, the shelf registration statement is not declared effective) on or before the Target Registration Date, then the annual interest rate borne by the notes will be increased (i) 0.25% per annum for the first 90-day period immediately following the Target Registration Date and (ii) an additional 0.25% per annum with respect to each subsequent 90-day period, in each case until the exchange offer is completed or, if required, the shelf registration statement is declared effective, up to a maximum of 1.00% per annum of additional interest. A copy of the Registration Rights Agreement is filed as Exhibit 10.1 to this current report on Form 8-K and is incorporated by reference into this Item 1.01.

The Initial Purchasers and their affiliates perform various financial advisory, investment banking and commercial banking services from time to time for us and our affiliates, for which they receive customary fees. The Bank of New York Trust Company, N.A., an affiliate of BNY Capital Markets, Inc., an Initial Purchaser, serves as trustee for the Notes and our existing 6 ⁵/₈% Senior Subordinated Notes due 2015, 6 ⁵/₈% Senior Subordinated Notes due 2015 Series B, 7 ¹/₄% Senior Subordinated Notes due 2010 and as trustee for the Company's 2 ¹/₈% Convertible Notes due 2010 Series B. A portion of the net proceeds from the Notes offering was applied to repay indebtedness under Lamar Media's revolving bank credit facility, and each lender under our bank credit facility will receive its proportionate share of such repayment. JPMorgan Chase Bank, N.A., an affiliate of J.P. Morgan Securities Inc., is the administrative agent and a lender

under our bank credit facility and each Initial Purchaser or its affiliate is a lender under the revolving bank credit facility.
