Dear Stockholder:

It is my pleasure to invite you to the Annual Meeting of Stockholders of Affiliated Computer Services, Inc. to be held on May 28, 2009 at 11:00 a.m., CDT at Cityplace Conference Center, 2711 North Haskell Avenue, Dallas, Texas 75204. The Notice of the Annual Meeting and Proxy Statement, which are attached, provide information concerning the matters to be considered at the Annual Meeting. The Annual Meeting will cover only the business contained in the Proxy Statement and will not include a management presentation.

You may now access our proxy materials over the Internet. We are mailing to all of our stockholders a Notice of Internet Availability of Proxy Materials (Notice) instead of a paper copy of this Proxy Statement and our Annual Report. The Notice contains instructions on how to access those documents over the Internet, as well as instructions on how to request a paper copy of our proxy materials. We believe that this process reduces the environmental impact and lowers the costs of printing and distributing our proxy materials.

Please note that only stockholders of record as of the close of business on April 3, 2009 will be eligible to vote at the Annual Meeting. Your vote is important. You may vote by Internet or by telephone using the instructions on the Notice, or, if you received a paper copy of the proxy card, by signing and returning it in the envelope provided.

We look forward to seeing you at the meeting.

Very truly yours,

Darwin Deason
Founder and Chairman of the Board

On or about April 14, 2009, we mailed to our stockholders of record as of the close of business on April 3, 2009 a Notice Regarding the Availability of Proxy Materials containing instructions on how to access this proxy statement and our annual report online.

All references, unless otherwise noted, to the Company, we, our, us and ACS in this proxy statement refer to Affiliated Computer Services, Inc. (and its subsidiaries).

When and where is the Annual Meeting to be held?

The Annual Meeting of Stockholders will be held at Cityplace Conference Center, 2711 North Haskell Avenue, Dallas, Texas 75204, on May 28, 2009, at 11:00 a.m., Central Time, or at any adjournments thereof, for the purposes stated in the Notice of Annual Meeting.

Internet Availability of Proxy Materials

Under rules adopted by the Securities and Exchange Commission (the SEC), we are now primarily furnishing proxy materials to our stockholders on the Internet, rather than mailing paper copies of the materials (including our Annual Report on Form 10-K for the fiscal year ended June 30, 2008, as amended by our Form 10-K/A filed October 24, 2008) to each stockholder. If you received only a Notice Regarding the Availability of Proxy Materials (the Notice) by mail, you will not receive a paper copy of these proxy materials unless you request one. Instead, the Notice will instruct you as to how you may vote your shares. The Notice will also instruct you as to how you may access your proxy card to vote over the Internet. If you received a Notice by mail or electronic mail and would like to receive a paper copy of our proxy materials, free of charge, please follow the instructions included in the Notice.

The Notice was mailed to our stockholders of record on the record date on or about April 14, 2009.

Table of Contents

What items of business will be voted on at the Annual Meeting?

The items of business scheduled to be voted on at the Annual Meeting are:

Proposal 1: A proposal to elect directors to hold office for a one-year term or until their respective successors shall have been duly elected and qualified.

Proposal 2: A proposal to approve the Senior Executive Annual Incentive Plan for participants.

Proposal 3: A proposal to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for fiscal year 2009.

We also will consider any other business that properly comes before the Annual Meeting.

What shares can I vote at the Annual Meeting?

Our Board of Directors has fixed the close of business on April 3, 2009 as the record date for the Annual Meeting. Only holders of record of the outstanding shares of Class A common stock and Class B common stock at the close of business on the record date are entitled to vote at the Annual Meeting or any adjournments thereof.

A holder of shares of Class A common stock is entitled to one vote, in person or by proxy, for each share of Class A common stock standing in his or her name on our books on the record date on any matter properly presented to a vote of the stockholders at the Annual Meeting.

A holder of shares of Class B common stock is entitled to ten votes, in person or by proxy, for each share of Class B common stock standing in his name on our books on the record date on any matter properly presented to a vote of the stockholders at the Annual Meeting.

Our Chairman of the Board of Directors (Chairman), Darwin Deason, has agreed to limit the voting power of certain of his Class A and Class B shares. See the discussion of Mr. Deason's voting rights under the section entitled Certain Executive Arrangements Mr. Deason's Voting Agreement below.

As of the close of business on the record date, we had outstanding 90,994,452 shares of Class A common stock, \$0.01 par value per share, and 6,599,372 shares of Class B common stock, \$0.01 par value per share.

What is the voting requirement to approve each of the proposals?

Proposal 1 (the proposal to elect directors) requires the affirmative vote of the holders of shares of Class A common stock and Class B common stock, voting together as a class, having a plurality of the voting power, in person or by proxy. Stockholders may not cumulate their votes in the election of directors. Abstentions and broker non-votes (shares held by brokers or nominees as to which they have no discretionary power to vote on a particular matter and have received no instructions from the beneficial owners of such shares or persons entitled to vote on the matter), if any, will have no effect on the election of directors.

Each of Proposal 2 (the proposal to approve the Senior Executive Annual Incentive Plan for participants) and Proposal 3 (the proposal to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for fiscal year 2009) require the affirmative vote of the holders of shares of Class A common stock and Class B common stock, voting together as a class, having a majority of the voting power eligible to vote and

voting, either in person or by proxy, at the Annual Meeting. Abstentions will have the same effect as a vote against Proposal 2 and Proposal 3, and broker non-votes will have no effect on such proposals.

How many shares must be present or represented to conduct business at the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority of the issued and outstanding shares of Class A common stock and Class B common stock entitled to vote at the Annual Meeting or any adjournment thereof is necessary to constitute a quorum to transact business. Abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present.

Table of Contents

How do I vote?

Stockholders of record can vote in person at the Annual Meeting or by proxy. There are three ways to vote by proxy:

By Telephone Stockholders of record located in the United States can vote by telephone by calling (800) 690-6903 and following the instructions on the Notice, or if you received a proxy card, by following the instructions on the proxy card;

By Internet Stockholders of record can vote over the Internet at www.proxyvote.com by following the instructions on the Notice, or if you received a proxy card, by following the instructions on the proxy card; or

By Mail Stockholders of record who received your proxy materials by mail can vote by mail by signing, dating and mailing the enclosed proxy card or voter instruction form.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day beginning on or about April 17, 2009 and will close at 11:59 p.m. (EDT) on May 27, 2009. Internet and telephone voting is convenient, saves on postage and mailing costs and is recorded immediately, minimizing risk that postal delays may cause votes to arrive late and therefore not be counted. Stockholders who attend the Annual Meeting may vote in person, and any previously submitted votes will be superseded by the vote cast at the Annual Meeting.

Stockholders who hold their shares in street name will need to obtain a voting instruction card from the institution that holds their shares and must follow the voting instructions given by that institution.

Shares represented by duly executed proxies in the accompanying form will be voted in accordance with the instructions indicated on such proxies or voter instruction forms, and, if no such instructions are indicated thereon, will be voted FOR the nominees for election of directors named below, the approval of the Senior Executive Annual Incentive Plan for participants and the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for fiscal year 2009. Abstentions and broker non-votes will have no effect on the election of directors. Abstentions will have the same effect as a vote against Proposal 2 and Proposal 3 and broker nonvotes will have no effect on such proposals.

What if I want to change my vote?

If you are a stockholder of record, you may revoke your proxy at any time before it is voted at the meeting. To do this, you must:

enter a new vote by telephone, over the Internet, or by signing and returning another proxy card at a later date;

provide written notice of the revocation to our Corporate Secretary or deliver another duly executed proxy or voter instruction form dated subsequent to the date thereof to the addressee named in the proxy or voter instruction form; or

attend the meeting and vote in person.

If your shares are held in street name, you must contact your broker or nominee to revoke and vote your proxy.

Who will pay for the cost of this solicitation?

The cost of preparing, assembling, printing and distributing this proxy statement and related materials and the cost of soliciting proxies related to the Annual Meeting will be borne by us. We will request banks and brokers to solicit their customers who are beneficial owners of shares of common stock listed of record in names of nominees, and will reimburse such banks and brokers for the reasonable out-of-pocket expenses for such solicitation.

Who will serve as inspector of elections?

A representative of Broadridge Financial Solutions, Inc. (formerly ADP Investor Communications Services), the independent inspector of elections appointed for the meeting, will separately tabulate affirmative and negative

PROPOSAL 2:

APPROVAL OF SENIOR EXECUTIVE ANNUAL INCENTIVE PLAN

Pursuant to a recommendation of the Compensation Committee (the Committee) of the Board of Directors, the Board adopted the ACS Senior Executive Annual Incentive Plan (the Plan), a copy of which is attached as Appendix A, subject to stockholder approval.

The purposes of the Plan are to specifically motivate the Company's selected senior executive officers toward achievement of performance goals; to encourage teamwork; and to reward performance with cash bonuses that vary in relation to the achievement of the pre-established performance goals.

The Plan will be administered by the Committee, whose members qualify as outside directors as that term is defined under Section 162(m) of the Internal Revenue Code (Section 162(m)). Under the Plan, the Committee has the authority to select participants from employees holding the following titles: (i) Chairman of the Board of Directors; (ii) Chief Executive Officer; (iii) President; (iv) Executive Vice President; or (iii) any other employee. There currently are twelve executive officers who have been selected as participants. The Committee also has the authority to determine the financial and other performance criteria (Performance Goals), and other terms and conditions, applicable to each participant's bonus under the Plan (Award) which the participant may receive for services during the

Measurement Period (as defined below). The Measurement Period is one fiscal year, unless otherwise established by the Committee at the time the Performance Goals are established. With respect to each participant, the Committee will establish ranges of Performance Goals which correspond to various levels of Award amounts (Award Opportunities) for the Measurement Period. Once established, Performance Goals and Award Opportunities will be adjusted only to mitigate the unbudgeted impact of unusual or nonrecurring gains and losses, accounting changes, or other extraordinary events not foreseen at the time of the establishment of such Performance Goals and Award Opportunities.

Table of Contents

The Performance Goals may be based on any one or more of the following measures (or the relative or absolute change, improvement or growth in any such measure) as reported in the Company's publicly reported financial filings or as any such measure is to be adjusted as determined by the Committee at the time the Performance Goals are set for the Company or a business unit (either in total or on a per share basis): earnings, earnings before one or more of the following: depreciation, amortization, interest or taxes (EBIT, EBITA or EBITDA as defined by the Committee), return on equity, return on assets, return on invested capital, gross sales, net sales, cash flow, discounted cash flow, cumulative cash flow, adjusted cash flow (such as earnings, as described above, plus or minus, as applicable, one or more of the following: non-operating expenses (including intercompany interest), non-operating profit, equity compensation expense per SFAS 123(R), unusual items such as gain or loss on divestitures, capital expenditures, additions to intangible assets, changes in accounts receivable, unearned revenue and the cash flow of any acquisitions made during the Measurement Period), operating profits, pre-tax profits, post-tax profits, consolidated net income, economic value added, costs, financial ratings, regulatory compliance, achievement of balance sheet or income statement objectives, market share and total return to stockholders (including both the market value of the Company's stock and dividends thereon), and the extent to which strategic, financial and business goals are met. Awards will be based on the achievement of such Performance Goals. The Committee has the authority to review and certify the achievement of the Performance Goals; interpret the Plan; and establish, amend, or rescind guidelines, rules, and regulations for the Plan's administration. Negative discretion may be used by the Committee to reduce an Award.

Pursuant to the Plan, participants will be eligible to receive up to a certain percentage of their base salaries based upon the achievement of the Performance Goal financial criteria selected for the Company's results on a consolidated basis and the achievement of the Performance Goal financial criteria selected for the Company's business unit results.

Calculations of Performance Goals and Award Opportunities will exclude (i) extraordinary items, as reported in the Company's annual audited financial statements; and (ii) any unusual or infrequent gains, losses, income or expense reported by the Company in its public filings with respect to the Measurement Period including, without limitation: (a) expenses for severance, non-recurring retention bonuses or other charges related to the departure or the restructuring of compensation of any of the Company's top executive officers; (b) charges related to material internal Company investigations or regulatory inquiries, such as stock option investigations conducted by the Company and in response to the SEC inquiry, including related settlements and payments; (c) material benefits or charges related to the resolution of prior year events; (d) significant asset impairments; (e) large loss contracts; (f) unusual gains or losses due to the divestiture of a material portion of the Company's business that required Board of Directors' approval; (g) a proportionate amount of ordinary income and gains of a divested business unit, segment or subsidiary from base year amounts of financial metrics in which a growth goal is the performance target, equal to the portion of the year that the divested business was not included in the Measurement Period; (h) charges incurred due to actions taken by Board of Directors' decisions such as Company recapitalization and/or reorganization events; (i) the gain, loss, income or expense resulting from material changes in accounting principles that become effective during the Measurement Period to the extent not included in the operating budget for the Measurement Period; and (j) gains or losses from all or certain claims and/or litigation and all or certain insurance recoveries related to claims and/or litigation.

The total of all Awards payable to all participants for any Measurement Period will not under any circumstances exceed five percent of the net income of the Company (as defined in the Plan, the Maximum Bonus Awards Pool), for such period. The maximum Award for any participant may not exceed 250% of the participant's base salary at the end of the Measurement Period. No participant can receive an Award for any Measurement Period greater than \$5,000,000. In the event that the total of all Awards payable to participants should exceed the Maximum Bonus Awards Pool, the Award of each participant will be proportionately reduced such that the total of all such Awards paid is equal to the Maximum Bonus Awards Pool.

In general, participants must remain employed by the Company through the payment date to be eligible to receive an Award payment. However, if a participant dies, becomes permanently disabled or inactive during the Measurement

Period, that participant's Award will be calculated based on the actual full-year performance results but pro-rated for the number of full calendar months he or she was an active employee during the Measurement Period.

Table of Contents

The Plan, if approved by stockholders, will be effective retroactive to July 1, 2008, and will terminate on June 30, 2013, unless earlier terminated. The Board and the Committee may generally amend or terminate the Plan at any time, although no amendment or termination may impair the rights of a participant under an outstanding award without that participant's consent. No amendment may be made without stockholder approval to the extent necessary to comply with Section 162(m).

The Awards payable under the Plan for services to be rendered in fiscal year 2009 are not determinable. Assuming that the Plan had been in effect in fiscal year 2008 and that the payments earned under the fiscal year 2008 performance-based incentive compensation plan (the "FY08 Plan") would have been the same as those earned under the Plan, the Awards that would have been paid to the persons listed in the Summary Compensation Table and all current executive officers as a group for fiscal year 2008 are set forth below.

Compensation Discussion and Analysis**Overview of Compensation Program and Philosophy**

Our general compensation philosophy is that total compensation should vary based on our achievement of defined financial and non-financial goals and objectives, both individual and corporate. The Company's compensation structure centers around a "pay for performance" philosophy. Base salaries for our managers are generally maintained at a level below the market median, but managers have the opportunity to receive bonuses if their individual performance and the performance of their business unit meet certain goals, which if full bonuses are earned, results in their total compensation exceeding the market median. This philosophy applies more generally to all of our officers and senior management personnel, with the level of variability and the proportionate amount of bonus compensation increasing as the employee's level of responsibility increases. Each executive officer's bonus is based on the Company's achievement of defined financial goals and objectives, based only on consolidated corporate results, but subject to applicable business unit minimum profit growth. Our named executive officers for fiscal year 2008 (the "named executive officers") were Darwin Deason, Chairman of the Board of Directors; Lynn Blodgett, President and Chief Executive Officer; Tom Burlin, Executive Vice President and Chief Operating Officer; John Rexford, Executive Vice President, Corporate Development (and our Executive Vice President and Chief Financial Officer from November 2006 to September 2007), Kevin Kyser, Executive Vice President and Chief Financial Officer (from September

2007) and Tom Blodgett, Executive Vice President and Group President Business Process Solutions.

Our executive compensation program is overseen and administered by the Compensation Committee, which is comprised entirely of independent directors as determined in accordance with various NYSE, SEC and Internal

Table of Contents

Revenue Code rules. The Compensation Committee has reviewed current compensation practices and identified the following key strategic compensation design objectives:

- to attract and retain qualified, motivated executives;
- to closely align the financial interests of our executives with both the short and long-term interests of our stockholders;
- to promote fair treatment of all employees; and
- to encourage equity ownership by our executives.

Comparative Review

Our executive compensation program is intended to provide our named executive officers with overall levels of compensation that are competitive within the business process and information technology outsourcing industry, as well as within a broader spectrum of companies of similar size and complexity. In fiscal year 2008, our President and Chief Executive Officer, Lynn Blodgett reviewed compensation and bonus information for the Company's executive officers other than himself and submitted compensation recommendations to Mr. Deason and the Compensation Committee. In addition, please refer to the discussion in the section entitled "Certain Executive Arrangements" below.

In setting executive compensation for fiscal year 2008, the Compensation Committee relied on information provided by Mercer Human Resource Consulting with respect to the compensation of the chief executive officers, chief operating officers and chief financial officers of our outsourcing peers, who were selected without regard to revenue or market capitalization. The companies included in the outsourcing peer group were Accenture Ltd.; Automatic Data Processing, Inc.; Computer Sciences Corporation; Convergys Corporation; DST Systems Inc.; Electronic Data Systems Corporation; Fiserv, Inc.; First Data Corporation; Hewitt Associates, Inc.; Perot Systems Corporation; Sabre Holdings Corporation; and Unisys Corporation. The peer group comparison was also used by Mr. Deason to make recommendations to the Compensation Committee for fiscal year 2008 executive compensation. The Compensation Committee used the comparative peer group information in considering and approving the recommendation of Mr. Deason.

Based on the information provided by Mercer Human Resource Consulting, the compensation paid to our Chief Executive Officer, Mr. Blodgett, and our Chief Operating Officer, Mr. Burlin, in fiscal year 2008 was between the median and 75th percentile for companies in our outsourcing peer group. The compensation paid in fiscal year 2007 to our Chief Financial Officer, who at the time of the study was Mr. Rexford, was above the top 75th percentile for companies in our outsourcing peer group. Mr. Rexford's compensation was greater than that of most of the other chief financial officers because a portion of his compensation was attributable to commission based payments related to mergers and acquisitions activity in connection with his ongoing role in our corporate development efforts.

Elements of Compensation

There are six major elements that comprise our compensation program for certain of our executive officers, including our named executive officers: (i) base salary; (ii) annual incentive opportunities, such as bonuses; (iii) long-term incentives — our stock incentive plans; (iv) generally available benefit programs; (v) executive perquisites; and (vi) change of control agreements. ACS has selected these elements because each is considered useful and necessary to meet one or more of the principal objectives of our compensation policy. For example, base salaries and bonus target percentages are set with the goal of attracting employees and adequately compensating and rewarding employees on a day-to-day basis for the time spent and the services they perform, while our equity programs are

geared toward providing an incentive and reward for the achievement of long-term business objectives and retaining key talent. The Compensation Committee believes that these elements of compensation, when combined, are effective, and will continue to be effective, in achieving the objectives of our compensation program.

Section 162(m) of the Internal Revenue Code limits the deductibility of compensation in excess of \$1 million paid to certain executives of public companies with the exception of certain performance-based compensation.

Table of Contents

Our goal is to structure as many components of our executive officers' compensation as possible to qualify as performance-based to the extent doing so is in the best interests of the Company and our stockholders. However, certain forms and amounts of compensation may exceed the \$1 million deduction limitation from year to year. Based on the rapidly changing nature of the industry, as well as the continued competitive market for outstanding leadership talent, the Compensation Committee believes it is appropriate and competitive to provide adequate compensation, even though it may not be fully tax-deductible.

The Compensation Committee reviews our compensation program on an annual basis, including each of the above elements. Retirement benefits for Mr. Deason are reviewed from time to time to ensure that benefit levels remain competitive but are not included in the annual determination of his compensation package. In setting compensation levels for a particular executive, the Compensation Committee takes into consideration the proposed compensation package as a whole and each element individually, as well as our stock ownership guidelines and the executive's past and expected future contributions to our business.

Base Salaries

Each executive officer's base salary is reviewed at least annually and is subject to adjustment on the basis of individual, corporate and, in some instances, business unit performance. The Compensation Committee considers competitive, inflationary and market survey considerations, as well as salaries for comparable positions. As discussed in the section entitled "Comparative Review" above, we utilized a report prepared by Mercer Human Resource Consulting in determining base salaries for selected executive officers for fiscal years 2008 and 2009. Other factors in determining any adjustment of base salary include consideration of relative levels of responsibility, amount of business experience and future potential. Our Chief Executive Officer also provides a recommendation regarding the compensation for executive officers other than himself. In addition, please refer to the discussion in the section entitled "Certain Executive Arrangements" below.

At a meeting of our Compensation Committee in August 2008, the salaries for our current named executive officers for fiscal year 2009 were approved. Mr. Deason's base salary under his employment agreement increased from \$924,158 to \$1,017,437, Mr. Lynn Blodgett's base salary increased from \$750,000 to \$850,000, Mr. Burlin's base salary increased from \$500,000 to \$600,000, Mr. Rexford's base salary increased from \$500,000 to \$515,000, Mr. Kyser's base salary increased from \$330,000 to \$430,000 and Mr. Tom Blodgett's base salary increased from \$425,000 to \$465,000. Based on information provided by Mercer Human Resource Consulting, the fiscal year 2009 base salaries paid to our Chief Executive Officer, Mr. Lynn Blodgett, our Chief Operating Officer, Mr. Burlin, and our Chief Financial Officer, Mr. Kyser, were below the median for these positions for companies in our outsourcing peer group and consistent with the Company's compensation philosophy for base salaries.

Incentive Bonus

Fiscal Year 2008 Bonus Plan

Approximately seven hundred (700) of our officers and other senior management personnel were participants in our FY08 Bonus Plan at the end of that fiscal year, including all of our named executive officers and certain other officers who were not named executive officers. Certain additional employees received discretionary bonus payments from the FY08 Bonus Plan.

Performance goals were established for groups as follows:

Consolidated ACS

ACS Corporate	The Consolidated ACS performance goals are established to ensure that certain consolidated corporate criteria are met before bonuses are paid. The percentage of achievement against the performance goals is multiplied by the percentage of achievement of the ACS Corporate or Business Unit performance goals, as applicable.
Business Unit	The bonus of each of the executive officers is determined based on the achievement of performance goals in this group. The business unit calculation is determined by the achievement of performance goals for each business segment Commercial Solutions and Government Solutions.

Table of Contents

The performance goals established for each group are equally weighted in determining the achievement of performance goals. The performance goals for the FY08 Bonus Plan were: revenue growth; growth in earnings before interest and taxes; and a cash flow metric (determined as earnings before interest, taxes, depreciation and amortization, plus non-operating (income) expense (excluding intercompany interest), plus equity compensation expense per SFAS 123(R), less such unusual items such as gain or loss on divestiture, plus/minus capital expenditures and additions to intangible assets (per the cash flow statement), plus/minus changes in accounts receivables and unearned revenue (per the cash flow statement)). ACS Corporate includes all of the above performance goals in addition to growth in consolidated earnings per share. Our named executive officers had no individual bonus goals and are evaluated under the ACS Corporate performance goals, subject to applicable business unit minimum profit growth.

No bonuses would have been payable if the Company's growth in consolidated earnings before interest and taxes was less than 4% and no bonuses would have been payable to business unit participants in the FY08 Bonus Plan if that particular business unit's growth in earnings before interest and taxes was less than 5%. The FY08 Bonus Plan performance goals were approved by the Compensation Committee.

For executive officers, the FY08 Bonus Plan required the exclusion of items that it determined were unusual or one time events that were not indicative of the performance of the named executive officers for the year from the calculation of the financial metrics used to determine bonus achievement. Adjustments made to financial metrics in one fiscal year are carried forward to the next fiscal year to determine bonus achievement for that next fiscal year. Most metrics are based on growth from the prior year results. Since the FY08 Bonus Plan allows, and in some cases requires, adjustments to actual results to determine the current year bonus achievement, we subsequently make these same adjustments when setting the baseline used for the subsequent year growth metrics.

In fiscal year 2008, the operating income was adjusted to exclude certain unusual items, principally certain legal costs related to the ongoing stock option investigations and potential sale of the Company and the shareholder derivative lawsuits and the divestiture-related gains on sale.

We have not disclosed target levels with respect to specific quantitative or qualitative performance-related factors considered by the Compensation Committee because disclosure of the specific performance goals would give our competitors information that could be leveraged for competitive advantage which would result in competitive harm to the Company. The maximum bonus that any executive officer received for the fiscal year 2008 under the FY08 Bonus Plan was \$1,117,656. The Compensation Committee certified the achievement of the performance goals before the bonuses were paid. We believe that the target levels of performance are generally difficult to achieve and the likelihood of attaining the goals is not assured. For instance, in fiscal year 2008, executive officers earned from 0% to approximately 50% of the maximum bonus under the FY08 Bonus Plan.

In August 2008, the Committee and Board of Directors established a Senior Executive Annual Incentive Plan, which is being presented to stockholders for their approval as Proposal 2 in this proxy statement, as well as a Fiscal Year 2009 Management Bonus Plan. We intend for the two plans to, in general, have similar ACS Corporate performance goals.

Long Term Incentives Our Stock Incentive Plans

We provide long-term incentive compensation through awards of stock options that generally vest over multiple years. Our equity compensation program is intended to align the interests of the participants, including our named executive officers, with those of our stockholders by creating an incentive for our named executive officers to maximize stockholder value. The equity compensation program also is designed to encourage our named executive officers to remain employed with ACS despite a very competitive labor market.

We granted stock options to our named executive officers in fiscal year 2008 under our 2007 Equity Incentive Plan. All proposed stock option grants to employees, including executive officers, are considered and, if deemed acceptable to the Compensation Committee, approved at a formal meeting of the Compensation Committee. Under the Company's stock option grant policy adopted on May 25, 2006 and revised on January 22, 2007 (hereafter, our "Stock Option Grant Policy"), among other things: (i) a formal meeting to approve option grants to employees is held on August 15th of each year; (ii) a formal meeting to approve option grants to new hires, employees receiving a

Table of Contents

grant in connection with a promotion, or persons who become ACS employees as a result of an acquisition are to usually be held on the day prior to or the day of our regularly scheduled quarterly Board of Directors meeting; (iii) the date of the formal meeting at which a grant is approved is the option grant date; and (iv) the exercise price for each approved grant will not be less than the fair market value of a share of the Company's Class A common stock on the date of grant which shall be determined by reference to the closing price for such stock on such date on the NYSE; provided that if a grant is made on a date when the NYSE is closed, then the fair market value of a share of the Company's Class A common stock on the date of grant shall be determined by reference to the closing price for such stock on the last day prior to the stock option grant date on which the NYSE was open for trading activities.

On August 15, 2007, the Compensation Committee granted the following number of options to the named executive officers under the 2007 Equity Incentive Plan (with those options having a forfeiture provision in case a change in control occurred within six months after grant), with the understanding that no grants would likely be made to the named executive officers in 2008: 400,000 options to Lynn Blodgett; 200,000 to Tom Burlin and 150,000 to each of Kevin Kyser, John Rexford and Tom Blodgett. On August 15, 2008, the Compensation Committee granted no options to the named executive officers under the 2007 Equity Incentive Plan.

Generally Available Benefit Programs

We also offer a number of other benefits to our named executive officers pursuant to benefit programs that provide for broad-based employee participation. These benefit programs include accidental death and dismemberment insurance, health and dependent care flexible spending accounts, business travel insurance, wellness programs, relocation/expatriate programs and services, educational assistance and certain other benefits.

Retirement Benefits

To assist our employees in accumulating funds for retirement (or for other purposes permitted by our plans) we provide our employees, including our named executive officers, the opportunity to participate in the ACS Savings Plan and the ACS Supplemental Savings Plan. For a description of these two plans, please see the section entitled Retirement Benefits below. While a small number of our non-executive employees may participate in pension or defined benefit plans, we offer the ACS Savings Plan and the ACS Supplemental Savings Plan in lieu of pension or defined benefit plans to our general employee base, including our named executive officers. In addition, please refer to the discussion in the section entitled Certain Executive Arrangements below.

Mr. Deason's Supplemental Executive Retirement Agreement and Employment Agreement

In recognition of his efforts on behalf of the Company and his determination to position the Company for future growth, in fiscal year 1999 we entered into a Supplemental Executive Retirement Agreement and an employment agreement with our Chairman, Darwin Deason. The Supplemental Executive Retirement Agreement was terminated on January 1, 2009, as set forth under Certain Executive Arrangements Termination of Supplemental Executive Retirement Agreement and Related Options. A description of the Supplemental Executive Retirement Agreement, including amounts payable to Mr. Deason under the agreement, is set forth in the section entitled Certain Executive Arrangements Mr. Deason's Supplemental Executive Retirement Agreement below. A description of Mr. Deason's employment agreement, as amended in fiscal years 2008 and 2009, including amounts payable to Mr. Deason under the agreement, is set forth in the sections entitled Certain Executive Arrangements Mr. Deason's Amended Employment Agreement below and Post-Termination Benefits Change of Control and Termination Payments below.

Executive Perquisites

The Compensation Committee reviews and approves any perquisites offered to executives. The Company offers the Executive Benefit Plan to promote the health and well-being of our executives, maximize the value of the compensation provided by the Company and minimize the time that executives spend managing personal affairs so that they may devote their full attention to Company business. While the Compensation Committee does not consider perquisites to be a significant component of executive compensation, it recognizes that such perquisites are

Table of Contents

an important factor in attracting and retaining talented executives. A description of the Executive Benefit Plan and other perquisites offered to our executive officers are set forth in the section entitled "Perquisites" below.

Termination of Employment and Change of Control Benefits

In fiscal year 2008, all of our named executive officers had written change of control or employment agreements for benefits that were due to them upon a change of control. In addition, please refer to the discussion in the section entitled "Certain Executive Arrangements" below.

We believe that these change of control benefits are important to our ability to recruit executive officers. We also believe these benefits allow us to retain executives during times of unforeseen events when the executive's future is uncertain, but continued employment of the executives may be necessary for the Company.

Additional information regarding the change of control payments and severance benefits payable to our named executive officers, including estimates of the amounts payable under such agreements assuming a change of control or termination as of June 30, 2008, is set forth in the section entitled "Post Termination Benefits" below.

Stock Ownership Guidelines

On April 19, 2007 the Board of Directors revised the Company's guidelines for stock ownership by the Company's directors and executive officers, which had been originally adopted by the Board of Directors in September 2003. The Board of Directors may evaluate whether exceptions should be made to the guidelines for any director or executive officer and may from time to time change such guidelines.

The revised policy generally provides as follows:

Our Chief Executive Officer is required to own, within five years after he or she becomes subject to the guidelines, shares of our Class A common stock having a value equal to a minimum of five times his or her annual base salary.

Our other executive officers are required to own, within five years after he or she becomes subject to the guidelines, shares of our Class A common stock having a value equal to a minimum of three times his or her annual base salary.

Independent directors serving on the Board of Directors are required to own, within three years after they become subject to the guidelines, shares of our Class A common stock having a value equal to a minimum of three times their annual retainer.

Vested options to purchase Class A common stock may be counted as shares owned in determining compliance with the guidelines.

Our named executive officers currently subject to the guidelines hold shares and vested options in sufficient number to comply with the minimum ownership requirements of the revised policy. Our independent directors currently subject to the guidelines have not yet completed three years of service and therefore are not yet subject to the minimum requirements of the revised policy.

(1) Amounts shown represent the maximum awards that could be earned by our named executive officers under the FY08 Bonus Plan for fiscal year 2008. Actual bonuses paid under this plan for fiscal year 2008 are shown in the Summary Compensation Table in the Non-Equity Incentive Plan Compensation column.

(2) The value of an option award is based on the fair value as of the grant date of such award determined pursuant to SFAS 123(R). The exercise price for each option grant is 100% of the fair market value of a share of the Company's Class A common stock on the date of grant which was determined by reference to the closing price for the stock on the grant date on the NYSE. Regardless of the value placed on a stock option on the grant date,

the actual value of the option will depend on the market value of the Company's common stock at such date in the future when the option is exercised. These options were granted under our 2007 Stock Incentive Plan and generally vest and become exercisable 20% on each of the first five anniversary dates of the grant date.

Stock Plans

2007 Equity Incentive Plan

On June 7, 2007, our stockholders approved our 2007 Equity Incentive Plan (the "2007 Equity Plan"). This plan replaced our 1997 Stock Incentive Plan, which has expired. The 2007 Equity Plan is administered by the Compensation Committee, which has full and final authority to select persons to receive awards and establish the terms of such awards, unless authority is specifically reserved (i) to our Board of Directors, (ii) by our certificate of incorporation, as amended, (iii) by our Bylaws, or (iv) by other applicable law.

The 2007 Equity Plan provides that, subject to any required action by our stockholders, the number of shares of common stock covered by each outstanding award, the number of shares of common stock that have been authorized for issuance under the 2007 Equity Plan, as well as the price per share of common stock covered by each such outstanding award, and the limit on the number of shares that may be issued to an individual (as provided in 2007 Equity Plan) will be proportionately adjusted for any increase or decrease in the number of issued shares of common stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the common stock, or any other increase or decrease in the number of issued shares of common stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the

Table of Contents

Company will not be deemed to have been effected without receipt of consideration. Any such adjustment will be made by the Board of Directors, whose determination in that respect will be final, binding and conclusive. Unless otherwise provided in the 2007 Equity Plan, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, will affect, and no adjustment by reason thereof will be made with respect to, the number or price of shares of common stock subject to an option.

In the event of a change of control, our 2007 Equity Plan provides that the grant agreement, including those for our named executive officers, may provide that all outstanding options will vest and become exercisable and all other awards will become vested effective the day immediately prior to the change of control. A change of control under the 2007 Equity Plan is the merger, consolidation or other reorganization with or into another person, entity or group of entities under common control or the sale of a majority of our outstanding capital stock or all or substantially all of our assets to any other person, entity or group of entities under common control and as a result of such merger, consolidation, reorganization or sale, more than 50% of the combined voting power of the then-outstanding voting securities of the surviving person or entity immediately after such transaction are held in the aggregate by a person, entity or group of entities under common control who beneficially owned less than 50% of our combined voting power prior to such transaction. However, (i) any transaction that is effected by the Company for the purposes of internal corporate restructuring of the Company and its affiliated companies, which results in any or all of the combined voting power of the voting securities of the Company being held by an entity affiliated with the Company immediately prior to such transaction, or (ii) any transaction or series of transactions, which results in the ownership by Darwin Deason, and/or any person, entity or group of entities that he controls, of more than 50% of the combined voting power of the Company, shall not constitute or result in a change of control.

1997 Stock Incentive Plan

Our stockholders approved the Company's 1997 Stock Incentive Plan (the 1997 Plan) on December 16, 1997. The 1997 Plan permits the grant of nonstatutory stock options, stock purchase rights, stock appreciation rights, deferred stock, dividend equivalents and awards of restricted stock to employees, consultants and outside directors. The 1997 Plan also permits the grant of incentive stock options within the meaning of Section 422 of the Code to our employees.

The 1997 Plan has expired and was replaced by our 2007 Equity Plan.

In the event of a change of control, our 1997 Plan provides that the grant agreement may provide that all outstanding options will vest and become exercisable and all other awards will vest effective the day immediately prior to the change of control. A change of control under the 1997 Plan is the merger, consolidation or other reorganization with or into another person, entity or group of entities under common control or the sale of a majority of our outstanding capital stock or all or substantially all of our assets to any other person, entity or group of entities under common control and as a result of such merger, consolidation, reorganization or sale, more than 51% of the combined voting power of the then outstanding voting securities of the surviving person or entity immediately after such transaction are held in the aggregate by a person, entity or group of entities under common control who beneficially owned less than 51% of our combined voting power prior to such transaction.

Employee Stock Purchase Plan

Under our 1995 Employee Stock Purchase Plan (ESPP), a maximum of 4 million shares of Class A common stock can be issued to substantially all full-time employees who elect to participate. In September 2002, the Board of Directors approved an amendment to the ESPP to increase the number of shares that can be issued under the plan from 2 million to 4 million. Through payroll deductions, eligible participants may purchase our stock at a 5% discount to market value. The Plan permits the stock to either be purchased by the ESPP in the open market or issued from our treasury

account, or a combination of both. Our named executive officers are eligible to participate in the ESPP.

Retirement Benefits

ACS Savings Plan. The ACS Savings Plan is a defined contribution plan with a 401(k) feature. We previously matched 25% of the first 6% of eligible compensation that an employee contributes to the ACS Savings Plan per

year, but suspended the match in January 2009. The contributions to the plan are made by us for each of our executive officers on the same terms as applicable to all other employees. Contributions to the plan cannot be made after an employee earns \$245,000 in earnings during the year. Contributions to the plan are capped at \$16,500 per year. A participant becomes 50% vested in the ACS match portion of his or her contribution to the ACS Savings Plan after the participant completes two years of service, and becomes 100% vested in the ACS match portion of his or her contribution to the ACS Savings Plan after the participant completes three years of service or, if earlier, the participant becomes disabled or dies, or in the case of a termination of the ACS Savings Plan. If a participant's service terminates before he or she is vested, the participant will forfeit the unvested portion of the ACS match and any earnings thereon. According to the ACS Savings Plan, employees who are defined as Highly Compensated Employees (HCE) in accordance with the Internal Revenue Service guidelines will be capped annually at a specified deferral rate. The cap was 5% of eligible earnings for calendar years 2007 and 2008. This cap will be determined annually based on the results of the ACS Savings Plan's discrimination testing.

ACS Supplemental Savings Plan. Under our ACS Supplemental Savings Plan, HCEs of ACS, including our named executive officers, are permitted to defer receipt of up to 85% of their base salary, bonus and/or commissions. We previously matched 25% of the first 1% of eligible compensation that an employee contributes to the ACS Supplemental Savings Plan per year if he or she was enrolled the ACS Savings Plan (described above) and his or her contributions to the ACS Savings Plan were capped by the Company, but suspended the match in January 2009.

Perquisites

We offer the Executive Benefit Plan to promote the health and well-being of our executives, including our named executive officers. The Executive Benefit Plan consists of the following components:

Executive Medical Plan. Under the Executive Medical Plan, which is a fully insured plan of up to \$25,000 per participant, normal and customary medical, dental and vision care costs for executives and their immediate family members are paid by us. We do not pay non-medically necessary costs, such as cosmetic surgery. If costs paid by the Company exceed \$25,000 or relate to services or supplies considered experimental, investigational or under clinical investigation, then the medical expenses that exceed the \$25,000, along with any expenses for experimental, investigational or under clinical investigation services or supplies, are imputed as income to the executive.

Executive Long-Term Disability Plan. Certain of our executive officers are eligible to participate in our Executive Long-Term Disability Plan which provides additional long-term disability coverage through age 65 for certain of our executive officers in addition to the standard policy provided to each of our employees.

Prescription Benefit. Paid prescription coverage up to 100% for our executive officers and their immediate family members.

Annual Physical Examination. Reimbursement of up to \$1,000 annually for any physical examination for the executive officer and up to \$500 annually for any physical examination for the executive officer's spouse, performed by a designated physician or other licensed physician of their choice.

Estate Planning Services. Our executive officers receive a benefit of up to \$25,000 for initial estate planning services and up to \$10,000 per annum for subsequent services.

Income Tax Preparation. Each of our executive officers may be reimbursed, up to \$1,000 per annum, for income tax preparation services for preparation of their income tax returns.

Additionally, we pay the annual dues for club memberships for a limited number of executive officers, including Darwin Deason, Lynn Blodgett, Tom Burlin and John Rexford. The memberships are intended to be used primarily for business purposes, although the applicable executive officers may use the club for personal purposes. Executive officers are required to pay all costs related to their personal use of the club.

Equity Awards to fund Deason's Supplemental Executive Retirement Agreement

In addition to the equity awards shown above and as discussed in the section entitled "Certain Executive Arrangements" below, option grants were made to Mr. Deason to fund his Supplemental Executive Retirement Agreement, with the vesting and exercise dates matching the funding dates under the Supplemental Executive Retirement Agreement. Table of Contents**Option Exercises and Stock Vested as of June 30, 2008**

The following table shows the number of employee stock options exercised and the gross value realized by the named executive officers during fiscal year 2008. The dollar value reflects the total pre-tax value realized by such officers (the Company's stock price at exercise minus the option's exercise price), not the grant-date fair value or recognized compensation expense disclosed elsewhere in this document. Value from these option exercises was only realized to the extent our stock price increased relative to the stock price at grant (exercise price). The options exercised were granted to the named executive officers during 2000 and thereafter. Consequently, the value realized by the executives upon exercise of the options was actually earned over a period of up to seven years.

Pension Benefits

The table below shows benefits payable to Mr. Deason under his Supplemental Executive Retirement Agreement as of June 30, 2008. ACS's other executive officers received no benefits in fiscal year 2008 from the Company under any defined benefit pension plans. The Supplemental Executive Retirement Agreement was subsequently terminated on January 1, 2009, as set forth in Certain Executive Arrangements Termination of Supplemental Executive Retirement Agreement and Related Options below. For a discussion of the valuation assumptions used in the present value of accumulated benefit calculations, see Note 13 to the Notes to our Consolidated Financial Statements included in our Annual Report on Form 10-K for the year ended June 30, 2008. A further description of the Supplemental Executive Retirement Agreement, including amounts payable to Mr. Deason under the agreement, is set forth in the section entitled Certain Executive Arrangements Mr. Deason's Supplemental Executive Retirement Agreement below.

Additional service since May 2005 would not have increased Mr. Deason's benefit other than with respect to the calculation of his final average compensation under the Supplemental Executive Retirement Agreement.

Non-qualified Deferred Compensation

Certain of our named executive officers participate in a non-qualified deferred compensation plan, the ACS Supplemental Savings Plan. Under our ACS Supplemental Savings Plan, HCEs of ACS, including our named executive officers, are permitted to defer receipt of up to 85% of their base salary, bonus and/or commissions. We

previously matched 25% of the first 1% of eligible compensation per year that an employee contributes if they have reached the 5% cap under the ACS Savings Plan, but suspended the match in January 2009.

The following table shows certain information for the named executive officers under the ACS Supplemental Savings Plan.

Post Termination Benefits

Change of Control Agreements

In fiscal year 2008, Lynn Blodgett, Tom Burlin, John Rexford, Kevin Kyser and Tom Blodgett had written change of control agreements for benefits that were due to them upon a change of control. As discussed in the section entitled *Certain Executive Arrangements* Mr. Lynn Blodgett's Amended and Restated Employment Agreement below, Mr. Lynn Blodgett's change of control agreement has subsequently been replaced by his amended and restated employment agreement. As a result, Mr. Lynn Blodgett's benefits under his change of control agreement ceased to apply upon the adoption of his employment agreement. However, we have included a description of the change of control agreement since it was in place during much of fiscal year 2008. The change in control agreements for certain of the other executive officers remain in effect.

As defined in each of the change of control agreements, a change of control occurs if: (i) we undergo a consolidation or merger in which we are not the surviving company or in which our common stock is converted into cash, securities or other property such that holders of our common stock do not have the same proportionate ownership of the surviving company's common stock as they held of our common stock prior to the merger or consolidation; (ii) we sell, lease or transfer all or substantially all of our assets to a company in which we own less than 80% of the outstanding voting securities; (iii) we adopt or implement a plan or proposal for our liquidation; (iv) a person or entity (other than one or more trusts established by us for the benefit of our employees or a person or entity that holds 15% or more of our outstanding common stock on the date the particular change of control agreement was entered into) becomes the beneficial owner of 51% or more of our outstanding common stock; or (v) during any period of 24 consecutive months there is a turnover of a majority of the Board of Directors. Excluded from the determination of the turnover of directors are: (i) those directors who are replaced by new directors who are approved by a vote of at least a majority of the directors (continuing director) who have been a member of the Board of Directors before the date specified in each respective change of control agreement, (ii) a member of the Board of Directors who succeeds an otherwise continuing director and who was elected, or nominated for election by our stockholders, by a majority of the continuing directors then still in office, and (iii) any director elected, or nominated for election by our stockholders to fill any vacancy or newly created directorship by a majority of the continuing directors still in office. Each named executive officer listed above is entitled to receive the severance benefit described below upon consummation of any change of control event.

Each of the change of control agreements provide for cash benefits payable to the executive as well as certain non cash benefits that the Company will be responsible for providing in the event of a change in control.

Each of Mr. Burlin's, Mr. Kyser's, Mr. Rexford's and Mr. Tom Blodgett's current change of control benefits include a lump sum payment equal to (a) three times the sum of (i) the executive's per annum base salary, plus (ii) the executive's bonus for the preceding fiscal year (or if employed for less than one year, the bonus the executive officer would have received if employed for all of the preceding fiscal year), plus (b) the executive's target bonus for the then-current fiscal year, pro rated to reflect the number of days the executive was employed by us in that fiscal year.

Mr. Rexford's change of control benefits during the fiscal year ending June 30, 2008 included a lump sum payment, equal to (a) three times the sum of (i) the executive's per annum base salary, plus (ii) the sum of (y) the amount paid to the executive under his commission arrangement with the Company from December 1, 2006 through June 30, 2007, plus (z) the bonus the executive earned under the Company's Special Executive FY07 Bonus Plan (up to a maximum

of \$750,000), plus (b) the executive's target bonus for the then-current fiscal year, pro rated to reflect the number of days the executive was employed by us in that fiscal year.

Under the change of control agreements, we will also (a) pay accrued but unpaid compensation and deferred compensation; (b) continue to provide for up to three years following the executive's termination of employment insurance benefits (medical, dental, life insurance, disability and accidental death and dismemberment) to the executive until the executive secures employment that provides replacement insurance and thereafter (subject to the

Table of Contents

three year limit) to the extent any new insurance the executive receives from a subsequent employer does not cover a pre-existing condition, (c) provide outplacement counseling assistance for one year; (d) maintain director's and officer's liability insurance on behalf of the executive, at the level in effect immediately prior to the change of control, for the five (5) year period following the change of control; and (e) credit the executive with three years of participation and age credit when determining any executive's eligibility for post-retirement benefits under any welfare benefit plan.

Each of these executives is also entitled to receive additional payments to compensate for the effect of excise taxes imposed under Section 4999 of the Internal Revenue Code and any interest or penalties associated with these excise taxes upon payments made by us for the benefit of the executive. Any excise tax gross up that may be owed by the Company to reimburse the executives for their actual excise tax liability would be determined based on the total change of control compensation, including, if applicable, the accelerated vesting of equity options held by the executives, and the amount of such options held at the change of control date, the exercise prices and vesting dates of each grant outstanding. Other significant variable factors which would affect the calculation of the excise tax gross up would be the actual change of control date, stock price paid upon the change of control, the determination of the future federal, state and local income tax rates applicable for the affected executives, and the actual terms and structure of the change of control transaction, such as valuation methodology for stock options, whether equity, stock and or options held by the executives may be cashed out, substituted for equity of the acquirer, substituted for options of the acquirer, or some combination of these.

If an excise tax is incurred by an executive, the tax gross up amount payable by the Company in cash to the executive is determined by the following formula:

(Tentative excise tax before gross up)

divided by

(one less the sum of all tax rates applicable to the executive, such as excise tax rate(s), federal income tax rate, Medicare tax rate, social security tax rate (only if the executive has not already exceeded the maximum wage base for the year of the change of control), state income tax rate, and any local income tax rates (e.g., city, county or other local taxing jurisdiction)).

Each of the change of control agreements may be terminated by us with one year advance written notice to the respective named executive officer; however, if a change of control is consummated prior to termination by us, these agreements will remain in effect for the time necessary to give effect to the terms of the agreements.

In addition, please refer to the discussion in the section entitled "Certain Executive Arrangements" below.

- (a) The cash payment is the Supplemental Executive Retirement Agreement amount of \$13,108,042 payable if a termination occurred on June 30, 2008. The Supplemental Executive Retirement Agreement was subsequently terminated on January 1, 2009, as set forth in *Certain Executive Arrangements Termination of Supplemental Executive Retirement Agreement and Related Options*.
- (b) The cash payment is composed of (i) any accrued but unpaid compensation; (ii) three times the base salary and bonus paid for the prior year; (iii) 401(k) deferred compensation and supplemental deferred compensation.
- (c) The cash payment is composed of (i) amounts which could be received under the Company's Supplemental Unemployment Pay Plan (the *Plan*) as described in the next sentence; and (ii) 401(k) deferred compensation (under the ACS Savings Plan) and supplemental deferred compensation (under the ACS Supplemental Savings Plan). Under the Plan, full time United States-based employees with at least one full year of service who are terminated because of a *qualifying termination* (as defined in the Plan) and who otherwise are not eligible for benefits upon their termination of employment may receive two weeks of base pay (less any amounts from any state unemployment program for which the employee would be eligible) for each full year of service, subject to a maximum of ten weeks of base pay and their compliance with the conditions of the Plan. Messrs. Rexford, Kyser and Tom Blodgett would be eligible for ten weeks of base pay under the Plan and Mr. Burlin would be eligible for six weeks of base pay. These figures for the Plan assume no payments are received from any state unemployment program. In addition to payments under the Plan, Mr. Burlin, Mr. Rexford, Mr. Kyser and Mr. Tom Blodgett would be entitled to receive \$30,427, \$274,131, \$517,317 and \$468,198, respectively, in 401(k) deferred compensation under the ACS Savings Plan and supplemental deferred compensation under the ACS Supplemental Savings Plan upon termination. Assuming that this had occurred on June 30, 2008, the named executive officers would have been entitled to receive the following amounts: Mr. Deason, \$35,545; Mr. Lynn Blodgett, \$28,846; Mr. Burlin, \$30,427; Mr. Rexford, \$274,131; Mr. Kyser, \$517,317 and Mr. Tom Blodgett, \$468,198. Certain Executive Arrangements

Mr. Lynn Blodgett's Amended and Restated Employment Agreement

We entered into an amended and restated employment agreement with Mr. Lynn Blodgett effective as of May 1, 2008, which was subsequently amended on December 23, 2008 to satisfy the requirements of Section 409A of the Internal Revenue Code. The employment agreement, which was previously reviewed and approved by the Board of Directors and replaced an earlier agreement, has a term that currently ends on December 14, 2009, provided that the term will automatically be extended for an additional one year period, unless 30 days prior to December 14 of any year either

Mr. Blodgett or the Board of Directors gives notice to the other party that they do not wish to extend the term. Further, under the employment agreement, Mr. Blodgett is eligible to receive a discretionary bonus as may be determined by the Board of Directors or Compensation Committee. Mr. Blodgett is also eligible to participate in the Company's 1997 Stock Plan and 2007 Equity Plan or any omnibus stock incentive or award plans adopted by the Company.

Table of Contents

If we terminate Mr. Lynn Blodgett's employment without cause, as defined below, or if the employment agreement terminates, the Company will be required to pay Mr. Lynn Blodgett all of his accrued and unpaid base salary. In addition, the Company will pay Mr. Lynn Blodgett a lump sum severance payment equal to three times the sum of (i) his annual base salary, plus (ii) an amount equal to his discretionary bonus for the immediately preceding fiscal year. Further, any unvested stock options or other equity-based awards granted to Mr. Lynn Blodgett under the 1997 Stock Plan, the 2007 Equity Plan or any omnibus stock incentive or award plans adopted by the Company that are outstanding as of the date of such termination will become fully vested and non-forfeitable.

As used in Mr. Lynn Blodgett's employment agreement, cause means: (A) the willful and continued failure of executive to perform substantially all of his duties with the Company (other than any such failure resulting from incapacity due to physical or mental illness), after a written demand for substantial performance is delivered to Mr. Lynn Blodgett by the Board of Directors which specifically identifies the manner in which the Board of Directors believes that he has not substantially performed his duties, or (B) the willful engaging by Mr. Lynn Blodgett in illegal conduct or gross misconduct which is materially and demonstrably injurious to the Company.

In the event Mr. Lynn Blodgett terminates his employment agreement for good reason (as defined below), he will be entitled to his accrued compensation and the same lump sum severance payment described above. The following events constitute good reason under Mr. Lynn Blodgett's employment agreement: (i) a change of control; (ii) Mr. Lynn Blodgett's removal from his position as Chief Executive Officer other than as result of a termination without cause, termination for cause, termination by executive without good reason, termination for disability, or termination for death; or (iii) the Company's failure to make a payment to Mr. Lynn Blodgett required under the employment agreement, if the breach is not cured within 20 days of the executive sending written notice to the Company.

Mr. Lynn Blodgett will be entitled to a change of control benefit, upon the consummation of any change in control (as defined below) in a lump sum equal to three times the sum of his per annum base salary, plus his bonus for the preceding fiscal year. In the event his employment with the Company is terminated by the Company without cause or by him for good reason within three days of a change in control, he would be entitled to receive the greater of (i) the amount described in the prior sentence or (ii) the amount he would be entitled to receive if he is terminated without cause or his employment terminates. Further, any unvested stock options or other equity-based awards granted to Mr. Lynn Blodgett under the 1997 Stock Plan, the 2007 Equity Plan or any omnibus stock incentive or award plans adopted by the Company that are outstanding as of the date of such change in control will become fully vested and non-forfeitable.

A change of control will occur if: (i) we undergo a consolidation or merger in which we are not the surviving company or in which our common stock is converted into cash, securities or other property such that holders of our common stock do not have the same proportionate ownership of the surviving company's common stock as they held of our common stock prior to the merger or consolidation; (ii) we sell, lease or transfer all or substantially all of our assets to a company in which we own less than 80% of the outstanding voting securities; (iii) we adopt or implement a plan or proposal for our liquidation; (iv) a person or entity (other than one or more trusts established by us for the benefit of our employees) becomes the beneficial owner of 51% or more of our outstanding common stock; or (v) during any period of 24 consecutive months there is a turnover of a majority of the Board. Excluded from the determination of the turnover of directors are: (i) those directors who are replaced by new directors who are approved by a vote of at least a majority of the directors (continuing director) who have been a member of our Board of Directors since January 1, 2004, (ii) a member of the Board of Directors who succeeds an otherwise continuing director and who was elected, or nominated for election by our stockholders, by a majority of the continuing directors then still in office, and (iii) any director elected, or nominated for election by our stockholders to fill any vacancy or newly created directorship by a majority of the continuing directors still in office.

If Mr. Lynn Blodgett is terminated without cause, terminates his employment for good reason or is terminated because of a disability or if the agreement terminates, the Company will also be required to pay the cost of his continuation coverage under COBRA until the earlier of 12 months from the date of his termination or the date that he becomes employed by another employer.

In order to receive the severance payment described above, Mr. Lynn Blodgett will be required to execute a separation agreement and general release of claims that is acceptable to the Company.

Table of Contents

Under his employment agreement, Mr. Blodgett is also entitled to receive the same excise tax gross-up benefit as in the change of control agreements described in the section entitled "Change of Control and Termination Payments - Change of Control Benefits Payable at June 30, 2008" above.

Mr. Deason's Amended Employment Agreement

We initially entered into an employment agreement with Mr. Deason effective as of February 16, 1999. On December 7, 2007, the employment agreement was amended by the Company and Mr. Deason in order to remove certain exclusive governance rights previously held by Mr. Deason, including his right to recommend to the Compensation Committee, salary, bonus, stock option and other compensation matters for our President, Chief Executive Officer, Chief Operating Officer, Chief Financial Officer, Executive Vice Presidents, General Counsel, Secretary and Treasurer and his right to appoint certain officers and recommend directors for election or removal from the Board of Directors. The agreement now provides that the Compensation Committee will consult with Mr. Deason in determining the compensation policies of the Company and the compensation of the Company's executive officers. The agreement was also amended on December 23, 2008 to satisfy the requirements of Section 409A of the Internal Revenue Code.

The employment agreement has a term that currently ends on May 18, 2013, provided that such term will automatically be extended for an additional year on May 18 of each year, unless 30 days prior to May 18 of any year Mr. Deason gives notice to us that he does not wish to extend the term or our Board of Directors, upon a unanimous vote of the directors, except for Mr. Deason, gives notice to Mr. Deason that it does not wish to extend the term. The employment agreement provides for a base salary of \$525,000 with annual adjustments to Mr. Deason's base salary by a percentage equal to the average percentage adjustments to the annual salaries of our top five executive officers (excluding promotions). The employment agreement also provides for an annual bonus based on the achievement of financial goals set for Mr. Deason by the Compensation Committee. This bonus can be up to 250% of Mr. Deason's base salary for that year, or at the discretion of the Compensation Committee, a greater percentage, which is consistent with the bonus percentage Mr. Deason has been eligible to receive since 1996.

Under the employment agreement, Mr. Deason will be entitled to a payment if: (i) we undergo a consolidation or merger in which we are not the surviving company or in which our common stock is converted into cash, securities or other property such that holders of our common stock do not have the same proportionate ownership of the surviving company's common stock as they held of our common stock prior to the merger or consolidation; (ii) we sell, lease or transfer all or substantially all of our assets to a company in which we own less than 80% of the outstanding voting securities; (iii) we adopt or implement a plan or proposal for our liquidation; (iv) a person or entity (other than one or more trusts established by us for the benefit of our employees) becomes the beneficial owner of 20% or more of our outstanding common stock; or (v) during any period of 24 consecutive months there is a turnover of a majority of the Board of Directors. Excluded from the determination of the turnover of directors are: (i) those directors who are replaced by new directors who are approved by a vote of at least a majority of the directors (continuing director) who have been a member of our Board of Directors since February 1, 1999, (ii) a member of the Board of Directors who succeeds an otherwise continuing director and who was elected, or nominated for election by our stockholders, by a majority of the continuing directors then still in office, (iii) any director elected, or nominated for election by our stockholders to fill any vacancy or newly created directorship by a majority of the continuing directors still in office, and (iv) a member of the Board of Directors who succeeds an otherwise continuing director and who was selected and appointed by Mr. Deason to fill the unexpired term of a director who, because such person is no longer an officer of the Company, is no longer on the Board of Directors.

The benefit to be received by Mr. Deason upon a change of control event includes a lump sum payment, equal to (a) the number of years (including partial years) remaining under his employment agreement times the sum of (i) his per annum base salary at the time of the change of control, plus (ii) the greater of (x) his bonus for the immediately

preceding fiscal year or (y) the average of his bonus for the immediately preceding two fiscal years, plus (b) his target bonus for the then-current fiscal year, pro rated to reflect the number of days the executive was employed by us in that fiscal year. Among other things, the employment agreement also provides that we will, (a) for up to three years following Mr. Deason's termination of employment, continue to (i) provide insurance (medical, dental, life insurance, disability and accidental death and dismemberment) benefits to the executive at the highest level of coverage provided to Mr. Deason prior to the change of control until the executive secures

Table of Contents

employment that provides replacement insurance and (ii) provide insurance benefits to the executive to the extent any new insurance the executive receives from a subsequent employer does not cover a pre-existing condition, and (b) provide outplacement counseling assistance and (c) maintain director's and officer's liability insurance on behalf of the executive, at the level in effect immediately prior to the change of control, for the three (3) year period following the change of control, and throughout the period of any applicable statute of limitations. Under the employment agreement, we will also pay accrued but unpaid compensation and deferred compensation upon termination of employment. Also, when determining Mr. Deason's eligibility for post-retirement benefits under any welfare benefit plan, he will be credited with three years of participation and age credit. Mr. Deason will also become vested in the benefits provided under any Company retirement or successor plan.

Under his employment agreement, Mr. Deason is entitled to receive the same excise tax gross-up benefit as in the change of control agreements described in the section entitled "Change of Control and Termination Payments - Change of Control Benefits Payable at June 30, 2008" above.

Mr. Deason's Voting Agreement

During fiscal year 2006 the Board of Directors authorized a modified "Dutch Auction" tender offer (the "Tender Offer") to purchase up to 55.5 million shares of our Class A common stock. That Tender Offer was completed in March 2006 and 7.4 million shares of Class A common stock were purchased in the Tender Offer. In connection with the Tender Offer, Mr. Deason entered into a Voting Agreement with the Company dated February 9, 2006 (the "Voting Agreement") in which he agreed to limit his ability to cause the additional voting power he would hold as a result of the Tender Offer to affect the outcome of any matter submitted to the vote of the stockholders of the Company after consummation of the Tender Offer.

On December 7, 2007, the Board of the Directors approved an amendment of the Voting Agreement, to provide that Mr. Deason's voting power with respect to 1,989,864 shares of Class A common stock and 6,599,372 shares of Class B common stock held by him as of December 7, 2007, would not exceed 45% as a result of share repurchases by the Company pursuant to the Company's share repurchase program. Other than as expressly set forth in the Voting Agreement, Mr. Deason continues to have the power to exercise all rights attached to the shares he owns, including the right to dispose of his shares and the right to receive any distributions thereon.

The Voting Agreement will terminate on the earliest of (i) the mutual agreement of the Company (authorized by not less than a majority of the vote of the then independent and disinterested directors) and Mr. Deason, (ii) the date on which Mr. Deason ceases to hold any Excess Voting Power, as calculated in the Voting Agreement, or (iii) the date on which all Class B shares are converted into Class A shares.

Mr. Deason and a special committee of the Board of Directors have not reached an agreement regarding the fair compensation to be paid to Mr. Deason for entering into the Voting Agreement. However, whether or not Mr. Deason and our special committee are able to reach agreement on compensation to be paid to Mr. Deason, the Voting Agreement will remain in effect.

This summary of the Voting Agreement is qualified in its entirety by the terms of the Voting Agreement, which is filed as Exhibit 99.1 to our Current Report on Form 8-K filed December 10, 2007.

Mr. Deason's Supplemental Executive Retirement Agreement

We entered into a Supplemental Executive Retirement Agreement with Mr. Deason in December 1998 (as amended, the "Supplemental Executive Retirement Agreement"), which was (i) amended in August 2003 to conform the normal retirement date specified therein to our fiscal year end next succeeding the termination of the employment agreement

between Mr. Deason and us; (ii) subsequently amended in June 2005 to conform the normal retirement date to the termination date of the employment agreement with the exception of the determination of any amount deferred in taxable years prior to January 1, 2005 for purposes of applying the provisions of the American Jobs Creation Act of 2004 and the regulations and interpretive guidance published pursuant thereto (the "AJCA"); and (iii) terminated on January 1, 2009 as set forth below in "Termination of Supplemental Executive Retirement Agreement and Related Options". Pursuant to the Supplemental Executive Retirement Agreement, which was reviewed and approved by the Board of Directors, Mr. Deason would have received a benefit upon the occurrence of

Table of Contents

events described below equal to an actuarially calculated amount based on a percentage of his average monthly compensation determined by his monthly compensation during the highest 36 consecutive calendar months from among the 120 consecutive calendar months ending on the earlier of his termination of employment or his normal retirement date. The amount of this benefit payable by us was expected to be offset by the value of particular options granted to Mr. Deason (including 150,000 shares covered by options granted in October 1998 with an exercise price of \$11.53 per share, which were exercised in full on October 2, 2008, and 300,000 shares granted in August 2003 with an exercise price of \$44.10 per share which were terminated on December 31, 2008, as set forth in *Termination of Supplemental Executive Retirement Agreement and Related Options*).

We estimated, as of June 30, 2008, that our obligation with respect to Mr. Deason under the Supplemental Executive Retirement Agreement was approximately \$9.0 million and that the value (the excess of the market price over the option exercise price) of the options at June 30, 2008 was \$9.1 million. The options for 150,000 shares were exercised in full on October 2, 2008, six days before their expiration, when the price of our stock was \$48.77.

Termination of Supplemental Executive Retirement Agreement and Related Options

On December 23, 2008, Mr. Deason agreed, at the request of the Company, to amend the Supplemental Executive Retirement Agreement in order to ensure that the Agreement would comply with Section 409A of the Internal Revenue Code (*Section 409A*).

The Company determined that certain aspects of the Agreement might not currently satisfy the complex requirements of Section 409A. Pursuant to transition rules under Section 409A that allow companies to make certain changes to deferred compensation arrangements this year, the Company requested Mr. Deason to agree that, on January 1, 2009, the Agreement be terminated and that Mr. Deason receive a cash lump sum, even though he is not retiring. The cash lump sum, which was \$9,452,977 as determined pursuant to the amendment to the Agreement (the *Amendment*), was consideration for (1) the accrued benefit that the Chairman would have earned under the Agreement, as if normal retirement occurred on January 1, 2009, (2) the costs the Chairman incurred in connection with the exercise of options issued to the Chairman in connection with the Agreement in 1998 and (3) the termination of stock options issued to the Chairman in connection with the Agreement in 2003. The Company has no obligations to the Chairman pursuant to the Agreement or the related options.

The descriptions set forth in this section are general in nature and are qualified in their entirety by reference to the full text of the Amendment filed as Exhibit 10.1 to the Company's Form 8-K dated December 30, 2008 and the Chairman Employment Agreement Amendment filed as Exhibit 10.2 to that Form 8-K.

REPORT OF THE AUDIT COMMITTEE

From July 1, 2007 until November 21, 2007, the Audit Committee of the Board of Directors consisted of three members: Messrs. Rossi, McCuiston and Holland. On November 21, 2007, Messrs. Rossi, McCuiston and Holland resigned from the Board of Directors. On November 25, 2007 the Board of Directors appointed Messrs. Krauss, Miller and Spears to the Audit Committee. On January 5, 2008, Mr. Spears passed away. On February 23, 2008, Mr. Sullivan was elected as a director and the Audit Committee was reconstituted to consist of Messrs. Krauss (Chairman), Miller and Sullivan. On March 19, 2008, Mr. Druskin was elected as a director and the Audit Committee was reconstituted to consist of Messrs. Krauss (Chairman), Miller and Druskin. All of the aforementioned Audit Committee members are independent as defined in the NYSE listing standards. The Audit Committee has adopted an amended and revised written charter which was approved on August 20, 2008. The Audit Committee has reviewed and discussed our audited financial statements with management, which has primary responsibility for the financial statements and management's evaluation and assessment of the effectiveness of internal control over financial reporting. PricewaterhouseCoopers LLP (PwC), our independent registered public accounting firm for fiscal year 2008, is responsible for expressing an opinion on the conformity of our annual financial statements with generally accepted accounting principles and an opinion on the effectiveness of internal control over financial reporting. The Audit Committee has discussed with PwC the financial statement audit, the audit of the effectiveness of internal controls over financial reporting and all other matters that are required to be discussed by Statement on Auditing Standards No. 61, as amended (*Communication with Audit Committees*). PwC has provided to the Audit Committee the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee discussed PwC's independence with PwC. The Audit Committee also concluded that PwC's provision of non-audit services is compatible with PwC's independence.

Based on the considerations referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for fiscal year 2008 and that PwC be appointed our independent registered public accounting firm for our fiscal year 2009.

Submitted by the Audit Committee
of the Board of Directors:

KURT R. KRAUSS* (Chairman)
ROBERT DRUSKIN*
TED B. MILLER, JR.*

* Messrs. Krauss and Miller have served as members of the Audit Committee since November 25, 2007. Mr. Druskin has served as a member of the Audit Committee only since March 19, 2008. Messrs. Krauss, Druskin and Miller were not involved in and did not participate in any decision of the Audit Committee prior to the date that they joined the Audit Committee, including but not limited to the approval of the Form 10-K for the fiscal year ended June 30, 2007.

Compensation Committee Interlocks and Insider Participation

During fiscal year 2007, the Compensation Committee was comprised solely of independent directors: Messrs. O Neill, Kosberg and Holland (Mr. Holland was appointed to the Committee in January 2007). On November 21, 2007, Messrs. O Neill, Kosberg and Holland resigned from the Board of Directors. On November 25, 2007 the Board of Directors appointed Messrs. Miller (Chairman), Krauss and Varasano to the Compensation Committee. On March 19, 2008, the Compensation Committee was reconstituted to consist of Messrs. Miller (Chairman), Sullivan and Varasano. No member of our Compensation Committee during fiscal year 2008, or currently, was an employee or officer or former employee or officer of the Company or any of its subsidiaries or had any interest in a transaction or relationship requiring disclosure under Item 404 of Regulation S-K promulgated by the SEC during fiscal year 2007. None of our executive officers served on the Board of Directors or on the compensation committee of any other entity, for which any executive officers of such other entity served either on our Board of Directors or on our Compensation Committee. For information on insider participation, see the section entitled Certain Transactions below.

CERTAIN TRANSACTIONS

Prior to 2002, we had guaranteed \$11.5 million of certain loan obligations owed to Citicorp USA, Inc. by DDH Aviation, Inc., a corporate airplane brokerage company organized in 1997 (as may have been reorganized subsequent to July 2002, herein referred to as DDH). In July 2002, our Chairman of the Board of Directors assumed in full our guaranty obligations to Citicorp and Citicorp released in full our guaranty obligations. As partial consideration for the release of our corporate guaranty, we agreed to provide certain administrative services to DDH at no charge until such time as DDH meets certain specified financial criteria. In the first quarter of fiscal year 2003, we purchased \$1 million in prepaid charter flights at favorable rates from DDH. In the second quarter of fiscal year 2007, we were notified by DDH of their intent to wind down operations; therefore, we recorded a charge of \$0.6 million related to the unused prepaid charter flights. We made no payments to DDH during fiscal years 2008, 2007 and 2006 but plan to continue providing administrative services to DDH until the wind down of DDH operations is complete.

During fiscal years 2008, 2007 and 2006, we purchased approximately \$4.9 million, \$5.8 million and \$8.8 million, respectively, of office products and printing services from Prestige Business Solutions, Inc., a supplier owned by the daughter-in-law of our Chairman. These products and services were purchased on a competitive bid basis in substantially all cases. We believe this relationship has allowed us to obtain these products and services at quality levels and costs more favorable than would have been available through alternative market sources.

In connection with the departure of our former Chief Executive Officer, Jeffrey Rich, in June 2006 we entered into an agreement with Rich Capital LLC, an M&A advisory firm owned by him. The agreement was for two years during which time we would pay a total of \$0.5 million for M&A advisory services, payable in equal quarterly installments. We paid approximately \$63,000 related to this agreement through June 30, 2006. However, we have currently suspended payment under this agreement pending determination whether Rich Capital LLC is capable of performing its obligations under the contract in view of the internal investigation's conclusions regarding stock options awarded to Mr. Rich. No payments were made during fiscal year 2007 or 2008 related to this agreement.

We currently employ approximately 74,000 employees and actively recruit qualified candidates for our employment needs. Relatives of our executive officers and other employees are eligible for hire by the Company. We had six employees who receive more than \$120,000 in annual compensation (salary, bonus and commission) who are related to our current executive officers, including executive officers who are also directors, as of June 30, 2008. These are routine employment arrangements entered into in the ordinary course of business and the compensation of each such family member is commensurate with that of their peers. All of these family members are at levels below senior vice president except Thomas Blodgett who reports to Tom Burlin, our Chief Operating Officer, and is the brother of Lynn

Blodgett, our President and Chief Executive Officer and Tas Panos, who reports to Lynn Blodgett, our President and Chief Executive Officer, and is the brother-in-law of Darwin Deason. Tas Panos is employed as Executive Vice President, General Counsel and Secretary and earned \$413,180 in base salary and bonus compensation during fiscal year 2008. He was granted options to purchase 140,000 shares of

Table of Contents

our Class A common stock during fiscal year 2008. The annual base salaries for the remaining four employees ranges from approximately \$132,000 to \$249,999.

The Board of Directors adopted on May 22, 2008 a formal written policy regarding the review, approval or ratification of related party transactions under which the Company is to provide to the Board of Directors for their review, and to disclose in its public filings, all related party transactions that are required to be disclosed under Item 404(a) of Regulation S-K.

**STOCKHOLDER PROPOSALS AND STOCKHOLDER RECOMMENDED NOMINEES
FOR 2009 ANNUAL MEETING**

We currently expect to hold our 2009 Annual Meeting of Stockholders on or around November 5, 2009, and mail (or otherwise furnish) the proxy statement for that meeting in late September, 2009, subject to any changes we may make. If any of our stockholders intends to present a proposal for consideration at the 2009 Annual Meeting of Stockholders, including the nomination of directors, such stockholder must provide notice to us of such proposal.

Pursuant to Rule 14a-8 of the Exchange Act and in accordance with Section 8(c) of our Bylaws, respectively, our stockholders must generally provide notice of a proposal to us under our Bylaws no later than 120 days and no earlier than 150 days before the anniversary date of the last proxy statement for annual meeting. Stockholder proposals for the 2009 Annual Meeting of Stockholders, including those that will not be included in the proxy statement and form of proxy distributed by the Board of Directors, must be received no sooner than May 29, 2009, but not later than June 12, 2009. The foregoing time limits also apply in determining whether notice is timely for purposes of rules adopted by the SEC relating to the exercise of discretionary voting authority with respect to proxies. Stockholder proposals must be sent to our principal executive offices, 2828 North Haskell Avenue, Dallas, Texas 75204, Attention: Tas Panos, Corporate Secretary.

Stockholders who wish to have their nominees for election to the Board of Directors considered by the Nominating and Corporate Governance Committee must comply with the requirements set forth above in the section titled Board of Directors Committees and Meetings Nominating and Corporate Governance Committees.

HOUSEHOLDING OF STOCKHOLDER DOCUMENTS

We may send a single set of stockholder documents to any household at which two or more stockholders reside. This process is called householding. This reduces the volume of duplicate information received at your household and helps us to reduce costs. Your materials may be householded based on your prior express or implied consent. If your materials have been householded and you wish to receive separate copies of these documents, or if you are receiving duplicate copies of these documents and wish to have the information householded, you may write or call our Investor Relations department at the following address or phone number: Affiliated Computer Services, Inc., 2828 N. SECTION 1
Establishment and Purpose

Affiliated Computer Services, Inc. (the Company) hereby establishes the ACS Senior Executive Annual Incentive Plan (the Plan) for the benefit of certain of its employees and those of its subsidiaries and affiliates. The Plan will be submitted to the stockholders of the Company for approval at the 2008 Annual Meeting of Stockholders of the Company scheduled to be held on May 28, 2009, and will be effective retroactively to July 1, 2008 (the Effective Date). No award may be paid under this Plan prior to the date that, as and to the extent required under Section 162(m) (Section 162(m)) of the Internal Revenue Code of 1986, as amended (the Code), stockholders of the Company receive disclosure of and approve the material terms of the performance goals used to determine what compensation will be paid pursuant to awards under the Plan. As and to the extent provided under Section 162(m), the material terms of the performance goals under the Plan must be disclosed to and reapproved by the Company's stockholders no later than the first stockholder meeting that occurs in the fifth year following the year in which the stockholders previously approved the performance criteria under the Plan. The purposes of the Plan are to motivate selected senior executives toward achievement of performance goals; encourage teamwork in various segments of the Company; and reward performance with bonuses that vary in relation to the achievement of the pre-established performance goals.

SECTION 2
Eligibility

The individuals who are assigned one or more of the following titles by the Company are eligible to participate in the Plan, as determined and elected by the Committee (as defined in Section 3 hereof): (i) Chairman, (ii) Chief Executive Officer, (iii) President, (iv) Chief Operating Officer; (v) Executive Vice President; or (vi) any other employee who the Committee (as defined below) selects. Each individual selected for participation by the Committee will be known as a Participant.

SECTION 3
Administration

The Plan will be administered by the Compensation Committee of the Company's Board of Directors (the Board), or such other committee as the Board may from time to time select (the Committee). The Committee will at all times be composed solely of two or more members of the Board, each of whom qualifies as an outside director within the meaning of Section 162(m).

Except as limited by law or the Company's Certificate of Incorporation or Bylaws, and subject to the provisions herein, the Committee will have full power and authority, to the fullest extent required to comply with Section 162(m), to select Participants (as defined in Section 2 hereof); determine the size of bonus awards; determine the terms, conditions, restrictions and other provisions of bonus awards, including the establishment of the Performance Goals (as defined in Section 4 hereof); interpret the Plan; establish, amend or rescind guidelines, rules and regulations for the Plan's administration; review and certify the achievement of Performance Goals; and, subject to Section 9 hereof and the restrictions under Section 162(m), amend the terms and conditions of the Plan. Further, the Committee will make all other determinations which may be necessary or advisable for the administration and operation of the Plan. All determinations and decisions of the Committee arising under the Plan will be final, binding and conclusive upon all parties. By accepting any benefits under the Plan, each Participant, and each person claiming under or through such Participant, will be conclusively deemed to have indicated acceptance and ratification of, and consent to, all

provisions of the Plan and any determination or decision under the Plan by the Company, the Board or the Committee.

SECTION 4
Participation and Performance Goals

The Committee will have the authority to select Participants (as defined in Section 2 hereof) for cash bonus awards under the Plan for each Measurement Period (as defined below) and the financial and other performance criteria (Performance Goals) upon which such awards will be based. For purposes of the Plan, the term Measurement Period means the period of one fiscal year, unless an alternate period (such as a portion of a fiscal year or multiple fiscal years (Alternate Measurement Period) is otherwise selected and established in writing by the Committee at the time the Performance Goal is established. Except as indicated in Section 5 for employees who become Participants or are promoted during a Measurement Period, no later than the earlier of ninety (90) days after the commencement of the applicable Measurement Period or the completion of 25% of such Measurement Period, the Committee will, in its discretion, determine the Participants for such Measurement Period and establish the Performance Goals applicable to each Participant s award. Performance Goals need not be the same for all Participants.

The Performance Goals may be based on any one or more of the following measures (or the relative or absolute change, improvement or growth in any such measure) as reported in the Company s publicly reported financial filings or as any such measure is to be adjusted as determined by the Committee at the time the Performance Goals are set for the Company or a business unit (either in total or on a per share basis): earnings; earnings before one or more of the following: depreciation, amortization, interest or taxes (EBIT, EBITA or EBITDA as defined by the Committee); return on equity; return on assets; return on invested capital; gross sales; net sales; cash flow; discounted cash flow; cumulative cash flow; adjusted cash flow (such as earnings, as described above, plus or minus, as applicable, one or more of the following: non-operating expenses (including intercompany interest), non-operating profit, equity compensation expense per SFAS 123(R), unusual items such as gain or loss on divestitures, capital expenditures, additions to intangible assets, changes in accounts receivable, unearned revenue and the cash flow of any acquisitions made during the Measurement Period); operating profits; pre-tax profits; post-tax profits; consolidated net income; economic value added; costs; financial ratings; regulatory compliance; achievement of balance sheet or income statement objectives; market share and total return to stockholders and the extent to which strategic, financial and business plan goals are met.

With respect to each Participant, the Committee will establish ranges of Performance Goals which correspond to various levels of cash bonus amounts (Award Opportunities) for the Measurement Period. Each range of Performance Goals will include levels of performance at which up to two hundred fifty percent (250%) of the bonus award (Maximum Bonus Percentage) may be earned by Participants. In addition, each range of Performance Goals will include levels of performance below the maximum bonus award performance level. The Committee may establish minimum levels of Performance Goal achievement below which no bonus payment will be made to the Participant.

Bonuses are determined by a formula as follows:

$$\begin{aligned}
 &\text{Participant s Salary (as determined below)} \\
 &x \text{ Participant s Maximum Bonus Percentage} \\
 &x \text{ ACS Multiplier Percentage} \\
 &x \text{ Corporate Multiplier Percentage} \\
 &= \text{Participant s Bonus Amount}
 \end{aligned}$$

The ACS Multiplier Percentage shall mean a measure of the Company s consolidated results for the Performance Goal financial criteria as selected by the Committee.

The Corporate Multiplier Percentage shall mean a measure of the Company's corporate business unit results of the Performance Goal financial criteria as selected by the Committee.

The above formula, when calculated using 100% for the ACS Multiplier Percentage and 100% for the Corporate Multiplier Percentage will result in the Maximum Bonus Award a Participant is eligible to receive for the Measurement Period.

A-2

Table of Contents

Calculations of the Performance Goals and Award Opportunities will exclude (i) extraordinary items, as reported in the Company's annual audited financial statements; and (ii) any unusual or infrequent gains, losses, income or expense reported by the Company in its public filings with respect to the Measurement Period including, without limitation:

- (a) expenses for severance, non-recurring retention bonuses or other charges related to the departure or the restructuring of compensation of any of the Company's top executive officers;
- (b) charges related to material internal Company investigations or regulatory inquiries, such as stock option investigations conducted by the Company and in response to the SEC inquiry, including related settlements and payments;
- (c) material benefits or charges related to the resolution of prior year events;
- (d) significant asset impairments;
- (e) large loss contracts;
- (f) unusual gains or losses due to the divestiture of a material portion of the Company's business that required Board of Directors' approval;
- (g) a proportionate amount of ordinary income and gains of a divested business unit, segment or subsidiary from base year amounts of financial metrics in which a growth goal is the performance target, equal to the portion of the year that the divested business was not included in the Measurement Period;
- (h) charges incurred due to actions taken by Board of Directors' decisions such as Company recapitalization and/or reorganization events;
- (i) the gain, loss, income or expense resulting from material changes in accounting principles that become effective during the Measurement Period to the extent not included in the operating budget for the Measurement Period; and
- (j) gains or losses from all or certain claims and/or litigation and all or certain insurance recoveries related to claims and/or litigation.

SECTION 5

Calculation of Final Bonus Award and Determination

Awards are based on the achievement of the pre-established Performance Goals. After the Performance Goals are established as described herein, the Committee will align the achievement of the Performance Goals with Award Opportunities, such that the level of achievement of the Performance Goals at the end of the Measurement Period will determine the Participant's actual annual bonus award ("Final Bonus Award").

Final Bonus Awards may vary below, but cannot exceed, the Maximum Bonus Award, based on the level of achievement of the pre-established Performance Goals.

The Final Bonus Awards will be calculated based on the actual results under each Performance Measure. For performance that is less than the maximum levels, the awards will be correspondingly adjusted by straight-line interpolation.

The sum of (i) the Participant's annual rate of base salary at the beginning of the Measurement Period pro-rated from the start of the Measurement Period to the date of any increase in such base salary during the Management Period plus (ii) the Participant's increased annual rate of base salary during the Measurement Period pro-rated from the date of such increase during the Management Period to the end of the Measurement Period shall be considered the

Participant's Salary and used in calculating the Final Bonus Award. In no event, however, will the Maximum Bonus Award be greater than 250% of such Participant's base salary at the end of the Measurement Period.

Negative discretion may be used by the Committee to reduce the Final Bonus Award. In no event, however, will an exercise of negative discretion to reduce the Final Bonus Award of a Participant have the effect of increasing the amount of a Final Bonus Award otherwise payable to any other Participant.

Table of Contents

The Committee may, in its discretion, at any time establish (and, once established, rescind, waive or amend) additional conditions and terms of payment of awards (including but not limited to the achievement of other financial, strategic or individual goals, which may be objective or subjective) as it may deem desirable in carrying out the purposes of the Plan and may take into account such other factors as it deems appropriate in administering any aspect of the Plan, including to reduce the amount of such an award at any time prior to payment based on such criteria as it shall determine, including but not limited to individual merit and the attainment of specified levels of one or any combination of the Performance Goals. Notwithstanding any contrary provision of this Plan, the Committee may not adjust upwards the amount payable pursuant to any award subject to this Section 5, nor may it waive the achievement of the Performance Goal requirement.

An individual who becomes a Participant in the Plan (or is promoted to a position with a higher Maximum Bonus Percentage) after July 1 of the Company's fiscal year Measurement Period may be eligible to receive an Award Opportunity based on an Alternate Measurement Period as established by the Committee in its sole discretion. For purposes of this calculation, the Committee may establish the Performance Goals and Award Opportunities for the Alternate Measurement Period within the earlier of 90 days of the time of hire or promotion or the completion of 25% of such Alternate Measurement Period.

In addition, if a Participant dies, becomes permanently disabled (as determined by the Committee) or becomes an inactive employee during the Measurement Period, his or her Award, if any, will be calculated based on the actual full-year performance results, but prorated for the number of full calendar months he or she was an active employee during the Measurement Period. Employees are considered active employees if they are currently being paid annual base salary from the Company.

SECTION 6 Final Bonus Award Limit

The total of all Final Bonus Awards payable to Participants for performance in any Measurement Period will not under any circumstances exceed five percent (5%) of the Net Income of the Company (the Maximum Bonus Awards Pool) for such period. For purposes of the Plan, the term Net Income means the income from continuing operations of the Company and its subsidiaries, as determined on a consolidated basis in accordance with generally accepted accounting principles, adjusted to exclude the following: (i) the expenses and accruals for the Plan and (ii) any of the items excluded from the calculation of Performance Goals and Award Opportunities under Section 4 to the extent reported by the Company in its public filings with respect to the Measurement Period.

The maximum Final Bonus Award any Participant can receive for performance in any Measurement Period is five million dollars (\$5,000,000). In the event that the total of all Final Bonus Awards payable to Participants should exceed the Maximum Bonus Awards Pool as specified above, the Final Bonus Award of each Participant will be proportionately reduced such that the total of all such Final Bonus Awards paid is equal to the Maximum Bonus Awards Pool.

SECTION 7 Payment of Awards

Prior to the payment of any award, the Committee must certify in writing that the Performance Goal requirements applicable to such award have been satisfied or attained. If the Performance Goals established by the Committee are satisfied and upon written certification by the Committee that the Performance Goals have been satisfied, payment will be made as soon as practicable following the end of the Measurement Period in accordance with the terms of the award and within seventy-five days from the end of the Measurement Period (the Payment Date), unless the Committee determines in its sole discretion to reduce or eliminate Final Bonus Award determinations for any or all

Participants, based upon any objective or subjective criteria it deems appropriate. There is no obligation for uniformity of treatment of Participants under the Plan. Unless otherwise determined by the Committee, all payments in respect of awards granted under this Plan will be made in cash via the Company's payroll system.

SECTION 8
Termination of Employment

Except as otherwise indicated, each Participant must remain employed with the Company, subsidiary or affiliate through the Payment Date to be eligible for a Final Bonus Award.

SECTION 9
Amendment and Termination

The Board and the Committee each has the right to amend or terminate the Plan at any time and in any respect, except that, unless otherwise determined by the Board or the Committee, no amendment may be made without stockholder approval if, and to the extent that, such approval would be required to comply with any applicable provisions of Section 162(m). Similarly, no amendment or termination of the Plan may alter or impair the rights of any Participant pursuant to an outstanding award without the consent of the Participant.

This Plan will expire on June 30, 2013, unless terminated earlier by the Board or the Committee. No further awards will be made under the Plan after termination, but termination will not affect the rights of any Participant under any award made prior to termination.

SECTION 10
Miscellaneous

Bonus payments will be made from the general funds of the Company and no special or separate fund will be established or other segregation of assets made to assure payment. No Participant or other person will have under any circumstances any interest in any particular property or assets of the Company. The Plan will be governed by and construed in accordance with the laws of the State of Delaware, without regard to its principles of conflict of laws.

Neither the establishment of this Plan nor the payment of any award hereunder nor any action of the Company, the Board or the Committee with respect to this Plan will be held or construed to confer upon any Participant any legal right to be continued in the employ of the Company or its subsidiaries or affiliates or to receive any particular rate of cash compensation other than pursuant to the terms of this Plan and the determination of the Committee, and the Company expressly reserves the right to discharge any Participant whenever the interest of the Company may so permit or require without liability to the Company, the Board or the Committee, except as to any rights which may be expressly conferred upon a Participant under this Plan.

The adoption of this Plan will not affect any other compensation plans in effect for the Company or any subsidiary or affiliate of the Company, nor will the Plan preclude the Company or any subsidiary or affiliate thereof from establishing any other forms of incentive or other compensation for the Participants.
