# PRI AUTOMATION, INC. NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)

#### A. Accounting Policies

#### Basis of Presentation

The condensed consolidated financial statements include the accounts of PRI Automation, Inc., its wholly-owned domestic subsidiaries and its wholly-owned and majority-owned foreign subsidiaries (collectively, the Company ). All significant intercompany transactions and balances have been eliminated.

#### Preparation of Financial Statements

The interim financial data as of March 31, 2002, and for the six months ended March 31, 2002 and April 1, 2001 are unaudited. In the opinion of the Company, the interim data includes all adjustments, consisting only of normal recurring adjustments, necessary for a fair statement of the results for the interim periods. The results for interim periods are not necessarily indicative of the results for the entire year. The condensed consolidated financial statements should be read in conjunction with the audited consolidated financial statements of PRI Automation, Inc. for the year ended September, 30, 2001 included in its Annual Report on Form 10-K/A, filed with the Securities and Exchange Commission. For interim reporting purposes, the Company closes its first three fiscal quarters on the Sunday nearest the last day of December, March and June in each year. The Company s fiscal year ends on the last day of September.

The results of operations for the six months ended April 1, 2001, have been adjusted to reflect the adoption of Staff Accounting Bulletin No. 101, Revenue Recognition in Financial Statements. The Company s reported revenue included \$7,478,000 for the six months ended April 1, 2001 of revenue that was part of the cumulative effect adjustment for products that shipped during fiscal year 2000 but received final customer acceptance subsequent to September 30, 2000.

#### E. Net Loss Per Share

Basic and diluted net loss per common share is computed using the weighted average number of common shares outstanding. Options to purchase 6,305,009 and 5,156,612 shares of common stock were outstanding as of March 31, 2002, and April 1, 2001, respectively, but were not included in the computation of diluted net loss per common share because the Company was in a loss position and the inclusion of such shares would have had an anti-dilutive effect.

#### F. Accrued Legal and Restructuring Costs

A rollforward of accrued legal and restructuring costs from September 30, 2001 to March 31, 2002 is as follows (in thousands):

	Employee Costs	Legal Costs	Facility Exit Costs	Other Costs	Total
September 30, 2001 balance	\$ 3,586	\$2,741	\$2,335	\$45	\$ 8,707

				_	
March 31, 2002 balance	\$ 920	\$3,250	\$2,098	\$ 45	\$ 6,313

The Company increased its accrual for legal costs by \$0.8 million in the six months ended March 31, 2002 related to the shareholder lawsuit settlement (see Note J, Subsequent Events).

# PRI AUTOMATION, INC. NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)

#### G. Other Comprehensive Income

Total comprehensive loss amounted to \$3,235,000 for the six months ended March 31, 2002 and \$40,365,000 for the six months ended April 1, 2001. Total comprehensive income (loss) differs from net income (loss) due to the unrealized gains and losses on the Shinsung investment. The unrealized gain (loss) on the Shinsung investment was \$15,669,000 for the six months ended March 31, 2002 and (\$851,000) for the six months ended April 1, 2001.

#### H. Segment Reporting

The Company operates in three primary segments, all within the semiconductor manufacturing capital equipment industry, which serve both domestic and international markets. These reportable operating segments consist of Factory Systems, OEM Systems and Software Systems. Each of the Company s operating segments includes a product and service component and has no significant intersegment revenues and expenses as all segments revenues are generated from sales to unaffiliated customers.

Operating segment information for the six months ended March 31, 2002 and April 1, 2001 is as follows (in thousands):

	Six months ended		
	March 31, 2002	April 1, 2001*

# PRI AUTOMATION, INC. NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)

#### I. Contingent Liabilities

Between October 1, 1998 and January 1, 2002, the Company issued an aggregate of 896,521 shares of common stock to employees who exercised options granted under the 1997 Non-Incentive Stock Option Plan and an aggregate of 129,547 shares of common stock to employees who participated in the 2000 Employee Stock Purchase. These issuances were not registered under the Act, due to an inadvertent failure to timely file Registration Statements on Form S-8 covering these transactions. The Company could be exposed to claims by some of its employees for rescission of these purchases. A rescission right involves the right of the employee to require the Company to repurchase the shares at the original exercise price plus interest. However, based on an investigation by the Company of these transactions, including subsequent dispositions by employees of the shares at prices higher than they paid, such that they have no rescission damages, the Company does not believe that the amount of any such potential rescission liability would be material to its financial condition.

#### J. Subsequent Events

From November 2000 through January 2001, PRI and three of its directors (one an officer) were named as defendants in five virtually identical lawsuits filed in the United States District Court for the District of Massachusetts claiming, among other things, that the defendants violated certain securities laws and regulations. Each complaint sought certification as a class action on behalf of virtually all purchasers of PRI s stock from January 27, 2000 through September 11, 2000. The five cases were consolidated, and the case was entitled IN RE PRI AUTOMATION, INC. SECURITIES LITIGATION, Civil Action No. 00-123958-REK. The parties reached a settlement of this litigation that was approved by the United States District Court for the District of Massachusetts on July 24, 2002. Under the terms of the settlement, the Company paid \$3,250,000. This settlement was accrued as of March 31, 2002.

On May 14, 2002, the Company was acquired by merger by Brooks Automation, Inc. As a condition to the merger, Brooks Automation, Inc. changed its name to Brooks-PRI Automation, Inc. ( Brooks-PRI ). Under the terms of the merger agreement, each holder of the Company s common stock received 0.52 shares of Brooks-PRI common stock for each share of the Company s common stock held at the time of the merger. The merger is intended to qualify as a tax-free reorganization within the meaning of Section 368 of the Internal Revenue Code of 1986, as amended, and will be accounted for by Brooks-PRI as a purchase transaction in accordance with Statement of Financial Accounting Standards No. 141.
