INFORMATION CONCERNING PROXY

The enclosed proxy is solicited on behalf of the Company's Board of Directors. The giving of a proxy does not preclude the right to vote in person should any shareholder giving the proxy so desire. Shareholders have an unconditional right to revoke their proxy at any time prior to the exercise thereof, either in person at the Annual Meeting or by filing with the Company's Secretary at the Company's headquarters a written revocation or duly executed proxy bearing a later date; however, no such revocation will be effective until written notice of the revocation is received by the Company at or prior to the Annual Meeting.

The presence, either in person or by properly executed proxy, of the holders of the majority of the shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Attendance at the Annual Meeting will be limited to shareholders as of the Record Date, their authorized representatives and guests of the Company.

If the enclosed proxy is signed and returned, it may nevertheless be revoked at any time prior to the voting thereof at the pleasure of the shareholder signing it, either by a written notice of revocation received by the person or persons named therein or by voting the shares covered thereby in person or by another proxy dated subsequent to the date thereof.

Proxies in the accompanying form will be voted in accordance with the instructions indicated thereon, and, if no such instructions are indicated, will be voted in favor of the nominees for election as directors named below and for the other proposals herein.

The vote required for approval of each of the proposals before the shareholders at the Annual Meeting is specified in the description of such proposal below. For the purpose of determining whether a proposal has received the required vote, abstentions and broker non-votes will be included in the vote total, with the result that an abstention or broker non-vote, as the case may be will have the same effect as if no instructions were indicated.

PROPOSAL I: ELECTION OF DIRECTORS

Edgar Filing: EMCORE CORP - Form DEF 14A

Pursuant to EMCORE's Restated Certificate of Incorporation, the Board of Directors of EMCORE is divided into three classes as set forth in the following table. The directors in each class hold office for staggered terms of three years. The Class C director, Mr. Thomas G. Werthan, whose present term expires in 2003, is being proposed for a new three year term (expiring in 2006) at this Annual Meeting. During Fiscal 2002, the other two Class C directors left the Board. Mr. Hugh Fenwick resigned for health reasons, and Mr. Shigeo Takayama retired. Their replacements have not yet been named. Accordingly Mr. Werthan is the only Class C director being proposed for re-election at this Annual Meeting, and proxies may not be voted for any additional directors.

The shares represented by proxies returned executed will be voted, unless otherwise specified, in favor of the nominee for the Board of Directors named below. If, as a result of circumstances not known or unforeseen, any of such nominee shall be unavailable to serve as director, proxies will be voted for the election of such other person or persons as the Board of Directors may select. Each nominee for director will be elected by a plurality of votes cast at the Annual Meeting of Shareholders. Proxies will be voted FOR the election of the nominee unless instructions to "withhold" votes are set forth on the proxy card. Withholding votes will not influence voting results. Abstentions may not be specified as to the election of directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE NOMINEE FOR THE BOARD OF DIRECTORS NAMED BELOW.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The President of Hakuto, the Company's Asian distributor, was a member of the Company's Board of Directors in Fiscal 2002, and Hakuto is a minority shareholder of the Company. During the year ended September 30, 2002, sales made through Hakuto approximated \$2.5 million.

In August 2001, the Company made a \$5.0 million aggregate principal amount bridge loan (the "Bridge Loan") to Uniroyal Technologies Corporation ("UTCI"), the proceeds of which were to be used by UTCI for working capital and other corporate purposes. The Bridge Loan had an interest rate equal to the prime rate and had a maturity date of the earlier of the second anniversary of the date of the Bridge Loan and the closing of the sale of the adhesives and sealants business of Uniroyal Engineered Products L.L.C., a subsidiary of UTCI. The Bridge Loan was guaranteed by Uniroyal Optoelectronics, LLC ("UOE") and several other subsidiaries of UTCI, and it was fully secured by a lien on, among other things, UOE's cash, accounts receivable and a portion of UOE's equipment. The Bridge Loan was also convertible under certain circumstances into UTCI

Edgar Filing: EMCORE CORP - Form DEF 14A

common stock at the Company's option. In November 2001, UTCI repaid the loan and accrued interest in cash.

Emcore owns approximately 2.0 million shares of UTCI (approximately 7.1% of the total outstanding as reported in UTCI's most recent annual report), which it received from UTCI in August 2001 as payment for its interest in the UOE joint venture. In addition, Dr. Russell, Chairman of the Company's Board of Directors, owns approximately 3.6 million shares of UTCI (approximately 12.8% of the total outstanding). On August 25, 2002, UTCI and its subsidiaries filed petitions for reorganization under Chapter 11 of the U.S. Bankruptcy Code. The Company sits on the creditors committee in UTCI's bankruptcy reorganization, and believes it is unlikely to receive any distribution in respect of its equity

7

holdings. As a result, the Company has written off the approximately 2.0 million shares of UTCI common stock it holds as worthless. The Company is continuing to pursue its claims against UTCI and its affiliates in respect of approximately \$1.2 million in outstanding accounts receivable as well as an unliquidated claim for breach of contract.

During Fiscal 2002, the Company purchased \$0.4 million in convertible secured notes issued by Qusion Technologies, Inc. ("Qusion") pursuant to a Note Purchase Agreement that provided for total investments of up to \$5.0 million, of which the Company's total potential obligation was \$0.5 million. Qusion was a start-up company specializing in monolithic integration of optical components. During the latter part of Fiscal 2002, the Company, together with the other investors under the Note Purchase Agreement (all of which were unaffiliated with the Company), ceased funding Qusion after determining that Qusion's capital requirements would be significantly in excess of the \$5.0 million provided for under the Note Purchase Agreement. As a result, Qusion has ceased operations and is in the process of liquidating. The Company expects to receive little if any payment in respect of its obligations from Qusion. The Company has purchased Qusion's portfolio of patents and patent applications for \$4,500 in cash. Mr. Richards, Chief Executive Officer and a director of the Company, sat on Qusion's Board of Directors and held options to purchase 50,000 shares of Qusion common stock.

From time to time prior to July 2002, the Company has lent money to certain of its executive officers and directors. Pursuant to due authorization of the Company's Board of Directors, the Company in 1995 lent \$85,000 to Thomas G. Werthan, Chief Financial Officer and a director of the Company. The promissory note executed by Mr. Werthan does not bear interest and provides for forgiveness of the loan via bonuses payable to Mr. Werthan over a period of up to 25 years. The balance outstanding on the loan is currently \$82,000, and no larger amount has been outstanding since the beginning of Fiscal 2002. In February 2001 pursuant to due authorization from the Board of Directors, the Company lent \$3.0 million to Reuben F. Richards, Jr., President and CEO of the Company. The promissory note evidencing this loan matures on February 22, 2006 and bears interest (compounded annually) at a rate of (a) 5.18% per annum through May 23, 2002 and (b) 4.99% from May 24, 2002 through maturity. All interest is payable at maturity. The note is partially secured by a pledge of shares of the Company's common stock. Accrued interest at September 30, 2002 totaled approximately \$250,000. In addition, the Mr. Richards repaid a loan in the principal amount of \$215,000 in December 2001. This loan did not bear interest and was repaid through payment of a bonus by the Company to Mr. Richards, in accordance with the terms of the loan. During Fiscal 2002, the

Edgar Filing: EMCORE CORP - Form DEF 14A

highest amount of Mr. Richards' indebtedness to the Company was \$3.3 million.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based on the Company's review of copies of all disclosure reports filed by Directors and executive officers of the Company pursuant to Section 16(a) of the Exchange Act, as amended, the Company believes that there was compliance with all filing requirements of Section 16(a) applicable to Directors and executive officers of the Company during the fiscal year, except for late filings of three Form 4s by Mr. Stall as a result of an administrative oversight, and one Form 3 by each of Messrs. Gmitter, Nonnemaker, Massie and Bogomolny as a result of delays in receiving EDGAR codes.

COMPENSATION OF DIRECTORS

The Board of Directors held four meetings during Fiscal 2002 and took certain actions by telephonic meeting and unanimous written consent. Pursuant to its Directors' Stock Award Plan, the Company pays non-employee directors a fee in the amount of \$3,000 per Board meeting attended and \$500 for each committee meeting attended (\$600 for the Chairman of the committee), including in each case reimbursement of reasonable out-of-pocket expenses incurred in connection with such Board or committee meeting. Payment of all fees will be made in common stock of the Company at the average of the last reported bid and ask prices as of the close of trading the previous day on the Nasdaq National Market. No director who is an employee of the Company will receive compensation for services rendered as a director. From time to time, Board members are invited to attend meetings of Board committees of which they are

8

not members; in such cases, such Board members receive a committee meeting fee of \$500. REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee recommends compensation arrangements for the Company's executive officers and administers the Company's 1995 Incentive and Non-Statutory Stock Option Plan and the 2000 Stock Option Plan. The Compensation Committee also administers the MicroOptical Devices, Inc. 1996 Stock Option Plan. The Company's compensation program is designed, with the advice of independent consultants, to be competitive with companies similar in structure and business to the Company.

The Company's executive compensation program is structured to help the Company achieve its business objectives by:

- * setting levels of compensation designed to attract and retain superior executives in a highly competitive environment;
- * designing equity-related and other performance-based incentive compensation programs to align the interests of management with the ongoing interests of shareholders;
- * providing incentive compensation that varies directly with both Company financial performance and individual contributions to that performance; and
- * linking compensation to elements that affect short- and long-term stock price performance.

The Company has used a combination of salary and incentive compensation, including cash bonuses and equity-based incentives to achieve its compensation goals.

COMPENSATION OF EXECUTIVE OFFICERS

SALARY

The salary levels of the Company's executive officers including the Chief Executive Officer, are intended to reflect the duties and level of responsibilities inherent in each position. Comparison of the salaries paid by other companies in similar industries are considered in establishing the salary level for each position. The particular qualifications of the individual holding the position, relevant experience and the importance to the Company of the individual's expected contribution are also considered in establishing salaries.

In general, compensation payments in excess of \$1.0 million to any of the executive officers are subject to a limitation on deductibility by the Company under Section 162(m) of the Internal Revenue Code of 1986, as amended. The deduction limit does not apply to performance based compensation that satisfies certain requirements. The Compensation Committee has not yet determined a policy with regard to Section 162(m); however, no officer of the Company is expected to earn compensation in excess of \$1.0 million in Fiscal 2003.

PERFORMANCE AND INCENTIVE COMPENSATION

Edgar Filing: EMCORE CORP - Form DEF 14A

Arrangements for bonus compensation for the Company's executive officers are negotiated individually with each executive officer. Bonus compensation arrangements take various forms, but generally are based on factors such as the Company's financial performance, operating performance and individual performance.

14

EQUITY-RELATED INCENTIVES

The Company's primary method of compensating senior executives has been through the grant of stock options granted at the commencement of their employment agreements. Stock options grants to executive officers are generally long-term and usually vest over a three- to five-year period. The Company has favored stock options as a way of aligning management's interests with the long-term interests of the Company's shareholders and inducing executives to remain with the Company on a long-term basis. Individual option grants have been based on the performance and level of responsibility of the optionee.
