Dear Fellow Stockholder:

Thank you for taking the time to speak with me about The Brazil Fund, Inc. (the "Fund"). To summarize our conversation, Carrousel believes that the Fund's Board of Directors (the "Board") should have a stronger commitment to good corporate governance and should provide the Fund's stockholders with a better means for maximizing the value and liquidity of their shares. Carrousel believes that the following two actions taken by the Board do not reflect the kind of corporate governance that Carrousel supports. First, in February 2004, the Board, without stockholder approval, raised the requirement for calling a special meeting of stockholders from 25% to 50% of the outstanding shares (which, as you know, is a level that is far more difficult to achieve). Second, the Fund rejected Carrousel's proposal to nominate three persons for election to

the Board based on, what Carrousel believes to be, a mere technicality.

If the Fund's nominees are not elected to a new term at the Fund's upcoming annual meeting, Carrousel believes that such an outcome may cause the Board to be more committed to good corporate governance and providing the Fund's stockholders with a means for maximizing the value and liquidity of their shares. Carrousel recommends that you vote to withhold authority for the election of each of the Fund's nominees to the Board.

For your convenience, enclosed please find a copy of Carrousel's definitive proxy statement that was mailed to the Fund's stockholders on or about June 10, 2004. Thank you for your consideration.

Sincerely yours,

/s/ Bruno Sangle-Ferriere
