ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 145 of the General Corporation Law of the State of Delaware provides that a corporation may indemnify any person who was or is a party to or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceedings, had no reasonable cause to believe his conduct was unlawful; provided, however, in a suit by or in the right of the corporation no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery of the State of Delaware or the court in which such action or suit was brought has determined upon application that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity or such expenses deemed proper by the court.

The Company's Restated Certificate of Incorporation provides that the Company will indemnify its directors, officers, employees and agents to the fullest extent permitted by Delaware law. The Company's Restated Certificate of Incorporation additionally requires the Company to advance expenses incurred by its directors, officers, employees and agents to the fullest extent permitted by Delaware law in connection with any matter with respect to which such persons may be entitled to seek indemnification.

The Company's Restated Certificate of Incorporation also provides that, to the fullest extent permitted by Delaware law, the Company's directors will not be liable for monetary damages for breach of the directors' fiduciary duty of care to the Company and its stockholders. This provision does not eliminate

Edgar Filing: NORTHFIELD LABORATORIES INC /DE/ - Form S-8

the duty of care and, in appropriate circumstances, equitable remedies such as an injunction or other forms of non-monetary relief will remain available under Delaware law. Each director will also continue to be subject to liability for breach of the director's duty of loyalty to the Company or its stockholders, for acts or omissions not in good faith or involving intentional misconduct or a knowing violation of law, for unlawful distributions to stockholders and for any transaction from which the director derives an improper personal benefit. In addition, this provision does not affect a director's responsibilities under any other laws, such as the federal securities laws or state or federal environmental laws.

The Company is a party to separate indemnification agreements with each of its directors and with certain executive officers. These agreements require the Company to indemnify its directors and certain executive officers to the maximum extent permitted by law and to advance all expenses they may reasonably incur in connection with the defense of any claim or proceeding in which they may be involved as a party or witness. The agreements specify certain procedures and assumptions applicable in connection with requests for indemnification and advancement of expenses and also require the Company to continue to maintain directors and officers and fiduciary liability insurance for a six-year period following any change in control transaction. The rights provided to the Company's directors and certain executive officers under their indemnification agreements are in addition to any other rights such individuals may have under the Company's Restated Certificate of Incorporation or Bylaws, applicable law or otherwise.

The Company has purchased an insurance policy which purports to insure the officers and directors of the Company against certain liabilities incurred by them in the discharge of their functions as officers and directors, except for liabilities resulting from their own malfeasance. The insurance policy provides coverage in the amount of \$10,000,000 for annual aggregate claims.

ITEM 9. UNDERTAKINGS

A. SUBSEQUENT DISCLOSURE.

The Company hereby undertakes:

Edgar Filing: NORTHFIELD LABORATORIES INC /DE/ - Form S-8

(1) To file, during any period in which offers or sales are being made of the securities registered hereby, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided however, that the undertakings set forth in paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

4

B. INCORPORATION BY REFERENCE.

The Company hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. TRANSMIT CERTAIN MATERIAL.

The Company hereby undertakes to deliver or cause to be delivered with the prospectus to each employee to whom the prospectus is sent or given a copy of the Company's annual report to stockholders for its last fiscal year, unless such employee otherwise has received a copy of such report in which case the Company shall state in the prospectus that it will promptly furnish, without charge, a copy of such report on written request of the employee. If the last fiscal year of the Company has ended within 120 days prior to the use of the prospectus, the annual report for the preceding year may be so delivered, but within such 120 day period the annual report for the last fiscal year will be furnished to each such employee.

Edgar Filing: NORTHFIELD LABORATORIES INC /DE/ - Form S-8

D. INDEMNIFICATION.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
