**PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
To be held Wednesday, May 26, 2004**

This proxy statement and the enclosed proxy card are being furnished to our stockholders in connection with the solicitation of proxies by the Board of Directors of Electric City Corp., a Delaware corporation (Electric City or the Company), for use at our Annual Meeting of Stockholders to be held at the Best Western Hotel, 1600 Oakton Street, Elk Grove Village, Illinois 60007 at 10:00 a.m. local time, on Wednesday, May 26, 2004, and any adjournments thereof. This proxy statement and the accompanying form of proxy are first being mailed to stockholders on or about April 30, 2004.

Solicitation

The cost of this proxy solicitation will be borne by Electric City. We may request banks, brokers, fiduciaries, custodians, nominees and certain other record holders to send proxies, proxy statements and other materials to their principals at our expense. Those banks, brokers, fiduciaries, custodians, nominees and other record holders will be reimbursed by us for their reasonable out-of-pocket expenses of solicitation. We do not anticipate that costs and expenses incurred in connection with this proxy solicitation will exceed an amount normally expended for a proxy solicitation for an election of directors in the absence of a contest. In addition to soliciting proxies by mail, Electric City and its directors, officers and regular employees may also solicit proxies personally, by telephone or by other appropriate means. No additional compensation will be paid to directors, officers or other regular employees for such services.

Record Date and Outstanding Shares

Our Board of Directors fixed the close of business on April 20, 2004 as the record date for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting or any adjournments thereof. As of the close of business on the record date, we had 40,922,021 shares of Common Stock and 217,030 shares of Preferred Stock with voting rights as to certain matters outstanding. Each outstanding share of Common Stock on such date will be entitled to one vote on each matter to be voted on at the Annual Meeting, and each outstanding share of Preferred Stock will be entitled to one hundred votes on each matter, other than the election of directors, to be voted at the Annual Meeting.

Required Vote

The affirmative vote of a majority of the shares of Common Stock voted in person or by proxy at the Annual Meeting is required to elect the nominees to the Board of Directors. Stockholders will not be allowed to cumulate their votes in the election of directors.

Quorum; Abstentions and Broker Non-Votes

The required quorum for transaction of business at the Annual Meeting will be a majority of the total votes of the shares of Common Stock and Preferred Stock issued and outstanding as of the record date. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the election inspector appointed for the meeting and will be taken into account in determining whether or not a quorum is present. Abstentions and broker non-votes, which occur when a broker has not received customer instructions and indicates that it does not have the discretionary authority to vote on a particular matter on the proxy card, will be included in determining the presence of a quorum at the Annual Meeting. Neither abstentions nor broker non-votes will have any effect on the vote for the election of directors.

Table of Contents

Voting of Proxies; Revocability of Proxies

Our Board of Directors selected Jeffrey R. Mistarz and Denis Enberg, the persons named as proxies on the proxy card accompanying this proxy statement, to serve as proxy. Mr. Mistarz is our executive vice president, chief financial officer, treasurer and assistant secretary and Mr. Enberg is our senior vice president of engineering. The shares of Common Stock represented by each executed and returned proxy will be voted in accordance with the directions indicated thereon, or if no direction is indicated, the proxy will be voted in accordance with the recommendations of the Board of Directors contained in this proxy statement. Members of the Company's management intend to vote their shares in favor of the proposal.

You can revoke a proxy you have given at any time before the shares it represents are voted by giving our secretary either (1) an instrument revoking the proxy or (2) a duly executed proxy bearing a later date. Additionally, you may change or revoke a previously executed proxy by voting in person at the Annual Meeting. However, your attendance at the Annual Meeting will not, by itself, revoke your proxy.

PROPOSAL 1

ELECTION OF DIRECTORS

At the Annual Meeting, six nominees to the Board of Directors will be elected to hold office for a one year term ending at our 2005 Annual Meeting of stockholders or until their respective successors are duly elected and qualified. All nominees listed below are currently members of our Board of Directors and have consented to being named in this proxy statement and to serve as directors, if elected. If, at the time of the Annual Meeting, any nominee becomes unavailable or declines to serve as a director for any reason, the persons named in the proxy will vote for the substitute nominee(s) as the Board of Directors recommends, or vote to allow the vacancy created by the nominee who is unable or declines to serve to remain open until filled by the Board of Directors, as the Board of Directors recommends. The Board of Directors has no reason to believe that any nominee will be unable or decline to serve if elected to office.

The number of directors has been set at 12 by resolution of the Board. On September 7, 2001, we closed on an issuance of our Series A Convertible Preferred Stock (Series A Preferred Stock) with five investors. With respect to this issuance, we entered into a Stockholders Agreement with the investors that provided (among other things) the investors the right to elect up to (i) four directors for so long as at least 800,000 shares of Series A Preferred Stock remained issued and outstanding, (ii) three directors for so long as at least 600,000 but less than 800,000 shares of Series A Preferred Stock remained issued and outstanding, (iii) two directors for so long as at least 400,000 but less than 600,000 shares of Series A Preferred Stock remained issued and outstanding and (iv) one director for so long as at least 200,000 but less than 400,000 shares of Series A Preferred Stock remained issued and outstanding.

On June 4, 2002, we closed on an issuance of Series C Convertible Preferred Stock with an individual and amended the Stockholders Agreement to include the Series C Preferred Stockholder's participation in the Stockholders Agreement. Shares of Series C Preferred Stock were included with the Series A Preferred Stock in determining the number of directors the holders thereof could elect.

On June 27, 2003, we closed on an issuance of our Series D Convertible Preferred Stock with a group of investors. These holders did not have a right to vote with the Series A Preferred Stock and Series C Preferred Stock in choosing directors.

On March 19, 2004, we entered into a Redemption and Exchange Agreement with the holders of our outstanding Series A Preferred Stock, Series C Preferred Stock and Series D Preferred Stock (collectively, the Existing Preferred Stock) under which we agreed to redeem 538,462 shares of Existing Preferred Stock (the Redemption) and to exchange shares of our newly authorized Series E Convertible Preferred Stock (the Series E Preferred) for all remaining outstanding shares of Existing Preferred Stock on a 1 for 10 basis (one share of Series E Preferred exchanged for 10 shares of Existing Preferred Stock). The holders of the Series E Preferred Stock have the right to elect up to (i) four directors for so long as at least 90,000 shares of Series E Preferred Stock remain issued and outstanding, (ii) three directors for so long as at least 65,000 but less than 90,000 shares of Series E Preferred Stock remain issued and outstanding, (iii) two directors for so long as at least 45,000 but less than 65,000 shares of Series E Preferred Stock remain issued and outstanding and (iv) one director for so long as at least 20,000 but less than 45,000 shares of Series E Preferred Stock remain issued and outstanding. If less than 20,000 shares of Series E Preferred Stock remain issued and outstanding, unless otherwise provided by law, each holder of record of Series E Convertible Preferred Stock has the right to vote on an as-converted basis together with the holders of Common Stock on all matters on which holders of Common Stock are entitled to vote, including the election of directors.

On April 20, 2004, the preferred stockholders held 217,030 shares of the Series E Preferred Stock. Accordingly, the holders of the Series E Preferred Stock are entitled to elect up to four directors (out of 12) to our board. Except for the election of directors nominated by our Board of Directors for election, holders of the Series E Preferred Stock are entitled to vote with the holders of our Common Stock on an as-converted basis on all matters on which our holders of Common Stock are entitled to vote.

During 2003, all members of the Board of Directors attended at least 75% of the total of all board meetings and applicable committee meetings except Mr. Brace and Mr. Kushman, who each attended 50% of such meetings they were eligible to attend. We encourage our Board members to attend our Annual Meeting, but we do not have a formal policy requiring attendance. All but one of our Board members attended last year's Annual Meeting.

Compensation of Directors

Effective April 1, 2000, the Company adopted a stock option plan for all non-employee directors, which is separate and distinct from the 2001 Stock Incentive Plan described under "Stock Options and Incentive Compensation". The directors' stock option plan provides that eligible directors receive an initial option grant upon being appointed to our Board of Directors to purchase 75,000 shares of our Common Stock, and a grant of options to purchase an additional 25,000 shares on each anniversary of their appointment to the Board if they are still a member of the Board of Directors on such anniversary date. These options have an exercise price equal to the greater of the closing price of our Common Stock on the grant date, or \$1.00, and a term of ten years. These options vest in three equal amounts, beginning on the grant date and on each of the next two anniversaries of the grant date, if the individual is still a member of the Board of Directors on such anniversary date.

The Company granted options to purchase 200,000 shares under the directors' stock option plan during 2003, and options to purchase 983,335 shares were outstanding under this plan as of December 31, 2003.

Directors who are also employees of the Company receive no additional compensation for their services as directors. Directors who are not employees of the Company, in addition to stock options, are reimbursed for travel expenses and other out-of-pocket costs incurred in connection with their attendance at the meetings.

Committees of the Board of Directors

The Board of Directors has an Audit Committee, Compensation Committee and a Governance and Nominating Committee.

The Audit Committee, which is composed entirely of non-employee, independent directors, held five meetings during 2003. Each of the members of the Audit Committee attended all of the meetings of the Committee held in 2003. The Audit Committee meets periodically and separately in executive sessions with management and the independent auditors to review the activities of each. The Audit Committee possesses and may exercise the powers of the Board of Directors relating to accounting, auditing, and financial reporting matters of the Corporation, except when such powers are by statute or the Articles of Incorporation or Bylaws reserved to the full Board or delegated to another committee of the Board. The Audit Committee reports regularly to the full Board on these matters. The Audit Committee is directly responsible for the appointment,

compensation, and oversight of the Corporation's independent auditors. Among other duties, the Audit Committee:

selects the independent auditors

pre-approves all audit and non-audit services provided to the Corporation by the independent auditors

monitors the independence of the independent auditors

reviews and approves:

the scope and timing of work to be performed by the independent auditors

compensation to be paid to the independent auditors

transactions involving the Company and its officers, directors, affiliates and significant stockholders

discusses the Corporation's annual audited financial statements and quarterly financial statements with management and the independent auditors

considers allegations made, if any, of possible financial fraud or other financial improprieties

prepares an Audit Committee report as required by the SEC to be in this proxy statement

The Audit Committee's current members are directors Robert Wagner, Jr. (Committee Chairman) John Bukovski and Gerald Pientka. Our Board of Directors has determined that Mr. Bukovski qualifies as an Audit Committee financial expert as defined in Item 401(h) of SEC Regulation S-K. The Board also believes that Messrs. Bukovski, Pientka and Wagner are independent directors as defined by Section 121(A) of The American Stock Exchange listing standards. The Board of Directors adopted an Audit Committee Charter effective April 19, 2000, which was amended effective January 31, 2001 to combine the Conflicts Committee with the Audit Committee. A copy of the Audit Committee's charter is appended to this proxy statement.

The Compensation Committee, which is composed of Robert Wagner, Jr. (Committee Chairman), Robert Manning, and Gerald Pientka, was formed on January 31, 2001 upon the Board of Directors' adoption of a Compensation Committee Charter. The Compensation Committee held two meetings during 2003 which were attended by all members. The Compensation Committee's responsibilities are to:

review and recommend to the Board of Directors the annual salary, bonus, stock options and other benefits of the Company's senior executives

review executive compensation programs and the administration thereof

Nominating Committee's charter is appended to this proxy statement. The Board believes that Messrs. Asplund and Manning and Ms. Ferguson are independent directors as defined by Section 121(A) of The American Stock Exchange listing standards. Prior to the establishment of the Governance and Nominating Committee the recruitment and selection of candidates for Board of Directors was handled by the Compensation Committee. The Governance and

Table of Contents

Nominating Committee held no meetings in 2003. The Governance and Nominating Committee's responsibilities are to:

develop and recommend to the Board of Directors, policies and processes designed to provide for effective and efficient governance;

plan Board education activities, including new member orientation;

evaluate the size and composition of the Board of Directors, develop criteria for membership on the Board of Directors, and evaluate the independence of existing and prospective directors, and make recommendations to the Board concerning such matters;

seek and evaluate qualified individuals to become directors;

evaluate the nature, structure and composition of other committees of the Board of Directors and make recommendations to the Board concerning such matters; and

assess the performance of the Board of Directors.

Selection of Board Nominees

Our newly formed Governance and Nominating Committee will be responsible for identifying and evaluating Board candidates using one or more informal processes deemed appropriate for the circumstances. All of our directors and executive officers play a significant role in bringing potential candidates to the attention of the Committee. Last year, Mr. Manning recommended John C. Bukovski to the Committee. Mr. Bukovski became a member of the Board on January 28, 2004 and is standing for reelection at this meeting. A determination of whether to pursue discussions with a particular individual will be made after discussion by the Committee and may be preceded by formal or informal discussions involving one or all of the other Board members. Information considered by the Committee may include information provided by the candidate, the chief executive officer and one or more Committee or Board members. The Committee seeks candidates whose qualifications, experience and independence complement those of existing Board members. Board candidates are expected to possess high personal and professional ethics, integrity and values, relevant business experience and be committed to representing the long-term interests of all stockholders. They are also expected to have an inquisitive and objective perspective, practical wisdom and good judgment.

Once appropriate candidates have been identified, the Committee will recommend nominations to our Board. Our Governance and Nominating Committee has not adopted a policy or procedure for the consideration of director candidates recommended by stockholders. Our Board does not recall an instance in which a Stockholder (other than a Stockholder serving as an officer or director) has recommended a director candidate; however the Governance and Nominations Committee will consider all timely Stockholder recommendations. For the 2005 Annual Meeting of Stockholders, nominations may be submitted to the Office of the Secretary, Electric City Corp., 1280 Landmeier Road, Elk Grove Village, IL 60007-2410, which will forward them to the Chairman of the Governance and Nominating Committee. Recommendations must be in writing, must specify the candidate's qualifications for serving as a director and must be received by the Company not later than February 1, 2005, in order for nominees to be considered for election at our 2005 Annual Meeting of Stockholders.

Stockholder Communications with the Board of Directors

The Company's Annual Meeting provides an opportunity each year for stockholders to ask questions of or otherwise communicate directly with directors on matters relevant to the Company. In addition, stockholders may, at any time, communicate with any of the Company's directors by sending a written communication to such director c/o the Company's Secretary at 1280 Landmeier Road, Elk Grove Village, IL 60007-2410.

All communications by stockholders or other interested parties addressed to the Board will be sent directly to Board members. While the Corporation's Corporate Secretary may review, sort, and summarize these communications, all direct communications will be presented to the non-management Directors unless

Table of Contents

there is instruction from them to filter such communications (and in such event, any communication that has been filtered out will be made available to any non-management director who wishes to review it).

Proposals of Stockholders for Next Year's Meeting

Stockholders may present proper proposals for inclusion in the proxy statement for our next annual meeting of stockholders by submitting their proposals to us in a timely manner. In order to be included in the proxy statement for our next annual meeting, stockholder proposals must be received by us no later than December 15, 2004, and must otherwise comply with the requirements of the applicable SEC rules. Notice of intention to present proposals at next year's annual meeting must be addressed to Chief Financial Officer, Electric City Corp., 1280 Landmeier Road, Elk Grove Village, Illinois 60007. Any Stockholder proposal to be considered at our 2005 Annual Meeting of Stockholders, but not included in the proxy materials, must be submitted to the Company's Corporate Secretary by February 14, 2005, or the persons appointed as proxies may exercise their discretionary voting authority with respect to that proposal. The persons appointed as proxies may also exercise their discretionary voting authority with respect to stockholder proposals submitted prior to February 14, 2005, unless the proponent otherwise complies with the requirements of the Commission's Rule 14a-4 or Rule 14a-8.

Code of Conduct and Business Ethics

The Company has a Code of Conduct and Business Ethics which is applicable to all of the Company's officers, directors and employees. - (20) SF Capital owns warrants to purchase 642,188 shares of Common Stock and a warrant to purchase 750 shares of Series E Convertible Preferred Stock, which would be convertible into 75,000 shares of Common Stock. These warrants contain provisions known as "exercise caps" which prohibit the holder of the warrants (and its affiliates) from exercising such warrants to the extent that giving effect to such exercise, such holder would beneficially own in excess of 4.999% and 9.999% of the Company's outstanding Common Stock, as the case may be. The holder can waive the 4.999% limit, but such waiver will not become effective until the 61st day after such notice is delivered to the Company, and these limits will not restrict the number of shares of Common Stock which a holder may receive or beneficially own in order to determine the amount of securities or other consideration that such holder may receive in the event of a merger or other business combination or reclassification involving the Company. The table set forth above reflects the operation of such exercise caps in that we have not included 717,188 shares of Common Stock issuable pursuant to such warrants as SF Capital has advised us that it does not beneficially own such shares due to the fact that it cannot exercise its right to purchase these shares at this time. In the absence of such caps, SF Capital would be able to purchase all the shares issuable upon exercise of these warrants and would have a beneficial ownership percentage of 8.157%.

Employment Contracts, Termination of Employment and Change-in-Control Arrangements

John Mitola

Effective January 1, 2003, we entered into a new employment agreement with John Mitola for a three-year period ending on December 31, 2005. This agreement, which is structured to place more emphasis on achieving important corporate milestones, reduced Mr. Mitola's base salary to \$250,000 per year, but provides for a discretionary bonus of up to one hundred percent of his annual salary payable if he meets or exceeds certain annual goals as established by the Board of Directors, and a guaranteed bonus of \$250,000 upon the achievement of two consecutive calendar quarters of positive net income by the Company (such net income to be that as reflected in the Company's quarterly reports filed with the Securities and Exchange Commission). The agreement also provides for a monthly automobile allowance of \$550.00 and the reimbursement of Mr. Mitola's business-related expenses.

As part of the employment agreement, we granted to Mr. Mitola an option to purchase 750,000 shares of our Common Stock at a price per share of \$0.845, which is equal to the average closing price of the Company's Common Stock as measured over the thirty (30) trading day period prior to the effective date of the contract. The option granted vests in amounts of 250,000 shares on each December 31st of 2003, 2004 and 2005, except on a change of control in which case all the options will immediately vest.

The employment agreement imposes on Mr. Mitola non-competition, non-solicitation and confidentiality obligations.

Jeffrey Mistarz

Effective January 1, 2003, we entered into a new employment agreement with Mr. Mistarz for a three-year period ending on December 31, 2005. COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Company's Board of Directors (the Committee) has the authority to set the compensation of the Company's Chief Executive Officer and all executive officers and makes the following report for the year 2003. The Committee has the responsibility to review the design, administration and effectiveness of all programs and policies concerning executive compensation. The Committee administers the Company's 2001 Stock Incentive Plan. In addition, the Committee has responsibility for the review and approval of the Management Incentive Program(s) to be in effect for the Chief Executive Officer, executive officers and key employees each fiscal year. The Committee is comprised of three independent, non-employee directors who had no interlocking relationships as defined by the Securities and Exchange Commission.

General Compensation Philosophy. The Company operates in the competitive and rapidly changing power technology industry. The Committee strives to maintain compensation programs that allow the Company to respond to the competitive pressures within this industry. The Committee's compensation philosophy is to offer compensation opportunities that are linked to the Company's business objectives and performance, individual performance and contributions to the Company's success, and enhancements to Stockholder value. These compensation opportunities are intended to be competitive within this industry and enable the Company to attract, retain and motivate the management talent necessary to achieve the Company's overall business objectives and ensure the Company's long-term growth.

Compensation Components. It is the Committee's objective to have a substantial portion of each executive officer's compensation opportunity conditioned upon the Company's performance (at risk), as well as his or her contribution to the Company meeting its objectives. The Committee has attempted to design a total compensation and incentive structure to motivate and reward success, balancing short and long-term goals. The Company's executive compensation program consists of three major components: (i) base salary; (ii) an annual management incentive bonus; and (iii) long-term incentives. The second and third elements constitute the at risk portion of the Company's overall compensation program.

Base Salary. The Committee periodically reviews each executive officer's base salary. In setting the base salaries of executive officers, the Committee takes into consideration many factors, including the officer's individual performance, the Company's performance in achieving its business goals, and the salary levels for individuals with comparable skills and experience for which the Company competes for management talent. The Committee exercises its judgment based upon the above criteria and does not apply a specific formula or assign a weight to each factor considered. The relative weight given to each factor varies with each individual in the sole discretion of the Committee.

Annual Management Incentive Bonus. All executive officers are eligible to participate in the Company's management incentive bonus program. At the beginning of each year, the Committee establishes objectives for the management incentive bonus program drawn from the fiscal year business plan approved by the Board of Directors. Additionally, at the beginning of each year, the Committee establishes bonus award targets for the executive officers. The bonus plan has a threshold level of performance that the Company must achieve before any bonuses will be awarded. The bonus amounts payable to each Executive Officer are then determined by considering the Company's performance and individual's performance. Due to the Board's desire to preserve cash, this aspect of the overall executive compensation program has been de-emphasized in recent years in favor of a larger equity component.

Long-Term Incentive Program. The Company's Long-term incentive program consists of a stock option plan. The Committee views the granting of stock options as a significant method of aligning management's long-term interests with those of the stockholders, which bring into balance short and long-term compensation with the Company's goals, fostering the retention of key executive and management personnel, and stimulating the achievement of superior performance over time. Awards to executives are based upon criteria which include an individual's current position with the Company, total compensation, unvested stock options, the executive's performance in the recent period, expected contributions to the achievement of the Company's long-term performance goals, and current competitive practice. The relative weight given to each of these factors will vary from executive to executive at the Committee's discretion. After giving consideration to the

Table of Contents

criteria deemed relevant by the Committee, including prior option grants made to Company executives, a competitive analysis of the Company's option program and overall compensation programs against the programs of companies of similar size and industry, and the recommendations of the Company's management, the Committee approved the stock option grants to the executive officers listed in the Summary Compensation Table set forth in the 2003 Option Grants table. These stock options were granted at exercise prices equal to the fair market value of the stock at the effective date of the grant, become exercisable over three years and have a term of ten years.

Chief Executive Officer Compensation. At the beginning of 2003, the Committee reviewed Mr. Mitola's overall compensation package as part of the renegotiation of his employment agreement. Consistent with the compensation philosophy outlined above, the Committee decided to restructure Mr. Mitola's compensation package to place more of it at risk and to better align it with stockholder objectives for the Company. As a result, his base salary was reduced from \$350,000 per year to \$250,000 per year, but he was awarded options to purchase 750,000 shares of Company stock at the then current 30-day average closing market price. These options vest equally over the three-year term of the employment contract. In addition, the Committee provided that Mr. Mitola would be eligible for a \$250,000 cash bonus, payable in ten monthly installments, upon the Company reporting two consecutive calendar quarters of positive net income. Mr. Mitola is also eligible to participate in any annual management incentive programs established by the Committee.

The firm of BDO Seidman, LLP (BDO) audited our financial statements for the fiscal year ended December 31, 2003, and the Board of Directors, at the recommendation of the Audit Committee, intends to continue the services of this firm for the fiscal year ending December 31, 2004. It is expected that representatives of BDO will be present at the meeting and will be available to respond to questions. Representatives of BDO will also be given an opportunity to make a statement if they desire to do so.

Principal Accountant Fees and Services

The following table summarizes the total fees paid to our principal accounting firm, BDO for professional services provided during the twelve-month periods ended December 31, 2003 and December 31, 2002:

	<u>2003</u>	<u>2002</u>
Audit fees(1)	\$ 80,638	\$ 92,705
Audit-related fees(2)	\$ 20,000	\$ 12,560
Tax fees(3)	\$ 5,800	\$ 5,650
All other fees(4)		
	<u> </u>	<u> </u>
Total	\$ 106,438	\$ 110,915

- (1) Audit fees consist of fees for professional services rendered for the audit of our consolidated financial statements and review of financial statements included in our quarterly reports and services normally provided by the independent auditor in connection with statutory and regulatory filings or engagements.
- (2) Audit-related fees are fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements, but not included in item 1 above. These services included the review of various registration statements filed during 2003 and 2002 and filings related to the sale of our Power Management business.
- (3) Tax services fees consist of professional fees billed for products and services rendered by BDO for tax compliance, tax advice and tax planning.
- (4) All other fees consist of fees billed by BDO for services other than those listed in categories 1 thru 3 above.

It is the policy of our Audit Committee to pre-approve all audit and non-audit services provided by BDO. Our Audit Committee considered whether the use of BDO's services other than for the annual audit and quarterly reviews in any way impairs their independence and has concluded that it does not. No services were performed by BDO prior to receiving approval from the Audit Committee.

AUDIT COMMITTEE REPORT

The Audit Committee operates under a written charter adopted by the Board of Directors, which is reassessed periodically for adequacy by the Audit Committee. The directors who serve on the Audit Committee have no financial or personal ties to the Company (other than director compensation and equity ownership as described in this proxy statement) and are all independent for purposes of the Securities and Exchange Commission's regulations and the American Stock Exchange listing standards. The Board of Directors has determined that none of the Audit Committee members has a relationship with the Company that may interfere with the director's independence from the Company and its management. Copies of the Audit Committee's charter are appended to this proxy statement and can also be viewed on the Company's website at www.elccorp.com.

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and their reporting process, including the systems of internal controls. In fulfilling their oversight responsibilities, the Committee has reviewed and discussed with the independent auditors matters such as the quality (in addition to acceptability), clarity,

consistency, and completeness of the Company's financial reporting, as required by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended by Statement on Auditing Standards No. 90, Audit Committee Communications.

Management is responsible for the Company's internal controls and the financial reporting process. BDO, the Company's independent auditor, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards. The Audit Committee's responsibility is to monitor and oversee these processes.

The Audit Committee received from BDO the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with BDO the issue of its independence from the Company.

Based on the Audit Committee's review of the audited financial statements and its discussions with management and BDO noted above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2003. The Committee recommended to the Board of Directors the selection of BDO as the Company's independent auditor.

The committee may be modified from time to time by a simple majority vote of the Board of Directors. The chair of the committee shall be appointed by the committee and will report to the board at each formal meeting of the directors on the committee's activities and recommendations.

Statement of Policy

Senior operating management of the Corporation, as overseen by the Board of Directors, is responsible for the Corporation's internal controls. Inquire of management and the independent auditors regarding significant risks or exposures and assess the steps management has taken to minimize such risks and exposures to the Company.

Review the financial statements contained in the annual report to shareholders with management and the independent auditors and, if appropriate, recommend to the board that such financial statements be adopted for inclusion in the Corporation's annual report to stockholders.

Inquire of the independent auditors regarding their qualitative judgments about the appropriateness, not just the acceptability, of the accounting principles and the clarity of the financial disclosures. Also inquire of the auditors regarding their reasoning in accepting or questioning management's significant estimates, changes or proposed changes in accounting principles and disclosure practices management employs for new transactions or events. Resolve disagreements between management and the independent auditors regarding financial statement disclosure.

Provide sufficient opportunity at all meetings of the Audit Committee for the independent auditors to meet with the members of the Audit Committee without members of management present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the Company's financial personnel and the cooperation received by the independent auditors during the course of the audit.

Submit the minutes of all meetings of the Audit Committee to the board.

Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel for this purpose if, in its judgment, that is appropriate. The costs of such counsel will be paid by the Corporation.
