The following is a list of our securities sold within the past three years without registration under the Securities Act:

(4) In April 2005, we issued and sold an aggregate of 2,147,142 shares of common stock, as well as five-year warrants exercisable at \$4.75 per share to purchase 1,180,928 shares of common stock, for an aggregate consideration of approximately \$7.5 million. The securities were sold pursuant to a securities purchase agreement dated April 21, 2005.

There were no underwriters employed in connection with any of the transactions set forth in this Item 26. With respect to items (1), (2) and (4), each of the stock issuances was deemed exempt from registration under the Securities Act in reliance on Section 4(2) of the Securities Act. The recipients of securities represented that they were accredited investors and that their intentions were to acquire the securities for investment only and not with a view to or for distributing or reselling such securities, and appropriate legends were affixed to the share certificates and other instruments issued in such transactions. All recipients either received adequate information about us or had access to such information. The sales of these securities were made without general solicitation or advertising.

With respect to item (3), the grant of the new warrants did not involve a sale because we issued the new warrants at no charge and received no form of consideration from holders of the unexercised, expired warrants in exchange for the new warrants.

**ITEM 28. UNDERTAKINGS.**

The undersigned registrant hereby undertakes:

For purposes of determining any liability under the Securities Act of 1933,

(i) treat the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the small

business issuer under Rule 424(b)(1) or (4) or 497(h) under the Securities Act as part of this registration statement as of the time the Commission declared it effective.

(ii) treat each post-effective amendment that contains a form of prospectus as a new registration statement for the securities offered in the registration statement, and that offering of the securities at that time as the initial bona fide offering of those securities.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
