Item 1.01 Entry into a Material Definitive Agreement.

On September 30, 2008, EB International Holdings, Inc., a wholly owned subsidiary of GameStop Corp. (the Company), entered into a Sale and Purchase Agreement (the Purchase Agreement) with L Capital, LV Capital, Europ@Web and others to acquire substantially all of the outstanding capital stock of SFMI Micromania (Micromania), a French simplified joint stock company (*société par actions simplifiée*), for approximately US\$700 million (EUR 480 million), including the assumption and repayment of debt, to be paid in cash at closing. Micromania is a leading retailer of video and computer games in France with 332 locations.

The Purchase Agreement contains customary representations, warranties, covenants and indemnities, including a covenant by Micromania to operate the business in the ordinary course until closing. The representations and warranties in the Purchase Agreement were made solely for the purposes of the agreement between the parties, and are subject to certain qualifications and limitations agreed to by each of them in connection with negotiating the terms of the Purchase Agreement. Accordingly, investors should not rely on the representations and warranties contained in the Purchase Agreement as characterizations of the actual state of facts as of the date of the Purchase Agreement or any subsequent time.

The transaction is subject to clearance by European antitrust authorities, and is expected to close in November 2008. The Company intends to fund the acquisition through cash on hand, a draw on its revolving credit facility and a \$150 million committed term loan from Bank of America.

The above summary of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement, a copy of which is included as Exhibit 2.1 of this Form 8-K and incorporated herein by reference.
