PROXY STATEMENT

This Proxy Statement is furnished by and on behalf of the Board of Directors of Books-A-Million, Inc. (the "Company") in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders of the Company to be held at 10:00 a.m. on Thursday, June 3, 2004, at The Harbert Center, 2019 Fourth Avenue North, Birmingham, Alabama 35203 and at any adjournments or postponements thereof (the "Annual Meeting"). This Proxy Statement and the enclosed proxy card will be first mailed on or about April 23, 2004 to the Company's stockholders of record on the Record Date, as defined below.

THE BOARD OF DIRECTORS URGES YOU TO COMPLETE, SIGN, DATE AND RETURN THE ENCLOSED PROXY CARD IN THE POSTAGE-PREPAID ENVELOPE PROVIDED.

SHARES ENTITLED TO VOTE

Proxies will be voted as specified by the stockholder or stockholders granting the proxy. Unless contrary instructions are specified, if the enclosed proxy card is executed and returned (and not revoked) prior to the Annual Meeting, the shares of common stock, \$.01 par value per share (the "Common Stock"), of the Company represented thereby will be voted FOR the election as director of the nominees listed in this Proxy Statement. The submission of a signed proxy will not affect a stockholder's right to attend and to vote in person at the Annual Meeting. A stockholder who executes a proxy may revoke it at any time before it is voted by filing with the Secretary of the Company either a written revocation or an executed proxy bearing a later date or by attending and voting in person at the Annual Meeting.

Only holders of record of Common Stock as of the close of business on April 5, 2004 (the "Record Date") will be entitled to vote at the Annual

Edgar Filing: BOOKS A MILLION INC - Form DEF 14A

Meeting. As of the close of business on the Record Date, there were 16,513,725 shares of Common Stock (the "Shares") outstanding. Holders of Shares authorized to vote are entitled to cast one vote per Share on all matters. The holders of a majority of the Shares entitled to vote must be present or represented by proxy to constitute a quorum. Shares as to which authority to vote is withheld and abstentions are counted in determining whether a quorum exists.

Under Delaware law and the Company's by-laws, directors are elected by the affirmative vote, in person or by proxy, of a plurality of the shares entitled to vote in the election at a meeting at which a quorum is present. Only votes actually cast will be counted for the purpose of determining whether a particular nominee received more votes than the persons, if any, nominated for the same seat on the Board of Directors.

Approval of any other matters that may properly come before the Annual Meeting, requires the affirmative vote of a majority of the Shares represented in person or by proxy and entitled to vote on such matter at a meeting at which a quorum is present. Abstentions will be counted in determining the minimum number of votes required for approval and will, therefore, have the effect of votes against such proposal. Unless a broker's authority to vote on a particular matter is limited, shares held in street name that are not voted ("broker non-votes"), are counted in determining votes present at a meeting and entitled to vote, such as for quorum purposes. However, a broker non-vote is not considered entitled to vote and is thus not calculated as a vote cast at a meeting (either for or against the proposal). As a broker's authority to vote with respect to the election of directors is not limited, there cannot be any broker non-votes on that matter.

With respect to any other matters that may come before the Annual Meeting, if proxies are executed and returned, such proxies will be voted in a manner deemed by the proxy representatives named therein to be in the best interests of the Company and its stockholders.

PROPOSAL I - ELECTION OF DIRECTORS

The Board of Directors of the Company is divided into three classes of directors serving staggered terms of office. Upon the expiration of the term of office of a class of directors, the nominee or nominees for that class are elected for a term of three years to serve until the election and qualification of their successors. The current terms of Mr. Charles C. Anderson, Dr. J. Barry Mason and Mr. William H. Rogers, Jr. expire upon the election and qualification of the directors to be elected at this Annual Meeting. The Board of Directors has nominated Mr. Anderson, Dr. Mason and Mr. Rogers for re-election to the Board of Directors at the Annual Meeting, to serve until the 2007 annual meeting of stockholders and until their successors are duly elected and qualified.

All Shares represented by properly executed proxies received in response to this solicitation will be voted for the election of the directors as specified therein by the stockholders. Unless otherwise specified in the proxy, it is the intention of the persons named on the enclosed proxy card to vote FOR the election of Mr. Charles C. Anderson, Dr. J. Barry Mason and Mr. William H. Rogers, Jr. to the Board of Directors. Mr. Anderson, Dr. Mason and Mr. Rogers have each consented to serve as a director of the Company if elected. If at the time of the Annual Meeting, either of Mr. Anderson, Dr. Mason or Mr. Rogers is unable or declines to serve as a director, the discretionary authority provided in the enclosed proxy card will be exercised to vote for a substitute candidate designated by the Board of Directors. The Board of Directors has no reason to believe that Mr. Anderson, Dr. Mason or Mr. Rogers will be unable or will decline to serve as a director.

Edgar Filing: BOOKS A MILLION INC - Form DEF 14A

Identifying and Evaluating Nominees for Directors. The Nominating Committee utilizes a variety of methods for identifying and evaluating nominees for director. In the event that vacancies are anticipated, or otherwise arise, the Nominating Committee considers various potential candidates for director. Candidates may come to the attention of the Nominating Committee through current Board members, professional search firms, stockholders or other persons. These candidates are evaluated at regular or special meetings of the Nominating Committee, and may be considered at any point during the year. The Nominating Committee considers properly submitted stockholder nominations. The Nominating Committee reviews and evaluates equally the materials in connection with the nominees that are provided by stockholders, search firms or other parties. In evaluating such nominations, the Nominating Committee seeks to achieve a balance of knowledge, experience and capability on the Board.

Directors who are not employees of the Company ("Non Employee Directors") receive an annual retainer fee of \$25,000 and an attendance fee of \$1,000 for each Board, Compensation and Nominating Committee meeting attended, as well as reimbursement of all out-of-pocket expenses incurred in attending all such meetings. In addition, the Company's non-employee directors are eligible to receive formula grants of stock options under the Company's Stock Option Plan. Rogers, Jr. received a grant of options to purchase 6,000 shares of Common Stock at an exercise price of \$6.46 per share on December 31, 2003. Prior to January 9, 2001, all options granted to directors expired on the sixth anniversary of the date of grant or 90 days after such individual ceases to be a director of the Company. On January 9, 2001, the Compensation Committee approved an amendment to the Stock Option Plan that allows all options granted after that date to expire on the tenth anniversary of the date of the grant or 90 days after such individual ceases to be a director of the Company. Each of these options granted to directors of the Company are immediately exercisable.

In light of the Company's compensation policy, the components of its executive compensation program for fiscal 2004 were base salaries, cash bonuses, restricted stock bonuses and stock options.

Base Salary. Each executive officer's base salary (including the Chief Executive Officer's base salary) is based upon a number of factors, including the responsibilities borne by the executive officer and his or her length of service to the Company. Each executive officer's base salary is reviewed annually and generally adjusted to account for inflation, the Company's financial performance, any change in the executive officer's responsibilities and the executive officer's overall performance. Factors considered in evaluating performance include financial results such as increases in sales, net income before taxes and earnings per share, as well as non-financial measures such as improvements in service and relationships with customers, suppliers and employees, employee safety and leadership and management development. These non-financial measures are subjective in nature. No particular weight is given by the Compensation Committee to any particular factor.

8

Cash Bonuses. Each executive officer, including the Chief Executive Officer, is eligible to receive an annual cash bonus of up to 100% of his or her base salary at the time of the award, including cash awards provided under the Executive Incentive Plan. Cash bonuses generally are paid pursuant to a bonus program established at the beginning of a fiscal year in connection with the preparation of the Company's annual operating budget for such year. Under this bonus program, an executive officer (including the Chief Executive Officer) is eligible to receive a bonus upon the Company achieving certain pre-tax income goals and the executive officer accomplishing certain individual performance goals related to his or her job functions.

Stock Options. In September 1992, the Company adopted a Stock Option Plan under which executive officers, including the Chief Executive Officer, are

Edgar Filing: BOOKS A MILLION INC - Form DEF 14A

eligible to receive stock options. In general, stock option awards are granted on an annual basis if warranted by the Company's growth and profitability. The Compensation Committee evaluates the Company's performance against pre-determined target levels of sales, net income and earnings per share in determining whether option grants are warranted and the aggregate amount of such grants. Under the Stock Option Plan, all stock options granted have had exercise prices no less than the fair market value (generally, the closing sale price of a share) of the Company's Common Stock on the date of grant. Prior to January 9, 2001, all options granted to employees became exercisable in equal annual increments over a five-year period and expired on the sixth anniversary of the date of grant. On January 9, 2001, the Compensation Committee approved an amendment to the Stock Option Plan that allows all options granted after that date to vest in equal annual increments over a three-year period and expire on the tenth anniversary of the date of the grant. The Compensation Committee believes that these features serve to align the interests of executives with those of stockholders and the long-term interests of the Company. Options to purchase 125,000 shares of Common Stock were granted to a total of four executive officers in fiscal 2004. The amount of each executive officer's grant of stock options was based upon an evaluation of such executive officer's responsibilities and performance, the desirability of long-term service from the particular executive officer, the aggregate amount of prior stock option awards to the particular executive officer and the Company's overall financial performance. While the Compensation Committee has not established a target level of stock ownership by the Company's executive officers, it does encourage such ownership and intends to gradually increase the ownership of the Company's Common Stock by executive officers and other key employees.

Executive Incentive Plan. During fiscal 1995, the Company adopted the Books-A-Million, Inc. Executive Incentive Plan (the "Incentive Plan"). The Incentive Plan provides for awards to certain executive officers of cash, shares of restricted stock or both, based on the achievement of specific pre-established performance goals during a three consecutive fiscal year performance period. During Fiscal 2004, awards provided by this plan were made to Ms. Sandra B. Cochran, President and Mr. Terrance G. Finley, Executive Vice President. The awards were made in restricted stock according to the provisions of the plan.

Compensation of Chief Executive Officer. During fiscal 2004, the Company's Chief Executive Officer, Mr. Clyde B. Anderson, earned compensation comprised of each of the base salary, cash bonus and stock option components of the Company's executive compensation program described above. The Compensation Committee established his compensation after reviewing the compensation packages of other chief executive officers of publicly-traded retailers (as reported in such companies' proxy statements). The Compensation Committee considered the size, location, revenues, earnings and capital structure of the retailers whose chief executive officers' compensation packages were reviewed, and attempted to provide Mr. Anderson with comparable compensation based upon the Committee's subjective comparison of the size, location, revenues, earnings and capital structure of the Company. During fiscal 2004, Mr. Anderson also received options to purchase 40,000 shares of Common Stock at an exercise price of \$6.47 per share. Mr. Anderson's options have an exercise price equal to the fair market value (generally, the closing sale price of a share) of the Company's Common Stock on the date of grant and vest in equal annual increments over three years, as do the options granted to other executive officers of the Company.

As of February 1, 2004, Ms. Sandra B. Cochran was appointed to the Chief Executive Officer position. Mr. Anderson retained his position as Executive Chairman of the Board.

Edgar Filing: BOOKS A MILLION INC - Form DEF 14A

Limitations on Deductibility of Compensation. Under the 1993 Omnibus Budget Reconciliation Act, a portion of annual compensation payable after 1993 to any of the Company's five highest paid executive officers would not be deductible by the Company for federal income tax purposes to the extent such officer's overall compensation exceeds \$1,000,000. Qualifying performance-based incentive compensation, however, would be both deductible and excluded for purposes of calculating the \$1,000,000 limit. Although the Compensation Committee does not presently intend to award compensation in excess of the \$1,000,000 limit, it will continue to address this issue when formulating compensation arrangements for the Company's executive officers.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Interlocks. As indicated above, the Compensation Committee of the Board of Directors consists of Messrs. Ronald G. Bruno, J. Barry Mason and William H. Rogers, Jr. None of these directors had interlock relationships.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During fiscal 2004, Charles C. Anderson, Clyde B. Anderson and Terry C. Anderson served as executive officers or directors of a total of ten companies owned or controlled by the Anderson family (the "Other Companies"), with which there is an "interlock" relationship, as defined by the SEC, arising from the concurrent participation of (i) Clyde B. During fiscal 2004, the Company entered into certain transactions in the ordinary course of business with certain entities affiliated with Messrs. Charles C. Anderson, Terry C. Anderson and Clyde B. purchases totaled \$72,250. The Company utilizes Anco Far East Importers, LTD ("Anco Far East"), a company which is wholly owned by members of the Anderson family, to assist in purchasing and importing certain gift items. The total cash paid to Anco Far East for fiscal 2004 was \$910,248, which primarily included the actual cost of the product, but also included freight, duties, and fees for sourcing and consolidation services. All of the costs other than the sourcing and consolidation services fees, which totaled \$77,371, were passed through from other vendors. During fiscal 2004, the Company sold books to Anderson Media in the amounts of \$442,859. During the year, the Company provided \$226,219 of internet services to Magazines.com, an affiliate of Anderson Media.

The Company leases its principal executive offices from a trust, which was established for the benefit of the grandchildren of Mr. Charles C. Anderson. The lease extends to January 31, 2006. During fiscal 2004, the Company paid

10

rent of \$137,189 to the trust under this lease. Anderson & Anderson, LLC ("A&A"), which is wholly owned by members of the Anderson family, also leases three buildings to the Company. During fiscal 2004, the Company paid A&A a total of \$447,003 in connection with such leases.

The Company subleases certain property to Hibbett Sporting Goods, Inc. ("Hibbett"), a sporting goods retailer in the Southeastern United States. The Company's Executive Chairman, Clyde B. Anderson, serves as a director for Hibbett. During fiscal 2004, the Company received \$191,000 in rent payments from Hibbett.

The Company shares ownership of a plane used by Books-A-Million in the operations of the business. The Company rents the plane to affiliated companies at the approximate cost of usage. The total amounts received from affiliated companies for use of the plane in fiscal 2004 was \$274,684. The cost of operating the plane was approximately the same as the revenue received.
