**McRAE INDUSTRIES, INC.**  
400 North Main Street  
Mount Gilead, North Carolina 27306  
**PROXY STATEMENT**

**General**

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of proxies to be used at the Annual Meeting of Stockholders of McRae Industries, Inc., a Delaware corporation (the "Company"), to be held at 3:00 p.m., local time, on December 15, 2005 at its principal office, 400 North Main Street, Mount Gilead, North Carolina. This Proxy Statement and accompanying proxy are being sent to the stockholders of the Company on or about November 15, 2005.

The cost of preparing, assembling and mailing the proxy material and of reimbursing brokers, nominees, and fiduciaries for the out-of-pocket and clerical expenses of transmitting copies of the proxy material to the beneficial owners of shares held of record by such persons will be borne by the Company. The Company does not intend to solicit proxies otherwise than by use of the mail, but certain officers and regular employees of the Company or its subsidiaries, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies.

A stockholder signing and returning a proxy on the enclosed form has the power to revoke it at any time before the shares subject to it are voted by filing with the Secretary of the Company an instrument revoking it, by filing a duly executed proxy bearing a later date with the Secretary of the Company or by attending the meeting and voting in person. If a stockholder specifies how the proxy is to be voted with respect to any of the proposals for which a choice is provided, the proxy will be voted in accordance with such specifications. If a stockholder fails to so specify with respect to such proposals, the proxy will be voted FOR the proposals.

**Required Voting and Record Date**

Only stockholders of the Class A and Class B Common Stock of record at the close of business on October 28, 2005 are entitled to vote at the meeting. On that date, the Company had outstanding and entitled to vote a total of 2,240,841 shares of Class A Common Stock and 527,658 shares of Class B Common Stock. Each share of Class B Common Stock is freely convertible into a share of Class A Common Stock at the election of the holder.

On November 17, 2005, the Company will hold a Special Stockholders Meeting to vote on a proposal to approve a transaction through which stockholders owning less than 200 shares of a class of common stock (Class A or Class B) would have such shares cancelled and converted into the right to receive \$14.25 in cash for each such share owned before the transaction. If the transaction is approved by the stockholders at the special meeting, it is anticipated that the transaction will be implemented shortly thereafter. If the transaction is implemented prior to the Annual Meeting, shares that are cashed out in the transaction will not be deemed outstanding shares for the purpose of voting or determining the total number of shares entitled to vote at the Annual Meeting.

The Company's Bylaws provide that where a class vote is required, a quorum consists of the presence, in person or by proxy, of the holders of a majority of the outstanding shares of a particular class entitled to vote as a class at the meeting, and that where a class vote is not required, a quorum consists of the presence, in person or by proxy, of the holders of a majority of the outstanding shares of all classes of stock entitled to vote at the meeting (with each share of Class A Common Stock being counted as one tenth of a share and each share of Class B Common Stock being counted as one share). Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum. A broker non-vote occurs when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power for that particular item and has not received voting instructions from the beneficial owner.

The Bylaws of the Company provide for seven directors, two of whom are elected by the holders of the Class A Common Stock voting as a separate class and five of whom are elected by the holders of the Class B Common Stock voting as a separate class. Directors are elected by a plurality of the votes of the applicable class of Common Stock cast by the holders of shares of such class present and entitled to vote at a meeting. This means that the director nominees that receive the most votes will be elected to fill the open slots. Abstentions and broker non-votes are not counted in the election of directors and only votes for or withheld affect the outcome of the election. Cumulative voting for directors is not permitted.

With respect to the approval of the Grant Thornton LLP as the Company's independent auditors and on all other matters (except matters required by law or the Company's certificate of incorporation or bylaws to be approved by a different vote), the holders of Class A Common Stock and Class B Common Stock vote together as a single class with each share of Class A Common Stock entitled to one-tenth vote and each share of Class B Common Stock entitled to one vote. A vote by the holders of a majority of the shares of Class A Common Stock and Class B Common Stock present at the meeting, in person or by proxy, voting together as a single class, is required to approve any such matters, including the approval of Grant Thornton LLP as independent auditors to audit the financial statements of the Company.

#### **Director Attendance at Annual Meetings and Communications with Board of Directors**

The annual meeting of stockholders provides an opportunity each year for stockholders to ask questions of or otherwise communicate directly with members of the Board of Directors on matters relevant to the Company. As such, each of the Corporation's directors is requested to attend in person the annual meeting. Each of the Company's directors, except for Harold W. Smith whose term as director expired at the 2004 annual meeting, attended the Company's 2004 annual meeting. Additionally, it is the policy of the Company that stockholders may, at any time, communicate with the Company's Board of Directors or any one director by mailing a written communication to the Board of Directors or any such director(s) c/o the Office of the Secretary of the Company at the Company's principal office address, which is Post Office Box 1239, 400 North Main Street, Mount Gilead, North Carolina 27306.

**Stockholder Proposals for Next Annual Meeting**

To be considered for inclusion in the Company's proxy statement and form of proxy for the 2006 annual meeting of stockholders, a stockholder proposal must be received by the Office of the Secretary of the Company, Post Office Box 1239, 400 North Main Street, Mount Gilead, North Carolina 27306, no later than July 18, 2006. In addition, if the Company receives notice of stockholder proposals after October 1, 2006, then the persons named as proxies in such proxy statement and form of proxy will have discretionary authority to vote on such stockholder proposals.

It is the intention of the persons named in the accompanying Proxy to vote all proxies solicited by the Board of Directors FOR the seven nominees listed below unless authority to vote for the nominees is withheld by a stockholder in such stockholder's proxy.

#### **Director Compensation**

Outside directors are paid \$1,250 for attending regularly scheduled quarterly meetings of the Board of Directors and \$250 for telephone meetings. Directors who are also officers or employees of the Company are paid \$500 for attending such meetings. In addition, directors are paid \$500 for attending committee meetings, and Brady W. Dickson receives \$1,000 per quarter for his service as Chairman of the Audit Committee.

#### **Executive Officers**

D. Gary McRae, James W. McRae, Victor A. Karam, and Marvin G. Kiser, Sr. are executive officers as well as directors. The executive officers of the Company serve at the pleasure of the Board of Directors. Biographical information on the executive officers, including offices held and their respective ages can be found in the tables under the *Election of Directors* section above.

#### **The Board of Directors and its Committees**

The Board of Directors held eight meetings during the past year. Each director attended more than 75% of the aggregate total number of meetings of the Board of Directors and the total number of meetings of any Committee on which he served. The full Board of Directors has determined that William H. Swan, Brady W. Dickson and Hilton J. Cochran are independent under applicable Securities Exchange Commission regulations and the listing standards of the American Stock Exchange. The Board of Directors has an audit committee and a compensation committee but no

nominating committee. The Board of Directors is not required to have a nominating committee because the Company qualifies as a controlled company, under the applicable rules of the American Stock Exchange. The Company currently qualifies as a controlled company because more than 50% of the Company's voting power, and the power to elect five of the Company's seven directors, is controlled by a group comprised of D. Gary McRae, James W. McRae, McRae A Investment Company, LLC and McRae B Investment Company, LLC (the McRae Group). The Board of Directors has determined that since the McRae Group controls

the selection of five of the Company's seven directors it is appropriate that the Company not have a nominating committee. The entire Board of Directors participates in the consideration of director nominees.

***Audit Committee***

The Audit Committee is composed of William H. Swan, Brady W. Dickson and Hilton J. Cochran, each of whom the Board of Directors has determined is independent under applicable Securities Exchange Commission regulations and the listing standards of the American Stock Exchange. The Board of Directors has also determined that Mr. Dickson is an audit committee financial expert as defined in regulations adopted by the Securities Exchange Commission. The Audit Committee is responsible for appointing, retaining and terminating the independent auditors for the Company, reviewing the Company's financial statements, internal financial controls, and accounting policies, reviewing the independent auditor's audit plan and report, and reviewing and approving services to be performed by the Company's independent auditors. The Audit Committee met eight times during the last fiscal year. The Audit Committee currently operates under a written charter adopted by the Board of Directors on October 26, 2004, a copy of which was attached to the proxy statement for the 2004 Annual Meeting.

***Audit Committee Report***

In connection with its financial oversight responsibilities, the Audit Committee has:

1. Reviewed and discussed with management the Company's audited financial statements for the fiscal year ended July 30, 2005.
2. Discussed with Grant Thornton LLP, the Company's independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended.
3. Received the written disclosures and the letter from Grant Thornton LLP required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with Grant Thornton LLP their independence.
4. Considered whether the provision of non-audit services by Grant Thornton LLP is compatible with maintaining auditor independence.

Based on these actions, the Audit Committee recommended to the Board of Directors of the Company that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended July 30, 2005.

This report has been provided by the Audit Committee:

Brady W. Dickson Chairman

William H. Swan

Hilton J. Cochran

### ***Compensation Committee***

The Compensation Committee is composed of William H. Swan, Brady W. Dickson and Hilton J. Cochran. It is responsible for administering and selecting key employees to whom stock options and stock appreciation rights will be awarded under the Company's Incentive Equity Plan, for reviewing any transactions or arrangements between the Company and any of its affiliates, and for recommending executive compensation to the Board of Directors. D. Gary McRae typically participates in meetings of the Compensation Committee for purposes of consulting with the committee regarding compensation decisions for Company personnel other than himself, but does not vote as a member of the committee. The committee met two times during the fiscal year.

### **Compensation Committee Interlocks and Insider Participation**

During the last fiscal year, no executive officer of the Company served as a director or member of the compensation committee (or committee performing similar functions) of any other entity of which an executive officer of that other entity served on the Board of Directors or Compensation Committee of the Company.

### **Certain Relationships and Related Transactions**

The Company leases administrative and sales office space in Clarksville, Tennessee for the western boot business from Ken O. Moore, who is the President of Dan Post Boot Company. The annual rental is \$52,800 per year, which is comparable to other similar properties in that area.

### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers and persons who own more than 10% of the Company's Class A Common Stock or Class B Common Stock to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of such Class A and Class B Common Stock. Executive officers, directors and greater than 10% stockholders are required to furnish the Company with copies of all such reports they file. To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the fiscal year ended July 30, 2005, all Section 16(a) filing requirements applicable to its executive officers, directors and greater than 10% beneficial owners were complied with except that McRae B Investment Company did not timely file one Form 4 covering one transaction.

### **Codes of Ethics**

The Company has adopted a Code of Ethics for directors and Executive Officers and a Code of Ethics for Non-executive Employees (the Codes of Ethics). Upon written request, the Company will furnish without charge copies of the Codes of Ethics. Such request should be submitted to Office of the Secretary, McRae Industries, Inc., P.O. Box 1239, Mount Gilead, North Carolina 27306.

**Executive Compensation**

The table below shows the compensation paid or accrued by the Company, for the three fiscal years ended July 30, 2005 to or for the account of D. Gary McRae, the only person who has served as Chief Executive Officer during the fiscal year, and James W. McRae, Victor A. Karam, and Marvin G. Kiser, Sr. (collectively, the Named Executive Officers). At fiscal year-end, no Named Executive Officer held any unexercised options or stock appreciation rights, nor was any restricted stock held by or awarded to any Named Executive Officer.

**Compensation Committee Report**

The Compensation Committee, whose members are named above make recommendations to the Board of Directors concerning the Company's compensation arrangements. In connection with such arrangements, William H. Swan, Brady W. Dickson and Hilton J. Cochran have provided the following report:

The Company's overall compensation philosophy is as follows:

Attract and retain quality talent, which is critical to both the short-term and long-term success of this Company;

Reinforce strategic performance objectives through the use of annual and long-term incentive compensation programs; and

Create a mutuality of interest between executive officers and stockholders through compensation structures that share the rewards and risks of strategic decision making.

*Base Compensation* - The Company's approach to base compensation is to offer competitive salaries in comparison to market practices. The 2005 aggregate amount expended for the base salaries of the Named Executive Officers other than the President increased an average of 4.8 percent in 2005.

The Committee, consisting of three outside directors, annually examine market compensation levels and trends observed in the labor market. For its purposes, the Committee has defined the labor market as the pool of executives who are currently employed in similar positions in companies with similar sales and market capitalization. Market information is used as a frame of reference for annual salary adjustments and starting salaries.

The Committee makes salary decisions in the annual review process with input from the President. This annual review considers the decision-making responsibilities of each position and the experience, work performance, and team-building skills of position incumbents. The Committee views work performance as the single most important measurement factor and places most of the weight in this area. The remaining measurement factors, decision-making responsibilities and team-building skills, are weighted equally.

*Incentive Compensation* - The Compensation Committee annually make recommendations to the Board of Directors whether to pay and the amount of cash incentive bonuses. For executive officers other than the President, consideration is given to overall corporate performance and performance of the specific areas of the Company under a participant's direct control. This balance supports the accomplishment of overall objectives and rewards individual contributions by our executive officers. Individual annual bonus level targets are consistent with market practices for positions with comparable decision-making responsibilities. Target performance levels are based upon historic patterns of Company performance and strategic objectives. All annual bonus-level performance targets are set above normal expectations of performance. Such performance measure threshold ensures that bonuses are not paid for substandard accomplishments. Total bonuses paid in fiscal 2005 to the Named Executive Officers other than the President were 22.8% percent of their total salaries paid for fiscal 2005 compared to 18.9 percent in 2004.

Long-term incentives provide another key element of executive compensation. Previously, the Company has granted non-qualified options from time to time under the Company's 1985 Non-Qualified Stock Option Plan. To expand the Company's flexibility to offer long-term incentives to its key employees, the Stockholders and the Board of Directors have adopted the Incentive Equity Plan, which replaced the Company's 1985 Non-Qualified Stock Option Plan. No awards were made under the Incentive Equity Plan during 2005.

*President Compensation* - As indicated in the discussion above, the Company's total compensation program is based upon market conditions and business performance. A portion of an executive's yearly compensation is dependent upon the Company's performance for the fiscal year based upon the executive's level of responsibility and authority. In fiscal 2005, D. Gary McRae received a bonus equal to 26.5 percent of his total salary paid for fiscal 2005 (and his base salary rate was increased 4.3 percent over 2004).

The Audit Committee of the Board of Directors of the Company has appointed Grant Thornton LLP as independent certified public accountants for the 2006 fiscal year and recommends to the stockholders that they vote FOR ratification of that appointment. The Audit Committee will reconsider the selection of independent certified public accountants if the stockholders do not ratify the appointment of Grant Thornton LLP. **Auditor Independence.** The Audit Committee has considered whether the provision of services by Grant Thornton LLP other than the audit of the financial statements of the Company for the fiscal year ending July 30, 2005 and the review of the financial statements for the first three quarters of the fiscal year ending July 30, 2005 is compatible with

maintaining auditor independence. Grant Thornton LLP has advised the Company that it has no direct or indirect financial interest in the Company.
