**PROXY STATEMENT
OF
ORION HEALTHCORP, INC.
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 12, 2006
GENERAL**

Our board of directors is soliciting your proxy in connection with our 2006 Annual Meeting of Stockholders (the Annual Meeting), which will be held on Friday, May 12, 2006, at 8:00 a.m. local time, at 1805 Old Alabama Road, Roswell, Georgia 30076, and at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. All stockholders are entitled and encouraged to attend the Annual Meeting in person. This Proxy Statement and the accompanying Notice of Annual Meeting are being first mailed to stockholders on or about April 20, 2006.

BACKGROUND

On December 15, 2004, Orion HealthCorp, Inc. (then operating under the name SurgiCare, Inc.) (the Company) underwent a restructuring (the Restructuring) whereby the Company: (i) acquired three healthcare service companies, Integrated Physician Solutions, Inc. (IPS), Medical Billing Services, Inc. (MBS) and Dennis Cain Physician Solutions, Ltd. (DCPS); (ii) issued new equity securities for cash and contribution of outstanding debt; (iii) restructured its debt facilities; (iv) completed a one-for-ten reverse stock split (the Reverse Stock Split); (v) created three new classes of common stock (Class A, Class B and Class C); and (vi) changed its name to Orion HealthCorp, Inc. As a result of the Restructuring, IPS and MBS became wholly owned subsidiaries of the Company and DCPS became a wholly owned subsidiary of MBS.

Prior to the Restructuring, the Company's common stock was traded on the American Stock Exchange (AMEX) under the symbol SRG. As part of the Restructuring, (i) the Company's common stock was reclassified as Class A Common Stock, resulting in the Class A Common Stock being traded on AMEX under the symbol ONH, (ii) the Company issued additional shares of Class A Common Stock to the former stockholders and certain creditors of IPS, (iii) the Company issued shares of its newly created Class B Common Stock to certain investors, including Brantley Partners IV, L.P. (Brantley IV) and Brantley Capital Corporation (Brantley Capital), and (iv) the Company issued shares of its newly created Class C Common Stock to the former equity owners of MBS and DCPS. Also, from the time of completion of the Restructuring, Brantley IV and its affiliates, Brantley Venture Partners III, L.P. (Brantley III) and Brantley Capital, owned a majority of the voting power of the equity securities of the Company, making the Company a controlled company under the listing rules of AMEX. On April 12, 2006, Brantley IV and Brantley III filed with the Securities and Exchange Commission (SEC) an amendment to their Schedule 13D relating to the Company indicating that Brantley Capital had terminated its investment advisory relationship with Brantley Capital Management, L.L.C. (Brantley Capital Management) on September 28, 2005, which resulted in Brantley Capital no longer being an affiliate of Brantley III or Brantley IV. Therefore, no individual or group now owns a majority of the voting power of the equity securities of the Company and the Company is no longer a controlled company under the listing rules of AMEX.

ABOUT THE MEETING

Why am I receiving this Proxy Statement and proxy card?

You are receiving a Proxy Statement and proxy card because you own shares of Class A Common Stock of the Company, shares of Class B Common Stock of the Company, and/or shares of Class C Common Stock of the Company (collectively, Common Stock). This Proxy Statement describes proposals on which we would like you, as a stockholder, to vote. It also gives you information on the proposals so that you can make an informed decision.

When you sign the proxy card, you appoint Terrence L. Bauer and Stephen H. Murdock, and each of them, as your proxies to vote your shares of Common Stock at the Annual Meeting and at all adjournments or postponements of the Annual Meeting. All properly executed proxy cards delivered pursuant to this solicitation and not revoked will be voted in accordance with the directions given. Other than the proposals described in this Proxy Statement, we do not know of any other matters that will be considered at the Annual Meeting. Execution of a proxy card, however, confers on the designated proxy holders discretionary authority to vote the shares represented by the proxy on other

business, if any, that may properly come before the Annual Meeting or any adjournment or postponement thereof.

Table of Contents

What am I voting on?

You are being asked to vote on the following proposals:

Proposal I To elect five directors to serve until the 2007 annual meeting of stockholders or until their successors are elected and qualified; and

Proposal II To ratify the appointment of UHY Mann Frankfort Stein & Lipp CPAs, L.L.P. (UMFSL) as the Company's independent public auditors.

Who is entitled to vote?

Our board of directors has fixed the close of business on March 27, 2006, as the record date for determination of stockholders entitled to notice of, and to vote at, the Annual Meeting. As of the record date, there were 24,314,084 shares of Common Stock outstanding that were held by approximately 469 stockholders of record, including 12,428,042 shares of our Class A Common Stock issued and outstanding that were held by approximately 459 stockholders of record, 10,448,470 shares of our Class B Common Stock issued and outstanding that were held by approximately 4 stockholders of record, and 1,437,572 shares of our Class C Common Stock issued and outstanding that were held by approximately 6 stockholders of record. Stockholders of record as of the close of business on the record date are entitled to one vote for each share of Common Stock (regardless of class) of the Company then held.

How many shares must be represented to have a quorum?

The holders of a majority of the total shares of our Common Stock outstanding on the record date, whether present at the Annual Meeting in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. The shares held by each stockholder who signs and returns the enclosed form of proxy card will be counted for the purposes of determining the presence of a quorum at the Annual Meeting, whether or not the stockholder abstains on all matters or any matter to be acted on at the meeting. Abstentions and broker non-votes both will be counted toward fulfillment of quorum requirements. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner. In the event there are not sufficient votes for a quorum or to approve any proposals at the time of the Annual Meeting, the Annual Meeting may be adjourned or postponed in order to permit the further solicitation of proxies.

How many votes are required to approve the proposals?

As to the election of directors (Proposal I) the proxy being provided by the board of directors enables a stockholder to vote FOR any or all of the director nominees or WITHHOLD your vote as to any or all of the nominees. Directors are elected by a plurality of votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote in the election of directors. As a result, the five nominees receiving the highest number of votes cast at the Annual Meeting will be elected, regardless of whether that number represents a majority of the votes cast or a majority of the total votes entitled to be cast. Thus, a WITHHELD vote will have no impact on the election of directors. Stockholders may not cumulate votes in the election of directors (Proposal I).

The affirmative vote of a majority of the total number of shares of Common Stock represented in person or by proxy at the Annual Meeting and entitled to vote is needed to approve the ratification of the appointment of UMFSL as the Company's independent public auditors (Proposal II). With respect to Proposal II, you have the opportunity to vote FOR, AGAINST or ABSTAIN.

Abstentions and broker non-votes are not counted in the tally of votes FOR or AGAINST a proposal. As a result, abstentions and broker non-votes will have the following effects on the outcome of each of the proposals to be considered at the Annual Meeting:

With respect to Proposal I, abstentions and broker non-votes will have no impact on the outcome of the vote; and

With respect to Proposal II, abstentions and broker non-votes will have the same effect as a vote AGAINST the proposal.

Table of Contents

What if I return my proxy card but do not provide voting instructions?

If you sign and return your proxy card, but do not include instructions, your proxy will be voted FOR the election of each nominee for director identified in Proposal I and FOR Proposal II. Additionally, your proxy will be voted in the discretion of the proxies with respect to any other business that properly comes before the meeting.

Stockholders may vote part of their shares in favor of the proposal and refrain from voting the remaining shares or, except in the election of directors (Proposal I), may vote them against the proposal. If you execute a proxy card and do not specify the number of shares that you are voting affirmatively, the proxy will be voted with respect to all shares that you are entitled to vote.

What does it mean if I receive more than one proxy card?

It means that you have multiple accounts at the transfer agent and/or with brokers or that you own shares of more than one class of Common Stock. Please sign and return all proxy cards to ensure that all your shares are voted. You may wish to consolidate as many of your transfer agent or brokerage accounts as possible under the same name and address for better customer service.

What if I change my mind after I return my proxy?

You may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting. You may do this by:

Sending written notice to our Corporate Secretary at 1805 Old Alabama Road, Suite 350, Roswell, Georgia 30076;

Signing and returning another proxy with a later date; or

Voting in person at the Annual Meeting.

Attendance at the Annual Meeting will not, in itself, constitute revocation of a proxy.

Will my shares be voted if I do not sign and return my proxy card?

If your shares are held in street name (i.e., in the name of your brokerage firm), your brokerage firm may vote your shares under certain circumstances. These circumstances include certain routine matters, such as the election of directors (Proposal I) and the ratification of the appointment of UMFSL as the Company's independent public auditors (Proposal II). Therefore, if you do not vote your proxy, your brokerage firm may either vote your shares on routine matters, or leave your shares unvoted. When a brokerage firm votes its customers' shares on routine matters without having received voting instructions, these shares are counted for purposes of establishing a quorum to conduct business at the meeting.

What happens if the Annual Meeting is postponed or adjourned?

If the Annual Meeting is postponed or adjourned for any reason, including permitting the further solicitation of proxies, at any subsequent reconvening of the meeting all proxies will be voted in the same manner as they would have been voted at the original Annual Meeting. However, as described above, you may revoke your proxy and change your vote at any time before the polls are closed at the reconvened meeting.

How do I vote?

You may vote by mail. You do this by signing your proxy card and mailing it in the enclosed, prepaid and self-addressed envelope.

You may vote in person at the Annual Meeting. Written ballots will be passed out to anyone who wants to vote at the meeting. If you hold your shares in street name (through a broker or other nominee), you must request a legal proxy from your stockbroker in order to vote at the meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The board of directors has set March 27, 2006, as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. Stockholders of record as of the close of business on the record date are entitled to one vote for each share of Common Stock (regardless of class) of the Company then held. As of the record date, the Company had 24,314,084 shares of Common Stock issued and outstanding, including 12,428,042 shares of Class A Common Stock of the Company, 10,448,470 shares of Class B Common Stock of the Company, and 1,437,572 shares of Class C Common Stock of the Company. The Amended and Restated Certificate of Incorporation of the Company (the Charter) provides that all holders of all classes of Common Stock shall vote together as a single class with respect to Proposals I and II.

The following table sets forth certain information with respect to Common Stock beneficially owned as of April 12, 2006, by (i) each person known to us to be the beneficial owner of more than 5% of the issued and outstanding Common Stock, (ii) each of the members or nominees of the board of directors, (iii) each of the executive officers of the Company named in the summary compensation table below, and (iv) all directors and executive officers as a group. Beneficial ownership has been determined in accordance with Rule 13d-3 under the Exchange Act. Under this rule, certain shares may be deemed beneficially owned by more than one person (if, for example, persons share the power to vote or the power to dispose of the shares). In addition, shares are deemed beneficially owned by a person if the person has the right to acquire shares (for example, upon the exercise of an option or warrant) within sixty days of the date as of which the information is provided. In computing the percentage ownership of any person, the amount of shares is deemed to include the amount of shares beneficially owned by such person by reason of such acquisition rights. As a result, the percentage of outstanding shares of any person as shown in the following table does not necessarily reflect the person's actual voting power at any particular date. The information in the table is based on information provided to the Company by the person or group, including filings made by such person with the SEC. Other than as noted below, management knows of no person or group that owns more than 5% of the outstanding shares of Common Stock at the record date.

Table of Contents**PROPOSAL I
Election of Directors**

Our Bylaws provide that our board of directors will consist of not less than three members, the exact number to be determined by resolution adopted by our board of directors. The number of directors is currently set at five. Directors are elected for a one-year term and hold office until the next annual meeting of stockholders and until their successors are elected and qualified. The directors are elected by plurality vote, which means that the five director nominees receiving the highest number of affirmative votes at the Annual Meeting shall be elected to the board of directors. Votes withheld from any director are counted for purposes of determining the presence or absence of a quorum, but have no other legal effect under Delaware law.

Terrence L. Bauer, Keith G. LeBlanc, Paul H. Cascio, Michael J. Finn, David Crane, Gerald M. McIntosh, and Joseph M. Valley, Jr., were elected at the May 31, 2005 annual meeting of the stockholders to serve until their terms expire at the Annual Meeting. Messrs. McIntosh and LeBlanc resigned their position as directors effective November 3, 2005 and November 8, 2005, respectively. The board of directors determined not to fill the vacancies created by the resignations of Messrs. LeBlanc and McIntosh and to set the number of members of the board of directors at five.

Pursuant to the Stockholders Agreement, each of Brantley III, Brantley IV and Brantley Capital (i) is entitled to nominate one person to become a member of the board of directors and (ii) has agreed to cast all votes necessary to elect as members of the board of directors of the Company the three people who have been nominated by Brantley III, Brantley IV and Brantley Capital. In accordance with the Stockholders Agreement, Brantley III, Brantley IV and Brantley Capital have nominated Paul Cascio, Michael Finn and David Crane as directors to be elected at the Annual Meeting. In accordance with the requirements of AMEX, the remaining two board nominees, Terrence L. Bauer and Joseph M. Valley, Jr., have been selected by the board of directors, as recommended by all of the independent directors. Each of the nominees have been nominated to serve until the 2007 annual meeting of stockholders or until his successor has been duly elected and qualified. All of these nominees of the board of directors are presently directors of the Company and have consented to be named as nominees and to serve as directors if elected. Should a nominee be unable or unwilling to serve as a director, the enclosed proxy will be voted for such other person or persons as the board of directors may recommend. Management does not anticipate that such an event will occur.

The board of directors recommends a vote FOR each named nominee.

Meetings of the board of directors

The current board of directors is comprised of five directors, two of whom are independent as defined under the corporate governance rules of AMEX. As a result of the Company no longer being a controlled company under the corporate governance rules of AMEX, the Company will be required to have at least 50% of its directors be independent as defined under the corporate governance rules of AMEX within one year from April 12, 2006. The current board of directors held five meetings during the fiscal year ended December 31, 2005, and acted pursuant to written consent on four occasions. During fiscal year 2005, each incumbent director attended at least seventy-five percent of the aggregate of (1) the total number of meetings of the board of directors and (2) the total number of meetings held by all committees of the board of directors on which he served.

In compliance with the AMEX corporate governance rules, the independent members of the board of directors will at least annually schedule an executive session without the non-independent directors or management.

Table of Contents

Director Attendance at the Annual Meeting

While the Company does not have a policy requiring the members of the board of directors to attend its annual meetings of stockholders, it encourages its directors to attend and it is anticipated that most of its directors will attend the annual meetings of stockholders. Of the directors in office at the time of the 2005 annual meeting of stockholders, only Terrence L. Bauer attended the meeting.

Controlled Company Status

AMEX has adopted minimum requirements for director independence and nominating and compensation committee membership. These requirements do not apply to any company whose ownership is controlled by a single owner or group. Prior to April 12, 2006, Brantley III, Brantley IV and Brantley Capital were affiliated entities that owned over a majority of the voting power of the issued and outstanding Common Stock of the Company. Until that time, the Company was considered a controlled company under the AMEX rules and, as such, was not required to comply with certain of AMEX's rules regarding director independence and nominating and compensation committee membership.

On April 12, 2006, Brantley IV and Brantley III filed with the SEC an amendment to their Schedule 13D relating to the Company indicating that Brantley Capital had terminated its investment advisory relationship with Brantley Capital Management on September 28, 2005, which resulted in Brantley Capital no longer being an affiliate of Brantley III or Brantley IV. Therefore, no individual or group now owns a majority of the voting power of the equity securities of the Company and the Company is no longer a controlled company under the listing rules of AMEX. The board of directors has since modified its nominating procedures and Compensation Committee membership to comply with the AMEX rules and the Company has one year from April 12, 2006 within which to establish a board consisting of 50% directors who are independent for purposes of the corporate governance standards for small business issuers of AMEX.

The board of directors currently has two standing committees, the Compensation Committee and the Audit Committee.

Compensation Committee

Prior to April 17, 2006, the Compensation Committee consisted of Mr. Cascio, who was the Chairman, and Mr. Valley, who is independent for purposes of the corporate governance standards for small business issuers of AMEX. In order to comply with the corporate governance standards for small business issuers of AMEX as a result of the change in controlled company status, the board of directors has since named Mr. Crane and Mr. Valley as the members of the Compensation Committee. Both Messrs. Crane and Valley are independent for purposes of the corporate governance standards for small business issuers of AMEX. The Compensation Committee provides recommendations to, and may act on behalf of, the board of directors regarding compensation matters, and administers the Company's stock option and compensation plans. The Compensation Committee held two meetings during the fiscal year ended December 31, 2005. A copy of the Compensation Committee charter is available on the Company's website at www.orionhealthcorp.com.

Audit Committee

The current Audit Committee consists of Messrs. Crane and Valley, each of whom is independent for purposes of the corporate governance standards for small business issuers of AMEX. The Company is a small business issuer that files reports under the SEC Regulation S-B, and thus, is only required to have an audit committee composed of two or more independent directors. The board of directors has determined that the Audit Committee Chairman, Mr. Crane, is financially sophisticated and qualifies as an audit committee financial expert for purposes of the AMEX corporate governance rules. The Audit Committee held six meetings during the fiscal year ended December 31, 2005. A copy of the Audit Committee charter is available on the Company's website at www.orionhealthcorp.com.

Report of the Audit Committee

As set forth in more detail in the Audit Committee charter, the Audit Committee's primary responsibilities include:

Ensuring the adequacy of the Company's internal controls and financial reporting process and the reliability of the Company's financial statements;

Engaging independent public auditors to audit our financial statements and perform other services related to the audit, including determining the compensation to be paid to such independent public auditors;

Monitoring the independence and performance of the Company's internal auditors and independent public auditors;

Table of Contents

Pre-approving all non-audit services provided to the Company by the independent public auditors;

Monitoring the Company's compliance with legal and regulatory requirements; and

Reviewing any correspondence, report, complaint or concern that raises issues regarding the Company's financial statements or accounting policies and establishing procedures for (1) the receipt, retention and treatment of such complaints, and (2) the confidential, anonymous submission by employees of such concerns.

The Audit Committee recommends the selection of the Company's independent public auditors to the board of directors and meets with the Company's independent public auditors to discuss the scope and to review the results of the annual audit.

The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Audit Committee's charter. The Audit Committee held six meetings during 2005. All of the directors who serve on the Audit Committee are independent for purposes of the corporate governance standards for small business issuers of AMEX.

The Audit Committee has reviewed the Company's financial statements and met with both management and UMFSL, the Company's independent public auditors, to discuss those financial statements. Management has represented to the Audit Committee that the financial statements were prepared in accordance with generally accepted accounting principles.

The Audit Committee has received from and discussed with UMFSL the written disclosure and the letter required by Independence Standards Board Standard No. 1 *Independence Discussions with Audit Committees*. These items relate to that firm's independence from the Company. The Audit Committee has also discussed with UMFSL any matters required to be discussed by Statement on Auditing Standards No. 61 *Communication with Audit Committees*, as amended.

On the basis of these reviews and discussions, the Audit Committee recommended to the board of directors that the board of directors approve inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2005, for filing with the SEC.

Director Nominations

Prior to April 12, 2006, the Company was a controlled company, and, therefore, was not required by AMEX to maintain a nominating committee or to have the majority of the independent directors on the board perform the functions of a nominating committee. The Company does not have a standing nominating committee and thus, does not have a nominating committee charter. In order to comply with the corporate governance standards for small business issuers of AMEX as a result of the change in controlled company status, the board of directors has since adopted a board resolution providing that all nominations for director, other than those submitted pursuant to the Stockholders Agreement or other binding obligations of the Company, must be recommended by a majority of the independent directors on the board of directors and, setting forth procedures to be followed with respect to the director nomination process.

The board of directors does not have a policy with regard to the consideration of any director candidate recommended by a stockholder of the Company. The board of directors has determined that it is appropriate to not have such a policy given the infrequency of such recommendations being submitted to the board of directors. However, the board of directors will consider any director candidate recommended by a stockholder when such recommendation is submitted in accordance with the Bylaws and the applicable rules of the SEC.

The Bylaws contain detailed provisions regarding nominations by stockholders. The Bylaws provide that director nominations may be made by any stockholder of the Company who was a stockholder of record at the time the

required

notice is delivered to the Corporate Secretary, who is entitled to vote in the election of directors at the meeting, and who complies with the notice procedures. Such nominations must be made by timely notice in writing delivered or mailed to the Corporate Secretary by first-class United States mail, postage prepaid, and received by the Corporate Secretary at the principal executive offices of the Company not less than ninety (90) calendar days nor more than one hundred twenty (120) calendar days prior to the anniversary date of the immediately preceding annual meeting of stockholders; provided, however, that if the annual meeting is not held within thirty (30) days before or after such anniversary date, then for the notice by the stockholder to be timely it must be so received not later than the close of business on the 10th day following the date on which the notice of the meeting was mailed or such public disclosure was made, whichever occurs first. Such notice must include (a) as to each proposed nominee (i) the name, age, business address and, if known, residence address of each such nominee, (ii) the principal occupation or employment of each such nominee, (iii) the number of shares of Common Stock of the Company which are beneficially owned by each such nominee, (iv) a description of all arrangements or understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nominations are to be made by the stockholder, and (v) any other information concerning the nominee that must be disclosed as to nominees in proxy solicitations pursuant to Regulation 14A under the Exchange Act, including such person's written consent to be named as a nominee and to serve as a director if elected; and (b) as to the stockholder giving the notice, (i) their name and address, as they appear on the Company's books, of the stockholder proposing such nomination, (ii) the class and number of shares of Common Stock of the Company which are beneficially owned by the stockholder, and (iii) any material interest of the stockholder in such nomination.

All director candidates, other than those candidates nominated and/or appointed by third parties to which the Company has granted, by contract or otherwise, the legal right to nominate and/or appoint director candidates, are evaluated initially by those members of the board of directors who qualify as independent for purposes of the corporate governance standards for small business issuers of AMEX. From those candidates, the independent directors recommend, by majority vote, the director candidates from whom the full board of directors selects nominees to stand for election as directors of the Company. Those candidates receiving the recommendation of a majority of the independent directors are further evaluated by the full board of directors at that time, as necessary.

The board of directors has identified certain qualifications that a director candidate must possess before it nominates said candidates for a position on the board of directors. The board believes that nominees for director should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of the stockholders of the Company. The board also strives to ensure that the composition of the board of directors at all times adheres to independence requirements of AMEX and reflects a range of talents, ages, skills, character, and expertise, particularly in the areas of management, leadership and corporate governance, the healthcare industry and related industries sufficient to provide sound and prudent guidance with respect to the operations and interests of the Company.

Pursuant to the Stockholders Agreement, each of Brantley III, Brantley IV and Brantley Capital (i) is entitled to nominate one person to become a member of the board of directors and (ii) has agreed to cast all votes necessary to elect as members of the board of directors of the Company the three people who have been nominated by each of Brantley III, Brantley IV and Brantley Capital. In accordance with the Stockholders Agreement, Brantley III, Brantley IV and Brantley Capital have nominated Messrs. Cascio, Finn and Crane to be elected as directors at the Annual Meeting. In accordance with the requirements of AMEX and the procedures set forth above, the remaining two board nominees, Messrs. Bauer and Valley, have been nominated by the board of directors, as recommended by the independent directors, to be elected at the Annual Meeting.

Code of Ethics

The board of directors has adopted a Corporate Code of Business Conduct and Ethics that is applicable to all of our officers and employees. We have posted the Corporate Code of Business Conduct and Ethics in the Investor Relations section of the Company's website at www.orionhealthcorp.com. If, in the future, we amend, modify or waive a provision in the Corporate Code of Business and Ethics, rather than filing a Form 8-K, we may satisfy the disclosure requirement under Item 10 of Form 8-K by posting such information on our website as necessary.

Stock Option Plans

2004 Incentive Plan. On September 7, 2004, the Company's board of directors adopted the Orion HealthCorp, Inc. 2004 Incentive Plan (the "2004 Incentive Plan"), which was approved by the Company's stockholders at the special meeting in lieu of annual meeting of stockholders held on October 6, 2004. The 2004 Incentive Plan provides for the grant of stock incentive awards for up to 2.2 million shares of Class A Common Stock to key employees, directors and consultants of the Company. The purpose of the 2004 Incentive Plan is to enable the Company to attract and retain key personnel and directors. Awards may consist of stock options (incentive and nonstatutory), stock appreciation rights, stock awards, performance share awards, Section 162(m) awards or other awards determined by the board of directors or a committee appointed by the board of directors. Incentive stock options granted pursuant to the 2004 Incentive Plan cannot be granted at an exercise price which is less than 100% of the fair market value of the Class A Common Stock on the date of the grant. Vesting, exercisability, payment and other restrictions pertaining to any awards made pursuant to the 2004 Incentive Plan are determined by the board of directors or a committee appointed by the board of directors. The 2004 Incentive Plan was amended on June 1, 2005 to include restricted stock units as permissible awards to be issued under the plan. See the sections above titled "DIRECTOR AND EXECUTIVE COMPENSATION - Director Compensation" and "DIRECTOR AND EXECUTIVE COMPENSATION - Executive Compensation" for a listing of the specific grants that were made under the 2004 Incentive Plan in 2005. None of the employment agreements with Messrs. Bauer, Murdock, Cain and Smith obligate the Company to grant any incentive awards under the 2004 Incentive Plan.

SurgiCare, Inc. 2001 Stock Option Plan. In October 2001, the Company's board of directors adopted the SurgiCare, Inc. 2001 Stock Option Plan (the "2001 Plan"), which was approved by the Company's stockholders at the annual meeting of stockholders held on November 13, 2001. Initially 140,000 shares of stock (adjusted for the Reverse Stock Split) were reserved for issuance pursuant to the 2001 Plan. Options to acquire approximately 575,786 shares of the Company's Class A Common Stock were outstanding under the 2001 Plan at December 31, 2005. The purposes of the 2001 Plan are to advance the best interest of our stockholders and to attract, retain and motivate key employees and persons affiliated with us, and provide such persons with additional incentive to further the business, promote long-term financial success and increase stockholder value by increasing their proprietary interest in our success. The 2001 Plan permits the Company to grant stock option grants, stock appreciation rights, restricted stock awards and performance stock awards to key employees, officers, directors, and consultants. Incentive stock options granted pursuant to the 2001 Plan cannot be granted at an exercise price which is less than 100% of the fair market value of the Common Stock on the date of the grant.

Limitation of Liability and Indemnification of Officers and Directors

The Charter and the Bylaws provide that we will indemnify our directors and officers to the fullest extent permitted by Delaware law. We believe that the provisions in the Charter and the Bylaws are necessary to attract and retain

qualified persons as directors and officers.

Paul H. Cascio and Michael J. Finn, each of whom is a director of the Company, are general partners of the general partner of Brantley Venture Partners II, L.P. (Brantley II), Brantley III and Brantley IV and limited partners of those funds. Mr. Cascio is a shareholder of Brantley Capital, and vice president and secretary of Brantley Capital Management. Mr. Finn is a shareholder of Brantley Capital and a manager and co-owner of Brantley Capital Management. Brantley Capital Management serves as investment adviser for, and receives advisory fees from, Brantley Venture Partners, L.P., Brantley II, Brantley III and Brantley IV.

As of the consummation of the Restructuring, Brantley IV and its co-investors, including Brantley Capital, owned shares of Class B Common Stock and Brantley III and Brantley Capital owned shares of Class A Common Stock. By virtue of their affiliations with Brantley III, Brantley IV and Brantley Capital Management, Messrs. Cascio and Finn may be deemed to have a pecuniary interest in the shares of Class B Common Stock held by Brantley IV and the shares of Class A Common Stock held by Brantley III. (See VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF)

During 2004 and prior years, each of the Company and IPS issued promissory notes to an affiliate of Brantley IV, as part of a bridge financing, the aggregate amount of such debt, including interest, was \$6,037,111 as of December 15, 2004. Such bridge loans were paid by the Company with a portion of the cash invested by Brantley IV in the Restructuring. At the time the bridge loans were made, Mr. Cascio, Mr. Finn and Brantley IV were unrelated third parties with respect to the Company, and the loans were made after arms length negotiations on terms the Company believes were as favorable as could be obtained from other unrelated third parties.

Brantley Capital and Brantley III each held debt of IPS and are party to the Amended and Restated Debt Exchange Agreement dated February 9, 2004, as amended on July 16, 2004 (the Debt Exchange Agreement). Pursuant to the Debt Exchange Agreement, Brantley Capital and Brantley III received Class A Common Stock with a fair market value equal to the amount owing to it under its loan to IPS in exchange for contribution of such debt to the Company. Pursuant to the Debt Exchange Agreement, Brantley Capital also received Class A Common Stock with a fair market value equal to the amount of certain accrued dividends owed to it by IPS in exchange for the contribution of such indebtedness. The aggregate amount of debt exchanged by the parties to the Debt Exchange Agreement was \$4,375,229, which included accrued interest as of December 15, 2004, and \$593,100 of debt in respect of accrued dividends.

Brantley Capital and Brantley III previously owned an aggregate of 1,653,000 shares of the Series A-2 convertible preferred stock of IPS with a liquidation preference of approximately \$6,705,037, and received 2,312,081 shares of Class A Common Stock in the Company's acquisition of IPS. Such shares were intended to approximate the value of such liquidation preference, but were subject to reduction to the extent necessary to achieve the guaranteed allocation to holders of certain classes of IPS common stock.

Following certain assignments of rights and additional investments pursuant to the Supplemental Stock Subscription Agreement, dated as of December 15, 2004, by and among SurgiCare, Brantley IV and certain other investors (the Supplemental Stock Subscription Agreement) and the Second Amendment and Supplement to Stock Subscription Agreement (the Second Amendment and Supplement to Stock Subscription Agreement), dated as of December 15, 2004, by and among SurgiCare, Brantley IV, Brantley Capital and certain other investors, the shares of Class B Common Stock of the Company received by Brantley IV and its co-investors constituted approximately 69.6% of the Company's outstanding equity immediately after the consummation of the Restructuring on an as-converted basis. Brantley IV also received the option to purchase additional shares of Class A Common Stock for cash in an amount up to an aggregate of \$3,000,000 from time to time after the consummation of the Restructuring, subject to the approval of a majority of the unaffiliated members of the board of directors, at a price equal to the lesser of \$1.25 per share or 70% of the daily average of the high and low trading prices of the Class A Common Stock for the twenty trading days preceding the date of the closing of such investment. Brantley IV and Brantley Capital used its own cash for the acquisition of the Class B Common Stock.

In the Restructuring, pursuant to a Registration Rights Agreement, dated as of December 15, 2004, by and among the Company, Brantley IV and certain other investors (the Registration Rights Agreement), Brantley IV and its co-investors and/or their permitted transferees were granted the right to request that the Company effect the registration of shares of Class A Common Stock currently issued, or issued in the future, to Brantley IV, its

co-investors and/or their permitted transferees (including shares of Class A Common Stock into which shares of Class B Common Stock or other securities of the Company are convertible, collectively, Registerable Securities) having an anticipated net aggregate offering price of at least \$5,000,000. At any time the Company otherwise proposes to register any of its equity securities, Brantley IV and its co-investors and/or their permitted transferees may request the registration of Registrable Shares. Brantley IV and its co-investors have registration rights for all of the shares of Class A Common Stock issuable upon conversion of its shares of Class B Common Stock. As of the consummation of the Restructuring, this was approximately 16,033,984 shares of Class A Common Stock but, assuming everything else remains the same, the number of shares of Class A Common Stock as to which

Brantley IV and its co-investors have registration rights will continually increase, since the conversion factor for the Class B Common Stock is designed to yield additional shares of Class A Common Stock over time pursuant to the terms thereof. The third-party beneficiaries will have registration rights for one year with respect to an aggregate of up to approximately 6,122,172 shares of Class A Common Stock.

The Company entered into the Stockholders Agreement with Brantley III, Brantley IV and Brantley Capital, pursuant to which each of Brantley III, Brantley IV and Brantley Capital (i) is entitled to nominate one person to become a member of the board of directors and (ii) has agreed to cast all votes necessary to elect as members of the board of directors of the Company the three people who have been nominated by Brantley III, Brantley IV and Brantley Capital. In accordance with the Stockholders Agreement, Paul Cascio, Michael Finn and David Crane have been nominated to be elected as directors at the Annual Meeting.

As part of the Restructuring, the Company entered into employment agreements with Terrence L. Bauer, a director, President and Chief Executive Officer of the Company and a stockholder of the Company, Stephen H. Murdock, the Chief Financial Officer and Corporate Secretary of the Company, Dennis M. Cain, the Chief Executive Officer of MBS and a stockholder of the Company and Tommy M. Smith, the President and Chief Operating Officer of MBS and a stockholder of the Company. (See DIRECTOR AND EXECUTIVE COMPENSATION Employment and Other Agreements)

As part of the Restructuring, holders of MBS common stock, DCPS limited partnership interests and Dennis Cain Management, LLC limited liability company interests received an aggregate of \$3,000,000 in cash, promissory notes of Orion in the aggregate principal amount of \$1,000,000 and 1,575,760 shares of the Company's Class C Common Stock. The purchase price was subject to retroactive increase (including issuance of up to 450,000 additional shares of Class A Common Stock) or decrease based on the financial results of the newly formed company and its predecessors in 2004 and 2005. Pursuant to the merger agreement governing the acquisition of MBS and DCPS (DCPS/MBS Merger Agreement) by the Company, the adjustments were based on whether DCPS and MBS, on a combined basis, meet an earnings before income taxes, depreciation and amortization (EBITDA) target of \$2 million for the fiscal years ended December 31, 2004 and 2005. Additionally, two of the principal owners of DCPS and MBS Dennis M. Cain, the Chief Executive Officer of MBS and a stockholder of the Company, and Tommy M. Smith, the President and Chief Operating Officer of MBS and a stockholder of the Company as part of the employment agreements executed in connection with the DCPS/MBS Merger, were entitled to receive additional payments up to \$175,000 each based on the amount by which EBITDA of DCPS and MBS, on a combined basis, exceeded \$1.2 million for the year ended December 31, 2005. The Company has accrued a liability in the amount of \$840,286 as of December 31, 2005 based on this provision of the DCPS/MBS Merger Agreement and adjusted the purchase price accordingly. The Company will also issue 285,726 shares of Class A Common Stock as a result of this purchase price adjustment. In addition, 75,758 shares of Orion's Class A Common Stock were reserved for issuance at the direction of the sellers of the DCPS and MBS equity, which includes Mr. Cain and Mr. Smith. Each share of Class C Common Stock was convertible into one share of Class A Common Stock at December 31, 2005.

In connection with the Restructuring, the Company entered into the Loan and Security Agreement dated as of December 15, 2004, by and among the Company, certain of its affiliates and subsidiaries and CIT Healthcare, LLC (formerly known as Healthcare Business Credit Corporation) (CIT) (the Loan and Security Agreement) and revolving credit note with CIT. Pursuant to the Guaranty Agreement (the Brantley IV Guaranty), dated as of December 15, 2004, provided by Brantley IV to CIT, Brantley IV agreed to provide a deficiency guaranty in the amount of \$3,272,727. Pursuant to the Guaranty Agreement (the Brantley Capital Guaranty ; and together with the Brantley IV Guaranty, collectively, the Guaranties), dated as of December 15, 2004, provided by Brantley Capital to CIT, Brantley Capital agreed to provide a deficiency guaranty in the amount of \$727,273. The Company issued warrants to purchase an aggregate of 25,000 shares of Class A Common Stock, at an exercise price of \$0.01 per share, to Brantley IV and Brantley Capital in consideration for deficiency Guaranties in the aggregate amount of \$4,000,000 by Brantley IV and Brantley Capital in connection with the new credit facility.

On March 16, 2005, Brantley IV loaned the Company an aggregate of \$1,025,000 (the First Loan). On June 1, 2005, the Company executed a convertible subordinated promissory note in the principal amount of \$1,025,000 (the First Note) payable to Brantley IV to evidence the terms of the First Loan. The material terms of the First Note are as

The number of shares of Class A Common Stock to be issued upon conversion of the First Note shall be equal to the number obtained by dividing (x) the aggregate amount of principal and interest to be converted by (y) the First Note Conversion Price (as defined above); provided, however, the number of shares to be issued upon conversion of the First Note shall not exceed the lesser of: (i) 1,159,830 shares of Class A Common Stock, or (ii) 16.3% of the then outstanding Class A Common Stock. As of March 31, 2006, if Brantley IV were to convert the First Note, the Company would have to issue 1,076,283 shares of Class A Common Stock. The Company is in the process of negotiating an extension on the First Note.

On April 19, 2005, Brantley IV loaned the Company an additional \$225,000 (the Second Loan). The number of shares of Class A Common Stock to be issued upon conversion of the Second Note shall be equal to the number obtained by dividing (x) the aggregate amount of principal and interest to be converted by (y) the Second Note Conversion Price (as defined above); provided, however, the number of shares to be issued upon conversion of the Second Note shall not exceed the lesser of: (i) 254,597 shares of Class A Common Stock, or (ii) 3.6% of the then outstanding Class A Common Stock. As of March 31, 2006, if Brantley IV were to convert the Second Note, the Company would have to issue 234,423 shares of Class A Common Stock. Additionally, in connection with the First Loan and the Second Loan, the Company entered into a First Amendment to the Loan and Security Agreement (the First Amendment), dated March 22, 2005, with certain of the Company's affiliates and subsidiaries, and CIT, whereby its \$4,000,000 secured two-year revolving credit facility has been reduced by the amount of the loans from Brantley IV to \$2,750,000. As a result of the First Amendment, the Brantley IV Guaranty was amended by the Amended and Restated Guaranty Agreement, dated March 22, 2005, which reduced the deficiency guaranty provided by Brantley IV by the amount of the First Loan to \$2,247,727. Also as a result of the First Amendment, the Brantley Capital Guaranty was amended by the Amended and Restated Guaranty Agreement, dated March 22, 2005, which reduced the deficiency guaranty provided by Brantley Capital by the amount of the Second Loan to \$502,273.
