Commonly Asked Questions

Am I eligible to join the Plan?

You are eligible to participate in the Plan if you meet the requirements outlined below. If you live outside the U.S., you should first determine if there are any governmental regulations that would prohibit your participation in the Plan.

If you do not currently own any Synovus stock, you can join the Plan by making an initial investment of at least \$250, but not more than \$250,000. You can get started in the Plan by returning a completed Enrollment Form to the Administrator along with your check payable to Synovus/BNY Mellon or by enrolling online through Investor ServiceDirect®. Investor ServiceDirect® can be accessed from the Synovus web site, www.synovus.com, at the Direct Stock Purchase Plan section found under Investor Relations or accessed from our Administrator's web site at www.bnymellon.com/shareowner. Your initial investment can be made through Investor ServiceDirect® by authorizing a one-time automatic deduction from your bank account or by authorizing the automatic monthly investment feature and initiating your investment with only \$50 and a commitment for at least five sequential monthly purchases. A one time \$15 enrollment fee will be deducted from your initial investment. The Administrator will arrange for the purchase of shares for your Plan account but will not pay interest on amounts held pending investment. Please allow two weeks for your Plan account to be established, initial shares to be purchased and a statement mailed to you.

If your shares are held in a brokerage, bank or other intermediary account, and you wish to participate directly in the Plan, you should instruct your broker, bank, or trustee to register some or all of your Synovus shares directly in your name. You can then join the Plan by returning a completed Enrollment Form to the Administrator or by enrolling online through Investor ServiceDirect®.

If you already own Synovus stock and the shares are registered in your name, you may join the Plan by returning a completed Enrollment Form to Synovus Shareholder Services or by enrolling online through Investor ServiceDirect®.

How do I enroll?

Complete and sign the Enrollment Form included with this Prospectus and mail it to the address shown on the form or enroll online through Investor ServiceDirect®. Investor ServiceDirect® can be accessed from the Synovus web site, www.synovus.com, at the Direct Stock Purchase Plan section found under Investor Relations or accessed from our Administrator's web site at www.bnymellon.com/shareowner.

Will I receive dividends?

Synovus' Board of Directors may declare a dividend for distribution under Georgia law. Payment of dividends is a business decision made by our Board of Directors based primarily upon the results of operations, financial condition and capital requirements of Synovus. Synovus has historically paid quarterly dividends to its shareholders. However, the amount and timing of dividends may be changed, or the payment of cash dividends may be terminated, at any time without notice.

Can I have my cash dividends electronically deposited into my bank or other financial account?

You can have your cash dividends deposited directly into your bank account instead of receiving a check by mail. Just complete the appropriate sections of the Enrollment Form and submit the form to the Administrator in hard copy or online through Investor ServiceDirect®. Direct deposit authorization requests will be processed as soon as possible after they are received. You can change your designated bank account for direct deposit or discontinue this feature by notifying the Administrator.

Table of Contents

Can I reinvest some or all of my dividends in Synovus stock?

If you hold less than 100 shares of Synovus stock, you may choose to have all cash dividends reinvested in additional shares of stock without paying trading fees. If you own 100 shares or more of Synovus stock, you can choose to reinvest all or a portion of the cash dividends paid on your shares held in the Plan without paying trading fees. You can make this election when you enroll in the Plan or at a later date. You can make or change your dividend reinvestment election at any time by notifying the Administrator. For a particular dividend to be reinvested, your notification must be received prior to the record date for that dividend. (The record date is normally approximately 12 days prior to the payment date.)

If you own 100 shares or more of Synovus stock and you elect to reinvest your dividends, you must choose one of the following options when completing the Dividend Reinvestment section of the Enrollment Form:

Full Dividend Reinvestment

Purchase additional shares by reinvesting all of your cash dividends.

Partial Dividend Reinvestment

If you choose to reinvest less than all of your dividends, you will receive a cash dividend payment based on the number of full shares you specify and reinvest the dividends on all remaining shares. This option allows you to receive a fixed amount of cash each quarter (assuming the dividend stays the same).

If you choose partial dividend reinvestment, you can have the remaining cash portion of your dividend deposited directly into your bank account instead of receiving a check by mail. Just complete the appropriate section of the Enrollment Form or notify the Administrator. Direct deposit authorization requests will be processed as soon as possible after they are received. You can change your designated bank account for direct deposit or discontinue this feature by notifying the Administrator.

Can I discontinue reinvesting my dividends?

You may discontinue the reinvestment of your dividends at any time by giving notice to the Administrator. To be effective for a given dividend payment, your notification must be received prior to the record date for that dividend. The Administrator will continue to hold your shares unless you request a certificate for any full shares and a check for any fractional share. You may also request the sale of all or part of your shares or have the Administrator electronically transfer your shares to your brokerage account.

Can I make additional cash investments when I want to?

You can purchase additional shares of Synovus stock by using the Plan's optional cash investment feature. You must invest at least \$50 each time and cannot invest more than \$250,000 in a calendar year. Interest will not be paid on amounts held pending investment. Trading fees of \$.06 per share will be deducted except when Synovus issues new shares.

Check:

Edgar Filing: SYNOVUS FINANCIAL CORP - Form S-3ASR

You may make optional cash investments by sending a check payable to Synovus/BNY Mellon. Do not send cash. To facilitate processing of your investment, please use the transaction stub located on the bottom of your statement and mail your investment and transaction stub to the address specified on the statement. You may not sell or withdraw shares purchased by check for a period of 14 days from the receipt of the check. A \$35 fee will be assessed for a check that is returned for insufficient funds. The Administrator will deduct a processing fee of \$2.50 per check.

Table of Contents

Automatic Withdrawal from your Bank Account:

You may authorize an individual automatic deduction from your bank account through Investor ServiceDirect® for each purchase. Funds will be deducted from your bank account upon authorization. Alternatively, you may choose to make regular monthly purchases by authorizing automatic monthly withdrawals from your bank account. This feature enables you to make ongoing investments without writing a check. Funds will be deducted from your account on the 15th day of each month. If this date falls on a bank holiday or weekend, funds will be deducted on the next business day. Please allow four to six weeks for the first automatic monthly withdrawal to be initiated. You must notify the Administrator in writing or via Investor ServiceDirect® to change or terminate automatic withdrawal. A \$35 fee will be assessed if your account has insufficient funds available for withdrawal. The Administrator will deduct a processing fee of \$1.00 per individual automatic investment. No processing fee is charged for automatic monthly deductions.

How are shares purchased?

The Administrator will make arrangements to use initial and optional cash investments to purchase Synovus shares as promptly as practical, but at least once every five business days. The Administrator will use reinvested dividends to purchase shares on a quarterly basis. Purchases may be made over a number of days to meet the requirements of the Plan.

Source and Pricing of Shares:

Source of shares: Stock needed to meet the requirements of the Plan will either be purchased in the open market or issued directly by Synovus from authorized but unissued shares or treasury shares.

Shares purchased in the open market: If the shares are purchased in the open market, your price per share will be the weighted average price of shares purchased to satisfy Plan requirements on the day the shares are purchased after the deduction of any applicable trading and service fees. All fractional shares are calculated to four decimals and are credited to your account.

Shares purchased from Synovus: If the shares are purchased from Synovus, your price per share for initial and optional cash investments will be the average of the daily high and low sale prices quoted on the NYSE Composite Transactions listing for the day the shares are purchased. For quarterly reinvestment of dividends, your price per share will be the average of the daily high and low sale prices quoted on the NYSE Composite Transactions listing for the three day period surrounding the dividend payment date. If there is no trading of Synovus stock on the NYSE for a substantial period of time during the pricing period, then Synovus will determine the price per share on the basis of such market quotations as it considers appropriate.

Timing and Control:

Because the Administrator will arrange for the purchase of shares on behalf of the Plan, neither Synovus nor any participant in the Plan has the authority or power to control either the timing or pricing of shares purchased or the selection of the broker making the purchases. Therefore, you will not be able to precisely time your purchases through the Plan and will bear the market risk associated with fluctuations in the price of Synovus stock. That is, if you send in an initial or optional cash investment, it is possible that the market price of Synovus stock could go up or down before the broker purchases stock with your funds. In addition, you will not earn interest on initial or optional cash investments for the period before the shares are purchased.

How are my Plan shares held?

Shares of Synovus stock that you buy under the Plan will be maintained in your Plan account in book entry form. You will receive a periodic Plan statement detailing the status of your holdings.

Any Synovus shareholder may use the Plan's safekeeping service to deposit their Synovus stock certificates at no cost. Safekeeping is beneficial because you no longer bear the risk and cost associated with the loss, theft, or destruction of stock certificates. With safekeeping, you have the option of receiving cash dividends, reinvesting your dividends or taking advantage of the sale of shares feature of the Plan. Certificates will be issued upon request to the Administrator.

Table of Contents

To use the safekeeping service, send your certificates to the Administrator by registered mail with written instructions to deposit them in safekeeping. Do not endorse the certificates or complete the assignment section.

Can I obtain a stock certificate if I want one?

You can certificate all or some of the book-entry shares in your Plan account by notifying the Administrator.

Certificates will be issued for whole shares only. In the event your request involves a fractional share, a check for the value of the fractional share (less any applicable fees) will be mailed to you. The Administrator will mail a certificate to you within two business days of the receipt of your request.

Certificates will be issued in the name(s) in which the account is registered, unless otherwise instructed. If the certificate is to be issued in a name other than your Plan account registration, you will be required to do a transfer of ownership before the certificate can be issued. The signature on the transfer instructions must be guaranteed by a financial institution participating in the Medallion Guarantee Program, as discussed under *What should I do if I want to transfer my Plan shares?* below.

How can I sell my shares?

You can sell any number of shares held in your Plan account by notifying Synovus Shareholder Services. The Administrator will make arrangements to sell Synovus stock as promptly as practicable. Requests for sales of Plan shares are generally processed daily. If a request to sell Plan shares is received before 1:00 p.m. Eastern Time, the sale request will, subject to market conditions and other factors, generally be processed that afternoon. Sale requests received after 1:00 p.m. Eastern Time will, subject to market conditions and other factors, generally be processed the next business day. The sale price will be the weighted average price of all shares sold for Plan participants during that period. You will receive the proceeds of the sale less a \$15 sales transaction fee, a \$0.12 per share trading fee, and any required tax withholdings.

You can choose to sell your shares through a stockbroker of your choice by requesting a certificate for your shares from the Administrator and delivering it to your broker. If you wish to transfer shares electronically to your brokerage account, please contact the Administrator.

Please note that if your total registered holdings fall below one share, the Administrator may liquidate the fractional share, remit the proceeds to you, less any applicable fees, and close your Plan account.

Timing and Control:

Because the Administrator will sell the shares on behalf of the Plan, neither Synovus nor any participant in the Plan has the authority or power to control the timing or pricing of shares sold or the selection of the broker making the sales. Therefore, you will not be able to precisely time your sales through the Plan and will bear the market risk associated with fluctuation in the price of Synovus stock. That is, if you send in a request to sell shares, it is possible that the market price of Synovus stock could go down or up before the stock is sold. In addition, you will not earn interest on a sales transaction.

What should I do if I want to transfer my Plan shares?

You can transfer Synovus shares to anyone you choose. You must transfer a whole number of shares unless you transfer your entire account. You may transfer shares to new or existing shareholders. In order to transfer the ownership of all or part of the whole shares of Synovus stock held in your Plan account, you must mail the

Administrator instructions along with a properly signed stock power. The stock power form can be obtained from the Administrator, a bank or a stockbroker. You must have your signature guaranteed by a financial institution participating in the Medallion Guarantee program. The Medallion Guarantee program ensures that the individual signing the certificate is in fact the registered owner as it appears on the stock certificate or stock power. The Administrator will automatically place such new accounts in full dividend reinvestment status. The recipients of gifts or transfers, at their discretion, may then elect another option. The Administrator will send recipients of gifts or transfers a notice of such transfer.

Table of Contents***How can I track my investments?***

If you hold 100 or more shares of Synovus stock and participate in dividend reinvestment, Synovus Shareholder Services will mail you a quarterly statement showing all transactions (shares purchased, amounts invested, purchase prices) for your account including year-to-date share balance and other account information. If you are a participant and hold less than 100 shares of Synovus stock, the Administrator will mail you an annual statement providing detail of each quarterly dividend reinvestment as well as any other transactions during the year. Supplemental statements or notices will be sent when you make an initial or optional cash investment, or a safekeeping deposit, transfer or withdrawal of shares. You may also view your Plan account and order duplicate statements through Investor ServiceDirect® at www.bnymellon.com/shareowner.

If you do not participate in dividend reinvestment, the Administrator will mail you a statement or notice confirming any transactions you make. If you continue to be enrolled in the Plan, but have no transactions, the Administrator will provide information regarding your holdings on your quarterly dividend check stub or, if you participate in direct deposit of your dividend, on your deposit advice stub.

Please retain your statements to establish the cost basis of shares purchased under the Plan for income tax and other purposes.

You should notify the Administrator promptly of any change in address since all notices, statements and reports will be mailed to your address of record.

You bear the risk of loss in value and enjoy the benefits of gains with respect to all your shares. You need to make your own independent investment and participation decisions consistent with your situation and needs. None of us, our subsidiaries and affiliates, nor the Administrator can guarantee liquidity in the markets, and the value and marketability of your shares may be adversely affected by market conditions.

Plan accounts are not insured or protected by the Securities Investor Protection Corporation or any other entity and are not guaranteed by the FDIC or any government agency.

In addition, the purchase price for shares acquired through the Plan will vary and cannot be predicted. The purchase price may be different from (more or less than) the price of acquiring shares on the open market on the related dividend payment date. Your investment in Plan shares will be exposed to changes in market conditions and changes in the market value of the shares. Your ability to sell both as to timing and pricing terms and related expenses or otherwise liquidate shares under the Plan is subject to the terms of the Plan and the withdrawal procedures. Also, no interest will be paid on dividends, cash or other funds held by the Administrator pending investment.

What other risks will I face through my participation in the Plan?

The following summary identifies several of the most important risks that you may face by virtue of your participation in the Plan. There may be additional risks that are not listed below, and you should consult your financial, tax, legal and other advisors prior to determining whether to participate in the Plan.

There is no price protection for your shares in the Plan. Your investment in the shares held in the Plan will be exposed to changes in market conditions and changes in the market value of the shares. Your ability to liquidate or otherwise dispose of shares in the Plan is subject to the terms of the Plan and the withdrawal procedures thereunder. You may not be able to withdraw or sell your shares in the Plan in time to react to market conditions.

You have no control over the share price or timing of the sale or purchase of shares under the Plan. You cannot designate a specific price or date at which to sell or purchase Plan shares. As a result, if you send in an initial or optional cash payment, the market price of our common stock could either increase or decrease before your funds are used to purchase shares. In addition, you will not know the exact number of shares purchased until after the investment date. Similarly, the market price of our common stock could increase or decrease between the time you direct the Administrator to sell Plan shares and when the Administrator executes the sale on your behalf.

We may change our determination as to whether the Plan purchases shares directly from us, which could increase the fees you pay in connection with initial and optional cash investments under the Plan. Although we presently expect that most shares will be purchased directly from us in the form of either newly issued shares or treasury shares, we may, without giving you prior written notice, decide to instruct the Administrator to purchase shares of our common stock directly from third parties through open market transactions. Such purchases, with respect to initial and optional cash investments, will be subject to processing fees, which include any brokerage commission.

You will not earn any interest on your dividends or cash pending investment. No interest will be paid on dividends, cash or other funds held by the Administrator pending investment or disbursement.

The market price for our common stock varies, and you should purchase shares for long-term investment only. Although our common stock currently is traded on the NYSE, we cannot assure you that there will, at any time in the future, be an active trading market for our common stock. Even if there is an active trading market for our common stock, we cannot assure you that you will be able to sell all of your shares at one time or at a favorable price, if at all. As a result, you should participate in the Plan only if you are capable of, and seeking, to make a long-term investment in our common stock.

U.S. Federal Income Tax Information

Cash dividends reinvested under the Plan will be taxable as having been received by you even though you have not actually received them in cash. You will receive an annual statement from the Administrator indicating the amount of reinvested dividends reported to the U.S. Internal Revenue Service as dividend income.

You will not realize gain or loss for U.S. Federal income tax purposes upon the transfer of shares to the Plan or the withdrawal of whole shares from the Plan. You will, however, generally realize gain or loss upon the sale of shares (including the receipt of cash for fractional shares) held in the Plan.

Plan participants who are non-resident aliens or non-U.S. corporations, partnerships or other entities generally are subject to a withholding tax on dividends paid on shares held in the Plan. The Administrator is required to withhold from dividends the appropriate amount determined in accordance with U.S. Treasury regulations. An applicable withholding tax may be determined by treaty between the U.S. and the country in which such participant resides. Accordingly, the amount of any dividends, net of the applicable withholding tax, will be credited to participant Plan accounts for the investment in additional stock.

The above summary is not a comprehensive summary of all of the tax considerations that may be relevant to a participant in the Plan. Therefore, you are urged to consult your tax advisor regarding the consequences of participation in the Plan.

You should rely only on the information incorporated by reference or provided in this Prospectus or in any Prospectus supplement. Synovus has authorized no one to provide you with different information. Synovus is not making an offer to sell stock in any state or country where the offer is not permitted. You should not assume that the information in this Prospectus or in any Prospectus supplement is accurate as of any date other than the date on the front of the document.

Use of Proceeds

Proceeds from any newly issued shares of Synovus common stock purchased directly from us under the Plan will be available for general corporate purposes. We have no basis for estimating either the number of shares of common stock that will ultimately be purchased directly from us, if any, under the Plan or the prices at which such shares will be sold. We will not receive any proceeds from shares purchased in the open market to meet the requirements of the Plan.

Item 15. *Indemnification of Directors and Officers***Georgia Business Corporation Code**

Subsection (a) of Section 14-2-851 of the Georgia Business Corporation Code, or GBCC, provides that a corporation may indemnify or obligate itself to indemnify an individual made a party to a proceeding because he or she is or was a director against liability incurred in the proceeding if such individual conducted himself or herself in good faith and such individual reasonably believed, in the case of conduct in an official capacity, that such conduct was in the best interests of the corporation and, in all other cases, that such conduct was at least not opposed to the best interests of the corporation and, in the case of any criminal proceeding, such individual had no reasonable cause to believe such conduct was unlawful. Subsection (d) of Section 14-2-851 of the GBCC provides that a corporation may not indemnify a director in connection with a proceeding by or in the right of the corporation except for reasonable expenses incurred if it is determined that the director has met the relevant standard of conduct, or in connection with any proceeding with respect to conduct under Section 14-2-851 of the GBCC for which he was adjudged liable on the basis that personal benefit was improperly received by him or her, whether or not involving action in his or her official capacity.

In addition, Section 14-2-856 of the GBCC permits our articles of incorporation, bylaws, a contract, or resolution approved by the shareholders, to authorize us to indemnify a director against claims to which the director was a party, including claims by us or in our right (e.g., shareholder derivative action). However, we may not indemnify the director for liability to us for any appropriation of a corporate opportunity, intentional misconduct or knowing violation of the law, unlawful distributions or receipt of an improper benefit.

Pursuant to Section 14-2-854 of the GBCC, a court may order a corporation to indemnify a director or advance expenses if such court determines that the director is entitled to indemnification under the GBCC or that the director is fairly and reasonably entitled to indemnification or advance of expenses in view of all the relevant circumstances, whether or not such director met the standard of conduct set forth in subsections (a) and (b) of Section 14-2-851 of the

GBCC, failed to comply with Section 14-2-853 of the GBCC or was adjudged liable as described in paragraph (1) or (2) of subsection (d) of Section 14-2-851 of the GBCC.

Section 14-2-852 of the GBCC provides that to the extent that a director has been wholly successful, on the merits or otherwise, in the defense of any proceeding to which he was a party, because he or she is or was a director of the corporation, the corporation shall indemnify the director against reasonable expenses incurred by the director in connection with the proceeding.

Section 14-2-856 of the GBCC permits our articles of incorporation, bylaws, a contract, or resolution approved by the shareholders, to authorize us to indemnify a director against claims to which the director was a party, including claims by us or in our right (e.g., shareholder derivative action). However, we may not

Table of Contents

indemnify the director for liability to us for any appropriation of a corporate opportunity, intentional misconduct or knowing violation of the law, unlawful distributions or receipt of an improper benefit.

Section 14-2-857 of the GBCC provides that a corporation may indemnify and advance expenses to an officer of the corporation who is a party to a proceeding because he or she is an officer of the corporation to the same extent as a director and if he or she is not a director to such further extent as may be provided in its articles of incorporation, bylaws, resolution of its board of directors or contract except for liability arising out of conduct specified in Section 14-2-857(a)(2) of the GBCC. Section 14-2-857 of the GBCC also provides that an officer of the corporation who is not a director is entitled to mandatory indemnification under Section 14-2-852 and is entitled to apply for court ordered indemnification or advances for expenses under Section 14-2-854, in each case to the same extent as a director. In addition, Section 14-2-857 provides that a corporation may also indemnify and advance expenses to an employee or agent who is not a director to the extent, consistent with public policy, that may be provided by its articles of incorporation, bylaws, action of its board of directors or contract.

Section 14-2-858 of the GBCC permits us to purchase and maintain insurance on behalf of our directors and officers against liability incurred by them in their capacities or arising out of their status as our directors and officers, regardless of whether we would have the power to indemnify or advance expenses to the director or officer for the same liability under the GBCC.

Synovus Articles of Incorporation and Bylaws; Insurance

In accordance with Article VIII of Synovus Bylaws, every person who is or was (and the heirs and personal representatives of such person) a director, officer, employee or agent of Synovus shall be indemnified and held harmless by Synovus from and against the obligation to pay a judgment, settlement, penalty, fine (including an excise tax assessed with respect to an employee benefit plan), and reasonable expenses (including attorneys fees and disbursements) that may be imposed upon or incurred by him or her in connection with or resulting from any threatened, pending, or completed, action, suit, or proceeding, whether civil, criminal, administrative, investigative, formal or informal, in which he or she is, or is threatened to be made, a named defendant or respondent: (a) because he or she is or was a director, officer, employee, or agent of Synovus; (b) because he or she is or was serving at the request of Synovus as a director, officer, partner, trustee, employee, or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise; or (c) because he or she is or was serving as an employee of the corporation who was employed to render professional services as a lawyer or accountant to the corporation; regardless of whether such person is acting in such a capacity at the time such obligation shall have been imposed or incurred, if (i) such person acted in a manner he or she believed in good faith to be in or not opposed to the best interest of such corporation, and, with respect to any criminal proceeding, if such person had no reasonable cause to believe his or her conduct was unlawful or (ii) with respect to an employee benefit plan, such person believed in good faith that his or her conduct was in the interests of the participants in and beneficiaries of the plan.

Pursuant to Article VIII of Synovus Bylaws, reasonable expenses incurred in any proceeding shall be paid by Synovus in advance of the final disposition of such proceeding if authorized by the Board of Directors in the specific case, or if authorized in accordance with procedures adopted by the Board of Directors, upon receipt of a written undertaking executed personally by or on behalf of the director, officer, employee or agent to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by Synovus, and a written affirmation of his or her good faith belief that he or she has met the standard of conduct required for indemnification.

The foregoing rights of indemnification and advancement of expenses are not intended to be exclusive of any other right to which those indemnified may be entitled, and Synovus has reserved the right to provide additional indemnity and rights to its directors, officers, employees or agents to the extent they are consistent with law.

Synovus carries insurance for the purpose of providing indemnification to its directors and officers. Such policy provides for indemnification of Synovus for losses and expenses it might incur to its directors and officers for successful defense of claims alleging negligent acts, errors, omissions or breach of duty while

acting in their capacity as directors or officers and indemnification of its directors and officers for losses and expense upon the unsuccessful defense of such claims.

Insofar as indemnification for liabilities arising under the Securities Act, may be permitted to directors, officers and controlling persons of Synovus pursuant to the foregoing provisions, or otherwise, Synovus has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by Synovus of expenses incurred or paid by a director, officer or controlling person of Synovus in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, Synovus will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
