On February 24, 2009 Dycom Industries, Inc. (the Company) issued a press release reporting its second quarter of fiscal 2009 results. On February 25, 2009, the Company had a webcast and conference call to review its fiscal 2009 second quarter results. These results included the effect of a preliminary charge for goodwill impairment. The Company expects to complete its impairment analysis in the third quarter of fiscal 2009. Additionally, on February 25, 2009, the Company made available a slide presentation to be discussed during the Company's aforementioned webcast and conference call. A copy of the press release and slide presentation are furnished as Exhibits to this report on Form 8-K and is incorporated herein by reference.

The press release and slide presentation include income (loss) from continuing operations excluding certain items that are set forth in the GAAP reconciliation schedule provided in the release. The Company believes this non-GAAP financial measure is useful to investors because it allows for a more direct comparison of the Company's performance for the quarter and fiscal year with the Company's performance in the prior-year periods.

The information in the preceding paragraphs, as well as Exhibits 99.1 and 99.2, shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934 (the Exchange Act), or otherwise subject to the liabilities of that section. It may only be incorporated by reference into another filing under the Exchange Act or Securities Act of 1933 if such subsequent filing specifically references this Current Report on Form 8-K.
