PROXY STATEMENT

For the Annual Meeting of Shareholders
To be held on Wednesday, June 24, 2009

This proxy statement is furnished to you in connection with the solicitation by the Board of Directors of Oriental Financial Group Inc. of proxies to be voted at the annual meeting of shareholders to be held on Wednesday, June 24, 2009 at 10:00 a.m., at its main executive offices located at Oriental Center, Professional Offices Park, 997 San Roberto Street, 8th Floor, San Juan, Puerto Rico, and at any adjournment or postponement thereof, for the purposes set forth herein. This proxy statement is expected to be made available to shareholders on or before May 14, 2009. Oriental Financial Group Inc. is sometimes hereinafter referred to as we, us or the Group.

Each proxy solicited hereby, if properly signed and returned to us and not revoked prior to its use, will be voted in accordance with the instructions contained therein. If no contrary instructions are given by you, each proxy received will be voted for the matters described below. Any shareholder giving a proxy has the power to revoke it at any time before it is exercised by: (i) filing with the Secretary of the Board of Directors written notice thereof (addressed to: Secretary of the Board of Directors, Oriental Financial Group Inc., P.O. Box 195115, San Juan, Puerto Rico 00919-5115); (ii) submitting a duly executed proxy bearing a later date; or (iii) by appearing in person at the annual meeting and giving the Secretary notice of his or her intention to vote in person. Proxies solicited hereby may be exercised only at the annual meeting, including any adjournment or postponement thereof, and will not be used for any other purpose.

Each proxy solicited hereby also confers discretionary authority on our Board of Directors to vote the proxy with respect to: (i) the approval of the minutes of the last annual meeting of shareholders; (ii) the election of any person as director if any nominee is unable to serve or, for good cause, will not serve; (iii) matters incident to the conduct of the annual meeting; and (iv) such other matters as may properly come before the annual meeting. Except with respect to procedural matters incident to the conduct of the annual meeting, we are not aware of any business that may properly come before the meeting other than those matters described in this proxy statement. However, if any other matters should properly come before the annual meeting, it is intended that proxies solicited hereby will be voted with respect to those other matters in accordance with the judgment of the persons voting the proxies.

It is important that your shares be represented regardless of the number you own. Even if you plan to be present, you are urged to complete, sign, date and return, promptly, the enclosed proxy card in the envelope provided. Remember that you may also vote by telephone or over the Internet; the instructions for voting by telephone or over the Internet are set forth in the proxy card. If you attend the meeting, you may vote either in person or by your proxy. Any proxy given may be revoked by you in writing or in person at any time prior to the exercise thereof. If you plan to attend the meeting, you must show at the entrance to the meeting proof of ownership of our shares of common stock, such as a broker's statement showing the shares held by you, and a proper identification card. If your shares are not registered in your own name and you plan to attend the meeting and vote your shares in person, you must contact your broker or agent in whose name your shares are registered to obtain a broker's proxy issued in your name and bring it to the meeting in order to vote.

To avoid delays in ballot taking and counting, and in order to ensure that your proxy is voted in accordance with your wishes, compliance with the following instructions is respectfully requested: when signing a proxy as attorney, executor, administrator, trustee, guardian, authorized officer of a corporation, or on behalf of a minor, please give full title. If shares are in the name of more than one record holder, all record holders must sign.

SOLICITATION OF PROXIES

The cost of solicitation of proxies will be borne by us. We will also reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in sending proxy

Table of Contents

materials to the beneficial owners of our shares of common stock. In addition to solicitations by mail, our directors, officers and employees, including those of our subsidiaries, may solicit proxies personally, by telephone or otherwise without additional compensation.

VOTING STOCK OUTSTANDING AND VOTE REQUIRED FOR APPROVAL

Only holders of our shares of common stock of record at the close of business on April 29, 2009 (that is, the Voting Record Date) will be entitled to vote at the annual meeting. The total number of our shares of common stock outstanding on the Voting Record Date and eligible to cast votes at the annual meeting is 24,222,778. On the Voting Record Date, we had outstanding 1,340,000 shares of 7.125% Noncumulative Monthly Income Preferred Stock, Series A, \$1.00 par value per share (the Series A Preferred Stock) and 1,380,000 shares of 7.0% Noncumulative Monthly Income Preferred Stock, Series B, \$1.00 par value per share (the Series B Preferred Stock). The shares of Series A Preferred Stock and Series B Preferred Stock are not entitled to vote at the annual meeting.

The presence, either in person or by proxy, of at least a majority of the outstanding shares of our common stock is necessary to constitute a quorum at the annual meeting. We urge you to vote by proxy even if you plan to attend the meeting so that we will know as soon as possible that enough votes will be present for us to hold the meeting. Votes cast by proxy will be counted by Broadridge Financial Solutions, Inc., an independent third party. For purposes of determining quorum, abstentions and broker non-votes will be treated as shares that are present and entitled to vote. A broker non-vote results when a broker or nominee has expressly indicated that it does not have discretionary authority to vote on a particular matter. Action with respect to Proposal 1, Election of Directors, will be taken by a plurality (that is, a majority of the votes cast) of the shares present in person or represented by proxy at the annual meeting and entitled to vote. Therefore, abstentions and broker non-votes will not have an effect on the election of directors. With respect to this proposal, each holder of shares of common stock has the right to cumulate his or her votes as described below under the heading Cumulative Voting in the Election of Directors. Action with respect to Proposal 2,

Ratification of Selection of Independent Auditors, will be taken by a majority of the shares present in person or represented by proxy at the annual meeting and entitled to vote. Therefore, as to this proposal, abstentions and broker non-votes will have the same effect as a vote against the proposal.

Table of Contents

If any person named as a nominee is unable or unwilling to stand for election at the time of the annual meeting, the proxies will nominate and vote for a replacement nominee or nominees recommended by our Board of Directors. At this time, the Board knows of no reason why any of the nominees listed above may not be able to serve as director if elected.

**The Board of Directors Recommends
that Shareholders Vote For this Proposal.**

CUMULATIVE VOTING IN THE ELECTION OF DIRECTORS

Pursuant to our by-laws, holders of our shares of common stock have the right to cumulate their votes at annual meetings in which more than one director is being elected. Cumulative voting entitles each holder of common stock to a number of votes equal to the number of shares of common stock held by him or her multiplied by the number of directors to be elected. As a holder of our shares of common stock, you may cast all or any number of such votes for one nominee or distribute such votes among any two or more nominees as you desire. Thus, for example, for the election of the five nominees being considered at this annual meeting, a shareholder owning 1,000 shares of our common stock is entitled to 5,000 votes, and may distribute such votes equally among the nominees for election, cast them for the election of only one of such nominees, or otherwise distribute such votes as he or she desires.

In the absence of any express indication that the shares to be voted should be cumulated in a particular fashion, the votes represented by executed proxies will be distributed equally among the five nominees designated by our Board of Directors or in such other fashion as will most likely ensure the election of all the nominees.

BOARD INDEPENDENCE

Except for José Rafael Fernández, who is our President and CEO, all of our directors are independent pursuant to the corporate governance listing standards adopted by the New York Stock Exchange (NYSE) for companies listed thereon.

Our Board of Directors has adopted the categorical standards described below to assist it in the evaluation of the independence of its members (each a Director). The categorical standards adopted by the Board describe various types of relationships that could potentially exist between a Director and the Group and sets thresholds at which such relationships would be deemed to be material. If no relationship or transaction exists that would disqualify a Director from being independent under the categorical standards and no other relationships or transactions exist of a type not specifically mentioned in the categorical standards that, in the Board s opinion taking into account all facts and circumstances, would impair a Director s ability to exercise his or her independent judgment, the Board will deem such Director to be independent. For purposes of these categorical standards and unless otherwise indicated, all references to the Group shall include its subsidiaries.

Definitions

For purposes of these categorical standards, the following definitions shall apply:

The term family member means any of the Director s spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares the Director s home.

The term immediate family member means the Director s spouse and other family members who share the Director s home or who are financially dependent on the Director.

Table of Contents

The term **primary business affiliation** means an entity of which the Director is an executive officer, partner or employee, or in which the Director holds at least a 10% equity interest.

The term **executive officer** means the president, principal financial officer, principal accounting officer (or, if there is no such accounting officer, the controller), any vice president of the entity in charge of a principal business unit, division or function (such as sales, administration or finance), any other officer who performs a policy-making function, or any other person who performs similar policy-making functions for the entity.

Advisory, Consulting and Employment Arrangements

During any twelve-month period:

Within the last three years, neither a Director nor any family member of a Director shall have received from the Group any compensation, fees or benefits in an amount greater than \$100,000, other than amounts paid (a) for serving as a Director, or (b) as compensation to a family member who is not an executive officer of the Group.

In addition, no member of the Audit Committee, nor any immediate family member of such individual, nor any entity in which an Audit Committee member is a partner, member or executive officer shall:

Within the last three years, have received any payment for accounting, consulting, legal, investment banking or financial advisory services provided to the Group.

Business Relationships

All business relationships, lending relationships, deposits and other banking relationships between the Group and a Director or a Director's family member, or between the Group and a Director's primary business affiliation or the primary business affiliation of a family member of a Director, must be made in the ordinary course of business and on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons.

In addition, the aggregate amount of payments in any of the last three fiscal years by the Group to, and to the Group from, any company of which a Director is an executive officer or employee, or where a family member of a Director is an executive officer must not exceed the greater of \$1 million or 2% of such other company's consolidated gross revenues in any single fiscal year.

Loans may be made or maintained by the Group to a Director or a Director's immediate family member, or to a Director's primary business affiliation or the primary business affiliation of an immediate family member of a Director, only if:

the loan is made in the ordinary course of business of the Group, is of a type that is generally made available to other customers, and is on market terms, or terms that are no more favorable than those offered to other customers;

the loan complies with the Sarbanes-Oxley Act of 2002, and, as applicable, Regulation O of the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation guidelines or regulations, the Puerto Rico Banking Act, and the regulations of the Office of the Commissioner of Financial Institutions of Puerto Rico; and

Charitable Contributions

Contributions in any of the last three years from the Group to a foundation, university, or other non-profit organization of which a Director or an immediate family member serves as a director, trustee or executive officer may not exceed the greater of \$250,000 or 2% of the annual consolidated gross revenues of any such organization.

Employment and Affiliations

A Director shall not:

be or have been an employee or executive officer of the Group within the last three years;

Immaterial Relationships

The Board may determine that a Director is independent notwithstanding the existence of an immaterial relationship between the Director and the Group that does not fit within these categorical standards; provided, however, that the Group's proxy statement includes a specific description of such relationship as well as the basis for the Board's determination that such relationship does not preclude a determination that the Director is independent.

BOARD MEETINGS

Our Board of Directors held eleven meetings in 2008. No incumbent director attended fewer than 75% of the Board meetings held in that year. Board members are required to attend our annual meeting of shareholders. All Board members then in office attended last year's meeting, except for Pablo I. Altieri and Pedro Morazzani who were duly excused.

EXECUTIVE MEETINGS OF NON-MANAGEMENT DIRECTORS

Our Board of Directors holds regular meetings of non-management directors (that is, directors who are not executive officers of the Group) to promote open discussions and better communication among such directors. José J. Gil de Lamadrid, the Chairman of the Board, has been chosen to preside at such meetings.

BOARD COMMITTEES

Our Board of Directors has three standing committees: the Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee.

The Audit Committee assists the Board of Directors in its oversight of our financial reporting process and internal controls, and meets regularly without management's presence. It fulfills its oversight responsibilities by reviewing: (a) the integrity of the financial reports and other financial information provided by us to any governmental or regulatory body or to the public; (b) our systems of internal controls regarding finance, accounting, legal compliance, and ethics that management and our Board of Directors have established; and (c) our auditing, accounting, and financial reporting processes generally. The members of this Committee are Nelson García, Chairman, Pedro Morazzani, Vice Chairman, and Francisco Arriví. Our Board of Directors has determined that each member of this Committee is financially literate and has designated Nelson García and Pedro Morazzani as audit committee financial experts, as such term is defined in Item 407(d)(5) of SEC Regulation S-K. It met twelve times in 2008.

The Audit Committee operates pursuant to a written charter that has been approved and adopted by our Board of Directors, a current copy of which is available on our website at www.orientalfg.com and in print to any shareholder who requests it. This Committee is composed entirely of independent directors as required by the NYSE and the SEC.

The Compensation Committee discharges the responsibilities of our Board of Directors relating to compensation of our directors and executive officers, and meets regularly without management's presence. Its general responsibilities are: (a) reviewing and approving corporate goals and objectives relevant to the compensation of the CEO; (b) evaluating the CEO's performance in light of those goals and objectives; (c) making recommendations to our Board of Directors with respect to CEO, director, and executive officer compensation, incentives compensation plans and equity-based plans; (d) producing a Committee report on executive compensation; and (e) conducting an annual performance evaluation of itself. This Committee also administers our equity-based compensation plan and is given absolute discretion to, among other things, construe and interpret the plan; to prescribe, amend and rescind rules and regulations relating to the plan; to select the persons to whom plan awards will be given; to determine the number of shares subject to each plan award; and to determine the terms and conditions to which each plan award is subject. The members of this Committee are Pedro Morazzani, Chairman, Maricarmen Aponte, Vice Chairperson, and Rafael Machargo Chardón. It met five times in 2008.

The Compensation Committee operates pursuant to a written charter that has been approved and adopted by our Board of Directors, a current copy of which is available on our website at www.orientalfg.com and in print to any shareholder who requests it. This Committee is composed entirely of independent directors as required by the NYSE.

The Corporate Governance and Nominating Committee assists our Board of Directors by: (a) identifying individuals qualified to become directors consistent with criteria approved by the Board; (b) selecting or recommending that the Board select the director nominees for the next annual meeting of shareholders; (c) developing and recommending to the Board a set of corporate governance principles applicable to us that are consistent with sound corporate governance practices and in compliance with applicable legal, regulatory, or other requirements; (d) monitoring and reviewing any other corporate governance matters which the Board may refer to

this Committee; and (e) overseeing the evaluation of the Board and management. It meets regularly without management's presence. The members of this Committee are Juan Carlos Aguayo, Chairman, Julian Inclán, Vice Chairman, Pablo I. Altieri, and Francisco Arriví. It met five times in 2008.

The Corporate Governance and Nominating Committee operates pursuant to a written charter that has been approved and adopted by our Board of Directors, a current copy of which is available on our website at www.orientalfg.com and in print to any shareholder who requests it. This Committee is composed entirely of independent directors as required by the NYSE.

Pursuant to our by-laws, no nominations for directors, except those made by our Board of Directors upon the recommendation of the Corporate Governance and Nominating Committee, will be voted upon at the annual meeting unless other nominations by shareholders are made in writing, together with the nominee's qualifications for service and evidence of his or her willingness to serve on our Board of Directors, and delivered to the Secretary of the Board at least 120 days prior to the anniversary date of the mailing of proxy materials in connection with last year's annual meeting. Ballots bearing the names of all of the persons nominated by our Board of Directors and by shareholders, if properly made, will be provided for use at the annual meeting. The Corporate Governance and Nominating Committee has not established any specific, minimum qualifications that it believes must be met by a nominee recommended by such committee for a position on our Board of Directors. The Committee instead considers general factors, including, without limitation, the candidate's experience with other businesses and organizations, the interplay of such experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any of its committees.

The Corporate Governance and Nominating Committee generally identifies qualified candidates on the basis of recommendations made by existing directors or management. There are no differences in the manner in which the Committee evaluates nominees for director based on whether the nominee is recommended by a shareholder. The Committee will consider potential nominees by management, shareholders or other members of the Board, and develop and evaluate information from a variety of sources regarding the potential nominee before making a decision.

CORPORATE GOVERNANCE GUIDELINES

We have developed and adopted a set of Corporate Governance Guidelines to promote the functioning of our Board of Directors and its committees, to protect and enhance shareholder value, and to set forth a common set of expectations as to how the Board, its various committees, individual directors and management should perform their functions. We have also developed and adopted a Code of Business Conduct and Ethics that reaffirms our basic policies of business conduct and ethics for our directors, officers, employees and agents. The Code consists of basic and general standards of business as well as personal conduct. Current copies of the Corporate Governance Guidelines and the Code of Business Conduct and Ethics are available on our website at www.orientalfg.com. PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee of our Board of Directors intends to appoint KPMG LLP (KPMG) as our independent public auditors for the year ending December 31, 2009, and has further directed that the selection of such auditors be submitted for ratification by the shareholders at this annual meeting. KPMG has served as our independent public auditors since 2005. Neither our certificate of incorporation nor our by-laws require that our shareholders ratify the selection of our independent public auditors. If our shareholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain KPMG, but may nonetheless retain such firm. Even if the selection is ratified, the Audit Committee in their discretion may change the appointment at any time during the year if they determine that such change would be in our best interest.

KPMG will have representatives present at the annual meeting who will have an opportunity to make a brief statement if they desire to do so, and who will be available to respond to appropriate questions that may arise.

**The Board of Directors Recommends
that Shareholders Vote For this Proposal.

Services provided to us and our subsidiaries by KPMG included the examination of our consolidated financial statements, limited revisions of our quarterly reports, audits of our subsidiaries, audits of our employee benefits plan, services related to our filings with the SEC and other regulatory agencies, and consultations on various tax and accounting matters.

The Audit Committee reviewed and approved all audit and non-audit services rendered by KPMG to us and our subsidiaries, and concluded that the provision of such services was compatible with the maintenance of KPMG's independence in the conduct of its auditing functions. The Audit Committee has adopted a pre-approval policy regarding the procurement of audit and non-audit services, which is available on our website at www.orientalfg.com. The Audit Committee intends to review such policy periodically.

COMPENSATION DISCUSSION AND ANALYSIS

Overview

We are guided by the principle that our compensation program must not only promote our long-term success, but also provide significant rewards for outstanding financial performance while establishing clear consequences for under-performance. To this end, each element of compensation takes into account not only our competitive position and goals, but also each executive's individual performance, commitment and achievements.

Compensation Philosophy and Objectives

The compensation program for our Named Executive Officers is intended to reward achievements of individual and business performance objectives, and align such objectives with the creation of shareholder value. It is also intended to attract and retain the most talented and effective executive team for us. Accordingly, the main objectives of our compensation program are to:

Attract and retain seasoned executives;

Reward superior performance at competitive levels;

Promote teamwork and collaboration;

Create long-term financial incentives; and

Increase stock ownership.

Table of Contents

Our compensation analysis begins with a review of our strategic objectives and business plans. We then consider the scope of responsibilities of each executive, the compensation of similar executives at peer companies in Puerto Rico, and the relationship between pay and performance. We further evaluate whether our compensation program meets our goals by monitoring the engagement and retention of our executives.

The Compensation Committee of our Board of Directors plays a key role in the development of our compensation program. The Committee consists entirely of independent directors and operates under a written charter approved by the Board, which is publicly available at www.orientalfg.com. Each meeting of the Committee has an agenda established in accordance with an annual calendar set by its Chairman in consultation with senior management. Additional discussion topics related to external or internal events are added to the agenda from time to time as necessary. The Committee receives and reviews materials in advance of each of its meetings, including information on management's analyses and recommendations. As appropriate, the Committee looks to our Human Resources Department to support the Committee in its work. While the Committee values input and advice from this and other sources, it exercises its independent judgment in reaching its decisions and in making recommendations to our Board. We are cognizant of the competitive environment in which we must compete for superior executive talent and seek to maintain a compensation strategy that is competitive in the financial services industry in Puerto Rico. In evaluating our compensation program and authorizing bonus or equity grants under this program, the Committee takes into account several factors, including total compensation package, individual and business performance, total compensation-related expense, and percentage of income allocated to compensation-related costs.

In reaching its compensation recommendations to our Board, the Committee undertakes a review of both total compensation and each element of compensation in light of Puerto Rico survey data obtained from Watson Wyatt Worldwide, Inc. (NYSE: WW), a global consulting firm that specializes, among other things, in employee benefits. The Committee may also engage outside compensation consultants to evaluate whether our compensation practices or incentives are consistent with meeting our objectives. Any such consultant may provide the Committee with analysis and recommendations. The Committee also takes into consideration the scope, complexity and degree of challenge of each executive's responsibilities, as well as his or her performance.

Elements of Compensation

To assure the appropriate mix of fixed versus variable compensation and focus on both short and long-term business performance, we have established four basic elements for our executive compensation program: base salary, annual cash bonus awards, long-term equity-based compensation, and change-in-control compensation. It is the Committee's intention to have compensation paid to our Named Executive Officers be deductible for Puerto Rico income tax purposes, unless there are valid compensatory reasons for paying nondeductible amounts in order to ensure competitive levels of total compensation.

Base Salary. Base salary is generally designed to be competitive with comparable executive positions in peer group companies in Puerto Rico, including Popular Inc., First BanCorp., Doral Financial Corporation, Triple-S Management Corporation, Eurobancshares Inc., and Santander BanCorp. However, each executive's actual salary varies based on the complexity and unique challenges of his or her position, individual skills, experience, background and performance. Watson Wyatt survey data for corporate executive salaries in Puerto Rico is also taken into consideration in determining periodic increases. Base salaries are reviewed at least annually by the Committee and adjusted at 12 to 24 month intervals.

Annual Cash Bonus Awards. Our annual cash bonus awards reflect a combination of three key elements: individual bonus targets, level of attainment of business performance targets, and individual achievements. We maintain monthly scorecards for measuring financial, operational, and strategic results to determine the level of attainment of each executive's performance goals, and assign a weight to each performance measure, with the sum of the weights equal to 100%. The weight is the percentage of each executive's total bonus that will be based on that particular measure. Each target bonus is expressed as a percentage of the executive's base salary.

Table of Contents

The Committee approved the following target bonus percentages for the Named Executive Officers in 2007, and no changes were made thereto in 2008. In order to determine each Named Executive Officer's bonus, the percentage listed below is multiplied by the executive's base salary, which then is multiplied by the result of his or her scorecard.

Name	Target Bonus Percentage
José Rafael Fernández President & CEO	60%
Julio R. Micheo Senior Executive Vice President, Treasurer & Chief Investment Officer	40%
Norberto González Executive Vice President & CFO	40%
Ganesh Kumar Executive Vice President of Operations & Strategic Planning	40%
José Gabriel Díaz First Senior Vice President & Executive Trust Officer	30%

The actual bonus payouts for performance in 2008 to the Named Executive Officers ranged from 17% to 29% of each executive's salary depending on his or her performance against pre-established, objectively determined goals and the results of his or her scorecard. At the beginning of each year, the Board reviews and approves an annual budget for the company as a whole and for each business segment. The Committee then reviews and assesses performance goals and makes recommendations about the proposed design of the annual bonus awards. These goals include minimum performance thresholds that must be met to earn any bonus award, as well as performance levels required to achieve maximum payouts. An executive obtaining less than a 70% score in his or her scorecard is generally not eligible to receive a bonus. Maximum payout levels are intended to be available only for achievement of business performance significantly exceeding target levels.

Based on the recommendation of the Committee, our Board of Directors approved bonuses for performance in 2008 to the Named Executive Officers on account of several important performance areas related to the success of our business strategy, financial results, values and accomplishments, including customer satisfaction, strategic performance in the marketplace, achievements in critical milestones, risk management, overall teamwork, and personal development. These bonuses were paid in the first quarter of 2009.

Table of Contents

The performance cash bonuses approved for 2008 and paid to the Named Executive Officers were as follows:

Name	Bonus Amount (\$)	Percent of Base Salary
José Rafael Fernández President & CEO	142,973	29%
Julio R. Micheo Senior Executive Vice President, Treasurer & Chief Investment Officer	84,350	18%
Norberto González Executive Vice President & CFO	73,115	24%
Ganesh Kumar Executive Vice President of Operations & Strategic Planning	67,672	26%
José Gabriel Díaz First Senior Vice President & Executive Trust Officer	37,992	17%

Long-Term Incentive Compensation. Our long-term incentives are designed to ensure that executives have a continuing stake in our success and to encourage executives to focus on multi-year performance goals that will enhance the value of our capital stock. Such incentives are also designed to align executive performance with the creation of shareholder value. Although we do not require that our Named Executive Officers own any minimum amount of our common stock, we believe that the way we compensate them aligns their interest sufficiently with that of our shareholders.

The Amended and Restated Oriental Financial Group Inc. 2007 Omnibus Performance Incentive Plan has expanded the forms of our equity-based incentives. We believe that the Omnibus Plan reflects new trends at peer group companies and that it will strengthen the link between executive performance and shareholder value by offering a wide variety of equity-based incentives.

The Committee authorized awards of qualified stock options and restricted stock units to the Named Executive Officers in 2008. Such awards are described in the Grants of Plan-Based Awards table on page 25 hereof. It also authorized awards to directors and other senior officers. Information concerning awards to directors is set forth in the Director Compensation table on page 29 hereof. The Committee has discretion to grant awards from time to time under the Omnibus Plan, to determine the eligible individual to whom awards will be granted, and to establish the terms and conditions of each award. In 2008, the Committee decided to grant such awards to Named Executive Officers based on the results of our corporate-wide scorecard. The actual amount awarded to each Named Executive Officer was based on his or her percentage target for bonus purposes. In making these awards, the Committee believes that it would benefit us by enhancing our ability to retain executives and linking equity awards to performance. Each award is subject to service conditions that must be met by the executive in order for the award to vest.

Change-in-Control Compensation. An important objective of our compensation program is not only the recruitment of seasoned executives but also their retention and commitment to our long-term success. Therefore, in order to promote their retention and reduce any concerns that they may be adversely affected in the event of a change-in-control of the Group, we have entered into a change-in-control compensation agreement with each Named

Executive Officer pursuant to which the executive is entitled to a cash payment equal to two times the sum of his or her annual base salary and last cash bonus if there is a change in control (as defined in each agreement) and as a result thereof or within one year thereafter his or her employment is terminated.

The following table presents the estimated cash compensation of the Named Executive Officers under their respective change-in-control compensation agreements based on the salaries and bonuses that they earned for 2008.

Fringe Benefits and Allowances

We provide several fringe benefits, including a defined contribution plan and healthcare coverage, to our Named Executive Officers. These benefits do not constitute a significant portion of the Named Executive Officers' total compensation package and are generally available to all of our employees. We also offer to our Named Executive Officers a non-qualified deferred compensation plan for the deferral of taxable income and certain allowances, including car allowance. Such allowances are offered on a case-by-case basis and are not intended to constitute a significant portion of the executive's compensation. Our non-qualified deferred compensation plan is more fully described on page 28 hereof. We provide these benefits in order to retain and attract an appropriate caliber of talent and recognize that other companies with which we compete for talent provide similar benefits to their officers and employees. Such benefits and allowances are reviewed annually by the Committee.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of the members of the Compensation Committee has served as an officer or employee of us or any of our subsidiaries, nor did any of them have any relationship requiring disclosure by us in which we were or are a participant and the amount involved exceeds \$120,000, and in which any such member had or will have a direct or indirect material interest. None of our executive officers served as a director of another entity, or as a member of the compensation committee of another entity, one of whose executive officers served as a member of our Board of Directors or as a member of our Compensation Committee at any time during 2008.

Table of Contents**EXECUTIVE COMPENSATION**

The following table summarizes the total compensation earned in each of the last three years by (i) the CEO and the CFO; (ii) the three most highly compensated executive officers, other than the CEO and CFO, who were serving as executive officers at December 31, 2008; and (iii) two former executive officers who were or would have been among the three most highly compensated executive officers, other than the CEO and CFO, in 2008 (collectively referred to as the "Named Executive Officers"). It omits columns for non-equity incentive plan compensation, changes in pension value, and above-market nonqualified deferred compensation earnings because we had no such compensation in those years.

Employment Agreement

José Rafael Fernández, our President and CEO, entered into a three-year Employment Agreement with us on October 31, 2007. Mr. Fernández is also the Vice Chairman of our Board of Directors. The Employment Agreement became effective January 1, 2008, and replaced the employment agreement, dated April 4, 2005, between Mr. Fernández and us, which was then in effect.

As provided in the Employment Agreement, Mr. Fernández reports directly to our Board of Directors and has overall responsibility for our business and affairs. During the term of the Employment Agreement and in any election of directors in which Mr. Fernández's term as director is set to expire, the Board will nominate and recommend to our shareholders his election as a Board member. Pursuant to the Employment Agreement, he will be compensated as follows: (i) annual base salary of \$500,000, which may be increased by the Board's Compensation Committee after the first year; (ii) annual performance bonus that may be from zero up to 70% of his annual base salary, as determined by the Compensation Committee; (iii) annual car allowance of \$30,000; (iv) annual allowance of \$25,000 for expenses that in his judgment are reasonably appropriate for the performance of his duties as our President and Chief Executive Officer; (v) life insurance covering his life and having as beneficiary his estate or other beneficiaries; and (vi) a qualified stock option award for the purchase of 30,000 shares of common stock, and an award of 30,000 restricted stock units, both of which are one-time awards and were made pursuant to the Omnibus Plan.

The Employment Agreement may be terminated by the Board for just cause (as such term is defined therein) at any time. In the event it is terminated for just cause, Mr. Fernández will have no right to compensation or other benefits for any period after such termination. However, if it is terminated by the Board other than for just cause and other than in connection with a change in control of us, or if Mr. Fernández terminates the Employment Agreement for good reason (as such term is defined therein), we will be required to pay him as severance, in lieu of any further salary payments for periods subsequent to the date of termination, a lump sum equal to the product of his base salary, bonus (equal to the highest cash bonus paid to him in any of the two years prior to the termination

Table of Contents

date), car allowance, and the value of any other benefits provided to him during the year in which the termination occurs, multiplied by two.

Change-in-Control Compensation Agreements

We have entered into Change-in-Control Compensation Agreements with José J. Gil de Lamadrid, José Rafael Fernández, Julio R. Micheo, Norberto González, Ganesh Kumar and Mari Evelyn Rodríguez. Each agreement remains in full force as long as the person is employed by us and, in the case of Mr. Gil de Lamadrid, as long as his Non-Executive Chairman Agreement is in effect.

Under the agreements, the aforementioned persons are entitled to certain cash payment compensation in the event there is a change in control of the company and as a result thereof or within one year after the change in control, the person's employment is terminated by us or our successor in interest. The cash compensation will be an amount equal to two times the sum of such person's annual base salary at the time the termination of his or her employment occurs and his or her last cash bonus paid prior to the termination of his employment.

For purposes of the agreements, a change in control is deemed to have occurred if (i) any person or entity (including a group) acquires direct or indirect ownership of 50% or more of the combined voting power of our then outstanding common stock as a result of a tender or exchange offer, open market purchases, privately negotiated purchases or otherwise; or (ii) our shareholders approve (a) any consolidation or merger of us in which we are not the surviving corporation (other than a merger in which the holders of our common stock immediately prior to the merger have the same or substantially the same proportionate ownership of the surviving corporation immediately after the merger), or (b) any sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all, or substantially all, of our assets to an entity which is not our wholly-owned subsidiary.

401(k)/1165(e) Plan

All of our employees, including the employees of our subsidiaries, are eligible to participate in our cash or deferred arrangement profit sharing plan (the 401(k)/1165(e) Plan). The 401(k)/1165(e) Plan is a defined contribution plan under the Employee Retirement Income Security Act of 1974, as amended (ERISA), and is qualified under Sections 1165(a) and 1165(e) of the Puerto Rico Internal Revenue Code of 1994, as amended. The 401(k)/1165(e) Plan offers eligible participants several investment alternatives, including several U.S. mutual funds, a money market account, and shares of our common stock. Contributions made through payroll deductions not in excess of a specified amount may be accumulated per year as before-tax savings. We contribute 80 cents for each dollar contributed by an employee up to \$832 per year. The matching contribution is invested in our shares of common stock. In 2008, we contributed 12,767 shares of common stock to the 401(k)/1165(e) Plan valued at approximately \$77,240 at December 31, 2008.

We offer our executive officers a non-qualified deferred compensation plan, where such executives are allowed to defer taxable income. The plan is not intended to meet the requirements of Section 1165 of the Puerto Rico Internal Revenue Code of 1994, and therefore, does not meet the funding, employee coverage, and other requirements which qualified retirement plans must satisfy thereunder.

However, the plan is intended to constitute an unfunded arrangement maintained primarily for the purposes of providing deferred compensation for a select group of management or highly compensated employees for purposes of Section 201(2), 301(a)(3) and 401(a)(1) of the Employee Retirement Income Security Act of 1974, known as ERISA. Under the plan, the executive's current taxable income is reduced by the amount being deferred, which may be up to 100% of his or her salary and bonus. Funds contributed thereto can accumulate without current income tax to the individual. Taxes are due when the funds are withdrawn at the then current income tax rate applicable to the individual, which may be lower than his or her current income tax bracket. The plan allows participants to choose the manner in which some or all of the assets in their accounts are invested from a range of investment options designated by the plan's trustee.

Table of Contents**Director Compensation**

Each director's compensation is generally designed to be competitive with comparable compensation paid to directors at peer group companies in Puerto Rico, including Popular Inc., First BanCorp., Doral Financial Corporation, Triple-S Management Corporation, Eurobancshares Inc., and Santander BanCorp. However, each director's actual compensation varies based on whether he or she occupies the chairmanship of our Board of Directors or any committee thereof. It also varies depending on the number of meetings attended and on his or her membership in Board committees.

The following table omits the columns for non-equity incentive plan compensation, and change in pension value and above-market nonqualified deferred compensation earnings because we had no such compensation or earnings for such directors in 2008.

and the Chairpersons of the Compensation Committee and the Corporate Governance and Nominations Committee each receives an additional annual retainer of \$12,000. Such retainers are payable in equal monthly installments.

The Chairman of Board is compensated pursuant to the terms of the Non-Executive Chairman Agreement, which is described below under the subheading Non-Executive Chairman Agreement. The President and CEO, who is a Board member, does not receive director's fees and is compensated exclusively pursuant to the Employment Agreement, which is described above under the subheading Employment Agreement.

Non-Executive Chairman Agreement

On November 28, 2006, we entered into a Non-Executive Chairman Agreement with José J. Gil de Lamadrid, C.P.A. for a term of three years commencing on November 1, 2006 and ending on October 31, 2009. The agreement provides for payment to Mr. Gil de Lamadrid of: (i) an annual base fee of \$200,000 payable in equal monthly installments; (ii) an annual cash bonus of \$50,000, of which 50% is payable not later than December 31 of each year and the remaining 50% is payable not later than June 30 of the subsequent year; and (iii) an annual allowance of \$50,000 to cover certain costs and expenses incurred by him, including, among others, automobile expenses and membership fees for social and business clubs. It also provides for reimbursement of all reasonable travel and other expenses incurred by him in the performance of his duties under the agreement. It also requires us to provide him with office facilities, including all necessary secretarial services and suitable accommodations, and to grant him 10,000 stock options per year for the purchase of shares of our common stock. However, the agreement was amended prospectively on October 25, 2007 to provide for the award of 3,333 restricted stock units in 2008 and 2009 instead of 10,000 stock options in each of those years.

The agreement further provides that, during its term, our Board of Directors will nominate and recommend to the shareholders the election of Mr. Gil de Lamadrid as a director at any election of directors in which his term as director will expire, and, if elected, the Board of Directors will elect him to the position of Chairman.

The agreement may be terminated by our Board of Directors for just cause (as such term is defined therein) at any time. In the event it is terminated for just cause, Mr. Gil de Lamadrid will have no right to compensation or other benefits for any period after such termination. However, if it is terminated by our Board of Directors other than for just cause and other than in connection with a change in control of us, or if Mr. Gil de Lamadrid terminates the agreement for good reason (as such term is defined therein), we are required to pay him an amount equal to two times the aggregate annual compensation paid or payable to him, including base fee, bonus (equal to the highest cash bonus paid to him in any of the two years prior to the termination date), car allowance, and the value of any other benefits provided to him during the year in which the termination occurs. The payment is to be made in a lump sum on or before the fifth day following the date of termination.

The agreement contains provisions restricting Mr. Gil de Lamadrid's ability to engage or participate in, become a director of, or render advisory or other services to any firm or entity that competes with us or with our business. The agreement does not contain any provision restricting his right to compete against us upon termination of the agreement.

responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States of America.

In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed the audited financial statements for the period ended December 31, 2008 with the Group's management and has discussed with KPMG LLP (KPMG) the matters that are required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. In addition, KPMG has provided the Audit Committee with the written disclosures and the letter required by the Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as adopted by the Public Company Accounting Oversight Board in Rule 3600T, and the Audit Committee has discussed with KPMG their independence.

The members of the Audit Committee are not engaged professionally in rendering, auditing or accounting services on behalf of the Group nor are they employees of the Group. Based on such reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Group's annual report on Form 10-K for the year ended December 31, 2008, for filing with the U.S. Securities and Exchange Commission.

INDEBTEDNESS OF MANAGEMENT

Certain transactions involving loans and deposits were transacted in 2008 between our banking subsidiary, Oriental Bank and Trust, some of our directors and executive officers, including those of our other subsidiaries, and persons related to or affiliated with such persons. All such transactions were made in the ordinary course of business on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with other persons, and did not involve more than the normal risk of uncollectability or other unfavorable features. At present, none of the loans to such directors and executive officers, including persons related to or affiliated with such persons, is non-performing.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our Board of Directors recognizes that certain transactions present a heightened risk of conflicts of interest and/or improper valuation (or the perception thereof) and, therefore, has adopted a Related Party Transactions Policy. For these purposes, a Related Party Transaction is defined as a transaction or series of similar transactions in which we are to be a participant and the amount involved exceeds \$120,000, and in which any Related Party has or will have a direct or indirect material interest. A Related Party is any of our directors or executive officers, any nominee for director, any beneficial owner of more than 5% of any class of our voting securities, and any immediate family member of any of the previously mentioned. The Policy generally covers any financial transaction, arrangement or relationship (including any indebtedness or guarantee of indebtedness) or any series of similar transactions, arrangements or relationships between the Related Party and us. Related Party Transactions thereunder are approved or ratified by the Audit Committee or the disinterested members of our Board of Directors (other than employment or compensation arrangements, which are approved by the Compensation Committee or the

disinterested members of our Board of Directors). Furthermore, the Audit Committee may approve or ratify a Related Party Transaction if (i) it finds that there is a compelling business reason to approve the transaction, taking into account all pertinent factors, (ii) it has been fully informed of any and all significant conflicts that may exist or otherwise arise on account of the transaction, and (iii) it reasonably believes that the transaction is beneficial for us and that we have adopted appropriate measures to manage the potential conflicts of interest. All Related Party Transactions approved or ratified by the Audit Committee must be disclosed to our Board of Directors at its next regularly scheduled meeting.

Delgado & Fernández, LLP, San Juan, Puerto Rico has continuously provided legal and notarial services to us since 1997 in the areas of mortgage lending, mortgage foreclosures and debt recovery, general legal advice, and commercial and labor litigation. The brother of José Rafael Fernández, our President and CEO, is a partner at that firm. We engaged the firm before Mr. Fernández became our President and CEO and a member of our Board of Directors. During 2008, we paid the firm a total of \$390,883 for legal services rendered to us and out-of-pocket expenses incurred by them on our behalf.

In January 2008, we engaged the legal services of Carlos O. Souffront LLC, Dorado, Puerto Rico. Pursuant to this engagement, Carlos O. Souffront, Esq., serves as our General Counsel. As consideration for services thereunder, we paid \$400,000 to such firm in 2008 and awarded 9,826 restricted stock units to Mr. Souffront. He is also the Secretary of our Board of Directors and a former capital member of McConnell Valdés LLC, San Juan, Puerto Rico, which has continuously provided legal services to us for over 20 years.

The engagements of Delgado & Fernández, LLP and Carlos O. Souffront LLC were approved by our Board of Directors.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers and persons who own more than 10% of our equity securities to timely file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. We are required to identify any such director, executive officer or greater than 10% stockholder who failed to timely file any such report. Based solely on the review of copies of such reports and other information furnished to us by such individuals, we believe that during and with respect to 2008 such persons timely filed all required reports, except as follows:

- 1) Juan Carlos Aguayo, Maricarmen Aponte, José Rafael Fernández, Nelson García, José J. Gil de Lamadrid, Ganesh Kumar, Pedro Morazzani, L. Raúl Salvá and Héctor J. Vázquez each did not report one transaction on a timely basis on Form 4.
- 2) Pablo I. Altieri and Josen Rossi each did not report 17 transactions on a timely basis, which were reported by each of them on three late Forms 4.
- 3) Francisco J. Arriví did not report two transactions on a timely basis, which were reported by him on two late Forms 4.
- 4) Norberto González, Julio Micheo, Mari Evelyn Rodríguez and Carlos A. Viña each did not report two transactions on a timely basis, which were reported by each of them on a late Form 4.
- 5) Julian Inclán, Rafael Machargo Chardón, Josen Rossi and Carlos O. Souffront each filed a late Form 3.
