ITEM 9. REGULATION FD DISCLOSURE.

On July 31, 2002, Knight Transportation, Inc., an Arizona corporation ("we," "our," "us," or the "Company"), reached a resolution of our litigation with Freightliner L.L.C. ("Freightliner") through successful mediation. We are pleased to put this conflict behind us and we hope to develop a positive working relationship with Freightliner in the near future.

We anticipate that our tractor fleet will increase by 14% by year end compared to our earlier estimate of 12%. We expect to meet our targeted growth goals for 2002, and to continue to take advantage of increased customer demand and meet our customers' needs. We hope to achieve a net growth of revenue equipment by year end of approximately 265 new tractors, net of trade-ins, which is commensurate with our original target. We will also continue to aggressively pursue ways to meet the 2002 emissions standards profitably. We also intend to continue to pursue our goal of maintaining dual sources for our revenue equipment.

Our revenue, before fuel surcharge, for the six month period ended June 30, 2002, increased 15.5% to \$130,197,000 from \$112,745,000 for the same period in 2001. We expect our revenue before fuel surcharge to continue to grow compared to last year, assuming that business conditions continue to be favorable.
