-

**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On April 23, 2009, at the annual meeting of shareholders of Diebold, Incorporated (the Company), the shareholders of the Company, upon the recommendation of the Company's Board of Directors (the Board), approved amendments to the Diebold, Incorporated Amended and Restated 1991 Equity and Performance Incentive Plan (the 1991 Plan). The Board adopted the amended and restated 1991 Plan (the Amended and Restated Plan), subject to shareholder approval, on March 4, 2009.

The Amended and Restated Plan incorporates an amendment to increase the number of shares available under, and make certain other changes in, the existing plan (the Amendments). The Amended and Restated Plan provides for a variety of compensatory awards designed to advance the Company's long-term interests by encouraging stock ownership among its key employees. Among other things, the Amendments: (1) increased the number of shares of Common Stock available by 4,000,000 to 13,265,313 shares; (2) eliminated the provision for the grant of re-load option rights; (3) clarified that, except upon the occurrence of certain extraordinary corporate transactions, there can be no repricing of outstanding option rights and appreciation rights without shareholder approval; and (4) extended the term after which no grant may be made to 10 years from March 4, 2009. The Board also adopted an amendment to the Amended and Restated Plan on April 13, 2009 to revise the definition of Change in Control to provide that a Change in Control shall occur upon the acquisition by any individual, entity or group of beneficial ownership of 30% or more of the Company's Common Stock or Voting Stock (as defined in the Amended and Restated Plan).

The description of the Amended and Restated Plan contained herein is qualified in its entirety by reference to the full text of the Amended and Restated Plan, which is filed as Exhibit 10.1 to this Form 8-K and incorporated herein by reference.
