On November 28, 2006, the Compensation Committee of the Board of Directors of Universal Technical Institute, Inc. (the Company), in connection with its periodic review of executive and other employee compensation, increased the base salaries of its chief executive officer and other named executive officers after a review of market data and after considering a review of total compensation for its named executive officers. Specifically, the Compensation Committee reviewed and considered an independent consulting firm's analysis that benchmarked the Company's senior management with proxy comparators and industry compensation data. In connection with its approval of the increases, the Compensation Committee also utilized an independent compensation consultant that reports directly to the Committee. The Compensation Committee also considered that the compensation of the Company's senior management has remained unchanged since January 2005.

The following table sets forth the annual base salary levels of the Company's named executive officers effective December 4, 2006:

Name	Position	Base Salary
John C. White	Chairman of the Board	\$500,000
Kimberly J. McWaters	President and Chief Executive Officer	\$575,000
	Senior Vice President, Chief Financial Officer and Treasurer	\$260,000
Jennifer L. Haslip	Treasurer	
Sherrell Smith	Senior Vice President of Operations	\$260,000
David K. Miller	Senior Vice President of Admissions	\$270,000

The Compensation Committee also approved an executive bonus plan. Under the executive bonus plan, Mr. White may be paid an amount up to 60% of his base salary; Ms. McWaters may be paid an amount up to 75% of her base salary; and each of Ms. Haslip, Mr. Smith and Mr. Miller may be paid an amount up to 45% of their base salary. Except with respect to Sherrell Smith, who was promoted to his current position in August 2006, these bonus percentages for 2007 are the same as those for 2006. The bonus amount paid shall be determined by the Compensation Committee based on the achievement of the following performance targets: (1) year over year contract growth that meets or exceeds the Company's fiscal year 2007 budget; (2) capacity utilization improvement that meets or exceeds the fiscal year 2007 budget; and (3) earnings before interest expense and income taxes (EBIT) percentage improvement that meets or exceeds the fiscal year 2007 budget. Each category is weighted equally.
