VIVENDI UNIVERSAL 401(k) PLAN II

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following brief description of Vivendi Universal 401(k) Plan II (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for more complete information.

General: The Plan is a defined contribution plan established as of June 1, 2002 by Vivendi Universal Entertainment LLLP (the "Company") and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Eligibility: The Plan covers employees of the Company whose annual base salary or regular wages, (excluding overtime, bonuses, commissions or other special or contingent payments) exceeds \$15,793 as of December 31, 1998 (increased on the last day of each year by 4%) and who are either (i) salaried employees, or (ii) hourly employees not employed in a classification designated by the Company from

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

time to time, excluding various categories of employees specified in the Plan including, but not limited to, persons represented by a collective bargaining agent, persons employed on a special basis, and persons employed by an operating unit of the Company to which the Plan has not been extended.

Contribution: Each participant's account is credited with the participant's contribution and the Company's matching contribution. Plan earnings are allocated based on participant account balances, as defined. Non-highly compensated employees, as defined by the Plan, may elect to contribute to their pre-tax accounts on a pre-tax basis ("Pre-Tax Contributions") and/or to their after-tax accounts on an after-tax basis ("After-Tax Contributions") through payroll deductions of 1% to 17% (in the aggregate) of their annual salary (as defined in the Plan), in multiples of 1%, in any combination. Effective January 1, 1999, highly compensated employees, as defined by the Plan may contribute up to 17% in the aggregate to their pre-tax and after-tax accounts with a limit of 10% of their pre-tax account. Pre-tax contributions and after-tax contributions are subject to limitations imposed by federal laws for qualified retirement plans.

The Plan provides for matching contributions by the Company payable to the participants' company match accounts. The Company's matching contribution was increased to 60% of the first 6% of the Participants' pre-tax and after-tax contributions made during each payroll period. The Company's contributions are subject to limitations imposed by federal laws for qualified retirement plans.

Participants may elect to have their contributions and matching contributions invested in a variety of investment funds. Investment elections or contributions rate changes can be changed on any business day and must be made in increments of 1%.

The Plan will accept into participants' rollover accounts cash received by participants from a qualified plan within the time prescribed by applicable law ("Rollover Contributions").

The Company may make discretionary contributions in an amount to be determined by the Company. The Company has not made discretionary contributions since the inception of the Plan.

VIVENDI UNIVERSAL 401(k) PLAN II

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan (Continued)

Vesting: A participant in the Plan always has a fully vested interest in the value of his or her contributions and rollover accounts. He or she has a non-forfeitable right to the value of his or her company match account upon the attainment of age 60, disability (as defined in the Plan) or death. Upon termination of employment for any other reason, a participant vests in the funds held in his or her company match account in accordance with the following vesting schedule:

COMPLETED YEAR OF SERVICE	PERCENTAGE VESTED
Less than 1	0%
At least 1, but less than 2	20%

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

At least 2, but less than 3	40%
At least 3, but less than 4	60%
At least 4, but less than 5	80%
5 or more	100%

Upon termination of employment for reasons other than the attainment of age 60, disability or death of a participant who was not fully vested in his or her company match account, the nonvested portion of the company match account shall be forfeited. Any account forfeited shall be applied to reduce the Company's contributions in accordance with the terms of the Plan. Any amount forfeited shall be restored if the participant is re-employed by a Company before incurring a five year break in service and if the participant repays to the Plan (within five years after his or her reemployment commencement date) an amount in cash equal to the full amount distributed to him or her from the Plan on account of termination of employment, excluding amounts from the after-tax and rollover accounts at the participant's election.

Forfeitures: The nonvested interest of terminated participants serves to reduce Company contributions in accordance with the terms of the Plan. The Company didn't use any forfeiture to offset their contributions during the period from June 1, 2002 and December 31, 2002.

Payment of Benefits: Upon termination of employment, after the attainment of age 60 or for reason of disability or death, the participant or his or her beneficiary shall receive the value of his or her accounts. However, if the termination of employment is for reasons other than the attainment of age 60, disability or death, the participant shall receive only the value of the vested funds in his or her accounts. Benefits are recorded when paid.

In accordance with the procedures established by the Administrative Committee and the terms of the Plan, certain terminated employees may elect to defer final distribution from the Plan. Upon such election, the amount in such participants' vested interest in the Plan is entitled to continue to receive investment income and is held by the Trustee until the date of distribution as elected by the participants. Prior to termination of employment, the participant may withdraw amounts from the participant's accounts in accordance with the provisions of the Plan.

VIVENDI UNIVERSAL 401(k) PLAN II

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan (Continued)

Loans to Participants: A participant may apply for loans up to the lesser of \$50,000 or 50% of the value of the vested portion of the participant's accounts. The minimum loan amount is \$1,000. The maximum repayment terms are 5 years for general purpose loans and 25 years for principal residence loans, except that principal residence loans requested after December 31, 1999 will have a maximum repayment term of fifteen years. Applications for loans must be approved by the administrative committee. The amounts borrowed are transferred from the investment funds in which the participant's accounts are currently invested. Repayment and interest thereon are credited to the participant's current investment funds through payroll deductions made each pay period. The interest

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

rate for loans is based on the prime rate on the first business day of the month in which the loan is made plus one percentage point.

Note 2. Significant Plan Changes

On May 7, 2002, Vivendi Universal completed the acquisition of the entertainment assets of USA Networks (USA). Under the terms of the deal, a new entity named Vivendi Universal Entertainment LLLP (VUE) was formed on June 1, 2002 and became an affiliate of Vivendi Universal S.A. The entity brings together Universal Studios Group and the entertainment assets of USA Networks.

Many employees of VUE were former employees of USA Networks and were participants in the USA Networks, Inc. Retirement Savings Plan - Networks. VUE established Vivendi Universal 401(k) Plan II in substantially the same form as the Vivendi Universal 401(k) Plan. However, certain benefit provisions applicable solely to eligible employees of USA Networks who transferred to VUE and any future VUE eligible employees were preserved in the Plan.

Effective June 28, 2002, the total net assets of Vivendi Universal 401(k) Plan II were added to the Vivendi Universal US Holding Co. Master Trust. Effective December 31, 2002, Vivendi Universal 401(k) Plan II merged into Vivendi Universal 401(k) Plan.

Note 3. Summary of Significant Accounting Policies

The accounting policies followed in the preparation of the financial statements of Vivendi Universal 401(k) Plan II (the "Plan") conform with accounting principles generally accepted in the United States of America. The more significant accounting policies are:

Basis of Accounting: The accompanying financial statements of the Plan are maintained on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Accordingly, actual results may differ from those estimates.

Note 3. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition: The assets are held in trust by Vanguard Fiduciary Trust Company ("Trustee") in the Vivendi Universal US Holding Co. Master Trust Agreement ("Master Trust"), amended and restated on January 1, 2002, which also includes assets of the 401(k) plans of the Vivendi Universal's affiliates, Vivendi Universal Entertainment LLLP, Vivendi Spencer Gifts Inc., Vivendi Universal Games, Inc., and MP3.com.

Investment securities are recorded and valued as follows: United States government obligations are recorded at fair value based on the current market yields; temporary investments in short-term investment funds are recorded at

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

cost which in the normal course approximates market value; securities representing units of other funds are recorded at net asset value of shares held by the Plan at year-end; and the Vivendi Universal ADSs are stated at the closing price reported on the composite tape of the New York Stock Exchange on the valuation date.

Purchases and sales of securities are accounted for on a trade date basis with the average cost basis used for determining the cost of investments sold. Interest income is recorded on an accrual basis. Income on securities purchased under agreements to resell is accounted for at the repurchase rate.

Payment of Benefits: Benefits are recorded when paid.

Note 4. Tax Status of Plan

Effective June 1, 2002, the Plan adopted a standardized form of a prototype plan sponsored by Vivendi Universal Entertainment LLLP. The Administration Committee believes the Plan is currently designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code. The Plan Administrator plans to submit an application for determination for its adoption of such prototype plan

Note 5. Related Party Transactions

Some of the Plan expenses including trustee, custodial, and certain recordkeeping fees are paid by the Company, and personnel and facilities of the Company are used by the Plan at no charge.
