To the Administrative Committee of  
Vivendi Universal 401(k) Plan

We have audited the accompanying statements of net assets available for benefits of Vivendi Universal 401(k) Plan as of December 31, 2003 and 2002, and the related statement of changes in net assets available for benefits for the year ended December 31, 2003. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of Vivendi Universal 401(k) Plan as of December 31, 2003 and 2002, and the changes in its financial status for the year ended December 31, 2003 in conformity with United States generally accepted accounting principles.

VIVENDI UNIVERSAL 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

-----

### NOTE 1. DESCRIPTION

The following brief description of Vivendi Universal 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for more complete information.

General: The Plan is a defined contribution plan established as of August 1, 1985 by Joseph E. Seagram, & Sons, Inc. (the "Company") and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Plan was administered by Joseph E. Seagram & Sons, Inc. through an Administrative Committee appointed by the Board of Directors of the Company. Effective October 15, 2001, the sponsorship and administration of the Plan was assigned to Vivendi Universal US Holding Co. ("VU"). VU sponsors and administers the Plan through an Administrative Committee appointed by the Board of Directors of VU.

Eligibility: The Plan covers all employees of VU and certain of its United States subsidiaries (collectively, the "Participating Companies") except for the following:

- o Employees covered by a collective bargaining agreement (unless the agreement provides for membership in the 401(k) Plan).
- o Employees classified as an independent contractor by VU and employment taxes are not withheld from their compensation.
- o Employees classified as a leased employee by VU.
- o Non-resident aliens who receive no earned income from VU, which constitutes income from sources within the United States as defined in the Internal Revenue Code (with the exemption of certain grandfathered employees).

Contributions: Each participant's account is credited with the participant's contribution and the company's matching contribution. Plan earnings are allocated based on participant account balances, as defined. Non-highly

## Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

compensated employees, as defined by the Plan, may elect to contribute to their pre-tax accounts on a pre-tax basis ("Pre-Tax Contributions") and/or to their after-tax accounts on an after-tax basis ("After-Tax Contributions") through payroll deductions of 1% to 17% (in the aggregate) of their annual salary (as defined in the Plan), in multiples of 1%, in any combination. Highly compensated employees, as defined by the Plan may contribute up to 17% in the aggregate to their pre-tax and after-tax accounts with a limit of 10% of their pre-tax account. Pre-tax contributions and after-tax contributions are subject to limitations imposed by federal laws for qualified retirement plans.

The Plan provides for matching contributions by the Participating Companies payable to the participants' company match accounts. The Participating Companies matching contribution is equal to 60% of the first 6% of the Participants' pre-tax and after-tax contributions made during each payroll period. The Participating Companies contributions are subject to limitations imposed by federal laws for qualified retirement plans.

Participants may elect to have their contributions and matching contributions invested in a variety of investment funds. Investment elections or contributions rate changes can be changed on any business day and must be made in increments of 1%.

The Plan in its discretion, will accept into participants' rollover accounts cash received by participants from a qualified plan within the time prescribed by applicable law ("Rollover Contributions").

4

### NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

The Participating Companies may make discretionary contributions in an amount to be determined by them. The Participating Companies have not made discretionary contributions since the inception of the Plan.

Vesting: A participant in the Plan always has a fully vested interest in the value of his or her contributions and rollover accounts. He or she has a non-forfeitable right to the value of his or her company match account upon the attainment of age 60, disability (as defined in the Plan) or death. Upon termination of employment for any other reason, a participant's vests in the funds held in his or her company match account in accordance with the following vesting schedule:

YEARS OF SERVICE	VESTED PERCENTAGE
Less than 1	0%
At least 1, but less than 2	20%
At least 2, but less than 3	40%
At least 3, but less than 4	60%
At least 4, but less than 5	80%
5 or more	100%

Upon termination of employment for reasons other than the attainment of age 60, disability or death of a participant who was not fully vested in his or her company match account, the nonvested portion of the participant's company match account shall be forfeited. Any account forfeited shall be applied to

reduce the Participating Companies' contributions in accordance with the terms of the Plan. Any amount forfeited shall be restored if the participant is re-employed by a Participating Company before incurring a five year break in service and if the participant repays to the Plan (within five years after his or her reemployment commencement date) an amount in cash equal to the full amount distributed to him or her from the Plan on account of termination of employment, excluding amounts from the after-tax and rollover accounts at the participant's election.

**Forfeitures:** The nonvested interest of terminated participants serves to reduce Participating Company contributions in accordance with the terms of the Plan. The Participating Companies used approximately \$996,000 in forfeitures to offset their contributions during the year ended December 31, 2003.

**Payment of Benefits:** Upon termination of employment, after the attainment of age 60 or for reason of disability or death, the participant or his or her beneficiary shall receive the value of his or her accounts. However, if the termination of employment is for reasons other than the attainment of age 60, disability or death, the participant shall receive only the value of the vested funds in his or her accounts. Benefits are recorded when paid.

### NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

In accordance with the procedures established by the Administrative Committee and the terms of the Plan, certain terminated employees may elect to defer final distribution from the Plan. Upon such election, the amount of such participants' vested interest in the Plan is entitled to continue to receive investment income and losses and is held by the Trustee until the date of distribution as elected by the participants. Prior to termination of employment, the participant may withdraw amounts from the participant's accounts in accordance with the provisions of the Plan.

**Loans to Participants:** A participant may apply for loans up to the lesser of \$50,000 or 50% of the value of the vested portion of the participant's accounts. The minimum loan amount is \$1,000. The maximum repayment terms are 5 years for general purpose loans and 25 years for principal residence loans, except that primary residence loans requested after December 31, 1999 will have a maximum repayment term of fifteen years. Applications for loans must be approved by Vanguard Fiduciary Trust Company, the plan trustee ("Trustee"). The amounts borrowed are transferred from the investment funds in which the participant's accounts are currently invested. Repayment and interest thereon are credited to the participant's current investment funds through payroll deductions made each pay period. The interest rate for loans is based on the prime rate on the first business day of the month in which the loan is made plus one percentage point.

### NOTE 2. SIGNIFICANT PLAN CHANGES

Effective January 1, 2002, Vivendi Universal US Holding Co. changed the name and amended the Joseph E. Seagram & Sons, Inc. Master Trust Agreement and changed the Plan name from The Seagram 401(k) Plan to Vivendi Universal 401(k) Plan. As a result of the plan name change, any prior reference to "Seagram" was changed to "Vivendi Universal" effective January 1, 2002.

In December 2001, Seagram's wines and spirits division was acquired by Diageo S.A. and Pernod Ricard PLC. Hence, most of the participants' net assets from

Effective May 1, 2002, the Interscope Records 401(k) Plan was merged into Vivendi Universal 401(k) Plan. On June 1, 2002, the assets of Vivendi Universal 401(k) Plan II were added to the Master Trust. Effective December 31, 2002, Vivendi Universal 401(k) Plan II merged into Vivendi Universal 401(k) Plan.

On October 8, 2003 Vivendi Universal, S.A. entered into a Business Combination Agreement ("BCA") by and among General Electric Company, National Broadcasting Company Holding, Inc., National Broadcasting Company, Inc. and Universal Studio Holding III Corp. (collectively, the "Parties") to form NBC Universal ("Joint Venture"). On May 11, 2004 ("Closing Date"), the parties closed the transactions contemplated by the BCA. As a result of such transactions, Vivendi Universal Entertainment LLLP employees who were actively employed as of the Closing Date became fully vested in their account balances and eligible to receive distributions of their accounts balances.

The accounting policies followed in the preparation of the financial statements of the Plan conform with accounting principles generally accepted in the United States of America. The more significant accounting policies are:

## Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

**Basis of Accounting:** The accompanying financial statements of the Plan are maintained on the accrual basis of accounting.

**Use of Estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

**Investment Valuation and Income Recognition:** The assets are held in trust by Trustee in the Vivendi Universal US Holding Co. Master Trust Agreement (Master Trust), amended and restated on January 1, 2002, which also includes assets of the 401(k) plans of Vivendi Universal's affiliates, Vivendi Universal Entertainment LLLP, Spencer Gifts Inc., Vivendi Universal Games, Inc., and MP3.com.

Investment securities are recorded and valued as follows: United States government obligations are recorded at fair value based on the current market yields; temporary investments in short-term investment funds are recorded at cost which in the normal course approximates market value; securities representing units of other funds are recorded at net asset value of shares held by the Plan at year-end; and the Vivendi Universal ADSs are stated at the closing price reported on the composite tape of the New York Stock Exchange on the valuation date.

7

### NOTE 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Purchases and sales of securities are accounted for on a trade date basis with the average cost basis used for determining the cost of investments sold. Interest income is recorded on an accrual basis. Income on securities purchased under agreements to resell is accounted for at the repurchase rate.

**Payment of Benefits:** Benefits are recorded when paid.

### NOTE 4. TAX STATUS OF PLAN

The Internal Revenue Service has ruled by a letter dated September 10, 2002 that the Plan is qualified under Section 401(a) of the Internal Revenue Service Code, as amended. So long as the Plan continues to be so qualified, it is not subject to Federal income taxes. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

### NOTE 5. RELATED PARTY TRANSACTIONS

Some of the Plan expenses including trustee, custodial, and certain recordkeeping fees, are paid by VU, and personnel and facilities of VU are used by the Plan at no charge.

### NOTE 6. PLAN TERMINATION

## Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

Although it has not expressed an intent to do so, the Board of Directors of VU has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In case of termination, the rights of participants to their accounts shall be fully vested as of the date of termination.

During 2004, the Plan had a partial termination due to the sale of a subsidiary of VU. The details of this transaction are discussed in Note 2.

8
