## Edgar Filing: I TRAX INC - Form SC 13D

This Registration Rights Agreement (the "Agreement") is entered into as of February 7, 2001, by and among I-trax, Inc., a Delaware corporation (the "Company"), and Stuart Ditchek, A. David Fishman and Granton Marketing Nederland BV (collectively, the "Stockholders").

The Stockholders, iSummit Partners LLC, a New York limited liability company (d/b/a MyFamilyMD) ("MyFamilyMD"), I-Trax.com, Inc., a subsidiary of the Company, and the Company are parties to a Contribution and Exchange Agreement entered into as of September 22, 2000, as amended from time to time, including on the date hereof (the "Exchange Agreement"). The Exchange Agreement contemplates, subject to the satisfaction of the terms and conditions set forth therein, an exchange by the Stockholders of all of the outstanding membership interests in MyFamilyMD, for up to 4,222,500 shares of Common Stock, par value \$.001 per share, of the Company ("Common Stock" and such shares, the "Shares").

As an inducement for the Stockholders to consummate the exchange pursuant to the Exchange Agreement on the date hereof, the Company has agreed to provide certain "piggy back" registration rights under the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder (collectively, the "Securities Act"), with respect to the Shares.

Now, therefore, the parties hereto hereby covenant and agree as follows:

### 1. Registration Rights.

1.1 Certain Definitions. As used in this Agreement, in addition to the terms that are defined elsewhere in this Agreement, the following terms shall have the following respective meanings:

(a) "Affiliate" has the meaning set forth in Rule 12b-2 of the regulations promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

(b) "Commission" means the Securities and Exchange Commission or any other federal agency at the time administering the Securities Act.

(c) "Family Member" means, with respect to an individual, any spouse, child, stepchild, grandchild, parent, brother or sister of such individual, or any in-law of such individual of comparable relationship to the foregoing.

(d) "Holder" or "Holders" means, individually or collectively, any holder or holders, as the case may be, of outstanding Registrable Securities.

(f) The terms "register", "registered" and "registration" means a registration effected by preparing and filing a registration statement covering Common Stock (including for this purpose a registration effected by the in compliance with the Securities Act ("registration statement"), and the declaration or ordering by the Commission of the effectiveness of such registration statement.

## Edgar Filing: I TRAX INC - Form SC 13D

(g) "Registrable Securities" means the shares of Common Stock issued to the Stockholders pursuant to the Exchange Agreement and any securities issued as a dividend or other distribution with respect to such Common Stock or in exchange or replacement of such Common Stock. As to any particular Registrable Securities, such securities shall cease to be Registrable Securities when: (i) such securities

shall have been disposed of, including by gift, sale, assignment, transfer, pledge, hypothecation or other disposition, whether for or without consideration, or whether voluntary, involuntary or by operation of law (each a "Transfer"), excluding, however, a Transfer of such securities (A) either during such Stockholder's lifetime or on his or her death, by will or intestacy, to such Stockholder's Family Members or to a trust, the beneficiaries of which are exclusively the Stockholder and/or one or more of such Stockholder's Family Members so long as such stockholder shall retain voting control of such securities, (B) between any Person and a guardian or conservator for such Person, and (C) a Transfer by way of bequest or inheritance upon death; (ii) a registration statement with respect to the sale of such securities shall have become effective under the Securities Act and such securities shall have been Transferred in accordance with such registration statement; (iii) such securities shall have been Transferred pursuant to Rule 144 (or any successor provision) under the Securities Act; (iv) such securities shall have been otherwise Transferred, new certificates for them not bearing a legend restricting further transfer shall have been delivered by the Company and subsequent disposition of such securities shall not require registration or qualification under the Securities Act or any state securities or "blue sky" law then in force; or (v) such securities shall have ceased to be outstanding.

(h) "Registration Expenses" shall mean all expenses incurred by the Company in connection with the Registration of the Registrable Securities under Section 1 hereof, including, without limitation, all federal and state registration, qualification and filing fees, printing expenses, fees and disbursements of counsel and accountants for the Company, Blue Sky fees and expenses, and the expense of any special audits incident to or required by any such registration.

(i) "Selling Expenses" shall mean all underwriting discounts and selling commissions applicable to the sale of Registrable Securities pursuant to this Agreement.

### 1.2 "Piggy-Back" Registration Rights.

(a) If (but without any obligation to do so) the Company proposes to Register any of its securities for its own account (other than pursuant to Form S-8 or any other registration relating to employee benefit plans, a registration relating solely to a transaction subject to Rule 145 under the Securities Act, a registration on any form that does not include substantially the same information as would be required to be included in a registration statement converting the sale of Registrable Securities, or a registration in which the only Common Stock being registered is Common Stock issuable upon conversion of debt securities that are also being registered), in connection with the registration of such securities, the Company shall, at each such time, promptly give the Holders written notice of such registration. Upon the written request of any Holder given within twenty (20) days after mailing of such notice by the Company, the Company shall, subject to the following provisions, use all reasonable efforts to cause to be included in such Registration all of the Registrable Securities that such Holder has requested to be registered.

## Edgar Filing: I TRAX INC - Form SC 13D

(b) The Company shall have the right to terminate or withdraw any registration initiated by it under Section 1.2(a) prior to the effectiveness of such registration whether or not any Holder has elected to include securities in such registration. The expenses of such withdrawn registration shall be borne by the Company in accordance with Section 1.4 below.

(c) In connection with any offering involving an underwriting of shares of the Company's capital stock, the Company shall not be required under Section 1.2(a) to include any of the Holders' Registrable Securities in such underwriting unless the Holders accept the terms of the underwriting as agreed upon between the Company and the underwriters selected by it (or by other Persons entitled to select the underwriters) and enter into an underwriting agreement in customary form with an underwriter or underwriters selected by the Company, and then only in such quantity as the underwriters determine in their sole discretion will not jeopardize the success of the offering by the Company. If the total number of securities, including Registrable Securities, requested by stockholders to be included in such offering exceeds the amount of securities sold other than by the Company that the underwriters determine in their sole discretion is compatible with the success of the offering, then the Company shall be required to include in the offering only that number of such securities, including Registrable Securities, that the underwriters determine in their sole discretion will not jeopardize the success of the offering (the securities so included to be apportioned pro rata among the selling Holders according to the total amount of Registrable Securities requested to be included therein by each

selling Holder or in such other proportions as shall mutually be agreed to by such selling Holders). For purposes of the preceding parenthetical concerning apportionment, for any selling stockholder that is a Holder of Registrable Securities and that is a partnership or corporation, the partners, retired partners and stockholders of such Holder, or the estates and family members of any such partners and retired partners and any trusts for the benefit of any of the foregoing Persons shall be deemed to be a single "selling Holder," and any pro rata reduction with respect to such "selling Holder" shall be based upon the aggregate amount of Registrable Securities owned by all such related entities and individuals.

1.3 Company's Obligations. Subject to Section 1.2(b) above, whenever affecting a registration of any Registrable Securities pursuant to this Section 1, the Company shall, as expeditiously as reasonably possible:

(a) Prepare and file with the Commission a registration statement with respect to such Registrable Securities and use its reasonable best efforts to cause such registration statement to become effective, and, upon request of the Holders of the a majority of the Registrable Securities registered thereunder, keep such registration statement effective for a period of up to one hundred eighty (180) days, or, if earlier, until the distribution contemplated in the registration statement has been completed.

(b) Prepare and file with the Commission such amendments and supplements to such registration statement and the prospectus used in connection with such registration statement as may be necessary to comply with the provision of the Securities Act with respect to the disposition of all securities covered by such registration statement.

(c) Furnish to the Holders such number of copies of a prospectus including a preliminary prospectus, in conformity with the

## Edgar Filing: I TRAX INC - Form SC 13D

requirements of the Securities Act and such other documentation as they may reasonably request in order to facilitate the disposition of Registrable Securities owned by them.

(d) Use its reasonable best efforts to register and qualify the securities covered by such registration statement under such other securities or Blue Sky laws of such jurisdictions as shall be reasonably requested by the Holders, provided that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions.

(e) In the event of any underwritten public offering, enter and perform its obligations under an underwriting agreement, in usual and customary form, with managing underwriter of such offering.

(f) Notify each Holder of Registrable Securities covered by such registration statement at any time when a prospectus relating thereto is required to be delivered under the Securities Act or the happening of any event as a result of which the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing.

(g) Cause all such Registrable Securities registered pursuant to this Section 1 to be listed on each securities exchange on which similar securities issued by the Company are then listed.

(h) Provide a transfer agent and registrar for all Registrable Securities registered pursuant hereunder and a CUSIP number for all such Registrable Securities, in each case not later than the effective date of such registration.

1.4 Expenses of Registration. All Registration Expenses incurred in connection with a registration pursuant to this Agreement shall be borne by the Company. All Selling Expenses with respect to Registrable Securities included in such registration shall be borne by the Holders.

1.5 Information Furnished by Holders. It shall be a condition precedent to the Company's obligations under this Agreement that the Holders furnish to the Company in writing such information regarding himself, his Registrable Securities and the intended method of disposition of such securities as shall be required to effect the registration of such Holder's Registrable Securities.

1.6 Delay of Registration. No Holder shall have any right to obtain or seek an injunction restraining or otherwise delaying any such registration as the result of any controversy that might arise with respect to the interpretation or implementation of this Section 1.

## Edgar Filing: I TRAX INC - Form SC 13D

(a) The Company will indemnify the Holders, each of their respective officers, directors and partners, and each person controlling the Holder within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act, with respect to which registration, qualification or compliance of Registrable Securities has been effected pursuant to this Agreement, and each underwriter (as defined under the Securities Act), if any, and each of its officers, directors, constituent partners, and each person who controls any underwriter against all claims, losses, damages or liabilities (or actions in respect thereof) to the extent such claim, losses, damages or liabilities arise out of or are based upon any untrue statement (or alleged untrue statement) of a material fact contained in any prospectus or any related registration statement incident to any such Registration, qualification or compliance, or any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or any violation by the Company of any rule or regulation promulgated under the Securities Act applicable to the Company and relating to action or inaction required of the Company in connection with any such Registration; and the Company will reimburse the Holders, each such underwriter and each person who controls any such Holder or underwriter, for any legal and any other expenses reasonably incurred in connection with investigating or defending any such claim, loss, damage, liability or action; provided, however, that the indemnity contained in this Section 1.7(a) shall not apply to amounts paid in settlement of any such claim, loss, damage, liability or action if such settlement is effected without the consent of the Company (which consent shall not unreasonably be withheld or delayed); and provided, further, that the Company shall not be liable in any such case to the extent that any such claim, loss, damage, liability or action arises out of or is based upon any untrue statement or omission (or alleged untrue statement or omission) which occurs in reliance upon written information furnished to the Company by the Holder for use in the registration statement used in connection with the offering of securities of the Company.

(b) Each Holder will severally and not jointly indemnify the Company, each of its directors and officers, each underwriter, if any, of the Company's securities covered by such a registration statement, and each person who controls the Company or such underwriter within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act, against all claims, losses, damages and liabilities (or actions in respect hereof) arising out of or based upon any untrue statement (or alleged untrue statement) of a material fact contained in any such Registration Statement or related prospectus, or any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; and will reimburse the Company and each of the foregoing persons for any legal and any other expenses reasonably incurred in connection with investigating or defending any such claim, loss, damage, liability or action, in each case to the extent, but only to the extent, that such untrue statement (or alleged untrue statement) or omission (or alleged omission) is made in such Registration statement or prospectus in reliance upon and in conformity with written information furnished to the Company by the Holder for use in the Registration statement used in connection with the offering of securities of the Company; provided, however, that the Holder's liability under this Section 1.7(b) shall not exceed such Holder's proceeds from the offering of Registrable Securities made in connection with such registration.

(c) Promptly after receipt by an indemnified party under this Section 1.7 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under this Section 1.7, notify the indemnifying party in writing of the commencement thereof and generally summarize such action. The indemnifying party

## Edgar Filing: I TRAX INC - Form SC 13D

shall have the right to participate in and to assume the defense of such claim and shall be entitled to select counsel for the defense of such claim with the approval of any parties entitled to indemnification, which approval shall not be unreasonably withheld. Notwithstanding the foregoing, the parties entitled to indemnification shall have the right to employ separate counsel (reasonably satisfactory to the indemnifying party) to participate in the defense thereof, but (assuming the indemnifying party has assumed the defense of the relevant action as aforesaid) the fees and expenses of such counsel shall be the expense of such indemnified parties unless the named parties to such action or proceedings include both the indemnifying party and the indemnified parties and the indemnifying party or such indemnified parties shall have been advised by counsel that there are one or more legal defenses available to it which are different from or additional to those available to the indemnifying party, in which case, if the indemnified party notifies the indemnifying party in writing that it elects to employ separate counsel at the reasonable expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such action or proceeding on behalf of the indemnified party, as the case may be, it being understood, however, that the indemnifying party shall not, in connection with any such action or proceeding or separate or substantially similar or related action or proceeding in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate counsel at any time for the indemnifying party and all indemnified parties, which counsel shall be designated in writing by the Holder. If the indemnifying party withholds consent to a settlement or proposed settlement by the indemnified party, it shall acknowledge to the indemnified party its indemnification obligations hereunder.

(d) If the indemnification provided for in this Section 1.7 from an indemnifying party is unavailable to an indemnified party hereunder in respect to any losses, claims, damages, liabilities or expenses referred to herein, then the indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and indemnified party in connection with the statements or omissions which result in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by such indemnifying party or indemnified party and the parties' relative intent, knowledge, access to information supplied by such indemnifying party or indemnified party and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action, suit, proceeding or claim. In no event shall the amount of any such contribution payable by a Holder exceed the amount payable by the Holder under Section 1.7(b) hereunder.

1.8 Rule 144 Exceptions. The Company shall not be obligated under this Sections 1 to register or include in any Registration statement any Registrable Securities if the Company shall furnish the Holders requesting such registration a written opinion of counsel to the Company reasonably satisfactory to the requesting Holders, that all Registrable Securities may be publicly offered, sold and distributed without registration under the Securities Act within a single ninety (90) day period pursuant to Rule 144 promulgated under the Securities Act.

1.9 Lockup Agreement. Each Stockholder agrees in connection with any registration of the Company's securities, upon the request of the underwriter(s) managing that offering, not to lend, offer, pledge, grant, sell,
