PROXY STATEMENT - MEETING, April 28, 2005

TO ALL SHAREHOLDERS:

The accompanying Proxy is solicited by the Board of Directors of the Company for use at the Annual Meeting of Shareholders to be held on April 28, 2005, and, if properly executed, shares represented thereby will be voted by the named Proxies at such Meeting. The cost of soliciting proxies will be borne by the Company. The Company has engaged D.F. King & Co., Inc. ("King") to assist in the solicitation of proxies for a fee of \$8,000 plus reimbursement for out-of-pocket expenses and certain additional fees for services rendered by King in connection with such solicitation. Certain Officers and employees of the Company may also solicit proxies by mail, telephone, facsimile or in person without any extra compensation. Any Shareholder giving a Proxy has the power to revoke it at any time before it is voted by giving written notice of revocation to the Secretary of the Company, by executing and delivering a later-dated Proxy or by voting in person at the Meeting.

The persons named as Proxies were selected by the Board of Directors of the Company, and all are Officers of the Company.

The Annual Report for the year ended December 31, 2004, containing audited financial statements, is being mailed to Shareholders contemporaneously with this Proxy Statement and accompanying Proxy, i.e., on or about March 25, 2005.

On March 4, 2005, there were 166,864,522 outstanding shares of Common Stock, par value \$5.00 per share ("Common Stock").

Shareholders of Common Stock of record as of March 15, 2005 are entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote. Shareholders may be represented by proxy at the Meeting by completing and returning the Proxy or voting by telephone or by Internet. The presence, in person or by proxy, of Shareholders entitled to cast a majority of votes will be necessary to constitute a quorum for the transaction of business. Proxies solicited herein will be voted, and if the person solicited specifies by means of the ballot provided in the Proxy a choice with respect to matters to be acted upon, the shares will be voted in accordance with such specification. Votes withheld from Director nominees, abstentions and broker non-votes will be counted in determining the presence of a quorum. Under Pennsylvania law and the Company's By-Laws, votes withheld from Director nominees, abstentions and broker

Edgar Filing: CROWN HOLDINGS INC - Form DEF 14A

non-votes are not considered to be "votes" and, therefore, will not be given effect either as affirmative or negative votes. Directors are elected by plurality vote. Other matters are determined by a majority of the votes cast.

The Company has, to its knowledge, no beneficial owner of more than 5 percent of the Common Stock outstanding as of March 4, 2005.

3

ELECTION OF DIRECTORS

The persons named in the Proxy shall vote the shares for the nominees listed below, all of whom are now Directors of the Company, to serve as Directors for the ensuing year or until their successors shall be elected. In the event that any of the nominees are unable or decline to serve, which the Nominating and Corporate Governance Committee of the Board of Directors does not believe will happen, the persons named in the Proxy will vote for the remaining nominees and others who may be selected by the Board of Directors.

The By-Laws of the Company provide for a variable number of Directors from 10 to 18. The Board of Directors has currently fixed the number of Directors at 11. CORPORATE GOVERNANCE

Meetings of the Board of Directors. In 2004, there were five meetings of the Board of Directors. Each incumbent Director of the Company attended at least 75% of the aggregate meetings held by the Board of Directors and by the Committees on which he or she served.

Edgar Filing: CROWN HOLDINGS INC - Form DEF 14A

Attendance at the Annual Meeting. Under the Company's Corporate Governance Guidelines, members of the Board of Directors are expected to attend the Company's Annual Meeting of Shareholders. Last year, each of the Directors serving on the Board at the time attended the Annual Meeting of Shareholders.

Director Independence. The Board of Directors has determined that Jenne K. Britell, Arnold W. Donald, Marie L. Garibaldi, William G. Little, Hans J. Loliger, Hugues du Rouret, Harold A. Sorgenti and William S. Urkiel are "independent" under the listing standards of the New York Stock Exchange. The Board made this determination based on the absence of any of the express disqualifying criteria set forth in the listing standards and in compliance with the Company's By-Laws, which require that a majority of the Board nominees be "Independent Directors." A person is an "Independent Director" under the Company's By-Laws if the Director is a person who: (1) is not and has not been employed by the Company or any of its subsidiaries in an executive capacity within the five years immediately prior to such person's nomination; (2) is not (and is not affiliated with a company or a firm that is) a regular advisor or consultant, for compensation, to the Company or any of its subsidiaries; (3) is not affiliated with a regular and significant customer or supplier of the Company or any of its subsidiaries; (4) does not have a personal services contract with the Company or any of its subsidiaries; (5) is not affiliated with a tax-exempt entity that receives significant contributions from the Company or any of its subsidiaries; and (6) is not a spouse, parent, sibling or child of any person described in (1) through (5), above. Of the remaining Directors, John W. Conway and Alan W. Rutherford are Executive Officers of the Company, and Thomas A. Ralph is a partner in the law firm of Dechert LLP, which performed services for the Company in 2004.

Director Compensation. Directors who are also employees of the Company receive no additional compensation for service as a Director. Directors who are not employees of the Company receive cash base Director's fees, annual grants of Company Common Stock and cash Committee fees and attendance fees. Cash base Director's fees are \$40,000 annually, and cash meeting attendance fees are \$1,500 per meeting. Annual grants of Company Common Stock consist of \$50,000 of Company Common Stock under the current Stock Compensation Plan for Non-Employee Directors (see the discussion of the proposal to amend this plan beginning on page 24). Cash Committee fees are as follows: for the Audit Committee, \$15,000 annually for the Chairperson and \$10,000 annually for the other members; for other Committees, \$10,000 annually for the Chairperson and \$7,500 annually for the other members; for the Chairman of the Nominating and Corporate Governance Committee, an additional \$10,000 annually for services as Presiding Director; and for all Committee members, an attendance fee of \$1,500 per Committee meeting. In addition, each Non-Employee Director first elected to the Board of Directors on or before April 26, 2001 has been granted 3,000 shares of Company Common Stock subject to certain restrictions which lapse as to one-fifth of such shares each year over a five-year period. The Company discontinued the Pension Plan for Outside Directors as to Directors elected after July 24, 1997. Directors first elected to the Board of Directors on or before July 24, 1997 also participate in the Company's Pension Plan for Outside Directors, which provides monthly retirement benefits equal to 1/12 of the sum of (x) 50% of the base annual Director's fee and (y) 10% of the base annual Director's fee for each full year of service in excess of five, up to an annual maximum benefit of 100% of the base annual Director's fee. Directors may defer receipt of all, or any part, of their Director's fees through participation in the Company's Deferred Compensation Plan for Directors.

Edgar Filing: CROWN HOLDINGS INC - Form DEF 14A

Director Stock Ownership. Effective January 1, 2005, after four years of service on the Board of Directors, Non-Employee Directors are required to hold Company Common Stock having a market value of at least \$200,000.

Audit Committee. In 2004, the Audit Committee had eight meetings. The Audit Committee provides assistance to the Board of Directors in discharging its responsibilities in connection with the oversight of the financial accounting practices of the Company and the internal controls related thereto and represents the Board of Directors in connection with the services rendered by the Company's independent auditors. The current members of the Audit Committee are Dr. Britell and Messrs. Little and du Rouret. Dr. Britell serves as Chairperson of the Committee. The Board of Directors has determined that the Directors who serve on the Audit Committee are all "independent" as defined in the listing standards of the New York Stock Exchange and that Dr. Britell is an "audit committee financial expert" within the meaning of SEC regulations. The Board of Directors has adopted a written Audit Committee Charter.

Compensation Committee. In 2004, the Compensation Committee met four times. The Compensation Committee is responsible for the review of the executive compensation program. The current members of the Compensation Committee are Messrs. Donald, Loliger and Sorgenti, each of whom is "independent" under the listing standards of the New York Stock Exchange. Mr. Loliger serves as Chairperson of the Compensation Committee. The Board of Directors has adopted a written Compensation Committee Charter.

Nominating and Corporate Governance Committee. There were two meetings of the Nominating and Corporate Governance Committee in 2004. The current members of the Nominating and Corporate Governance Committee are Justice Garibaldi and Messrs. Little, Loliger and Sorgenti, each of whom is "independent" under the listing standards of the New York Stock Exchange. Mr. Sorgenti serves as Chairperson of the Nominating and Corporate Governance Committee. The Board of Directors has adopted a written Nominating and Corporate Governance Committee Charter.

The Nominating and Corporate Governance Committee is responsible for leading the search for individuals qualified to become members of the Board of Directors and recommending individuals to the Board as Director nominees. The Committee also oversees the annual self-evaluation of the Board of Directors and its committees and the annual evaluation of management by the Board of Directors, makes recommendations to the Board of Directors regarding the membership of the committees of the Board of Directors and performs other corporate governance functions. Consistent with the Company's Corporate Governance Guidelines, the Committee seeks nominees committed to upholding the highest standards of personal and professional integrity and representing the interests of all shareholders, not particular shareholder constituencies. The Committee identifies nominees for Director by first evaluating the current members of the Board willing to continue in service. In addition, the Committee regularly assesses the appropriate size of the Board, whether any vacancies on the Board are expected because of retirement or otherwise and whether the Board needs Directors with particular skills or experience. To identify and evaluate potential candidates for the Board, the Committee solicits ideas for possible nominees from a number of sources, which may include current Board members, senior-level Company executives and professional search firms. The Committee will also consider candidates properly submitted by Company Shareholders. Candidates for the Board are evaluated through a process that may include background and reference checks, personal interviews with members of the Committee and a review of the candidate's qualifications and other relevant characteristics.

Shareholders who wish to suggest qualified candidates may write, via Certified Mail-Return Receipt Requested, to the Office of the Secretary, Crown Holdings, Inc., One Crown Way, Philadelphia, PA 19154, stating in detail the

Edgar Filing: CROWN HOLDINGS INC - Form DEF 14A

qualifications of the persons they recommend. Shareholders must include a letter from each nominee affirming that he or she will agree to serve as a Director of the Company if

8

elected by Shareholders. However, through its own resources, the Committee expects to be able to identify an ample number of qualified candidates. See "Proposals of Shareholders" for information on bringing nominations for the Board of Directors at the 2006 Annual Meeting.

Executive Sessions. Under the Company's Corporate Governance Guidelines, the Non-Management Directors of the Company meet periodically at regularly scheduled executive sessions without Management Directors. The Chairperson of the Nominating and Corporate Governance Committee, currently Mr. Sorgenti, serves as the Presiding Director at such meetings.

Communications with the Board of Directors. Shareholders and other interested parties who wish to send communications on any topic to the Presiding Director, the Non-Management Directors or the Board as a whole may do so by writing to Harold A. Sorgenti, Chairperson of the Nominating and Corporate Governance Committee, c/o Office of the Secretary, Crown Holdings, Inc., One Crown Way, Philadelphia, PA 19154. Communications will be forwarded to all Directors if they relate to substantive matters and include information, suggestions or comments that the Chairperson of the Nominating and Corporate Governance Committee, with the assistance of the Corporate Secretary, deems appropriate for consideration by the full Board.

Code of Business Conduct and Ethics. The Company has a Code of Business Conduct and Ethics that applies to all Directors and employees. The Code of Business Conduct and Ethics is available on the Company's website at www.crowncork.com/Investors/Corporate_Governance.html and is also available in print to any Shareholder who requests it. The Company intends to disclose amendments to and waivers of the Code of Business Conduct and Ethics on the Company's website.

Company Website. The Company's Corporate Governance Guidelines and the Charters of the Audit, Compensation, and Nominating and Corporate Governance Committees are available on the Company's website at www.crowncork.com/Investors/Corporate_Governance.html. These documents are also available in print to any Shareholder who requests them.

Edgar Filing: CROWN HOLDINGS INC - Form DEF 14A

Effective January 3, 2000, the Company entered into employment agreements with John W. Conway and Alan W. Rutherford. Effective July 22, 2004, the Company entered into employment agreements with William R. Apted, Frank J. Mechura and William H. Voss. The agreements for Messrs. Conway and Rutherford are each for a five-year term and the agreements for Messrs. Apted, Mechura and Voss are each for a three-year term. All of the agreements provide for automatic one-year extensions each year and terminate when the executive reaches age 65. The agreements provide for a base salary that is periodically reviewed and may be increased in accordance with the Company's regular compensation review policy. In addition, each of the executives has the opportunity to receive an annual bonus under the Company's executive bonus plans and awards under the Company's Stock-Based Incentive Compensation Plans commensurate with each executive's position with the Company. The agreements also entitle each of the executives to participate in the Company's qualified retirement plans, Senior Executive Retirement Plan and other employee benefit plans and programs in accordance with the terms of those plans and programs.

Messrs. Conway and Rutherford have agreed that, during their employment and for two years thereafter, they shall not compete with the Company or solicit Company employees to terminate employment with the Company. Messrs. Apted, Mechura and Voss are all subject to a similar non-competition provision which is limited to a one year post-employment period.

Under the agreements, if an executive's employment is terminated because of death or disability, the Company will pay the executive (or his estate, if applicable), his base salary through the date of termination, and any vested retirement, incentive or other benefits. In addition, Messrs. Conway and Rutherford (or their estates, if applicable) are entitled to salary continuation through the end of the calendar year in which their death or disability occurs. If an executive's employment terminates because of his retirement, the Company will pay to the executive his base salary through his date of retirement and any vested retirement, incentive or other benefits. If an executive's employment with the Company is terminated for "Cause," the Company will pay to the executive only the base salary owed through his date of termination and his vested retirement, incentive or other benefits.

Under the agreements for Messrs. Conway and Rutherford, if the employment of the executive is terminated by the Company without Cause or by the executive for "Good Reason" prior to a "Change in Control," in addition to the executive's base salary through the date of termination, the Company will pay to the executive a lump sum payment equal to the sum of (i) his expected annual bonus payment, (ii) any previously earned bonus payment and (iii) an amount equal to three times the sum of the executive's base salary and his average bonus over the prior three years. Under the agreements for Messrs. Apted, Mechura and Voss, upon the termination of the executive under such circumstances, the Company will pay to the executive (i) his base salary through the date of termination, (ii) salary continuation for a one year period in accordance with the Company's normal payroll practice, and (iii) a lump sum equal to the executive's target bonus for the year of termination. In all such cases, the Company will also pay to the executive any vested retirement, incentive or other benefits.

If the employment of Mr. Conway or Mr. Rutherford is terminated by the Company without Cause or by the executive for Good Reason during the one year period following a Change in Control, such executive will be entitled to the same payments and benefits described in the preceding paragraph, and all stock options granted to such executive by the Company will become fully vested and immediately

Edgar Filing: CROWN HOLDINGS INC - Form DEF 14A

exercisable. Upon the termination of Mr. Apted, Mr. Mechura or Mr. Voss by the Company without Cause or by such executive for Good Reason during the one year period following a Change in Control, the Company will pay to such executive (i) his base salary through the date of termination, (ii) a lump sum equal to two times the sum of the executive's base salary and his average bonus over the prior three years, (iii) a lump sum equal to such executive's target bonus for the year of termination, and (iv) all stock options granted to such executive by the Company will be come fully vested and immediately exercisable.

If an executive voluntarily terminates his employment without Good Reason, the Company will pay to the executive his base salary through his date of termination, a pro-rated annual bonus for the year of termination, and any vested retirement, incentive or other benefits.

To the extent an executive would be subject to the excise tax under Section 4999 of the Internal Revenue Code on the amounts or benefits to be received from the Company and required to be included in the calculation of parachute payments for purposes of Sections 280G and 4999 of the Internal Revenue Code, the Company will pay to the executive an additional amount so that the executive will receive the full amount owed to him under his employment agreement, without regard to the excise tax or any other taxes imposed on the additional payment.

Mr. Mechura borrowed \$50,000 on June 19, 1997 and \$65,000 on June 3, 2002 from the Company in connection with relocation and housing. The loans were payable on demand and accrued interest at the prime rate. Mr. Mechura repaid \$148,538, the full amount of principal and accrued interest on these loans, on February 28, 2005.

- (A) All options were non-statutory options, have an exercise price equal to the fair market value of the Company Common Stock on the date of grant, and have a term of ten years. The options granted on February 24, 2004 vest at a rate of 25% six months after the grant date and 25% per year on the first through third anniversaries of the grant date. The options granted on May 3, 2004 vest at a rate of 25% every six months after the grant date.
- (B) The committee administering the 2001 and 2004 Stock-Based Incentive Compensation Plans has the discretion, subject to plan limits, including applicable Shareholder approval requirements, to modify terms of outstanding options and to reprice the options.
- (C) The exercise price and tax withholding obligation related to exercise shall be paid either in cash or by delivery of already-owned shares valued at fair market value on the date of exercise.
- (D) The Grant Date Present Value was determined using the Black-Scholes option pricing model. The following assumptions were used to estimate the Grant Date Present Value: dividend yield of 0%, weighted average risk-free interest rate of 3.164%, estimated volatility of Company Common Stock of 61.6% and weighted average expected option term of 4.19 years. This valuation model was not adjusted for risk of forfeiture. It is important to note that options will have value to the five Named Executive Officers and other recipients only to the extent that the stock price exceeds the grant date exercise price shown in the table during the effective option period.

- (2) Includes 146,625, 1,525,500 and 265,026 shares available for issuance at December 31, 2004 under the 2001 Stock-Based Incentive Compensation Plan, the 2004 Stock-Based Incentive Compensation Plan, and the Company's Stock Purchase Plan, respectively. The table does not include any shares available for issuance under the Stock Compensation Plan for Non-Employee Directors in effect in 2004 because the number of shares issuable under the Plan is determined by a formula based on the market price of the Common Stock of the Company at the time of grant. In 2004, 46,937 shares of Common Stock, representing quarterly grants worth \$12,500 to each Non-Employee Director, were granted under that Plan.

Retirement Programs

The Company maintains a Pension Plan ("Pension Plan") for certain eligible employees in the United States meeting minimum eligibility requirements in which four Named Executive Officers (Messrs. Conway, Rutherford, Mechura and Voss) participate. The Pension Plan is designed and administered to qualify under Section 401(a) of the Internal Revenue Code of 1986, as amended. The Pension Plan provides normal retirement benefits at age 65 based on the average of the five highest consecutive years of earnings in the last ten years. For purposes of the Pension Plan, earnings consist of salary excluding any bonus. These average earnings are multiplied by 1.25%. This result is then multiplied by years of service, which yields the annual Company-funded pension benefit. Under federal law for 2005, benefits from a qualified retirement plan are limited to \$170,000 per year and may be based only on the first \$210,000 of an employee's annual earnings. The benefits payable under the Pension Plan are generally not subject to reduction for Social Security or other offset amounts.

15

For illustration purposes, the following table shows estimated maximum annual Company-funded retirement benefits payable from the Pension Plan to employees who retire at age 65, assuming the employees receive their benefit as a single life annuity, without survivor benefits:

and above				

The Company also maintains the Senior Executive Retirement Plan ("SERP") in which nine key executives, including the five Named Executive Officers, participate. In general, the annual benefit for executives eligible to participate in the SERP is based upon a formula equal to (i) 2.25% of the average of the five highest consecutive years of earnings (determined without regard to the limits imposed on tax qualified plans) times years of service up to twenty years plus (ii) 1.67% of such earnings for the next fifteen years plus (iii) at the discretion of the Compensation Committee, 1% of such earnings for years of service beyond thirty-five less (iv) Social Security old-age benefits and the Company-funded portion of the executive's Pension Plan benefits and 401(k) Retirement Savings Plan benefits. Based upon the above, the annual benefit, estimated as of December 31, 2004, under the SERP at the retirement age of 65, assuming each executive's current base salary for 2005, annual salary increases of 5% and that the executive achieves the current target bonus under the Company's executive bonus plan, would be \$1,657,934 for Mr. Conway, \$852,635 for Mr. Rutherford, \$464,661 for Mr. Apted, \$634,075 for Mr. Mechura and \$340,024 for Mr. Voss.

Participants in the SERP may elect to take all or part of their annual retirement benefit in a lump sum at retirement, the amount of which is determined by present valuing the actuarially determined future annual payments. The SERP also provides a lump-sum death benefit of five times the annual retirement benefit and subsidized survivor benefits.

SERP participants vest in their benefits at the earliest of five years of participation, specified retirement dates, total disability or employment termination (other than for cause) after a change in control of the Company. A "change in control" under the SERP occurs if: 1) a person (other than a Company employee benefit plan) becomes the beneficial owner of 25% or more of the voting power of the Company; 2) over a two year period Directors at the beginning of the period and new Directors approved by such Directors cease to constitute a majority of the Board; or 3) the Shareholders approve certain mergers or consolidations, a sale of substantially all of the Company's assets or a complete liquidation of the Company.

Years of service credited under the Pension Plan and the SERP for the above-Named Executive Officers are: Mr. Conway - 30 years, Mr. Rutherford - 31 years, Mr. Apted - 8 years, Mr. Mechura - 37 years and Mr. Voss - 35 years.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is composed entirely of Directors who are independent under New York Stock Exchange listing standards. The Committee is responsible for establishing and administering the Company's executive compensation program. This report describes both the principles under which the program is administered and the decisions that directly impacted the Chief Executive Officer during 2004.

Principles

Our guiding principle is to provide a program that enables the Company to retain and motivate a team of high quality executives who will create long-term value for the Shareholders. We do this by:

- o Developing an ownership-oriented program that rewards for long-term improvement in total Shareholder return;
- o Integrating all facets of the executive compensation program including benefits available under employment contracts and the Company's retirement plans with the Company's short and long-term objectives and strategies;
- o Regularly commissioning studies of competitive pay practices within the container industry and other manufacturing companies to ensure pay opportunities are generally within competitive norms; and
- o Working with independent management consultants to monitor the effectiveness of the entire program.

Edgar Filing: CROWN HOLDINGS INC - Form DEF 14A

In order to improve the Company's performance and Shareholder value, we must continue to motivate existing management as well as attract and retain experienced managers at all levels in the Company. The specific components of the program are described below.

Base Salaries - In order to attract and retain high quality executives, we endeavor to maintain senior executive salaries within the competitive market rates as defined by the container and manufacturing industries. The competitive market includes, but is not limited to, firms of the Company's size in the container, non-durable manufacturing and general industry segments.

Annual Incentive Bonus - The Company has an Economic Profit Incentive Plan under which executives are eligible to receive an annual incentive bonus, up to a designated maximum annual bonus amount for each executive, upon the achievement of specific targets. The bonus targets are based on quantitative and qualitative elements as generally follows:

- o 50% is based on the Company's economic profit for the year (defined generally as economic profit as adjusted for currency exchange rates and acquisitions/divestitures);
- o 30% is based on the Company's cash flow for the year (defined generally as modified operating cash flow as adjusted for average working capital variances); and
- o 20% is based on qualitative factors (such as achievement of key strategic goals, business unit goals, and agreed-upon personal business goals in helping the Company to improve operations, efficiency and work procedures).

18

Long Term Incentives - The Committee believes that stock options, and other stock-based incentives, are an important link between the executive and Shareholder interests, and it is for that reason that grants have always been a part of the executive compensation program. The program administered by the Committee under the Company's stock-based plans offers annual grants that vary in size based on the Company's and the executive's performance. As part of its ongoing review of the competitiveness and effectiveness of the Company's executive compensation programs, the Committee annually evaluates the components of the compensation system as well as the desired mix of compensation among these components. The Committee believes that a substantial portion of the compensation paid to the Company's executives should be at risk contingent on the Company's operating and market performance. Consistent with this philosophy, the Committee will continue to place significant emphasis on stock-based compensation and performance measures, in an effort to more closely align compensation with Shareholder interests and to increase executives' focus on the Company's long-term performance.

In summary, the Committee believes that its role in administering the executive compensation program is critical to the objective of driving performances to the ultimate benefit of the Shareholders. Base salaries need to be within competitive norms so that executives will be attracted, retained and motivated to fulfill their roles and responsibilities over the long-term. Annual incentive bonus awards deliver the message that competitive pay is received only when earnings and other strategic goals are achieved. In addition, benefits realized from long-term incentives, in the form of annual stock-based incentive grants, require continuous improvement in value created for the Shareholders.

Specific Decisions Impacting Compensation for the Chairman and Chief Executive Officer

Mr. Conway's continued implementation of plans initiated in 2001/2 resulted in positive results for the Company in 2004. Gross profit improved over the prior year by over 18%, with all divisions contributing to this result. Free cash flow generation was strong and enabled the Company to continue delevering. During the year, the Company successfully refinanced part of its debt, raising C=460 million, which reduced the Company's dollar exposure in Europe and extended debt maturities beyond 2010. Mr. Conway encouraged investments in growth areas around the globe, especially in Asia, the Middle East and North Africa, and Eastern Europe to ensure full Company participation in these markets in the years ahead.

Based upon these positive results and the policies and practices described above, Mr. Conway's base salary was increased from \$765,000 to \$900,000 on January 1, 2003 and remained the same during 2004. Mr. Conway earned a bonus in 2004 of \$1,710,000 under the 2004 Economic Profit Incentive Plan, \$1,539,000 of which was based on meeting the economic profit and cash flow targets generally described above, after adjustment to take into account the maximum bonus amount designated for Mr. Conway under the Plan. Mr. Conway was also granted options to purchase 150,000 shares of Common Stock on February 24, 2004 and 500,000 shares of Common Stock on May 3, 2004. The options granted on February 24, 2004 vest at a rate of 25% six months after the grant date and 25% per year on the first through third anniversaries of the grant date. The options granted on May 3, 2004 vest at a rate of 25% every six months after the grant date. The options all have a term of ten years.

19

Section 162(m) of the Internal Revenue Code generally disallows a deduction for annual compensation to a public company's chief executive officer and any of the four other most highly compensated officers in excess of \$1,000,000, unless such compensation is "performance based" as defined under Section 162(m). A portion of Messrs. Conway's, Rutherford's, Apted's and Mechura's 2004 compensation exceeded the threshold. Because the Company's cost in realizing tax benefits under Section 162(m) may outweigh those benefits, the Committee intends to maintain flexibility to pay compensation that is not entirely deductible when sound direction of the Company would make that advisable. All stock options granted to Crown Executive Officers are "performance based."

PROPOSAL TO APPROVE AN AMENDMENT TO STOCK COMPENSATION PLAN
FOR NON-EMPLOYEE DIRECTORS

The Board of Directors has adopted and recommends that the Shareholders approve an Amendment to the Crown Holdings, Inc. Stock Compensation Plan for Non-Employee Directors (the "Plan"). The proposed Amendment modifies the Plan to: (i) provide for a maximum limit of 500,000 shares of Common Stock that may be granted under the Plan on and after the date the Amendment is approved, (ii) allow for discretionary grants of Common Stock for each Non-Employee Director which may be up to \$100,000 in value annually, as determined by the Board in its discretion, and (iii) remove the Plan's five year automatic termination provision. The Plan, as currently in effect, and as proposed to be amended, is described below.

Purpose

The purpose of the Plan is to compensate the Non-Employee Directors of the Company for services rendered, to promote a greater identity of interest between the Non-Employee Directors and the Shareholders of the Company and to provide a financial incentive that will help attract and retain the most qualified Non-Employee Directors. The Plan will accomplish these goals by awarding unrestricted Common Stock of the Company to the Non-Employee Directors on a quarterly basis.

Eligibility

All Non-Employee Directors of the Company are eligible to participate in the Plan. There are currently nine Non-Employee Directors eligible to participate in the Plan. No other Director, Officer or employee of the Company is eligible to participate in the Plan.

Awards of Common Stock

Under the current Plan, each Non-Employee Director is awarded Common Stock of the Company worth \$50,000 per year or \$12,500 for each calendar quarter during which the Director serves on the Board. Each award under the Plan is immediately vested. Under the proposed Amendment, the maximum value of Common Stock that may be awarded annually will be increased to \$100,000 per year or \$25,000 per calendar quarter, with the Board of Directors having the discretion to award any amount up to that maximum. The Board will annually determine the amount of the award, which will be the same for all Non-Employee Directors. The Board of Directors determined that the amount to be awarded for 2005, assuming approval of the Amendment by Shareholders, will be \$60,000 or \$15,000 per quarter. The Plan does not prevent the Company from adopting other or additional compensation arrangements for Non-Employee Directors.

Valuation

Edgar Filing: CROWN HOLDINGS INC - Form DEF 14A

The number of shares of Common Stock awarded each quarter will be calculated based on the average of the closing price on the New York Stock Exchange on the 2nd through the 6th business days following the Company's announcement of its quarterly earnings for the applicable quarter.

24

Administration and Implementation

The Plan is administered by the Board. The Board has full power to interpret the provisions of the Plan, make all determinations necessary for administration of the Plan, adopt regulations for carrying out the Plan and make changes in such regulations from time to time. The Board will determine the effect of a reorganization, recapitalization, spin-off, stock split, combination, merger or any other change of corporate structure on the number and kind of shares authorized by the Plan and make any other adjustments to the Plan as it deems appropriate in such situation.

Amendment and Termination

The Board has authority to amend, suspend, modify or terminate the Plan at any time and for any purpose. However, the Company will seek Shareholder approval for any material change to the Plan to the extent required by law.

The Plan currently provides that it remains in effect for five years from the date of its approval by Shareholders (April 22, 2004), unless earlier terminated by the Board. The proposed Amendment will remove the termination date from the Plan. Instead, the Amendment will provide that a maximum of 500,000 shares may be issued under the Plan on or after the date the Amendment is approved.

The total number of shares of Common Stock that will be reserved under the Plan if the Amendment is approved would equal approximately 0.30% of the outstanding shares of Common Stock of the Company as of March 4, 2005. The last sales price of Common Stock, as reported on the NYSE for March 4, 2005, was \$17.02 per share.

Federal Tax Treatment

Except as discussed below, each Non-Employee Director will realize taxable income, and the Company will be entitled to a deduction, when Common Stock is awarded to the Non-Employee Director. Upon sale of the shares, the Non-Employee Director will realize short-term or long-term capital gain or loss, depending upon whether the shares have been held for more than one year. Such gain or loss will be equal to the difference between the sale price of the shares and the fair market value of the shares on the date that the Non-Employee Director recognizes income.

Deferral of Stock Awards

The Plan provides each Non-Employee Director with the opportunity to defer the receipt of all or any portion of a quarterly award of Common Stock until termination from the Board or such other time designated by the Non-Employee

Edgar Filing: CROWN HOLDINGS INC - Form DEF 14A

Director. Notwithstanding the foregoing, in the event of a change in control, a Non-Employee Director will immediately receive all shares of Common Stock that were previously deferred.

25

Benefits under the Amended Plan

The Amendment will not take effect unless approved by the Shareholders, and therefore grants under the Plan have been made at the rate of \$12,500 per quarter in value. If the Amendment is approved, it will not have retroactive effect. However, had the proposed Amendment been in effect during the last fiscal year, and had the Board exercised its discretion to award the maximum grants of \$25,000 per quarter allowed under the amended Plan, the Non-Employee Directors, in the aggregate, would have received the following:

Name and Position -----	Dollar Value -----	Number of Un -----
9 Non-Employee Directors(1)	\$900,000	93,865(2)

(1) There were nine Non-Employee Directors for all calendar quarters except for one in which there were ten.

(2) The Number of Units above is calculated based on the average of the closing price of Common Stock on the New York Stock Exchange on the 2nd through the 6th business days following the Company's announcement of its quarterly earnings.

Requisite Vote

To be approved, the proposed Amendment to the Plan requires the affirmative vote of a majority of the votes cast by all Shareholders entitled to vote thereon.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE

Edgar Filing: CROWN HOLDINGS INC - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's Directors, Executive Officers and persons who own more than 10% of a registered class of the Company's equity securities to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission (the "SEC") and the New York Stock Exchange. Such persons are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the review of the copies of SEC forms received by the Company with respect to fiscal year 2004, or written representations from reporting persons, the Company believes that its Directors and Executive Officers have complied with all applicable filing requirements, except that, because of an administrative error, Messrs. Conway, Rutherford, Apted, Mechura, Voss, Timothy J. Donahue, Senior Vice President-Finance, and Thomas A. Kelly, Vice President and Corporate Controller, were each late in filing a Form 4 reporting the grant of options to purchase shares of Common Stock by the Company on February 24, 2004. The grants were each reported on a Form 4 filed on March 4, 2004.

In addition, the Company's By-Laws currently provide that a Shareholder of record at the time that notice of the meeting is given and who is entitled to vote at the meeting may bring business before the meeting or nominate a person for election to the Board of Directors if the Shareholder gives timely notice of such business or nomination. To be timely, and subject to certain exceptions, notice in writing to the Secretary must be delivered or mailed, via Certified Mail-Return Receipt Requested and received at the above address not less than 120 days, which is November 25, 2005, nor more than 150 days, which is October 26, 2005, prior to the first anniversary of the date on which the Company's Proxy Statement for its previous Annual Meeting of Shareholders was first released to Shareholders. The notice must describe various matters regarding the nominee or proposed business. Any Shareholder desiring a copy of the Company's By-Laws will be furnished one copy without charge upon written request to the Secretary.
