Proxy Statement

The enclosed proxy is solicited by the Board of Directors of K2 Inc. (K2) for use at our annual meeting of shareholders to be held at our main office, 2051 Palomar Airport Road, Carlsbad, California 92009 on Thursday, May 15, 2003 at 8:00 a.m. (local time), and at any and all postponements and adjournments thereof. The proxy may be revoked at any time before it is exercised by delivering a written notice to the Secretary of K2 at our main office stating that the proxy is revoked, by executing a subsequent proxy and presenting it to the Secretary of K2 or by attending the annual meeting and voting in person. Only shareholders of record at the close of business on April 11, 2003 will be entitled to notice of and to vote at the annual meeting. As of April 11, 2003, K2 had outstanding 26,693,769 shares of Common Stock, each share entitled to one vote. It is anticipated that the mailing to shareholders of this Proxy Statement and the enclosed proxy will commence on or about April 21, 2003.

Proxies will be solicited by mail, telephone, fax or telegram and may be personally solicited by directors, officers and other employees of K2, who will not receive any additional compensation for such solicitations, and by Morrow & Co., 445 Park Avenue, New York, New York, which has been engaged for a fee of \$7,000 plus expenses for this purpose. The cost of soliciting proxies will be borne by K2.

Both abstentions and broker non-votes are counted for purposes of determining the presence or absence at the annual meeting of a quorum for the transaction of business. However, shares represented by broker non-votes on a matter submitted to shareholders are not considered present and entitled to vote on that matter. Directors will be elected by plurality vote of the shares present and entitled to vote. Approval of the K2 Inc. Performance-Based Annual Incentive Plan and the ratification of the selection of independent auditors will require the affirmative vote of a majority of the shares present and entitled to vote. Consequently, broker non-votes will have no effect, but abstentions will have the effect of a vote against such ratification.

PROPOSAL 1

Election of Directors

Under the Certificate of Incorporation of K2, the Board of Directors is divided into three classes, each having a three-year term, and only one class being elected each year. Proxies solicited herewith will be voted for election to the Board of Directors of the four nominees named below (unless authority to vote for one or more such nominees is withheld), to serve until the 2006 annual meeting of shareholders (other than Edward M. Ryan, who would serve until the 2005 annual meeting of shareholders, a former director of Rawlings Sporting Goods Company, Inc, which K2 acquired in March 2003), and until their successors are elected and qualified. While the Board of Directors has no reason to believe that any of those named will not be available as a candidate, should such a situation arise the proxy may be voted for the election of other nominees as directors in the discretion of the persons acting pursuant to the proxy. Directors will be elected by plurality vote.

Richard M. Rodstein resigned from K2 and the Board of Directors during 2002. Steven J. Green, Chairman and Chief Executive Officer of k1 Ventures Limited, a Singapore-based investment company, which in February 2003, purchased from K2 \$25 million of convertible subordinated debentures and warrants to purchase shares of K2, has been appointed by the Board of Directors to fill the resulting vacancy. No such notice has been given with respect to the election of directors. As a result, no other nominees for election as director will be considered at the annual meeting except nominations made by the Board in the event one of the nominees named herein should unexpectedly be unavailable.

Board of Directors and Committees

The Board of Directors held nine meetings in 2002. Each director attended at least 75% of the total number of meetings of the Board of Directors and Committees on which he served.

The Board of Directors currently has four standing committees: Audit Committee, Compensation Committee, Executive Committee and the Corporate Governance and Nominating Committee.

The Audit Committee of the Board of Directors, consisting of Mr. Godbold (Chairman), Mr. Kasen and Dr. Osborne, held six meetings in 2002. The functions of the Committee are set forth in the Audit Committee Charter adopted by the Board of Directors.

The Compensation Committee of the Board of Directors, consisting of Mr. Goldress (Chairman), Mr. Kasen, Dr. Osborne and Mr. Quayle held one meeting in 2002, in addition to informal meetings of Committee members, and actions taken from time to time by written consent. The Committee considers and authorizes remuneration arrangements for senior management, including the granting of options under K2's stock option plans, and evaluates and makes recommendations to the Board of Directors with respect to the compensation of the Chief Executive Officer.

The Executive Committee of the Board of Directors, consisting of Mr. Godbold, Mr. Goldress and Mr. Heckmann (Chairman), held no meetings in 2002, however, actions were taken from time to time by written consent. The Committee is authorized to act on behalf of the Board on all corporate actions for which applicable law does not require participation of the full Board.

The Corporate Governance and Nominating Committee of the Board of Directors, consisting of Mr. Hernreich, Mr. Holtz and Dr. Osborne (Chairman), held no meetings in 2002, however, informal meetings were held of Committee members with potential nominees for director from time to time. The Committee recruits and interviews qualified candidates to serve as directors and reports on its findings to the full Board. The

Edgar Filing: K2 INC - Form DEF 14A

Committee monitors the independence of the directors and is responsible for developing and implementing policies and practices related to corporate governance. The Committee also will oversee the annual evaluation

of the Board of Directors. This Committee will consider shareholder recommendations for candidates for the Board sent to the Corporate Governance and Nominating Committee, c/o Secretary of K2 Inc., 2051 Palomar Airport Road, Carlsbad, California, 92009.

Corporate Governance Matters

The Board's Corporate Governance and Nominating Committee is responsible for reporting and making recommendations to the Board concerning corporate governance matters. Set forth below are certain important corporate governance principles adhered to by K2:

A substantial majority of the members of the Board are independent directors, as defined in the applicable rules for NYSE-traded issuers. Independent directors do not receive consulting, legal or other fees from K2 other than Board and committee compensation. Because it is not possible to anticipate or explicitly categorize all potential conflicts of interest that may affect independence, the Board is also responsible to affirmatively determine that each independent director has no other material relationship with K2 or its affiliates or any executive officer of K2 or his or her affiliates. A relationship will be considered material if in the judgment of the Board it would interfere with the director's independent judgment.

Directors stand for reelection every three years. Independent directors may not stand for reelection after age 72, and employee directors may not stand for reelection after age 65.

The Board appoints members of Board committees.

The Audit, Compensation and Corporate Governance and Nominating Committees consist entirely of independent directors.

At least annually, the Board reviews K2's strategic plan, business unit initiatives and budget matters.

The Board has established the position of Lead Independent Director, which is currently held by Mr. Goldress. Independent directors will meet on a regular basis apart from other Board members and management representatives, and the Lead Independent Director is responsible for setting the agenda and running the meetings.

At least annually, the Board evaluates the performance of the Chief Executive Officer and other senior management personnel.

The Chief Executive Officer periodically reports to the Board on succession planning and management development.

The Board and its committees have a process whereby the Board, its committees and its members are subject to periodic self-evaluation and self-assessment.

Incentive compensation plans for executives link pay directly and objectively to measured financial goals set in advance by the Compensation Committee. For more information, see Compensation Committee Report.

Lead Independent Director

In February, 2003, the Board created a new position of lead independent director, whose responsibilities include presiding over and setting the agenda for all executive sessions of the Board of Directors in which management directors and other members of management do not participate. These executive sessions of the independent directors must take place at least quarterly. The lead independent director also consults with the Chief Executive Officer of K2 with respect to agendas, scheduling and information needs relating to Board and committee meetings, acting as a liaison between the independent directors and management, and providing guidance on the director orientation process for new Board members. The independent members of the Board of Directors have designated Mr. Goldress to serve in this position for one year. Shareholders and other parties interested in communicating directly with the lead independent director or with the independent directors as a group may do so by writing to Lead Independent Director c/o Secretary of K2 Inc., 2051 Palomar Airport Road, Carlsbad, California 92009.

Report of the Audit Committee

The Audit Committee of the Board of Directors is composed entirely of independent outside directors, with their qualifications meeting the requirements described in the Audit Committee Charter. The committee held six meetings during the year ended December 31, 2002.

The Audit Committee Charter adopted by the Board sets out the responsibilities, authority and specific duties of the Audit Committee. A copy of the Audit Committee Charter has previously been attached to K2's proxy statement within the past three fiscal years.

Pursuant to the charter, the Audit Committee has the following responsibilities:

To recommend to the Board of Directors, and evaluate the outside auditors;

To review and discuss with management and the outside auditors the audited financial statements;

To review the adequacy of internal control systems with management and independent auditors; and

To reassess the adequacy of the charter at least annually.

In discharging its oversight responsibility, the Audit Committee has met and held discussions with management and Ernst & Young LLP, the independent auditors for K2. Management represented to the Audit Committee that all consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61, Communications with Audit Committees.

The Audit Committee also obtained from the independent auditors a formal written statement describing all relationships between K2 and the auditors that bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, Independence Discussions with

Edgar Filing: K2 INC - Form DEF 14A

Audit Committees . The Audit Committee discussed with the independent auditors any relationships that may impact on the firm's objectivity and independence and satisfied itself as to the auditors' independence.

Based on these discussions and reviews, the Audit Committee recommended that the Board of Directors approve the inclusion of K2's audited consolidated financial statements in K2's Annual Report on Form 10-K for the year ended December 31, 2002, for filing with the Securities and Exchange Commission.

Management is responsible for K2's financial reporting process including its system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. K2's independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We are not employees of K2 and we are not accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent auditors included in their report on K2's financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent auditors do not assure that K2's financial statements are presented in accordance with generally accepted accounting principles, that the audit of K2's financial statements has been carried out in accordance with generally accepted auditing standards or that K2's independent accountants are in fact independent.

Pension Plans

K2 maintains the Pension Plan of K2 Inc. (the K2 Plan), a defined benefit pension plan with varying formulas for the benefit of eligible K2, Shakespeare and Stearns employees. The plan is a tax-qualified, company-funded plan subject to the provisions of ERISA. Contributions to the plan, which are made solely by K2, are actuarially determined. Benefits under the plans are based on years of service and remuneration and are subject to varying benefit formulas based on the eligible employee's business unit.

The table below illustrates approximate annual benefits under the K2 Plan, based on the formula for eligible K2 employees (K2 Formula) and based on the indicated assumptions. For 2002, the Internal Revenue Code (the Code) limits the K2 Plan's covered compensation to \$200,000.

Directors Compensation

In 2002, directors who were not salaried officers of K2 were paid \$5,000 per calendar quarter for their services as directors and \$1,000 per meeting day for each meeting of the Board of Directors and of any committee which they attended. They were also reimbursed for out-of-pocket expenses. Directors may elect to defer the receipt of fees. Interest on deferred fees is accrued quarterly based on the average interest rate paid by K2 in the preceding quarter on its short-term borrowings.

Under the 1999 Incentive Stock Option Plan, all new nonemployee directors and those existing directors electing to participate in the new plan, receive an initial grant of 10,000 stock options on the first grant date after their election and annual grants thereafter of 5,000 stock options. All grants to nonemployee directors are at fair market value on date of grant and are immediately exercisable. In 2002, grants of 5,000 stock options were made to Wilford D. Godbold, Jr., Jerry E Goldress, Richard J. Heckmann, Robin E. Hernreich, Lou Holtz, Stewart M. Kasen, Alfred E. Osborne, Jr. and Dan Quayle. These stock options granted have a ten year term and an exercise price of \$7.30 per share, the closing price on the January 2, 2002 grant date.

Employment Agreement

During 2001, an employment agreement, which expires May 7, 2004, was entered into with Mr. John Rangel, Senior Vice President and Chief Financial Officer. Mr. Rangel s agreement calls for base salary at the annual rate of \$240,000, subject to such increases as the Board may approve, and participation in K2 s incentive compensation and benefit programs on a basis which is appropriate in light of his position. The agreement provides for severance benefits payable following a change in control, based upon 299% of the employee s total compensation prior to

the termination, and accelerated vesting of outstanding stock options.

Compensation Committee Report

Compensation Objectives and Practices

The Compensation Committee is comprised of directors who are not employees or former employees of K2. K2's executive compensation program is designed to help K2 attract, motivate and appropriately reward management who are responsible for K2's short-term and long-term profitability, growth and return to shareholders. The key elements of the program consist of base salary, annual performance-based cash awards and long-term incentive awards. The committee utilizes the services of an independent executive compensation consulting firm in evaluating awards.

Base salary: Base salaries are generally established by evaluating the responsibilities of the position, the experience of the individual and salaries for comparable positions in the marketplace based on survey data provided by the compensation consultant. Depending on the overall financial performance of K2, salaries are adjusted from time to time to reflect increased responsibilities, to keep pace with competitive practices and to reflect the performance of individual executives. The program has been designed to place a significant amount of compensation at risk by setting annual base salaries at levels just below the 50th percentile of the marketplace for similar positions based on the survey data obtained.

Annual cash incentive: The amount of the annual performance-based cash incentive available for allocation to the executive officers who participated in the plan is based on a formula adopted pursuant to the Executive Officers' Incentive Compensation Plan. The formula makes available for allocation a percentage of K2's incentive compensation income in excess of a required minimum return on average shareholders equity. Performance criteria were also adopted for the plan participants to assist the Compensation Committee in determining the allocation of any bonus pool generated. The performance criteria were designed to create value for K2 and its shareholders. The individuals' performance is subjectively evaluated against their criteria. The targeted annual incentive award is meant to bring total annual cash compensation (base salary plus annual incentive award) to above the average, as defined by survey data provided by the compensation consultant for comparable positions at similar-sized companies, when superior performance levels are achieved. In addition, K2's Board of Directors adopted on February 11, 2003, the K2 Inc. Performance-Based Annual Incentive Plan (the "Annual Performance Plan") effective January 1, 2003, subject to shareholder approval under Proposal 2 below. The Annual Performance Plan is intended for 2004 and thereafter, to pay performance-based compensation for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). Under Code Section 162(m), compensation paid by K2 to each of certain executives is not deductible to the extent it exceeds \$1 million unless it is performance-based and meets certain other conditions. It is not expected that any non-performance based compensation paid to any executive during 2003 will materially exceed \$1 million.

Long-term Stock Incentive: Stock incentives are provided to encourage management to take actions that will maximize long-term shareholder value, and to link their interests to those of K2's shareholders. All stock options have an exercise price equal to the market price of K2's stock on the date of grant and vest over three years. By utilizing such pricing and vesting, the Compensation Committee intended that the full benefit would be realized only if stock price appreciation occurs and if the key employee does not leave K2 during that period. In determining the number of options awarded to executive officers, the Compensation Committee considered information provided by K2's independent compensation consultants, which included, among other things, market studies of annual stock option grants as a percentage of shares outstanding and individual grants as a percentage of compensation utilizing the Black-Scholes formula.

Chief Executive's Compensation

During 2002, Mr. Rodstein's base salary was \$475,000 and was unchanged from 2001. In determining the Chief Executive Officer's incentive compensation award for 2002, the Compensation Committee of the Board of K2 recommended to the Board payment to Mr. Rodstein of \$153,000 as performance-based compensation as required under his employment contract, and \$1,242,000 in respect of severance pay and other amounts due under such employment contract upon his termination of employment with K2 on December 10, 2002. Upon commencement of Mr. Heckmann's appointment as Chief Executive Officer effective as of October 11, 2002, the Compensation Committee of the Board of K2 recommended to the Board of K2 that his salary be set at an annualized rate of \$475,000.

PROPOSAL 2

APPROVAL OF THE K2 INC. PERFORMANCE-BASED ANNUAL INCENTIVE PLAN TO COMPLY WITH SECTION 162(M) OF THE INTERNAL REVENUE CODE

On February 11, 2003, K2's Board of Directors approved the adoption of the K2 Inc. Performance-Based Annual Incentive Plan (the "Annual Performance Plan") effective January 1, 2003. The Board is now asking shareholders to approve the Annual Performance Plan. The following is a summary of the principal features of the Annual Performance Plan. The summary is qualified in its entirety by reference to the full text of the Plan attached as Exhibit A to this proxy statement.

General. The purpose of the Annual Performance Plan is to advance the interests of K2 Inc. ("K2 Inc." or the "Company") and its shareholders by providing incentives in the form of periodic bonus awards to senior executive employees of K2 and its subsidiaries, thereby motivating such executives to attain corporate performance goals articulated under the Annual Performance Plan. The Annual Performance Plan has been designed to qualify compensation paid under the plan as "qualified performance-based compensation" within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended from time to time ("Section 162(m)"). Section 162(m) limits deductibility of compensation in excess of \$1 million dollars paid to the Company's Chief Executive Officer and to each of the other four executive officers named by the Compensation Committee unless this compensation qualifies as "performance-based." The Company intends that compensation awarded pursuant to the Annual Performance Plan will satisfy the conditions necessary for deductibility of such amounts by the Company under Section 162(m) for years starting in 2004. Qualifying compensation paid under the plan as "qualified performance-based compensation" within the meaning of Section 162(m) will permit the Company to deduct such payments in excess of \$1 million dollars in any taxable year to a named executive if, among other things, the material terms of the Annual Performance Plan have been approved by the Company's shareholders. It is not expected that any executive will receive cash compensation for 2003 that materially exceeds \$1 million dollars. Approval of the Annual Performance Plan by the Company's shareholders will constitute approval of the performance measures used by the Annual Performance Plan and the compensation that may be awarded under the Annual Performance Plan for purposes of Section 162(m).

Performance Goals. The Annual Performance Plan provides annual cash bonuses to the Chief Executive Officer and to each of the other four executive officers named by the Compensation Committee. The target bonus for the executives are based on the achievement of positive economic earnings, which shall mean income from continuing operations before taxes and accounting charges and extraordinary items, less pension income (or plus pension expense) plus amortization and impairment of goodwill, plus restructuring or similar charges (the "Economic Earnings"). Such Economic Earnings must be achieved during each annual accounting period of the Company, commencing January 1, 2004. The maximum aggregate amount to be paid by the Company under the Annual Performance Plan in any annual accounting period shall equal 7.5% of the Economic Earnings for such period. Each executive participating in the Annual Performance Plan may receive an award expressed as a percentage of the maximum aggregate amount to be paid by the Company under the Annual Performance Plan in any annual accounting period. The Chief Executive Officer may earn up to 30%, and each of the other four executive officers participating in the Annual Performance Plan may earn up to 17.5% each, of the maximum aggregate amount to be paid under the Annual Performance Plan in any annual accounting period. Each annual cash bonus payable to the Chief Executive Officer and the other four executive officers may be subject to discretionary downward adjustments, but cannot be increased and cannot exceed \$3 million dollars. Any unpaid amounts in any annual accounting period shall revert to the Company.

Amendment. The Company has the authority to amend, modify or terminate the Annual Performance Plan. However, the Company is not permitted to amend the performance measures used by the Annual Performance Plan without the approval of the Company's shareholders.

THE COMPANY'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE COMPANY'S SHAREHOLDERS VOTE FOR APPROVAL OF THE K2 INC. PERFORMANCE-BASED ANNUAL INCENTIVE PLAN TO COMPLY WITH SECTION 162(M) OF THE INTERNAL REVENUE CODE.

PROPOSAL 3

Employment of Independent Auditors

Upon the recommendation of the Audit Committee, the Board of Directors, subject to approval by the K2 shareholders, has chosen the firm of Ernst & Young LLP as independent auditors to examine the consolidated financial statements of K2 for the year 2003. A representative of Ernst & Young LLP is expected to be present at the annual meeting with the opportunity to make a statement, if he or she so desires, and to be available to respond to appropriate questions.

In addition to retaining Ernst & Young LLP to audit K2's consolidated financial statements for 2002, K2 retained Ernst & Young to provide merger and acquisition, advisory and auditing services in 2002. K2 understands the need for Ernst & Young to maintain objectivity and independence in its audit of K2's financial statements. To minimize relationships that could appear to impair the objectivity of Ernst & Young, the Audit Committee has restricted non-audit services that Ernst & Young may provide primarily to tax services, merger and acquisition due diligence and audit services, and determined that K2 would obtain non-audit services from Ernst & Young only when the services offered by Ernst & Young are more effective or economical than services available from other service providers, and, to the extent possible, only after competitive bidding.

The Audit Committee requires specific pre-approval for all engagements with Ernst & Young. The Audit Committee has also adopted policies and procedures for pre-approving all non-audit work performed by Ernst & Young after March 24, 2003.

The aggregate fees billed for professional services by Ernst & Young in 2002 and 2001 were:

<u>Type of Fees</u>	<u>2002</u>	<u>2001</u>
Audit Fees	\$ 684,000	\$ 491,000
Audit-Related Fees	55,000	57,000
Tax Fees	528,000	155,000
Other Fees	54,000	12,000
	<u> </u>	<u> </u>
Total	\$ 1,321,000	\$ 715,000

In the above table, in accordance with new SEC definitions and rules which K2 elected to adopt for this year's proxy statement, "audit fees" are fees K2 paid Ernst & Young for professional services for the audit of K2's consolidated financial statements included in Form 10-K and review

Edgar Filing: K2 INC - Form DEF 14A

of financial statements included in Form 10-Q s, or for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements; audit-related fees are fees billed by Ernst & Young for audits of K2 s employee benefit plans; tax fees are fees for tax compliance, tax advice, and tax planning; and all other fees are fees billed by Ernst & Young to K2 for any services not included in the first three categories.

THE COMPANY S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE COMPANY S SHAREHOLDERS VOTE FOR APPROVAL OF THE APPOINTMENT OF ERNST & YOUNG LLP, AS INDEPENDENT AUDITORS OF THE COMPANY FOR THE YEAR 2003.

In order for a shareholder proposal to be considered for inclusion in K2's Proxy Statement for the 2004 Annual Meeting, the written proposal must be received by the Secretary of K2, 2051 Palomar Airport Road, Carlsbad, California 92009, no later than December 3, 2003. If a shareholder intends to submit at the 2004 Annual Meeting of shareholders a proposal that is not eligible for inclusion in the Proxy Statement, the deadline for submitting the proposal is determined under K2's bylaws, which state that the deadline is dependent upon the date of the 2004 Annual Meeting. Proposals not meeting the requirements set forth in the K2's bylaws will not be entertained at the 2004 Annual Meeting. Shareholders should contact the Secretary of K2 in writing at 2051 Palomar Airport Road, Carlsbad, CA 92009 to make any submission or to obtain additional information as to the proper form and content of submissions.

Other Matters

The Board of Directors knows of no other business to be presented at the meeting. If other matters do properly come before the meeting, the persons acting pursuant to the proxy will vote on them in their discretion. A copy of the 2002 Annual Report to shareholders is being mailed with this Proxy Statement.

- f. Executive Officer means K2's Chief Executive Officer as of the last day of each fiscal year and four (4) other executive officers (as defined in Rule 3b-7 under the Securities Exchange Act of 1934, as amended) that the Committee shall designate on or before the last day of that fiscal year.

principles as consistently applied by the Company.

- j. Performance Period means the period of time over which the attainment of the Performance Goal will be measured. The first Performance Period shall start on January 1, 2004, and end on the last day of the Company's annual accounting period, and all Performance Periods thereafter shall be the annual accounting period of the Company.

3. *Plan Administration*

The Committee shall have the power to make rules and regulations for the administration of the Plan in accordance with Section 162(m) of the Code. Any interpretation of the Plan or other act of the Committee in administering the Plan shall be final and binding on all Participants and other parties.

4. *Performance Awards*

- a. ***Performance-Based Compensation.*** Notwithstanding any other provisions of the Plan, any Performance Award payable under the Plan must satisfy the requirements of this Section 4. The purpose of this section is to ensure compliance by the Plan with the requirements of Section 162(m) of the Code.
- b. ***Shareholder Approval.*** Performance Awards are subject to approval of this Plan by the shareholders of the Company, including approval of the terms set forth in Paragraphs (c) through (f) of this section.
- c. ***Attainment of Goal.*** Performance Awards shall be paid solely on account of the attainment of the Performance Goal for the applicable Performance Period. If the Performance Goal is met, funds shall be appropriated to the Award Pool as provided in Paragraph (d) below, and the maximum Performance Award shall be paid as provided in Paragraph (e) below, subject to reduction as provided in Paragraph (f) below.
- d. ***Award Pool.*** The amount to be appropriated to the Award Pool with respect to a Performance Period shall equal **[seven and one half percent (7.5%)]** of Economic Earnings for such Performance Period. In the event that less than all of the funds in the Award Pool are distributed as Performance Awards with respect to a Performance Period, excess funds in the Award Pool shall revert to the Company at the end of such Performance Period and shall not carry over in the Award Pool for the subsequent Performance Period.
- e. ***Maximum Award.*** The maximum Performance Award paid under the Plan for any Performance Period shall be thirty percent (30%) of the Award Pool in the case of the Chief Executive Officer and seventeen and one-half percent (17.5%) of the Award Pool in the case of each of the other four (4) Participants. Notwithstanding these limits, in no case shall a single Performance Award to an Executive Officer exceed three million dollars (\$3,000,000.00).
- f. ***Reduction in Award.*** The Performance Award for each Participant may be reduced or eliminated by the Committee at any time in its sole discretion; *provided, however,* that under no circumstances may the amount of any Performance Award to any Participant be increased. In determining whether a Performance Award will be reduced or eliminated, the Committee shall take into account such factors as it deems relevant, including, without limitation, (i) revenue and operating income of the Company for the applicable Performance Period; (ii) other significant financial or strategic achievements during the Performance Period; (iii) its subjective assessment of each Executive Officer's overall performance for the Performance Period; and (iv) information about compensation practices at other peer group companies for the purpose of evaluating competitive compensation levels. Once the Committee has determined the amount of a Participant's Performance Award pursuant this Section 4, the Committee shall grant the Participant's Performance Award pursuant to Section 5.
- g. ***Committee Approval.*** *Notwithstanding the foregoing,* all Performance Awards are subject to the approval of the Committee.

5. Payment of Performance Awards

Subject to any shareholder approval required by law, payment of any Performance Award to a Participant for any Performance Period shall be made in cash as soon as practicable after written certification by the Committee that the Performance Goal was achieved and that any other material terms of the Performance Award were satisfied.

6. Plan Amendment and Termination

The Committee may terminate the Plan at any time, for any and no reason, and also may amend the Plan at any time, for any or no reason, provided that the terms set forth in Section 4 are not amended without the approval of the shareholders of the Company. No amendment may impair the rights of a Participant in respect of any Performance Award already granted.

7. Miscellaneous Provisions

- a. **No Right of Employment.** The Plan does not constitute a contract of employment and participation in the Plan will not give a Participant the right to continue in the employ of the Company.
- b. **Committee Decision Final.** Any interpretation of the Plan and any decision on any matter pertaining to the Plan that is made by the Committee in its discretion in good faith shall be binding on all persons.
- c. **Applicable Law.** The Plan will be governed by the laws of the State of California, except to the extent superseded by the laws of the United States.
- d. **Interests Not Transferable.** Any interests of Participants under the Plan may not be voluntarily sold, transferred, alienated, assigned or encumbered, other than by will or pursuant to the laws of descent and distribution.
- e. **Severability.** In the event that any provision of the Plan shall be held to be illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if such illegal or invalid provisions never had been contained in the Plan.
- f. **Withholding.** The Company will withhold required federal, state, foreign, city and local taxes from any amounts payable under this Plan.
- g. **Effect on Other Plans or Agreements.** Payments or benefits provided to a Participant under any stock, deferred compensation, savings, retirement or other employee benefit plan are governed solely by the terms of such plan.
