Item 1.01. Entry into a Material Definitive Agreement.

On January 11, 2008, Terex Corporation (“Terex”) and certain of its subsidiaries entered into an amendment to their existing Credit Agreement with the lenders party thereto and Credit Suisse, as administrative agent and collateral agent. A copy of this amendment is filed as Exhibit 10.1 to this Form 8-K, and the following summary is qualified in its entirety by reference to the attached amendment.

The amendment enables Terex and certain of its subsidiaries to sell accounts receivable of up to \$250 million at any time through a program utilizing a special purpose subsidiary of Terex. The amendment also allows Terex and certain of its subsidiaries to enter into purchase money loan and lease financing transactions with their customers in an aggregate amount not to exceed \$500 million at any time, and provides Terex and its subsidiaries the ability to sell such loans and leases to third parties. The amendment also removes from the definition of permitted acquisition a previous prohibition on an acquisition of a company that is preceded by an unsolicited tender offer for the equity interests of such company. Finally, the amendment makes a number of technical changes to reflect the impact of the substantive revisions described above.

Item 9.01. Financial Statements and Exhibits.
